

DATES: Interested persons are invited to submit comments on or before June 28, 2004.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF EDUCATION

National Research Center for Career and Technical Education and National Dissemination Center for Career and Technical Education

AGENCY: Office of Vocational and Adult Education, Department of Education.

ACTION: Notice of proposed extension of project period and waivers.

SUMMARY: We propose to waive the requirements in 34 CFR 75.261(c)(2) and 75.250 as they apply to the projects funded in Fiscal Year (FY) 1999 under the National Research Centers authority of section 114(c)(5) and (6)(A) of the Carl D. Perkins Vocational and Technical Education Act of 1998 (the Perkins Act). We propose these waivers in order to be able to extend the project periods for the two current grants awarded under the FY 1999 National Research Centers (National Center or Centers) competition.

The waivers as proposed would mean that: (1) Current grants may be continued at least through 2005 (and possibly for subsequent years, depending on the availability of appropriations for the National Centers in those years under the current statutory authority for the National Centers), instead of ending in 2004, and (2) we would not announce a new competition or make new awards in 2004.

We are requesting public comments on the proposed extension of project period and waivers.

DATES: We must receive your comments on or before May 27, 2004.

ADDRESSES: Address all comments about this proposed extension of project period and waivers to Ricardo Hernandez, U.S. Department of Education, Office of Vocational and Adult Education, 400 Maryland Avenue, SW., room 11138, Potomac Center Plaza, Washington, DC 20202-7120 or Nancy L.
