Bureau of Educational and Cultural Affairs Request for Grant Proposals: Creative Arts Exchanges

SUMMARY: The Cultural Programs Division within the Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs (the Bureau) announces an open competition for the Creative Arts Exchanges Program. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals for exchange programs that utilize the arts to educate foreign audiences about the United States and its foreign policy goals.

General Program Information

This competition is based on the premise that cultural exchanges will promote tolerance for pluralism in ideas, cultural values and peoples, and encourage other societies to implement democratic systems and practices. The goal of the projects submitted under this Request for Proposals will be to utilize the arts as a mechanism to engage youth and young adult audiences from diverse economic and social backgrounds. We are especially interested in reaching disadvantaged Muslim youth. Exchange activities funded under the Creative Arts Exchanges Program will address two questions:

1. How do artists and arts organizations in the United States reflect and exhibit American Society, including the principles of freedom of expression, entrepreneurship, altruism, volunteerism, philanthropy and community affiliation?

2. How do American artists convey, depict and represent these aspects of their society to citizens in other countries, and thereby inspire a better understanding of Americans, and promote democratic change?

The Cultural Programs Division within the Office of Citizen Exchanges welcomes proposals that directly respond to the thematic areas listed below. It is anticipated that approximately \$1,200,000 will be available to support projects under this request for proposals. Competition for grant awards will be intense. The program office anticipates awarding approximately 5-6 grants. Public and private non-profit arts and educational organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) are eligible to apply for grants between \$50,000-\$300,000 to conduct a program within one or more of the thematic areas listed below.

Projects should focus on two-way, reciprocal exchanges of cultural and artistic professionals, unless otherwise specified. Proposals will be accepted for projects involving overseas countries within all six geographic regions designated by the Department of State: Africa, Europe and Eurasia, Near East and North Africa, East Asia and the Pacific, South Asia and the Western Hemisphere. However, the overseas partner country must have a significant Muslim population, except where other countries are explicitly listed for consideration under a specific theme. In Africa, we are particularly interested in projects with Burkina Faso, Mali, Nigeria, Senegal, Sudan and Tanzania. In the Near East and North Africa, we

are specifically interested in exchange programs with the following countries: Morocco, Tunisia, Algeria, Egypt, Syria, Jordan, Lebanon, West Bank/Gaza, Saudi Arabia, Yemen, Oman, Qatar, United Arab Emirates, Kuwait, Bahrain and Iraq. In the East Asia and Pacific Region we are especially interested in projects with Indonesia, Malaysia, Thailand, the Philippines, Brunei, Singapore and Cambodia. Please read the thematic subject delineations to ascertain if there are targeted geographic region(s) and/or specific countries for which we are particularly interested in receiving proposals. Applicants may contact the Cultural Programs Division at (202) 203-7488 for additional reference.

Each project should propose an innovative, informed and efficient plan to identify, recruit and/or audition, select and program participants. Proposals must contain a narrative description of the correlation between the project and one or more of the following public and foreign policy topics: conflict resolution, global heritage, cultural heritage and tourism, regional stability, democratization and freedom of expression in an open society.

Applicants may submit proposals that involve in depth multi-dimensional projects that concentrate on one of the themes listed below. Alternatively, exchange projects funded under this competition may also incorporate several, or all of these themes:

Arts Management

Projects submitted in response to this theme would be aimed at expanding the expertise of visual and performing arts administrators who are seeking to balance government and private sector funding. Additional topics would include the relevance of arts organizations to local communities, including questions of institutional outreach and educational programs, and the role of arts organizations in cultural heritage and tourism. Proposed projects that include particular geographic regions and countries will be rated more competitive under our first review criteria [listed in the following section of this document]. The targeted regions and countries are; East Asia and the Pacific, Near East and North Africa, and Eastern European and Central Asian countries with significant Muslim populations. This includes Cambodia, Indonesia, Malaysia, Singapore, Albania, Azerbaijan, Bosnia, Kyrgyz Republic, Tajikistan and Uzbekistan. The two-way exchange program should help arts administrators and directors of cultural institutions develop their skills
