SUPPLEMENTARY INFORMATION:

I. Abstract

Regulations at 50 CFR 648.84(a), (b), and (d), § 648.123(b)(3), § 648.144(b)(1), and § 697.21(a) and (b) require that Federal fishing permit holders using specified fishing gear mark that gear with specified information for the purposes of identification (e.g., official vessel number or other method identified in the regulations). The regulations also specify how the gear is to be marked for the purposes of visibility (e.g., buoys, radar reflectors, or other method identified in the regulations). FOR FURTHER INFORMATION CONTACT:

Erika Carlsen, 301-713-2276.

SUPPLEMENTARY INFORMATION: Section 971(b) of the ATCA (16 U.S.C. 971 *et seq.*) requires that an advisory committee be established that shall be composed of: (1) Not less than five nor more than 20 individuals appointed by the U.S. Commissioners to ICCAT who shall select such individuals from the various groups concerned with the fisheries covered by the ICCAT Convention; and (2) the chairs (or their designees) of the New England, Mid-Atlantic, South Atlantic, Caribbean, and Gulf Fishery Management Councils. Each member of the Advisory Committee appointed under item (1) shall serve for a term of two years and shall be eligible for reappointment. Members of the Advisory Committee may attend all public meetings of the ICCAT Commission, Council, or any Panel and any other meetings to which they are invited by the ICCAT Commission, Council, or any Panel. The Advisory Committee shall be invited to attend all nonexecutive meetings of the U.S. Commissioners to ICCAT and, at such meetings, shall be given the opportunity to examine and be heard on all proposed programs of investigation, reports, recommendations, and regulations of the ICCAT Commission. Members of the Advisory Committee shall receive no compensation for such services. Nominations to the Advisory Committee or to a species working group should include a letter of interest and a resume or curriculum vitae. Letters of recommendation are useful but not required. Self-nominations are acceptable. When making a nomination, please clearly specify which appointment (Advisory Committee member or technical advisor to a species working group) is being sought.
