**EXPORT-IMPORT BANK OF THE UNITED STATES**

[Public Notice 59]

**Agency Information Collection Activities; Submission for OMB Review, Comment Request**

**AGENCY**: Export-Import Bank of the United States (Ex-Im Bank).

**ACTION**: Notice and request for comments.

**SUMMARY**: Under the provisions of the Paperwork Reduction Act of 1995, the Export-Import Bank of the United States is submitting to the Office of Management and Budget (OMB) a request to review and approve a revised exporter and banker survey. The purpose of the survey is to fulfill a statutory mandate (The Export-Import Bank Act of 1945, as amended, 12 U.S.C. 635) which directs Ex-Im Bank to report annually to the U.S. Congress any action taken toward providing export credit programs that are competitive with those offered by official foreign export credit agencies. The Act further stipulates that the annual report on competitiveness should include the results of a survey of U.S. exporters and U.S. commercial lending institutions which provide export credit to determine their experience in meeting financial competition from other countries whose exporters compete with U.S. exporters.

Accordingly, Ex-Im Bank is requesting that the proposed survey (EIB No. 00-02) be sent to approximately 50 respondents, split equally between bankers and exporters. The revised survey is similar to the previous survey, as it asks bankers and exporters to evaluate the competitiveness of Ex-Im Bank's programs vis-à-vis foreign export credit agencies. However, it has been modified in order to account for newer policies and to capture enough information to provide a better analysis of our competitiveness. In addition, the survey will be available on Ex-Im Bank's Web site, [www.exim.gov](http://www.exim.gov), with recipients encouraged to respond on-line as well.

**DATES**: Written comments should be received on or before February 13, 2004, to be assured of consideration.

**ADDRESSES**: Direct all requests for additional information to Alan Jensen,
