SUPPLEMENTARY INFORMATION:**A. Background**

DFARS Transformation is a major DoD initiative to dramatically change the purpose and content of the DFARS. The objective is to improve the efficiency and effectiveness of the acquisition process, while allowing the acquisition workforce the flexibility to innovate. The transformed DFARS will contain only requirements of law, DoD-wide policies, delegations of FAR authorities, deviations from FAR requirements, and policies/procedures that have a significant effect beyond the internal operating procedures of DoD or a significant cost or administrative impact on contractors or offerors. Additional information on the DFARS Transformation initiative is available at <http://www.acq.osd.mil/dp/dars/transf.htm>.

This proposed rule is a result of the DFARS Transformation initiative. The proposed changes include—

- Consolidation of requirements for reporting violations and suspected violations of certain requirements into a new section at DFARS 203.070. This results in elimination of DFARS sections 203.103, 203.103–2, and 203.104–10; subparts 203.2, 203.3, and 203.4; and sections 203.502 and 203.570–4.

- Streamlining of text at DFARS 203.570–1 and 203.570–2 relating to prohibitions on persons convicted of fraud or other defense-contract-related felonies.

- Revision of the clause at 252.203–7001, Prohibition on Persons Convicted of Fraud or Other Defense-Contract-Related Felonies, to remove unnecessary references to first-tier subcontracts in

paragraphs (b) and (d). Paragraph (g) of the clause adequately addresses requirements for flow down to first-tier subcontracts.

- Deletion of text at DFARS 203.570–3 relating to internal DoD procedures for waiver of the 5-year period for prohibitions on persons convicted of fraud or other defense-contract-related felonies; and deletion of text at DFARS 209.105–2, 209.406–3, and 209.407–3 containing internal DoD procedures for referral of matters to agency debarment and suspension officials. This text will be relocated to the new DFARS companion resource, Procedures, Guidance, and Information (PGI). A proposed rule describing the purpose and structure of PGI is published elsewhere in this issue of the **Federal Register** under DFARS Case 2003–D090, Procedures, Guidance, and Information.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule streamlines and clarifies existing regulations, with no substantive change in policy. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2003–D012.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

DoD has sole responsibility for determining the period of the prohibition described in paragraph (b) of the clause at 252.203–7001, Prohibition on Persons Convicted of Fraud or Other Defense-Contract-Related Felonies. The prohibition period—

(a) Shall not be less than 5 years from the date of conviction unless the agency head or a designee grants a waiver in the interest of national security. Follow the waiver procedures at PGI 203.570–2(a); and

(b) May be more than 5 years from the date of conviction if the agency head or a designee makes a written determination of the need for the longer period. The agency shall provide a copy of the determination to the address at PGI 203.570–2(b).

SUPPLEMENTARY INFORMATION:

A. Background

DFARS Transformation is a major DoD initiative to dramatically change the purpose and content of the DFARS. The objective is to improve the efficiency and effectiveness of the acquisition process, while allowing the acquisition workforce the flexibility to innovate. The transformed DFARS will contain only requirements of law, DoD-wide policies, delegations of FAR authorities, deviations from FAR requirements, and policies/procedures that have a significant effect beyond the internal operating procedures of DoD or a significant cost or administrative impact on contractors or offerors. Additional information on the DFARS Transformation initiative is available at <http://www.acq.osd.mil/dp/dars/transf.htm>.

This proposed rule is a result of the DFARS Transformation initiative. The proposed changes include—

- Deletion of text at DFARS 205.207(d)(ii) containing a notice to be included in acquisitions being considered for historically black college and university and minority institution (HBCU/MI) set-aside. This notice will be relocated to the new DFARS companion resource, Procedures, Guidance, and Information (PGI), with retention of a policy statement in DFARS 205.207 regarding use of the notice, and addition of a policy statement at DFARS 226.7003-2(c) regarding the requirement for an interested HBCU/MI to provide evidence of its capability and eligibility (which is also addressed in the notice). A proposed rule describing the purpose and structure of PGI is published elsewhere in this issue of the **Federal Register** under DFARS Case 2003-D090, Procedures, Guidance, and Information.

- Redesignation of DFARS 205.207(d)(iii) as 205.207(d)(ii), and deletion of text that duplicates policy found in 235.016. A reference to 236.016 has been retained in newly designated 205.207(d)(ii).

- Deletion of unnecessary text at DFARS 205.207(e), 205.470-1, and 205.502. The clause prescription at 205.470-2 is redesignated as 205.470 and amended to include a statutory reference.

This rule was not subject to Office of Management and Budget review under

Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule updates and relocates DFARS text, with no substantive change in policy. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2003-D016.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

(A) Cite the appropriate Numbered Note; and

(B) Include the notice at PGI 205.207(d)(i).

(ii) For broad agency announcement notices, see 235.016.

3. Section 205.470 is revised to read as follows:
