

Safe Streets Act, recipients are required to take reasonable steps to ensure that LEP persons have meaningful access to their programs. Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to assist them in complying with Title VI requirements. The guidance document can be accessed on the internet at <http://www.lep.gov>, or by contacting OJP's Office for Civil Rights at 202-307-0690, or by writing to the following address: Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice, 810 7th Street NW., Eighth Floor, Washington, DC 20531.

Lobbying

The Anti-Lobbying Act, 18 U.S.C. 1913, recently was amended to expand significantly the restriction on use of appropriated funding for lobbying. This expansion also makes the anti-lobbying restrictions enforceable via large civil penalties, with civil fines between \$10,000 and \$100,000 per each individual occurrence of lobbying activity. These restrictions are in addition to the anti-lobbying and lobbying disclosure restrictions imposed by 31 U.S.C. 1352.

The Office of Management and Budget (OMB) is currently in the process of amending the OMB cost circulars and the common rule (codified at 28 CFR part 69 for DOJ grantees) to reflect these modifications. However, in the interest of full disclosure, all applicants must understand that no federally appropriated funding made available under this grant program may be used, either directly or indirectly, to support the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government, without the express approval by OJP. Any violation of this prohibition is subject to a minimum \$10,000 fine for each occurrence. This prohibition applies to all activity, even if currently allowed within the parameters of the existing OMB circulars.
