### Substance Abuse and Mental Health Services Administration

#### Fiscal Year (FY) 2004 Funding Opportunity

**AGENCY:** Center for Substance Abuse Prevention, Substance Abuse and Mental Health Services Administration, HHS.

**ACTION:** Notice of intent to award a single source grant to the District of

Columbia (DC) State Incentive Grant (SIG) Program.

**SUMMARY:** This notice is to inform the public that the Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP), intends to award approximately \$300,000 (total costs) for a one-year project period to the District of Columbia (DC) State Incentive Grant (SIG) Program. This is not a formal request for applications. Assistance will be provided only to the District of Columbia (DC) State Incentive Grant (SIG) Program based on the receipt of a satisfactory application that is approved by an independent review group.

*Funding Opportunity Title:* SP 04-009.

*Catalog of Federal Domestic*

*Assistance (CFDA) Number:* 93.243.

*Authority:* Section 516 of the Public Health Service Act, as amended.

*Justification:* Only the District of Columbia (DC) State Incentive Grant (SIG) Program is eligible to apply. The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Prevention (CSAP), is seeking to award a single source supplemental grant to the DC SIG to support the expansion and bring to scale the Best Friends Foundation's Best Friends and Best Men Youth Development Program by reaching a larger number of youth and schools. It has been shown that youth in DC experience a large number of risk factors that impact significantly on their health, safety, and future productivity. SAMHSA's SIG programs provide States with an opportunity to focus resources to address risk and protective factors and achieve positive outcomes by implementing programs that work. The DC SIG has previously supported the Best Friends Programs by implementing the programs in 13 DC Public Schools, reaching 188 youth. A supplemental award to the DC SIG will build on the initial investment and enable the Best Friends Program to be expanded to reach more youth through its curriculum and activities. This supplement will facilitate funds being awarded more expeditiously so the program can be implemented in 2004. Since Best Friends has demonstrated positive outcomes, it furthers the goals and objectives of the DC SIG by engaging community based organizations to improve prevention services for youth. It will address risk and protective factors for DC youth and help achieve positive outcomes.

**Notice of Extension of Receipt Dates and Planned Republication of SAMHSA Grant Announcements SM 04-003, Statewide Consumer Network Grants, and SM 04-004, Statewide Family Network Grants; and Planned Republication of Standing Grant Program Announcements**

**SUMMARY:** The Substance Abuse and Mental Health Services Administration (SAMHSA), for Fiscal Year 2004, published four standard grant announcements, which established mandatory formatting requirements for all applications that would be processed in accordance with the terms of those standing announcements. The standard grant announcements did not directly solicit any applications. Rather, they are to be used in conjunction with Notices of Funding Availability (NOFAs), which solicit applications for specific opportunities pursuant to the standard announcements.

Upon further consideration, SAMHSA believes the formatting requirements common to those announcements, and motivated by SAMHSA's desire to assure equitable opportunity and a "level playing field" to all applicants, will not best serve the public until we revise and republish them. Accordingly, we will quickly revise the identical formatting discussions of all four standing grant program announcements and republish them in their entirety for ease of the users. These formatting requirements are used for preliminary screening out of noncomplying applications in order to assure some applicants do not obtain a competitive advantage through failure to comply. The revised screening criteria will be more lenient, permitting a greater number of applications to be reviewed. We had already solicited applications under two NOFAs, which we will now also revise to address the revised announcements and their interdependent screening requirements.

In accordance with the above considerations, and in order to afford the benefits intended from the republication of the program announcements and NOFAs to those already planning to apply under the two NOFAs identified, SAMHSA hereby notifies the public, and particularly those who planned to apply in response to those NOFAs, that the receipt date for both programs will now be March 31, 2004, and the NOFAs will be republished to reflect the screening revisions and new receipt dates. Since all applications, whenever submitted, will be processed under the revised standards, those applying under either of those NOFAs should await and study the revised documents before submitting their applications. Any applicant who has already applied may request return of the application and by the new receipt date resubmit a revised one, or submit a revised application with a cover letter telling us it is a replacement for one previously submitted.

**DEPARTMENT OF HOMELAND SECURITY**

**Federal Emergency Management Agency**

**Agency Information Collection Activities: Proposed Collection; Comment Request**

**AGENCY:** Federal Emergency Management Agency, Emergency

Preparedness and Response Directorate, U.S. Department of Homeland Security

**ACTION:** Notice and request for comments.

**SUMMARY:** The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a proposed revised information collection. In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)), this notice seeks comments concerning the standardization and consistent use of FEMA grant administrative forms for disaster and non-disaster federal assistance.

**SUPPLEMENTARY INFORMATION:** This information collection is in accordance with the requirements in 44 CFR, part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Government (subpart B, 13.10, and subpart C, 13.32, 13.33, 13.40, 13.41, and subpart D, 13.50). This is FEMA's implementation of the Common Rule for grant programs.

The Senior Procurement Executive (SPE) has determined that in order to have consistent implementation of FEMA grant administrative policies, it is necessary to standardize the particular forms that FEMA uses in the various grant programs throughout the agency.

**Collection of Information**

*Title:* FEMA Grant Administrative Forms.

*Type of Information Collection:* Revision of a currently approved collection.

*OMB Number:* 1660-0025.
