

4 hours to complete the first part (Series 86) and 1½ hours to complete the second part (Series 87).

The Series 86 is the "Analysis" portion of the examination and consists of 100 multiple-choice questions covering the critical job functions of "Information and Data Collection" (10 questions) and "Analysis, Modeling, and Valuation" (90 questions). The second part, the Series 87, is the "Regulatory Administration and Best Practices" portion of the examination and consists of 50 multiple-choice questions covering the critical job functions of "Preparation of Research Reports" (32 questions) and "Dissemination of Information" (18 questions). This portion of the examination focuses on rules and regulations applicable to the work of a research analyst.

The selection specifications for the Series 86/87 examination, which NASD has omitted from this filing and has submitted under separate cover with a request for confidential treatment to the Commission's Secretary pursuant to Rule 24b-2 under the Act,²⁰ describe additional confidential information regarding the examination.

4. NASD's Statutory Basis

NASD believes that the proposed Series 86/87 examination program is consistent with the provisions of sections 15A(b)(6)²¹ and 15A(g)(3) of the Act,²² which authorize NASD to prescribe standards of training, experience, and competence for persons associated with NASD members.

B. Self-Regulatory Organizations' Statements on Burden on Competition

NASD and NYSE do not believe that the proposed rule changes, as amended, will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act, as amended.

C. Self-Regulatory Organizations' Statements on Comments on the Proposed Rule Changes Received From Members, Participants or Others

The NASD and NYSE have neither solicited nor received written comments on the proposed rule changes.

III. Date of Effectiveness of the Proposed Rule Changes and Timing for Commission Action

The proposed rule changes, as amended, are effective upon filing²³

pursuant to section 19(b)(3)(A)²⁴ of the Act and paragraph (f)(6) of Rule 19b-4²⁵ thereunder, in that the proposed rule changes (1) do not significantly affect the protection of investors or the public interest; (2) do not impose any significant burden on competition; and (3) by their terms, do not become operative for 30 days after the date of filing.²⁶ At any time within 60 days of this filing, the Commission may summarily abrogate this proposal if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.²⁷

The SROs requested that the Commission waive the five-day pre-filing notice requirement. The Commission finds good cause to designate the proposals effective upon filing with the Commission²⁸ because such designation is consistent with the protection of investors and the public interest.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule changes, as amended, are consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following email address: *rule-comments@sec.gov*. All comment letters should refer to File Nos. SR-NYSE-2003-41; SR-NASD-2004-17. These file numbers should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, comments should be sent in hard copy or by email but not by both methods.

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule changes that are filed with the Commission, and all written communications relating to the proposed rule changes between the Commission and any person, other than those that may be withheld from the

public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filings will also be available for inspection and copying at the principal offices of the NASD and NYSE. All submissions should refer to the file numbers File Nos. SR-NYSE-2003-41; SR-NASD-2004-17 and should be submitted by March 15, 2004.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.²⁹
