I. Funding Opportunity Description

This solicitation is issued pursuant to section 231 of the Agriculture Risk Protection Act of 2000 (Pub. L. 106-224) as amended by section 6401 of the Farm Security and Rural Investment Act of 2002 (Pub. The Secretary of Agriculture has delegated the program's administration to USDA's Rural Business-Cooperative Service.

The primary objective of this grant program is to help eligible independent producers of agricultural commodities, agricultural producer groups, farmer and rancher cooperatives, and majority-controlled producer-based business ventures develop strategies to create marketing opportunities and to help develop business plans for viable marketing opportunities.
