

authority to receive funds from another Federal agency in excess of their appropriation. Because this announcement is not proposing to procure goods or services from applicants, the Economy Act (31 U.S.C. 1535) is not an appropriate legal basis.

Cost Sharing Requirements

None.

Evaluation and Selection Procedures

NOAA published its agency-wide solicitation entitled "Omnibus Notice Announcing the Availability of Grant Funds for Fiscal Year 2005" for projects and fellowships/scholarship/internships for Fiscal Year 2005 in the **Federal Register** on June 30, 2004 (69 FR 39417). The evaluation criteria and selection procedures for projects contained in that omnibus notice are applicable to this solicitation. Copies of the notice are available on the Internet at: <http://www.ofa.noaa.gov%7Eamd/SOLINDEX.HTML>. A pre-proposal submission is required in order to submit a full proposal. The notice discouraging the submission of a full proposal does not preclude a full proposal submission.

Intergovernmental Review

Applications under this program are not subject to Executive Order 12372, "Intergovernmental Review of federal programs."

Limitation of Liability

In no event will NOAA or the Department of Commerce be responsible for proposal preparation costs if this program is cancelled because of other agency priorities. Publication of this announcement does not oblige NOAA to award any specific project or to obligate any available funds. Applicants are hereby given notice that funding for the Fiscal Year 2005 program is contingent upon the availability of Fiscal Year 2005 appropriations.

Universal Identifier

Applicants should be aware they are required to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number during the application process. See the October 30, 2002, **Federal Register**, (67 FR 66177) for additional information. Organizations can receive a DUNS number at no cost by calling the dedicated toll-free DUNS Number request line at 1-866-705-5711 or via the Internet at <http://www.dunandbradstreet.com>.

National Environmental Policy Act (NEPA)

NOAA must analyze the potential environmental impacts, as required by NEPA, for applicant projects or proposals which are seeking NOAA Federal assistance. Detailed information on NOAA compliance with NEPA can be found at the following Web site: <http://www.nepa.noaa.gov> including NOAA Administrative Order 216-6 for NEPA at <http://www.nepa.noaa.gov/NAO216161TOC.pdf>, and the Council on Environmental Quality implementation regulations at <http://ceq.eh.doe.gov/nepa/regs/ceq/toclceq.htm>.

Consequently, as part of an applicant's package under the description of their program activities, applicants are required to provide detailed information on the activities to be conducted, locations, sites, species, and habitat to be affected, possible construction activities, and any environmental concerns that may exist (e.g., the use and disposal of hazardous or toxic chemicals, introduction of nonindigenous species, impacts to endangered and threatened species, aquaculture projects, and impacts to coral reef systems). In addition to providing specific information that will serve as the basis for any required impact analysis, applicants may also be requested to assist NOAA in drafting an environmental assessment, if NOAA determines an assessment is required. Applicants will also be required to cooperate with NOAA in identifying and implementing feasible measures to reduce or avoid any identified adverse environmental impacts of their proposal. The failure to do so shall be grounds for the denial of an application.

The Department of Commerce Preaward Notification Requirements for Grants and Cooperative Agreements contained in the **Federal Register** notice of October 1, 2001 (66 FR 49917), as amended by the **Federal Register** notice published on October 30, 2002 (67 FR 66109), are applicable to this solicitation.

It has been determined that this notice does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

Administrative Procedure Act/Regulatory Flexibility Act

Prior notice and an opportunity for public comment are not required by the Administrative Procedure Act or any other law for rules concerning public property, loans, grants, benefits, and contracts (5 U.S.C. 553(a)(2)). Because notice and opportunity for comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements for the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis has not been prepared.
