AGENCY: Import Administration,
 International Trade Administration,
 Department of Commerce.

ACTION: Notice of extension of time limit
 of the preliminary results of the
 antidumping duty administrative review
 of stainless steel sheet and strip in coils
 from Italy.

SUMMARY: The Department of Commerce
 ("the Department") is extending the
 time limit of the preliminary results of
 the antidumping duty administrative
 review of stainless steel sheet and strip
 in coils from Italy.

EFFECTIVE DATE: March 1, 2004.

FOR FURTHER INFORMATION CONTACT:

Jonathan Herzog, AD/CVD Enforcement,
 Group III, Office 9, Import
 Administration, International Trade
 Administration, U.S. Department of
 Commerce, 14th Street and Constitution
 Avenue, NW, Washington DC 20230;
 telephone: (202) 482-4271.

SUPPLEMENTARY INFORMATION:

Background

On July 2, 2003, the Department
 published a notice of opportunity to
 request an administrative review of the
 antidumping duty order on stainless
 steel sheet and strip in coils from Italy.
*See Antidumping or Countervailing
 Duty Order, Finding, or Suspended
 Investigation; Opportunity to Request
 Administrative Review*, 68 FR 39511
 (July 2, 2003). On July 31, 2003,
 Thyssen Krupp Acciai Speciali S.p.A.
 ("TKAST"), an Italian producer of

subject merchandise requested that the
 Department conduct an administrative
 review. Additionally, on July 31, 2003,
 Petitioners requested that the
 Department conduct an administrative
 review of TKAST. On August 22, 2003,
 the Department published a notice of
 initiation of an administrative review of
 the antidumping duty order on stainless
 steel sheet and strip in coils, for the
 period July 1, 2002 through June 30,
 2003. *See Initiation of Antidumping and
 Countervailing Duty Administrative
 Reviews and Requests for Revocation in
 Part*, 68 FR 50750 (August 22, 2003).
 The preliminary results of this
 administrative review are currently due
 no later than April 1, 2004.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the
 Act, and section 351.213(h)(2) of the
 Department's regulations, the
 Department may extend the deadline for
 completion of the preliminary results of
 a review if it determines that it is not
 practicable to complete the preliminary
 results within the statutory time limit of
 245 days from the date on which the
 review was initiated. Due to the
 complexity of issues present in this
 administrative review, such as home
 market affiliated downstream sales, and
 complicated cost accounting issues, the
 Department has determined that it is not
 practicable to complete this review
 within the original time period provided
 in section 751(a)(3)(A) of the Act and
 section 351.213(h)(2) of the
 Department's regulations. Therefore, we
 are extending the due date for the
 preliminary results by 60 days, until no
 later than May 31, 2003. The final
 results continue to be due 120 days after
 the publication of the preliminary
 results.

Dated: February 9, 2004.

Joseph A. Spetrini,

*Deputy Assistant Secretary for Import
 Administration, Group III.*

North American Free Trade Agreement (NAFTA), Article 1904 Binational Panel Reviews: Notice of Termination of Panel Review

AGENCY: NAFTA Secretariat, United
 States Section, International Trade
 Administration, Department of
 Commerce.

ACTION: Notice of Consent Motion to Terminate the Panel Review of the final affirmative countervailing duty determination made by the International Trade Administration, respecting Carbon and Certain Alloy Steel Wire Rod from Canada (Secretariat File No. USA-CDA-2002-1904-08).

SUMMARY: Pursuant to the Notice of Consent Motion to Terminate the Panel Review by the complainants, the panel review is terminated as of February 25, 2004. A panel has been appointed to this panel review and has consented to this motion. Pursuant to Rule 71(2) of the *Rules of Procedure for Article 1904 Binational Panel Review*, this panel review is terminated.

FOR FURTHER INFORMATION CONTACT: Caratina L. Alston, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter was requested and terminated pursuant to these Rules.

Dated: February 24, 2004.
