SMALL BUSINESS ADMINISTRATION

Small Business Size Standards: Waiver of the Nonmanufacturer Rule

AGENCY: U.S. Small Business Administration.

ACTION: Notice of intent to waive the Nonmanufacturer Rule for Sporting and Athletic Goods Manufacturing.

SUMMARY: The U.S. Small Business Administration (SBA) is considering granting a waiver of the Nonmanufacturer Rule for Sporting and Athletic Goods Manufacturing. The basis for waivers is that no small business manufacturers are supplying these classes of products to the Federal government. The effect of a waiver would be to allow otherwise qualified regular dealers to supply the products of any domestic manufacturer on a Federal contract set aside for small businesses or awarded through the SBA's 8(a) Business Development Program.

DATES: Comments and sources must be submitted on or before August 13, 2004.

FOR FURTHER INFORMATION CONTACT: Edith Butler, Program Analyst, by telephone at (202) 619-0422; by FAX at (202) 205-7280; or by e-mail at edith.butler@sba.gov.

SUPPLEMENTARY INFORMATION: Section 8(a)(17) of the Small Business Act, (Act)15 U.S.C. 637(a)(17), requires that recipients of Federal contracts set aside for small businesses or SBA's 8(a) Business Development Program provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. The SBA regulations imposing this requirement are found at 13 CFR 121.406(b). Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any "class of products" for which there are no small business manufacturers or processors available to participate in the Federal market.

As implemented in SBA's regulations at 13 CFR 121.1204, in order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a

contract from the Federal government within the last 24 months. The SBA defines "class of products" based on six digit coding systems. The first coding system is the Office of Management and Budget North American Industry Classification System (NAICS). The second is the Product and Service Code established by the Federal Procurement Data System.

The SBA received a request on June 29, 2004 to waive the Nonmanufacturer Rule for Sporting and Athletic Goods Manufacturing. In response, SBA is currently processing a request to waive the Nonmanufacturer Rule for Sporting and Athletic Goods Manufacturing, North American Industry Classification System (NAICS) 339920. The public is invited to comment or provide source information to SBA on the proposed waiver of the nonmanufacturer rule for this NAICS code.

Authority: 15 U.S.C. 637(a)(17).

Dated: July 22, 2004.

Barry S. Meltz,

Acting Associate Administrator for Government Contracting.

SSA will use these data to conduct statistical research of recipients of SSA-administered programs. The SIPP for SSA Beneficiaries is a household-based survey molded around a central "core" of labor force and income questions. The core is supplemented with questions designed to address specific needs, such as obtaining information about assets and liabilities, as well as

expenses related to work, health care, child support and real estate/dependent care. These supplemental questions are included with the core and are referred to as "topical modules."

- Work-Related Expenses, Child Support Paid and Child Care Poverty
- Assets, Liabilities, and Eligibility
- Dependent Care.

When an overpayment in SVB occurs, the beneficiary can request a waiver of recovery of the overpayment or a change in the overpayment rate.

The Information Collection

Form SSA-2032-BK will be used by SSA to obtain the information necessary to determine whether the provisions of the Act regarding waiver of recovery of the overpayment are met. The information on the form is needed to determine a repayment rate if repayment cannot be waived. The information will be collected by personnel in SSA field offices, U.S. Embassies or consulates, or the Veterans Affairs Regional Office in the Philippines. Respondents to the SSA-2032 are beneficiaries who have overpayments on their Title VIII record and wish to file a claim for waiver of recovery or change in repayment rate.
