

pursuant to the Program's effective date, underwriting and eligibility rules.

B. Each year, the FIA shall publish in the Federal Register and make available to the Company the terms for subscription or re-subscription to this Financial Assistance/ Subsidy Arrangement. The Company shall notify the FIA of its intent to re-subscribe or not re-subscribe within thirty days of publication.

C. In order to assure uninterrupted service to policyholders, the Company shall promptly notify the FIA in the event the Company elects not to participate in the Program during the Arrangement year. If so notified, or if the FIA chooses not to renew the Company's participation, the FIA, at its option, may require the continued performance of all or selected elements of this Arrangement for the period required for orderly transfer or cessation of business and settlement of accounts, not to exceed 18 months, and may either require Article V.C.1 or allow Article V.C.2:

1. The delivery to the FIA of:

a. A plan for the orderly transfer to the FIA of any continuing responsibilities in administering the policies issued by the Company under the Program including provisions for coordination assistance; and

b. All data received, produced, and maintained through the life of the Company's participation in the Program, including certain data, as determined by FIA, in a standard format and medium; and

c. All claims and policy files, including those pertaining to receipts and disbursements that have occurred during the life of each policy. In the event of a transfer of the services provided, the Company shall provide the FIA with a report showing, on a policy basis, any amounts due from or payable to insureds, agents, brokers, and others as of the transition date; and

d. All funds in its possession with respect to any policies transferred to FIA for administration and the unearned expenses retained by the Company.

2. Submission of plans for the renewal of the business by another WYO Company or Companies or the submission of detailed plans for another WYO Company to assume responsibility for the Company's NFIP policies. Such plans shall assure uninterrupted service to policyholders and shall be accompanied by a formal request for FIA approval of such transfers.

D. Financial assistance under this Arrangement may be canceled by the FIA in its entirety upon thirty (30) days written notice to the Company by certified mail stating one of the following reasons for such cancellation: (i) Fraud or misrepresentation by the Company subsequent to the inception of the Arrangement; or (ii) Nonpayment to the FIA of any amount due the FIA; or (iii) Material failure to comply with the requirements of this Arrangement or with the written standards, procedures, or guidance issued by FEMA or FIA relating to the NFIP and applicable to the Company. Under these specific conditions, the FIA may require the transfer of administrative responsibilities and the transfer of data and records as provided in Article V, Section C.1.a through d. If transfer is required, the unearned expenses

retained by the Company shall be remitted to the FIA. In such event, the Government will assume all obligations and liabilities owed to policyholders under such policies, arising before and after the date of transfer. As an alternative to transfer of the policies to the Government, the FIA will consider a proposal, if it is made by the Company, for the assumption of responsibilities by another WYO Company as provided in Article V, Section C.2.

E. In the event that the Company is unable or otherwise fails to carry out its obligations under this Arrangement by reason of any order or directive duly issued by the Department of Insurance of any jurisdiction to which the Company is subject, the Company agrees to transfer, and the Government will accept, any and all WYO policies issued by the Company and in force as of the date of such inability or failure to perform. In such event the Government will assume all obligations and liabilities within the scope of the Arrangement owed to policyholders arising before and after the date of transfer, and the Company will immediately transfer to the Government all needed records and data and all funds in its possession with respect to all such policies transferred and the unearned expenses retained by the Company. As an alternative to transfer of the policies to the Government, the FIA will consider a proposal, if it is made by the Company, for the assumption of responsibilities by another WYO Company as provided by Article V, Section C.2.

F. In the event the Act is amended, or repealed, or expires, or if the FIA is otherwise without authority to continue the Program, financial assistance under this Arrangement may be canceled for any new or renewal business, but the Arrangement shall continue for policies in force that shall be allowed to run their term under the Arrangement.

■ 9. In Appendix A, Part 62, revise Article VII Section C. to read as follows:

C. In the event the Company elects not to participate in the Program in this or any subsequent fiscal year, or is otherwise unable or not permitted to participate, the Company and FIA shall make a provisional settlement of all amounts due or owing within three months of the expiration or termination of this Arrangement. This settlement shall include net premiums collected, funds drawn on the Letter of Credit, and reserves for outstanding claims. The Company and FIA agree to make a final settlement, subject to audit, of accounts for all obligations arising from this Arrangement within 18 months of its expiration or termination, except for contingent liabilities that shall be listed by the Company. At the time of final settlement, the balance, if any, due the FIA or the Company shall be remitted by the other immediately and the operating year under this Arrangement shall be closed.

■ 10. In Appendix A to Part 62, revise the first paragraph of Article IX to read as follows:

Article IX—Errors and Omissions

In the event of negligence by the Company that has not resulted in litigation but has resulted in a claim against the Company, FEMA will not consider reimbursement of the Company for costs incurred due to that negligence unless the Company takes all reasonable actions to rectify the negligence and to mitigate any such costs as soon as possible after discovery of the negligence. Further, (i) if the claim against the Company is grounded in actions significantly outside the scope of this Arrangement or (ii) if there is negligence by the agent, FEMA will not reimburse any costs incurred due to that negligence. The Company will be notified in writing within thirty (30) days of a decision not to reimburse. In the event the Company wishes to petition for reconsideration of the decision not to reimburse, the procedure in Article III, Section D.3.d shall apply.

■ 11. In Appendix A to Part 62, revise Article XVI to read as follows:

Article XVI—Relationship Between the Parties (Federal Government and Company) and the Insured

Inasmuch as the Federal Government is a guarantor hereunder, the primary relationship between the Company and the Federal Government is one of a fiduciary nature, i.e., to assure that any taxpayer funds are accounted for and appropriately expended. The Company is a fiscal agent of the Federal Government, but is not a general agent of the Federal Government. The Company is solely responsible for its obligations to its insured under any policy issued pursuant hereto, such that the Federal Government is not a proper party to any lawsuit arising out of such policies.

[Docket No. 031124287-4060-02; I.D. 072604C]

#### Fisheries of the Exclusive Economic Zone Off Alaska; Arrowtooth Flounder in the Bering Sea and Aleutian Islands

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Prohibition of retention.

**SUMMARY:** NMFS is prohibiting retention of arrowtooth flounder in the Bering Sea and Aleutian Islands management area (BSAI). NMFS is requiring that catch of arrowtooth flounder in this area be treated in the same manner as prohibited species and discarded at sea with a minimum of injury. This action is necessary because the 2004 total allowable catch (TAC) of arrowtooth flounder in this area has been reached.

**DATES:** Effective 1200 hrs, Alaska local time (A.l.t.), July 28, 2004, until 2400 hrs, A.l.t., December 31, 2004.

**FOR FURTHER INFORMATION CONTACT:** Josh Keaton, 907-586-7228.

**SUPPLEMENTARY INFORMATION:** NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Islands Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by

U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2004 TAC of arrowtooth flounder in the BSAI was established as 10,200 metric tons by the final 2004 harvest specifications for groundfish in the BSAI (69 FR 9242, February 27, 2004).

In accordance with § 679.20(d)(2), the Administrator, Alaska Region, NMFS, has determined that the arrowtooth flounder TAC in the BSAI has been reached. Therefore, NMFS is requiring that further catches of arrowtooth flounder in the BSAI be treated as a prohibited species in accordance with § 679.21(b).

#### Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA, (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such a requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the prohibition of retention of arrowtooth flounder in the BSAI.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.
