

International Trade Commission Notification

In accordance with section 733(f) of the Act, we have notified the ITC of the Department's preliminary affirmative determination of sales at less than fair value. Section 735(b)(2) requires that the ITC make a final determination before the later of 120 days after the date of the Department's preliminary determination or 45 days after the Department's final determination whether the domestic industry in the United States is materially injured, or threatened with material injury, by reason of imports of certain frozen and canned warmwater shrimp, or sales (or the likelihood of sales) for importation, of the subject merchandise. Because we have postponed the deadline for our final determination to 135 days from the date of publication of this preliminary determination, the ITC will make its final determination within 45 days of our final determination.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Import Administration no later than seven days after the date of the final verification report issued in this proceeding and rebuttal briefs limited to issues raised in case briefs, no later than five days after the deadline date for case briefs. A list of authorities used and an executive summary of issues should accompany any briefs submitted to the Department. This summary should be limited to five pages total, including footnotes.

In accordance with section 774 of the Act, we will hold a public hearing, if requested, to afford interested parties an opportunity to comment on arguments raised in case or rebuttal briefs. If a request for a hearing is made, we intend to hold the hearing three days after the deadline of submission of rebuttal briefs at the U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, at a time and location to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, U.S. Department of Commerce, Room 1870, within 30 days after the date of publication of this notice. See 19 CFR 351.310(c). Requests should contain the party's name, address, and telephone number, the number of participants, and a list of the issues to be discussed. At the hearing,

each party may make an affirmative presentation only on issues raised in that party's case brief and may make rebuttal presentations only on arguments included in that party's rebuttal brief.

We will make our final determination no later than 135 days after the date of publication of this preliminary determination, pursuant to section 735(a)(2) of the Act.

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act.

Dated: July 2, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Certain Steel Concrete Reinforcing Bars from Turkey; Notice of Extension of Time Limits for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is extending the time limit for the final results in the antidumping duty administrative review of certain steel concrete reinforcing bars from Turkey. This review covers three manufacturers/exporters of the subject merchandise to the United States. This is the fifth period of review (POR), covering April 1, 2002, through March 31, 2003.

DATES: Effective July 16, 2004.

FOR FURTHER INFORMATION CONTACT: Irina Itkin or Elizabeth Eastwood, Office of AD/CVD Enforcement, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0656 and (202) 482-3874, respectively.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department of Commerce to make a final determination in an administrative review within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within this time period, section

751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Extension of the Time Limit for Final Results of Administrative Review

The Department issued the preliminary results of this administrative review of the antidumping duty order on certain steel concrete reinforcing bars from Turkey on May 5, 2004 (69 FR 10666). The current deadline for the final results in this review is September 2, 2004. In accordance with section 751(a)(3)(A) of the Act, and 19 CFR 351.213(h)(2), the Department finds that it is not practicable to complete the review within the original time frame because this review involves a number of complicated issues for certain of the respondents, including affiliated producers and high inflation in Turkey during the POR. Moreover, one respondent, ICDAS Celik Enerji Tersane ve Ulasim Sanayi, A.S., has requested revocation in this review. Analysis of these issues requires additional time.

Because it is not practicable to complete this administrative review within the time limit mandated by section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is extending the time limit for completion of the final results of this administrative review until November 1, 2004.

Dated: July 8, 2004.

Jeffrey A. May,

Deputy Assistant Secretary for Import Administration, Group I.
