

Form BD (17 CFR 249.501) under the Securities Exchange Act of 1934 (the "Exchange Act") is the application form used by firms to apply to the Commission for registration as a broker-dealer. Form BD also is used by firms other than banks and registered broker-dealers to apply to the Commission for registration as a municipal securities dealer or a government securities broker-dealer. In addition, Form BD is used to change information contained in a previous Form BD filing that becomes inaccurate.

The total annual burden imposed by Form BD is approximately 8,250 hours, based on approximately 20,600 responses (600 initial filings + 20,000 amendments). Each initial filing requires approximately 2.75 hours to complete and each amendment requires approximately 20 minutes to complete. There is no annual cost burden.

The Commission uses the information disclosed by applicants in Form BD: (1) To determine whether the applicant meets the standards for registration set forth in the provisions of the Exchange Act; (2) to develop a central information resource where members of the public may obtain relevant, up-to-date information about broker-dealers, municipal securities dealers and government securities broker-dealers, and where the Commission, other regulators and SROs may obtain information for investigatory purposes in connection with securities litigation; and (3) to develop statistical information about broker-dealers, municipal securities dealers and government securities broker-dealers. Without the information disclosed in Form BD, the Commission could not effectively implement policy objectives of the Exchange Act with respect to its investor protection function.

Completing and filing Form BD is mandatory in order to engage in broker-dealer activity. Compliance with Rule 15b1-1 does not involve the collection of confidential information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (a) Desk Officer for the Securities and Exchange Commission by sending an e-mail to: David_Rostker@omb.eop.gov, and (b) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must

Rule 45; File No.: 270-164. OMB Control No.: 3235-0154

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 45 imposes a filing requirement on registered holding companies and their subsidiaries under section 12(b) of the Act. Under the requirement, the companies must file a declaration seeking authority to make loans or otherwise extend credit to other companies in the same holding company system. Among others, the rule excepts from the filing requirement the performance of payment obligations under consolidated tax agreements. The 15 recordkeepers together incur about 46 annual burden hours to comply with these requirements.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including

through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Rule 58 and Form U-9C-3; SEC File No.: 270-400; OMB Control No.: 3235-0457

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized, below. The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 58 [17 CFR 250.58], under the Public Utility Holding Company Act of 1935 ("Act"), as amended (15 U.S.C. 79 *et seq.*) allows registered holding companies and their subsidiaries to acquire energy-related and gas-related companies. Under that rule, acquisitions are made, within certain limits, without prior Commission approval under section 10 of the Act. To monitor compliance, the rule requires that within sixty days after the end of the first calendar quarter in which any exempt acquisition is made, and each calendar quarter thereafter, the registered holding company is required to file with the Commission a Certificate of Notification on Form U-9C-3 containing the information prescribed by that form. The information collection by the Commission is required by rule 58. The Commission uses this information to determine the existence of financial detriment, regarding the

acquisition of certain energy-related companies, to the interests the Act is designed to protect. The Commission estimates that the total annual reporting burden is 464 annual burden hours to comply with these requirements, *i.e.*, 29 respondents \times 16 = 464 burden hours.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Extension:

Rule 71, Form U-12(I)-A and Form U-12(I)-B; SEC File No. 270-61; OMB Control No. 3235-0173

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection

of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 71 [17 CFR 250.71], under the Public Utility Holding Company Act of 1935, as amended ("Act"), (15 U.S.C. 79 *et seq.*), requires that certain information be filed by employees of registered holding companies who represent the companies' interests before Congress, the Commission or the Federal Energy Regulatory Commission on either Form U-12(I)-A or Form U-12(I)-B. The filings must provide, among other things, the identity of the representative, the person's position and compensation and a quarterly statement of those expenses not incurred in the ordinary course of business. Employees appearing for the first time must file this information on Form U-12(I)-A within ten days of an appearance. Employees appearing on a regular basis may file the information in advance on Form U-12(I)-B, which will remain valid for the remainder of the year in which it was first filed and for the following two calendar years. Thereafter, it may be renewed for additional three-year periods within thirty days of the expiration of the prior filing.

The information collection prescribed by Form U-12(I)-A and Form U-12(I)-B is required by rule 71 under the Act. Rule 71 implements section 12(i) of the Act, which expressly requires the filing of the prescribed disclosure information with the Commission in the interest of investors and consumers. The Commission estimates that the total annual reporting burden of collections under rule 71 is 167 hours (250 responses \times forty minutes = 167 burden hours).

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549

Extension:

Rule 15Bc3-1 and Form MSDW; SEC File No. 270-93; OMB Control No. 3235-0087

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information discussed below.

Rule 15Bc3-1 under the Securities Exchange Act of 1934 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW.

The Commission uses the information submitted on Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

Based upon past submissions, the staff estimates that approximately 20 respondents will utilize this notice annually, with a total burden for all respondents of 10 hours. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Bc3-1 is 0.5 hours. The average cost per hour is approximately \$101. Therefore, the total cost of compliance for the respondents is \$1010 ($\$101 \times 0.5 \times 20 = \1010).
