This change is required to conform with changes made to the FAR by Federal Acquisition Circulars (FAC) 2001-14 and 2001-19.

**DATES:** *Effective Date:* This interim rule is effective March 22, 2004.

*Comment Date:* Interested parties should submit comments to NASA at the address below on or before May 21, 2004, to be considered in formulation of the final rule.

#### SUPPLEMENTARY INFORMATION:

##### A. Background

NASA FAR Supplement (NFS) provision 1852.213-70, Offeror Representations and Certifications—Other Than Commercial Items, provides a consolidated set of representations and certifications for use under non-commercial simplified acquisitions. This interim rule makes changes to NFS 1852.213-70 to conform to changes made to FAR provisions 52.225-4 and 52.225-6 by FACs 01-14 and 01-19, and changes made to 52.225-2 by FAC 01-14. These FAR provisions are included as paragraphs (e) and (f) of 1852.213-70. Specifically, FAC 01-14 clarified the use of the term “United States,” when used in a geographic sense and provided a definition of “outlying areas” of the United States, a term that encompasses the named outlying commonwealths, territories, and minor outlying islands. In addition to changes required in paragraphs (e) and (f) of 1852.213-70, a change is required in the introductory text of paragraph (c) as a result of the definition of “outlying areas”. FAC 01-19 made changes to implement the new Free Trade Agreements with Chile and Singapore, as approved by Congress (Pub. L. 108-77 and 108-78). These changes included removing references to “North American Free Trade Agreement” and incorporating the new concept of “Free Trade Agreements” in FAR provisions 52.225-4 and 52.225-6. In addition to the changes resulting from FACs 01-14 and 01-19, this interim rule revises 1852.213-70 to incorporate the definition of “service-disabled veteran” into the definition of “service-disabled veteran-owned small business concern” consistent with FAR 2.101(b). Finally, this change updates and corrects references and makes minor editorial changes.

This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of Executive

Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

#### B. Regulatory Flexibility Act

This interim rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* because acquisitions under \$100,000 that are set aside for small businesses are exempt from trade agreements and these representations and certifications only apply to non-commercial acquisitions less than \$100,000. NASA will consider comments from small entities concerning the affected NFS Part 1852 in accordance with 5 U.S.C. 610.

#### C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the changes do not impose any new recordkeeping or information collection requirements which require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

#### D. Determination to Issue an Interim Rule

In accordance with 41 U.S.C. 418(d), NASA has determined that urgent and compelling reasons exist to promulgate this interim rule without prior opportunity for public comment. This action is necessary consistent with the determination made for issuance of Item II of FAC 01-19 as an interim rule because the Free Trade Agreements with Chile and Singapore, as approved by Congress (Pub. L. 108-77 and 108-78) were effective January 1, 2004. NASA will consider public comments received in response to this interim rule in formation of the final rule.
