SUPPLEMENTARY INFORMATION:

Introduction

The U.S. Government seeks letters of interest for private sector membership on the U.S. side of the 2004 U.S.-Japan Private Sector/Government Commission. President Bush and Japanese Prime Minister Koizumi launched the Commission in June 2001 as part of the Partnership. The Commission is made up of U.S. and Japanese Government and private sector representatives. It aims to integrate the U.S. and Japanese private sectors more fully into the economic work of the two Governments. The Commission enables U.S. and Japanese private sector representatives to present input—including expertise, observations, and recommendations—on an agenda topic agreed to in advance by the two Governments. For a description of the goals and structure of the Commission and the Partnership, see the Annex to the Joint Statement by President Bush and Prime Minister Koizumi on June 30, 2001, on the Department of Commerce Web site at: <http://www.mac.doc.gov/japan/source/menu/partnership/partnership2.html>.

Topic

The Commission topic is selected annually. This year's topic is "Advancing U.S.-Japan Economic Cooperation." It focuses on how the United States and Japan can most effectively work together to meet the emerging challenges facing the global economy. Discussions would center on greater cooperation in key areas that would include: Developing methods to ensure that goods and services can flow across borders as smoothly and securely as possible; fostering economic growth through new technologies; identifying structural and regulatory reforms that would expand business opportunities, increase market access, and promote a more entrepreneurial business climate; and achieving stronger intellectual property protection.

Duties and Responsibilities of Private Sector Members

Private sector individuals chosen for the Commission will be expected to be fully involved in all necessary preparatory meetings and attend the Commission's annual 2004 meeting. That meeting is expected to be held in mid-2004 in conjunction with a Subcabinet meeting of U.S. and Japanese Government officials at the Deputy/Vice-Ministerial level from key economic agencies and ministries and other agencies and ministries appropriate to the Commission's topic. The number of private sector Commission members will be limited and will be determined in coordination with the Japanese Government. Members of the private sector delegation from the United States will serve for one term. Members who wish to serve additional terms must apply under the same rules as other future prospective members.

Private sector members are fully responsible for travel, lodging and personal expenses associated with their participation in the Commission. They will receive no compensation. The private sector members will serve in a representative capacity, presenting the views and interests of the particular business sector in which they operate; private sector members are not special government employees. Candidates will be vetted for pending business before USTR and the Department of Commerce. Members from the private sector will be chosen based on criteria set forth in this Notice. Substitutions will not be permitted if a successful candidate is unable to fulfill his or her Commission duties.

Candidate Eligibility and Selection Procedures

The process for recruiting and selecting Commission members from the U.S. private sector is based on objective, written criteria developed in accordance with the Annex to the Joint Statement by President Bush and Prime Minister Koizumi. To be eligible for consideration, each candidate must be a U.S. citizen, be employed by a U.S. company,¹ and not be a registered

An entity is not a U.S. company if 50 percent plus one share of its stock (if a corporation, or a similar ownership interest of an unincorporated entity) is controlled, directly or indirectly, by non-U.S. citizens or non-U.S. entities. If the candidate is to represent an entity or corporation with 10 percent or greater non-U.S. ownership, the candidate must demonstrate at

foreign agent under the Foreign Agents Registration Act of 1938.

Members of the Secretariat will evaluate each submission based on the evaluation criteria provided below and recommend a roster of candidates to the Assistant USTR for North Asian Affairs and the Department of Commerce's Assistant Secretary for Market Access and Compliance (Selecting Officials). These Selecting Officials will review the Secretariat's recommendations and make the final determination on which candidates will be selected for the 2004 Commission.

Submission Procedures and Evaluation Criteria

To be considered for Commission membership, prospective candidates must submit a personal resume and a letter of interest on company letterhead that provides the information and responds directly to the criteria outlined below. Please limit submissions to these materials, which must be submitted by individual candidates and not by proxy. Referrals from political organizations and any references to political contributions or other partisan political activities will not be considered in the selection process. DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Environmental Impact Statement: Hays and Caldwell Counties, State of Texas

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Intent (NOI) to rescind NOI of November 17, 1987.

SUMMARY: The FHWA is issuing this notice to advise the public that they are rescinding the NOI to prepare an Environmental Impact Statement (EIS) on a proposal to construct a loop designated as Farm-to-Market (FM) 110 Loop around the City of San Marcos in Hays and Caldwell Counties, Texas.

FOR FURTHER INFORMATION CONTACT: Salvador Deocampo, District Engineer, FHWA, Texas Division Office, 300 E. 8th Street, Suite 826, Austin, Texas, 78701, Telephone: (512) 536-5950.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Texas Department of Transportation, is rescinding the NOI published in the **Federal Register** on November 17, 1987, to prepare an EIS for a proposed FM 110 Loop roadway in Hays and Caldwell Counties, Texas. The project limits,

study area and the type of environmental documentation for the proposed FM 110 Loop have changed. In 1994, FM 110 was evaluated as a full-circle loop roadway in a Preliminary Draft Environmental Impact Statement (PDEIS), which was never officially approved by FHWA or distributed for agency or public review and comment. Since the preparation of the PDEIS, the western portion of the FM 110 Loop project has been eliminated from further consideration. However, based on the information gathered from the PDEIS, enough environmental analysis was developed to assess any potential impacts associated with the proposed FM 110 portion located east of IH-35. Therefore, based on that information, and since the scope of the original FM 110 has been decreased, an Environmental Assessment (EA) for only the portion of FM 110 east of IH-35 will be prepared instead of an EIS.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Research, Planning, and Construction. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.)

Issued on: March 11, 2004.
