

Litigation and Enforcement at the same address, to the Regional Administrator, NRC Region III, 801 Warrenville Road, Suite 255, Lisle, IL 60532-4351, and to the Licensee if the hearing request is by a person other than the Licensee. Because of continuing disruptions in delivery of mail to United States Government offices, it is requested that answers and requests for hearing be transmitted to the Secretary of the Commission either by means of facsimile transmission to 301-415-1101 or by e-mail to hearingdocket@nrc.gov and also to the Office of the General Counsel either by means of facsimile transmission to 301-415-3725 or by e-mail to OGCMailCenter@nrc.gov. If a person other than the licensee requests a hearing, that person shall set forth with particularity the manner in which his interest is adversely affected by this Order and shall address the criteria set forth in 10 CFR § 2.309.

If a hearing is requested by the Licensee or a person whose interest is adversely affected, the Commission will issue an Order designating the time and place of any hearing. If a hearing is held, the issue to be considered at such hearing shall be whether this Order should be sustained.

Pursuant to 10 CFR 2.202(c)(2)(i), the Licensee, or any other person adversely affected by this Order, may, in addition to demanding a hearing at the time the answer is filed or sooner, move the presiding officer to set aside the immediate effectiveness of the Order on the ground that the Order, including the need for immediate effectiveness, is not based on adequate evidence but on mere suspicion, unfounded allegations, or error.

In the absence of any request for hearing, or written approval of an extension of time in which to request a hearing, the provisions specified in Section IV above shall be final 20 days from the date of this Order without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section IV shall be final when the extension expires if a hearing request has not been received. An answer or a request for hearing shall not stay the immediate effectiveness of this order.

In addition to issuance of this Order suspending License No. 24-26628-01, the NRC requires further information from the Licensee in order to determine whether the NRC can have reasonable assurance that in the future the Licensee will conduct its activities in accordance with the NRC's requirements.

Accordingly, pursuant to sections 161c, 161o, 182 and 186 of the Atomic

Energy Act of 1954, as amended, and the NRC's regulations in 10 CFR 2.204 and 10 CFR parts 30 and 34, in order for the NRC to determine whether the license should be further modified or revoked, or other enforcement action taken, the Licensee is required to submit to the Director, Office of Enforcement, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, within 20 days of the date of this Order and Demand for Information, in writing and under oath or affirmation:

1. An explanation as to why, in light of the findings set forth in Section II of this Order and Demand for Information, that License No. 24-26628-01 should not be revoked.

2. If the Licensee believes that the license should not be revoked, the Licensee, in its response, should address, at a minimum, why the NRC should have reasonable assurance that the Licensee, in the future, will ensure appropriate management oversight of licensed activities such that licensed activities will be conducted in accordance with regulatory requirements (this shall include a description of who will be responsible for assuring such activities are conducted in accordance with 10 CFR parts 30 and 34 requirements).

Copies also shall be sent to the Assistant General Counsel for Materials Litigation and Enforcement at the same address, and to the Regional Administrator, NRC Region III, 801 Warrenville Road, Suite 255, Lisle, IL 60532-4351.

After reviewing your response, the NRC will determine whether further action is necessary to ensure compliance with regulatory requirements.

Dated this 11th day of March 2004.

For the Nuclear Regulatory Commission.

Carl J. Paperiello,

Deputy Executive Director for Materials, Research and State Programs.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension

Rule 29; SEC File No. 270-169; and OMB Control No. 3235-0149.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 29 under the Public Utility Holding Company Act of 1935, as amended, ("Act"), 15 U.S.C. 79, *et seq.*, requires that "[a] copy of each annual report submitted by any registered holding company or any of its subsidiaries to a state commission covering operations not reported to the Federal Energy Regulatory Commission shall be filed with the Securities and Exchange Commission no later than ten days after its submission."

The regulation requires that the same reports prepared and filed under state law be filed with the Commission. The information collected under Rule 29 permits the Commission to remain current on developments that are reported to state commissions, but that

may not otherwise be reported to the Commission. This information is beneficial to the liaison the Commission maintains with state governments and is also useful in the preparation of annual reports to the U.S. Congress required under Section 23 of the Act, 15 U.S.C. 79(w).

The Commission receives about 62 annual reports per year under this regulation. We estimate, on the basis of informal discussions with respondents, that the rule imposes a burden of about .25 hours each year for each respondent, who makes only one submission. Therefore, a total annual burden of 15.50 hours is imposed. The cost of this reporting burden is estimated to be \$100 per hour or \$1,550 total for all respondents. The responses are public records so confidentiality is not an issue. All registered companies and their subsidiaries are required to make the filings.

An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503, or send an e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: March 15, 2004.

Margaret H. McFarland,

Deputy Secretary.
