SUPPLEMENTARY INFORMATION:

I. Background

HUD has established the Native American Housing Assistance and Self-Determination Negotiated Rulemaking Committee for the purposes of discussing and negotiating a proposed rule that would change the regulations for the Indian Housing Block Grant (IHBG) program allocation formula, and other regulatory issues that arise out of the allocation or reallocation of IHBG funds.

The IHBG program was established under the Native American Housing Assistance and Self-Determination Act of 1996 (25 U.S.C. 4101 *et seq.*) (NAHASDA). NAHASDA reorganized housing assistance to Native Americans by eliminating and consolidating a number of HUD assistance programs in a single block grant program. In addition, NAHASDA provides federal assistance for Indian tribes in a manner that recognizes the right of Indian self-determination and tribal self-government. Following the procedures of the Negotiated Rulemaking Act of 1990 (5 U.S.C. 561-570), HUD and its tribal partners negotiated the March 12, 1998 (63 FR 12349) final rule, which created a new 24 CFR part 1000

containing the IHBG program regulations.
