Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Inter Company Collaboration for Aids Drug Development

Notice is hereby given that, on April 4, 2003, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Inter Company Collaboration for AIDS Drug Development (“the Collaboration”) has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its membership status. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, although there are no other changes in the membership, Collaboration member Gilead Sciences, Inc. of Foster City, CA, has acquired Collaboration member Triangle Pharmaceuticals, Inc. of Durham, NC by merging Triangle with a wholly-owned subsidiary of Gilead.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Inter Company Collaboration for AIDS Drug Development intends to file additional written notification disclosing all changes in membership.

On May 27, 1993, Inter Company Collaboration for AIDS Drug Development filed its original notification pursuant to section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to section 6(b) of the Act on July 6, 1993 (58 FR 36223).

The last notification was filed with the Department on November 8, 2001. A notice was published in the **Federal Register** pursuant to section 6(b) of the Act of February 15, 2002 (67 FR 7201).

Constance K. Robinson,

Federal Bureau of Investigation

Meeting of the Compact Council for the National Crime Prevention and Privacy Compact

AGENCY: Federal Bureau of Investigation.

ACTION: Meeting notice.

SUMMARY: The purpose of this notice is to announce a meeting of the Compact Council created by the National Crime Prevention and Privacy Compact Act of 1998 (Compact). Thus far, the federal government and 16 states are parties to the Compact which governs the exchange of criminal history records for licensing, employment, and similar purposes. The Compact also provides a legal framework for the establishment of a cooperative federal-state system to exchange such records.

The United States Attorney General appointed 15 persons from federal and state agencies to serve on the Compact Council. The Council will prescribe system rules and procedures for the effective and proper operation of the Interstate Identification Index system.

Matters for discussion are expected to include: (1) Discussion on Noncriminal Justice Outsourcing Initiatives and the Development of a Security and Management Control Outsourcing Standard; (2) Release of Expunged Record Data from State Central Repositories; (3) Utilizing the Delayed Fingerprint Submission Rule for Hazardous Material Endorsement Criminal History Record Checks; (4) Critique on the Draft Compliance (Sanctions) Rule; (5) Comments from the November 2002 **Federal Register**
