[Docket No. RP03-300-000]

KO Transmission Company; Notice of Tariff Filing

March 14, 2003.

Take notice that on March 11, 2003, KO Transmission Company (KOT) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, Thirteenth Revised Sheet No. 10, with a proposed effective date of April 1, 2003. KO Transmission states that the

purpose of the filing is to revise its fuel retainage percentage consistent with section 24 of the General Terms and Conditions of its Tariff. According to KO Transmission, Columbia Gas Transmission Corporation (Columbia) operates and maintains a portion of KO Transmission facilities pursuant to the Operating Agreement referenced in its Tariff at Original Sheet No. 7. KO Transmission explains that, pursuant to the Operating Agreement, Columbia retains certain volumes associated with gas transported on behalf of KO Transmission. Columbia has notified KO Transmission that under terms of the Operating Agreement, KO Transmission will be subject to a 1.05% retainage. Accordingly, KO Transmission states that the instant filing tracks this fuel retainage.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.314 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at *http:// www.ferc.gov* using the "FERRIS" link.
