(e) Monitoring the progress of program participants and evaluating the overall success of the program. A portion of grant funds should be reserved to ensure that evaluations can be completed for all participants who received training through this program. For more information on how to measure performance, please see Rating Factor 5.

(2) Life skills training: How to apply for a job; credit worthiness; opening a bank account; balancing a checkbook; creating a weekly spending budget; contingency planning for child care and transportation;

(3) Real Life Issues: Tax forms; voter registration; lease samples; fair housing; car insurance; health insurance; longterm care insurance;

(4) Literacy training and GED preparation;

(5) Computer training, from basic to advanced;

(6) College preparatory courses and information;

(7) Goal setting: Working with residents to define their professional, educational, economic goals;

(8) Mentoring;

(9) Job Training: Oral and written communication skills; work ethic; interpersonal and teamwork skills; resume writing; interviewing techniques, creating job training and placement programs with local employers and placement agencies; and post-employment follow-up to assist residents who are new to the workplace.

(10) Supportive Services such as transportation, healthcare information and services including referrals to mental health providers, alcohol and other drug abuse treatment programs, childcare, parenting courses, and other services needed by residents.

(11) *Physical improvements.* Physical improvements must directly relate to providing space for Neighborhood Networks Center activities. Renovation, conversion, wiring, and repair costs may be essential parts of physical improvements. In addition, architectural, engineering, and related professional services required to prepare architectural plans or drawings, write-

ups, specifications or inspections may also be part of the cost components to implement physical improvements. For new centers, expenses for physical improvements may not exceed 20 percent of the total grant amount. For existing centers, expenses for physical improvements may not exceed 10 percent of the total grant amount.

Modifications to create a space that is accessible to persons with disabilities is an eligible use of funds. Refer to Office of Management and Budget (OMB) Circular A–87, Cost Principles for state, local and Indian tribal Governments. All renovations must meet appropriate accessibility requirements, including Section 504 requirements at 24 CFR part 8, Architectural Barriers Act at 24 CFR part 40, the Americans with Disabilities Act and the Fair Housing Act. Compliance with The Uniform Federal Accessibility Standards shall be deemed to comply with the requirements of 24 CFR 8.21, 8.22, 8.232, and 8.25 with respect to buildings.

(a) The renovation, conversion, or joining of vacant dwelling units in a PHA development to create appropriate space for the equipment needs and activities of an NN center (computers, printers, and office space) are eligible activities for physical improvement.

(b) The renovation, conversion of existing common areas in a PHA development to accommodate an NN center is eligible.

(c) If renovation, conversion, or repair is done off-site, the PHA must provide documentation that it has control of the proposed property for not less than 3 years and preferably for 4 years or more. Control can be demonstrated through a lease agreement, ownership documentation, or other appropriate documentation.

(12) Maintenance and insurance costs. Include installing, training, and maintaining the hardware and software as well as insurance coverage for the space and equipment. Costs of computer hardware and software necessary to accommodate the needs of persons with disabilities are an eligible cost for this funding category.

(13) Purchase of computers, printers, software and other peripheral equipment;

(14) Security and related costs. Includes space and minor refitting, locks, and other equipment for safeguarding the center.

(15) Resident development and training courses. These courses may be on disk, CD–ROM through the Web, and/or presented live. Programs should be designed to address job training, lifeskills, educational needs of residents (youth and adults) and other interests/ needs of residents as determined by an assessment of residents conducted by the applicant.

(16) *Distance learning equipment.* Distance learning equipment (including the costs for video casting and purchase/lease/rental of distance learning equipment) is an eligible use of funds provided your proposal indicates that the center will be working in a virtual setting with a college, university or other educational organization. If you operate more than one center, distance learning equipment can be used to link one or more centers so that residents using the different centers can benefit from courses being offered at only one site.

(17) Administrative costs. Administrative costs may include, but are not limited to, purchase of furniture, office equipment and supplies, salaries for resident employees hired as part of this grant program, quality assurance, local travel, and utilities. Nonprofit organizations only may use administrative funds to pay for rental of space. For existing NN centers, administrative costs must not exceed 10 percent of the total grant amount requested from HUD. Administrative costs must adhere to OMB Circular A-87. Please use HUD-424-CBW to itemize your administrative costs.

(G) Ineligible Activities.

(1) Payment of wages and/or salaries to participants receiving supportive services and/or training programs;

(2) Purchase or rental of land;

(3) Purchase or rental of vehicles; and

(4) Cost of application preparation.

(H) Threshold Requirements. Applicants must respond to threshold requirements clearly and thoroughly by following the instructions below. If your application fails one threshold requirement (regardless of the type of threshold) it will be considered a failed application and will not be reviewed further.

(1) Match. All applicants are required to have in place a firmly committed 25% match in cash or in-kind donations as defined in this NOFA. Applicants who do not demonstrate the minimum 25% match will fail this threshold requirement and will not receive further consideration for funding. If you are applying for more than one ROSS grant, you must use different sources of match donations for each grant application. Match donations must be firmly committed. "Firmly committed" means that the amount of match resources and their dedication to ROSS-funded activities must be explicit, in writing and signed by a person authorized to make the commitment. Letters of commitment, or Memoranda of

Understanding (MOU) must be on organization letterhead, and signed by a person authorized to make the stated commitment whether it be in cash or inkind services. The letters of commitment/MOUs must indicate the annual level and/or amount of commitment, be dated within two months of the application deadline, and indicate how the commitment will relate to the proposed program. If volunteer time is being committed it should be calculated using the number of hours to be committed and multiplied by either the normal professional rate for the local area or the national minimum wage rate of \$5.15/hour. The commitment should be in place at time of award and should be for the duration of the grant. If you, the applicant, propose to use your own, non-ROSS grant funds to meet the match requirement in whole or in part, you must also include a letter of support indicating the type of match (cash or inkind) and how the match will be used. Applicant staff time is not an eligible cash or in-kind match. Applicants shall annotate the HUD-424-CB to list the sources and amount of each match for the duration of the grant term. Grant awards shall be contingent upon letters of commitment being submitted with your application.

(2) Past Performance. HUD's field offices will evaluate applicants for past performance to determine whether an applicant has the capacity to manage the grant for which they are applying. Using Rating Factor 1, the field office will evaluate applicants' past performance. Applicants should carefully review Rating Factor 1 to ensure their application addresses each of the criteria requested therein. If applicants fail to address what is requested in Rating Factor 1, their application will fail threshold and will not receive further consideration. If applicants pass threshold, they will go on to be scored for Rating Factor 1 during the technical review process.

(3) All applicants except nontroubled PHAs are required to submit a signed **Contract Administrator Partnership** Agreement. The agreement must be for the thirty-six month duration of the grant term. Your grant award shall be contingent upon having a Partnership Agreement included in your application. The Contract Administrator must assure that the financial management system and procurement procedures that will be in place during the thirty-six month grant term will fully comply with either 24 CFR part 84 or 85. Troubled PHAs are not eligible to be Contract Administrators. Grant writers who assist applicants prepare

their ROSS applications are also ineligible to be Contract Administrators. See the definition in Section III of Contract Administrator for more information.

(4) Nonprofit applicants must include letters from Resident Organizations (RO), Resident Associations (RA) indicating that the ROs/RAs you will be working with support your application. Letters from ROs/RAs must be signed by a person authorized to sign for the organization and should, whenever be possible, be on RO/RA letterhead. (I) Program Requirements.

(1) Fligible Participants. All program participants must be residents of conventional public Housing. Participants in the Public Housing Family Self-Sufficiency (FSS) program who are residents of public housing (non Housing Choice Voucher Program) are also eligible to participate in activities funded under this category.

(2) Resident Assessment. Applicants are required to assess residents' needs and interests so that program activities are designed to address their needs.

(3) Applicants shall submit a business plan with their application (see Appendix B for a sample) which shall indicate level and type of expenditures over the three year grant term, contributions from partners, and efforts applicants will make to ensure the NN center will be sustainable once the grant term expires.

(4) *Partnering.* Applicants should partner with local businesses, schools, libraries, banks, employment agencies, or other organizations which will help applicants deliver supportive services and fulfill residents' needs. These organizations can provide additional expertise, volunteers, office supplies, training materials, software, equipment, and other resources.

(5) *Performance Reports*. The grantee shall submit semi-annual performance reports to the field office. These progress reports shall include financial reports (SF-269A) and a narrative describing milestones, work plan progress, and problems encountered and methods used to address these problems. HUD anticipates that some of the reporting of financial status and grant performance will be through Internet-based submissions. Grantees shall use quantifiable data to measure performance against goals and objectives outlined in its work plan. Performance reports are due to the field office on July 30 and January 31 of each year. If reports are not received by the due date, grant funds will not be advanced until reports are received.

(6) *Final Report*. The grantees shall submit a final report which will include

a financial report (SF–269A) and a narrative evaluating overall performance against its work plan. Grantees shall use quantifiable data to measure performance against goals and objectives outlined in its work plan. The financial report shall contain a summary of all expenditures made from the beginning of the grant agreement to the end of the grant agreement and shall include any unexpended balances. The final narrative and financial report shall be due to the field office 90 days after the termination of the grant agreement.

(7) Final Audit. Grantees are required to obtain a complete final close-out audit of the grant's financial statements by a Certified Public Accountant (CPA), in accordance with generally accepted government audit standards. A written report of the audit must be forwarded to HUD within 60 days of issuance. Grant recipients must comply with the requirements of 24 CFR part 84 or 24 CFR part 85 as stated in OMB Circulars A-110, A-87, and A-122, as applicable.

(J) Application Selection Process.

(1) Four types of reviews will be conducted: A screening to determine if you are eligible to apply for this funding category; whether your application submission is complete, on time and meets threshold; a review by the field office to evaluate past performance; and a technical review to rate your application based on the five rating factors provided in this section. A minimum score of 75 is required for the application to be considered for funding.

(2) The selection process is designed to achieve geographic diversity of grant awards throughout the country. HUD will first select the highest ranked application from each of the ten federal regions for funding. After this "round," HUD will select the second highest ranked application in each of the ten federal regions for funding (the second round). HUD will continue this process with the third, fourth, and so on, highest ranked applications in each federal region until the last complete round is selected for funding. If available funds exist to fund some but not all eligible applications in the next round, HUD will make awards to those remaining applications in rank order regardless of region and will fully fund as many as possible with remaining funds. If remaining funds are too small to make an award, they will be used to partially fund applications in rank order regardless of region in the existing center category.

(L) Factors for Award Used to Evaluate and Rate Neighborhood Networks Applications. The factors for rating and ranking applicants and maximum points for each factor are provided below. The maximum number of points available for this program is 102. This includes two RC/EZ/EC bonus points, as described in the General Section of the SuperNOFA. The SuperNOFA contains a certificate that must be completed in order for the applicant to be considered for RC/EZ/EC bonus points. A listing of federally designated RCs, EZs, ECs, EECs and Strategic Planning Communities is attached to the General Section of the SuperNOFA as Appendix A-2 and is also available from the SuperNOFA Information Center, and the HUD Web site, www.hud.gov.

Note: Applicants should carefully review each rating factor before writing a response. Applicants' narratives should be as descriptive as possible, ensuring that every requested item is addressed. Applicants should make sure to include all requested information, according to the instructions found in Section VIII of this NOFA. This will help ensure a fair and accurate review of your application. Applications must not be longer than 30 narrative pages. Supporting documentation and certificates will not be counted towards the 30 page limit. However, applicants should make every effort to submit only what is necessary in terms of supporting documentation.

#### Rating Factor 1: Capacity of the Applicant and Relevant Organizational Staff (25 Points)

This factor addresses whether the applicant has the organizational resources necessary to successfully implement the proposed activities within the grant period. In rating this factor HUD will consider the extent to which the proposal demonstrates that the applicant will have qualified and experienced staff dedicated to administering the program.

(A) Proposed Program Staffing (12 Points)

(1) Staff Experience (9 Points). The knowledge and experience of your proposed project coordinator, staff, subcontractors, and partners in planning and managing programs for which funding is being requested. Experience will be judged in terms of recent, relevant and successful experience of your staff to undertake eligible program activities. In rating this factor, HUD will consider experience within the last 5 years to be recent; experience pertaining to the specific activities being proposed to be relevant; and experience producing specific accomplishments to be successful. The more recent the experience and the more experience your own staff members who work on the project have in successfully conducting and completing similar activities, the greater the number of

points you will receive for this rating factor. If your proposed staff has experience working in both computerrelated and social service programs, you will receive a maximum score. If your staff has experience in only one area, you will receive 2 points. If your staff has experience in neither area, you will receive a score of 0 for this subfactor.

The following information should be provided in order to provide HUD an understanding of your staff's experience and capacity:

(a) The number of staff years (one staff year = 2080 hours) to be allocated to your program by each employee or expert as well as each of their roles in the program;

(b) The staff's relevant educational background and/or work experience;

(c) Relevant and successful experience running programs whose activities include social services and computer programs that are similar to the eligible program activities described in this grant category;

(d) Another five points will be awarded if applicants commit to hiring 1–3 residents. Small PHAs should hire one person, medium PHAs should hire 1–2 people, and large PHAs should hire 3 people. In the case of large and medium PHAs, one hired resident should be 17 years of age or younger. Residents' salaries must be paid as administrative expenses, see section F(17) above.

(2) *Staff Capacity* (3 Points). You will be evaluated based on whether you, your subcontractors and partners have sufficient personnel or will be able to quickly access enough qualified experts or professionals, to deliver the proposed activities in a timely and effective fashion. Your ability to immediately begin the proposed work program will also be evaluated. Attach resumes or position descriptions (where staff is not yet hired) for all key personnel. (Resumes do not count toward the 30page limit.)

(B) Past Performance of Applicant/ Project Coordinator (6 Points). Your narrative must describe how you (or your proposed Project Coordinator) successfully implemented grant programs (including those listed below) designed to promote resident selfsufficiency or moving from welfare to work. You will be evaluated according to the following criteria:

(1) Achievement of specific measurable outcomes and objectives in terms of benefits gained by participating residents (*i.e.* higher incomes, improved grades, higher rates of employment, increased savings, improved literacy, *etc.*); (2) Success in attracting and keeping residents involved in past grant programs so that grant activities benefited a significant numbers of residents;

(3) Timely expenditure of funds throughout the term of the grant. Timely means regular drawdowns throughout the life of the grant, *i.e.* quarterly drawdowns, with all funds expended by the end of the grant term;

(4) Leveraging of funding or in-kind services beyond that which was originally proposed to be used for past projects;

(5) Long-term partnerships formed with local businesses, employers, libraries, community organizations, social service agencies, local colleges and universities, *etc.* 

Your past experience may include, but is not limited to, programs aimed at assisting residents of low-income housing achieve economic selfsufficiency; *i.e.* Tenant Opportunities Program and Youthbuild. Your narrative must indicate the grants, grant amounts, grant terms and grant sources which you are counting towards past experience.

(C) Program Administration and Fiscal Management. (7 Points)

(1) *Program Administration*. (4 Points). Describe how you will manage the program; how HUD can be sure that there is program accountability; and describe staff's roles and responsibilities.

(2) Fiscal Management. (3 Points). In rating this factor, your skills and experience in fiscal management will be evaluated. If you have had any audit or material weakness findings, you will be evaluated on how well you have addressed them. You must provide the following:

(a) A complete description of your fiscal management structure, including fiscal controls you have in place including those of a Contract Administrator for all applicants except non-troubled PHAs;

(b) List any audit findings (HUD Inspector General, management review, fiscal, *etc.*), material weaknesses and what you have done to address them; and

(c) For applicants who are required to have a Contract Administrator, describe the skills and experience your Contract Administrator has in managing federal funds.

### Rating Factor 2: Need/Extent of the Problem (15 Points)

This factor addresses the extent to which there is a need for funding your proposed program and your indication of the importance of meeting the need in the target area. In responding to this factor, you will be evaluated on the extent to which you describe and document the level of need for your proposed activities and the urgency in meeting the need.

You should use statistics and analyses contained in data source(s) that are sound and reliable. Data that describes socioeconomic conditions at the local level can be found by going to the following Web sites: www.bls.gov (Bureau of Labor Statistics) or www.census.gov (US Census). Other types of sources include academic, state, and local sources. To the extent possible, the data you use should be specific to the area where the proposed activities will be carried out. You should document needs as they apply to the area where activities will be targeted, rather than the entire locality or state.

In responding to this factor, you should include:

(1) Socioeconomic Profile (5 points). A thorough socioeconomic profile of the eligible residents to be served by your program, including education levels, income levels, the number of singleparent families, economic statistics for the local area, crime levels, *etc.* 

(2) Local Training Program Information (5 points). Information on training programs currently available and easily accessible to residents either through the PHA or other local or state community organizations.

You may also address needs in terms of fulfilling the requirements of court actions or other legal decisions or which expand upon the Analysis of Impediments to Fair Housing Choice (AI) to further fair housing. If you address needs that are in your community's Consolidated Plan, AI, or a court decision, or identify and substantiate needs in addition to those in the AI, you will receive a greater number of points than applicants who do not relate their proposed program to the approved Consolidated Plan or AI or court action. Note: Fines, penalties, damages, and other settlements resulting from violations (or alleged violations) of, or failure of the applicant to comply with federal, state, local or Indian tribal laws and regulations are unallowable means in which to satisfy this Rating Factor, except when incurred as a result of compliance with specific provisions of the federal award or written instructions by the awarding agency authorizing in advance such payments.

(3) *Resource Documentation* (3 points). The names and/or titles of information resources you used to document the need/extent of the problem.

(4) Demonstrated Link Between Proposed Activities and Local Need (7 points). There must be a clear relationship between your proposed activities, community needs and the purpose of the program funding for you to receive points for this factor.

#### Rating Factor 3: Soundness of Approach (30 Points)

This factor addresses both the quality and cost-effectiveness of your proposed business plan. (A sample business plan is included in Appendix B.) Your business plan and supporting narrative must indicate a clear relationship between your proposed activities, the targeted population's needs, and the purpose of the program funding. Your activities must address HUD's policy priorities which relate to this program.

In rating this factor HUD will consider:

(A) *Quality of the Business Plan and Supporting Narrative* (18 points). This factor evaluates both your business plan, narrative, and your budget and will be evaluated based on the following components:

(1) Specific Services and/or Activities (6 points). Your business plan and supporting narrative must describe the specific services and activities you plan to offer and who will be responsible for each. HUD will consider how well your proposed activities will:

(a) Involve community partners in the delivery of services; and

(b) Offer comprehensive services versus a small range of services geared toward enhancing economic opportunities for residents.

(2) Feasibility and Demonstrable Benefits (4 points). This factor examines whether your business plan and supporting narrative are logical, feasible and likely to achieve its stated purpose during the term of the grant. HUD's desire is to fund projects that will quickly produce demonstrable results and advance the purposes of the ROSS program.

(a) *Timeliness.* This subfactor evaluates whether your business plan demonstrates that your project is ready to implement shortly after grant award, but not to exceed three months of grant award. Your business plan should indicate timeframes and deadlines for accomplishing major activities.

(b) *Description of the problem and solution.* Your business plan and supporting narrative will be evaluated based on how well your proposed activities address the needs described in Factor 2.

(3) Budget Appropriateness/Efficient Use of Grant. (4 Points). The score in

this factor will be based on the following:

(a) Justification of expenses. You will be evaluated based on whether your expenses are reasonable and wellexplained.

(b) Budget Efficiency. You will be evaluated based on whether your application requests funds commensurate with the level of effort necessary to accomplish your goals and anticipated results.

(4) *Învolving Residents in the Design* of the Work Plan (4 points). All applicants should make every effort to involve residents in the design of the work plan, so that activities and services offered by your organization address their needs.

(B) Addressing HUD's Policy Priorities (12 points). HUD wants to improve the quality of life for those living in distressed communities. HUD's grant programs are a vehicle through which constructive changes can be achieved. Your narrative and business plan will be evaluated based on how well it meets the following HUD policy priorities:

(1) Improving the Quality of Life in Our Nation's Communities (5 points). In order to receive points in this category, your business plan and supporting narrative must indicate the types of activities and training programs you will offer which can help residents successfully transition from welfare to work and earn higher wages.

(2) Providing Full and Equal Access to Grassroots Faith-Based and Other Community-Based Organizations in HUD Program Implementation (7 points). HUD encourages applicants to partner with grassroots organizations, e.g., civic organizations, grassroots faithbased and other community-based organizations that are not usually effectively utilized. These grassroots organizations have a strong history of providing vital community services such as developing first-time homeownership programs, creating economic development programs, providing job training and other supportive services. In order to receive points under this factor, your narrative and business plan must describe how you will work with these organizations and what types of services they will provide.

# Rating Factor 4: Leveraging Resources (20 Points)

This factor addresses your ability to secure community resources that can be combined with HUD's grant resources to achieve program purposes. You are required to create partnerships with organizations that can help you achieve your program's goals. PHAs are required by QHWRA (Sec. 12(d)(7) of the U.S. Housing Act, entitled "Cooperation Agreements for Economic Self-Sufficiency Activities") to make best efforts to enter into such agreements with relevant state or local agencies. In rating this factor, HUD will look at the extent to which you partner, coordinate and leverage your services with other organizations serving the same or similar populations.

Additionally, you must have at least a 25 percent cash or in-kind match. The match is a threshold requirement. Applicants who do not demonstrate the minimum 25% match will fail the threshold requirement and will not receive further consideration for funding. If you are applying for more than one ROSS grant, you must use different sources of match donations for each grant application. Leveraging in excess of the 25 percent of the grant amount will receive a higher point value. In evaluating this factor HUD will consider the extent to which you have partnered with other entities to secure additional resources to increase the effectiveness of your proposed program activities. The budget, the business plan, narrative, and commitments for additional resources and services, other than the grant, must show that these resources are firmly committed, will support the proposed grant activities and will, in combined amount (including in-kind contributions of personnel, space and/or equipment, and monetary contributions) equal at least 25 percent of the grant amount proposed in this application. "Firmly committed" means that the amount of resources and their dedication to ROSS-funded activities must be explicit, in writing and signed by a person authorized to make the commitment. Letters of commitment, or Memoranda of Understanding (MOU) must be on organization letterhead and signed by a person authorized to make the stated commitment. The letters of commitment/MOUs must indicate the annual level and/or amount of commitment, be dated within two months of the application deadline, and indicate how the commitment will relate to the proposed program. If you, the applicant, propose to use your own, non-ROSS grant funds to meet the match requirement in whole or in part, you must also include a letter of support indicating the type of match (cash or inkind) and how the match will be used. Applicant staff time is not an eligible cash or in-kind match. Applicants shall annotate their budget form (HUD-424-CB) to list the sources and amount of each match. Grant awards shall be

contingent upon letters of commitment being submitted with your application.

(A) Volunteer time shall be computed by using the normal professional rate for the local area or the national minimum wage rate of \$5.15 per hour (**Note:** Applicants may not use their staff time towards the match);

(B) In order for HUD to determine the value of any donated material, equipment, staff time, building, or lease, your application must provide a letter from the organization making the donation stating the value of the contribution. The letter must be on letterhead, signed by an official authorized to make such commitments on behalf of the donating organization and must be dated within two months of the application deadline.

(C) Other resources/services that can be committed include: in-kind services, contributions or administrative costs provided to the applicant; funds from federal sources (not including ROSS funds) as allowed by statute, including for example Community Development Block Grant (CDBG) and federal Revenue Sharing; funds from any state or local government sources; and funds from private contributions. You may also partner with other program funding recipients to coordinate the use of resources in your target area.

(D) Points for this factor will be awarded based on the documented evidence of partnerships and firm commitments and the ratio of requested ROSS funds to the total proposed grant budget.

Points will be assigned based on the following scale:

Percentage of match	Points awarded
25	5
26–50	10
51–75	15
76–99 or above	20

#### **Rating Factor 5: Achieving Results and Program Evaluation (10 Points)**

An important element in this year's NOFA is the development and reporting of performance measures and outcomes. Under this rating factor, applicants must demonstrate how they propose to measure their success and outcomes as they relate to the Department's Strategic Plan.

This factor emphasizes HUD's determination to ensure that applicants meet commitments made in their applications and grant agreements and that they assess their performance so that they realize performance goals. HUD requires ROSS applicants to develop an effective, quantifiable, outcome oriented work plan for measuring performance and determining that goals have been met.

"Outcomes" are benefits accruing to the residents, families and/or communities during or after participation in the ROSS program. Outcomes are not the actual development of self-sufficiency services or program activities. Applicants must clearly identify the outcomes to be achieved and measured. Examples of outcomes are: increasing the homeownership rates among residents of a development or from a particular housing authority, increasing residents' financial stability (e.g., increasing assets of a household through savings), or increasing employment stability (e.g., whether persons assisted obtain or retain employment for one or two years after job training completion).

In addition to outcomes, applicants must establish interim benchmarks or outputs for their proposed program that lead to the ultimate achievement of outcomes. "Outputs" are the direct products of a program's activities. Examples of outputs are: the number of eligible families that participate in supportive services, the number of new services provided, the number of residents receiving counseling, or the number of households using a technology center. Outputs should produce outcomes for your program.

This rating factor requires that you, the applicant, identify program outcomes, outputs, benchmarks, and performance indicators that will allow you to measure your performance. Performance indicators should be objectively quantifiable and measure actual achievements against anticipated achievements. Your work plan should identify what you are going to measure, how you are going to measure it, and the steps you have in place to make adjustments to your work plan if performance targets are not met within established timeframes.

In order to satisfy the requirements for Factor 5, you must submit a work plan and a Logic Model that demonstrates how you will measure your own program performance. Your plan must identify the outcomes you expect to achieve or goals you hope to meet over the term of your proposed grant and benchmarks, outputs, and timeframes for accomplishing these goals. Your work plan must show how you will measure actual accomplishments against anticipated achievements. You must indicate how your plan will measure the performance of individual consortium members and affiliates, including the standards, data sources, and measurement methods, and the

steps you have in place or how you plan to make adjustments if you begin to fall short of established benchmarks and timeframes. Applicants should also use the Logic Model provided in the General Section of this SuperNOFA for reporting on how they will conduct performance measurement. You will be evaluated based on how comprehensively you propose to measure your program's outcomes.

#### VII. Program Requirements, Certifications, and Procedures for ROSS Applicants

The requirements of this section are applicable to all applicants, and grantees under this announcement of funding availability.

(A) *Compliance with Fair Housing and Civil Rights Laws.* Your application must meet all the applicable threshold requirements found in Section V (B)(2) of the General Section of the SuperNOFA, as well as the following requirements.

(B) Affirmatively Furthering Fair Housing. You must adhere to the requirements as provided in Section V (D) of the General Section of the SuperNOFA.

(C) Conducting Business In Accordance With Core Values and Ethical Standards. All applicants shall develop and maintain a written code of conduct that reflects Core Values. See Section V(B)(3) of the General Section of the SuperNOFA for requirements.

(D) *Ensuring the Participation of Small Businesses, Small Disadvantaged Businesses, and Women-Owned Businesses.* The Department of Housing and Urban Development (HUD) is committed to ensuring that small businesses, small disadvantaged businesses and women-owned businesses participate fully in HUD's direct contracting and in contracting opportunities generated by HUD grant funds. See Section V (F) of the General Section of the SuperNOFA for requirements.

(E) Economic Opportunities for Low and Very Low Income Persons (Section 3). You must adhere to the requirements as provided in Section V (E) of the General Section of the SuperNOFA.

(F) Certifications and Assurances. Section V(H) of the General Section of the SuperNOFA lists requirements, certifications and procedures that apply to all programs, including ROSS. Applicants must comply with these in order to be eligible for the ROSS program.

(G) Applicant Internet Access. Prior to the initial draw down, all grantees must have secured online access to the Internet as a means to communicate with HUD on grant matters. Tribes and TDHEs awardees may submit a waiver request to the Office of Native American Programs for this requirement if Internet access cannot be obtained. If tribes/ TDHEs do not have Internet access, they must send hard copies of their grant documents to their Area ONAP.

(H) ROSS Evaluation and Assessment. All applicants selected for award must be willing to participate in the evaluation and assessment that HUD intends to conduct for the ROSS Program. At grant award HUD will provide additional information on the evaluation and assessment for applicants who receive awards.

(H) ROSS Performance Measures. All applicants selected for award should use ROSS Performance Measures in grant reporting for all awards. At grant award HUD will provide additional information on reporting the Performance Measures and the Logic Model for applicants who receive awards.

(I) Format for submitting applications. All documents must be attached or located according to the instructions below. Applicants should ensure to submit forms appropriate to the program for which they are applying. Applicants who fail to follow these instructions, may lose points if their documentation is not found according to the following instructions (grant reviewers will not be instructed to search through the entire application package for missing documents):

#### (1) RSDM-Family

Tab 1: Required Forms from the General Section of the SuperNOFA and other ROSS forms:

• Applicant Checklist (HUD–52759);

• Fact Sheet (HUD–52751);

• Application for Federal Assistance (HUD–424);

• Budget Summary for Competitive Grant Programs (HUD-424C);

• Applicant Assurances and Certifications (HUD–424B);

• Grant Application Detailed Budget (HUD-424-CB);

• Grant Application Detailed Budget Worksheet (HUD-424-CBW);

• Applicant/Recipient Disclosure/ Update Report (HUD–2880);

Narrative;

• Logic Model (HUD-96010).

#### VIII. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations at 24 CFR part 4, subpart B, consider any unsolicited information, you the applicant, may want to provide. HUD may contact you to clarify an item in your application or to correct technical deficiencies. HUD may not seek clarification of items or responses that improve the substantive quality of your response to the rating factors. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so on a uniform basis for all applicants. Examples of curable (correctable) technical deficiencies include failure to submit the proper certifications or failure to submit an application that contains an original signature by an authorized official. In each case, HUD will notify you in writing of a technical deficiency. HUD will notify applicants by facsimile or by USPS, return receipt requested. Clarifications or corrections of technical deficiencies in accordance with the information requested by HUD must be submitted within 14 calendar days of the date you receive HUD notification. (If the due date falls on a Saturday, Sunday, or federal holiday, your correction must be received by HUD on the next day that is not a Saturday, Sunday, or federal holiday.) The determination of when you received the deficiency letter will be based on the confirmation of the facsimile transmission, return receipt or postal tracking information, as appropriate. If the deficiency is not corrected within this time period, HUD will reject the application as incomplete and it will not be considered for funding.

Unacceptable Applications. After the 14-day technical deficiency correction period, the Grants Management Center (GMC), or the DPONAP for tribal and TDHE applicants, will disapprove all applications that the GMC, or DPONAP determines are not acceptable for processing. The GMC's notification of rejection must state the basis for the decision. The applicant may request a debriefing. Applicants requesting to be debriefed must send a written request to Michael Diggs, Director, Grants Management Center, Department of Housing and Urban Development, 501 School Street, SW., Suite 800, Washington, DC 20024. For tribal and TDHE applicants, contact Deborah Lalancette, Director, Grants Management, DPONAP, 1999 Broadway, Suite 3390, Denver, CO 80202.

HUD Reform Act of 1989. The provisions of the HUD Reform Act of 1989 that apply to this NOFA are explained in the General Section of the SuperNOFA in Section XI.

#### **IX. Environmental Requirements**

It is anticipated that most activities under this ROSS funding will be categorically excluded under 24 CFR 58.34(a)(3) or (a)(9), 58.35(b)(2) or (b) (4), 50.19(b)(3), (b)(9), (b)(12), or (b)(14). An applicant proposing any long-term leasing, or physical development activities is prohibited from rehabilitating, converting, leasing, repairing or constructing property, or committing or expending HUD or non-HUD funds for these types of program activities, until one of the following has occurred:

(1) If the grantee is not a PHA or tribe/ TDHE, HUD has completed an environmental review to the extent required by 24 CFR part 50, prior to grant award.

(2) If the grantee is a PHA or tribe/ TDHE, HUD has approved the grantee's Request for Release of Funds (HUD Form 7015.15) following a Responsible Entity's completion of an environmental review under 24 CFR part 58, where required, or if HUD has determined in accordance with § 58.11 to perform the environmental review itself under part 50, HUD has completed the environmental review.

#### XI. Authority

Section 34 of the U.S. Housing Act of 1937 and 24 CFR 964.

#### Appendix A—ROSS Forms

The non-standard forms, which follow, are required for the ROSS application. The forms marked "Sample", are intended to assist applicants provide information HUD is requesting in an easy-to-use format. Applicants do not have to adhere to the precise format, but should make sure to include the same information in their submission.

BILLING CODE 4210-32-P

OMB Approval No. 2577-0229 Expiration Date 11/30/2003

#### Suggested Performance Measures Resident Opportunities and Self Sufficiency Programs (ROSS) FY2003

#### **RATING FACTOR 5**

For FY 2003, rating Factor 5 has been changed to "Achieving Results and Program Evaluation." This factor emphasizes HUD's commitment to ensuring that applicants keep promises made in their application and assess their performance to ensure performance goals are met. Performance measures are used to track progress against a baseline or condition that existed before the implementation of a particular grant activity. Applicants are encouraged to select three or more of the following performance measures, tailor them to fit the activities in your application, or create others that reflect the activities in your application. The Logic Model is being provided as a tool to track the performance measures you select.

- Percent of eligible families in the development who participate in supportive services before the implementation of your program versus the percentage of families who participate after six months of your program's implementation.
- Number of new services provided by the ROSS grant.
- Percentage of elderly and handicapped residents receiving supportive services (before and after program implementation)
- Number and/or percent of residents receiving counseling from service coordinators/case managers (before and after program implementation)
- Number and/or percent of families who received housing counseling (before and after program implementation)
- Number of families who received homeownership counseling (before and after program implementation)
- Percent of counseled families who moved to market rent units.
- Percent of counseled families who buy a home.
- Number of new computer technology centers established
- Number of computer technology centers that expanded or upgraded.
- Percent of households that use the computer technology center(s) (over time, for example at six month intervals)
- Number of volunteer residents working at the computer technology center (over time)
- Number of paid residents working at the computer technology center (over time)

OMB Approval No. 2577-0229 Expiration Date 11/30/2003

- Number of residents who completed training courses in the computer technology center
- Number of residents who received job placement assistance as a result of the training in the computer technology center
- Number of partners involved with the establishment and on-going operation of the computer technology center
- Number of residents who received job placement assistance
- Percentage of residents in a development that enrolled in job training sessions

### **ROSS FY 2003 FUNDING**

### SAMPLE CONTRACT ADMINISTRATOR PARTNERSHIP AGREEMENT

Public reporting burden for the collection of information is estimated to average three hours per response. This includes the time for collecting, reviewing, and reporting the data. The information will be used for the ROSS grant. Response to this request for information is required in order to receive the benefits to be derived. This agency may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number.

This partnership agreement is made and entered into by and between the **Contract Administrator (CA)**, (e.g., the local public housing authority (PHA) or other non-profit corporations), hereinafter referred to as "CA," and the applicant

WHEREAS, the applicant is submitting the proposal for a Resident Opportunity and Self-Sufficiency (ROSS) (indicate funding category) Grant to further its objectives.

WHEREAS, the applicant agrees to comply with all terms and conditions expressed in HUD's NOFA, applicable provisions of 24 CFR 964, provisions of any technical assistance grant agreement entered into with HUD, and any other stipulations made by the CA and agreed to in writing by a duly authorized representative of the applicant pertaining to the technical assistance provided.

WHEREAS, the CA supports the applicant's ROSS application and agrees to provide technical assistance to the applicant in accordance with HUD's NOFA and regulations.

WHEREAS, pursuant to the commitment made by the CA, this agreement is executed outlining the type, scope and extent of services that the CA will provide to the applicant if the grant is funded. If HUD does not fund the grant, this agreement is null and void.

### **Roles and Responsibilities**

The CA agrees to oversee the administration of the ROSS grant. This includes financial management, procurement, completing the semi-annual reports, and ensuring that all grant activities are completed successfully within the grant period. In meeting these commitments, the CA agrees to abide by the provisions of 24 CFR Parts 964, 45, 84, and 85 and OMB Circulars A-87 and A-122.

The CA agrees to operate under the direction of the applicant. The applicant retains ultimate responsibility for all grant activities, including drawing down funds from HUD, grant expenditures, and reporting to HUD. The CA will have authority to draw down funds and submit reports to HUD only with the written authorization of the applicant. All checks and other expenditures in an amount higher than  $_{\rm must}$  be signed and/or approved by the applicant or CA.

form HUD-52755 (03/2003)

### SAMPLE CONTRACT ADMINISTRATOR PARTNERSHIP AGREEMENT (continued)

### **Coordination of Grant Activities**

The CA agrees to coordinate the provision of assistance from community organizations, government, and other public services on a variety of related toics and available relevant resources to the residents. Following are suggested resources:

- Area enrichment programs
- Local Banks
- Chamber of Commerce
- Community Development Agencies
- Private Industry Council
- Local/State Health & Human Services Agencies
- Local Higher Education and Continuing Education Facilities
- Local Independent School Districts
- Social Service Organizations

### **Program Assessment**

The CA agrees to coordinate, conduct or assist the applicant in assessing the ROSS activities based on the methodology in the applicant's proposal to HUD.

### **Contracted Amount**

No funds will be paid to the CA for services rendered prior to HUD's selection of the applicant for funding or for services rendered prior to the execution of a grant agreement between the applicant and HUD. This agreement is conditioned on HUD's selection of the applicant for funding. If an applicant is selected and enters into a grant agreement with HUD, remuneration of the CA will not exceed the daily equivalent of the rate paid for level IV of the Executive Schedule, unless specifically authorized by law.

form HUD-52755 (03/2003)

### SAMPLE CONTRACT ADMINISTRATOR PARTNERSHIP AGREEMENT (continued)

The contracted amount for all services defined within this contract is based on a period of time beginning \_\_\_\_\_\_ and ending \_\_\_\_\_\_. (NOTE: CAs must be retained for the full thirty-six month term of the grant.) The CA will be paid \$\_\_\_\_\_\_\_ for year one, beginning \_\_\_\_\_\_\_\_; \$\_\_\_\_\_\_ for year two beginning \_\_\_\_\_\_\_.

### Termination

The applicant may terminate this agreement within 60 calendar days of written notice to the US Department of Housing and Urban Development and the CA. Termination may be based on non-compliance or non-cooperation by the CA. Termination may only occur when all channels of resolution have been exhausted, including mediation between the two parties. If all avenues have been exhausted, termination will require a two-thirds majority vote of the Board of Directors of the applicant.

# SAMPLE BUSINESS PLAN FOR APPLICANTS OF THE ROSS NEIGHBORHOOD NETWORKS FUNDING CATEGORY

derived. This agency may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number. reporting the data. The information will be used for the ROSS grant. Response to this request for information is required in order to receive the benefits to be Public reporting burden for the collection of information is estimated to average six hours per response. This includes the time for collecting, reviewing, and

marketing tool; its fleshes out the mission and structure of the center. This plan is the first step in identifying the purpose, goals and objectives of the center. It A good business plan is one of the best ways developers of Neighborhood Networks Computer Technology Centers can ensure success. It is more than just a a tool that allows Neighborhood Network planners to THINK through their ideas, solidify their intentions and objectives, and work efficiently with a plan towards specific goals. Fewer errors are made because actions will be based upon research and analysis.

ŝ,

There is no single best format for a business plan. This one incorporates items and concepts from the U.S. Small Business Administration's (SBA) Business Plan, which has been used successfully by thousands of small businesses.

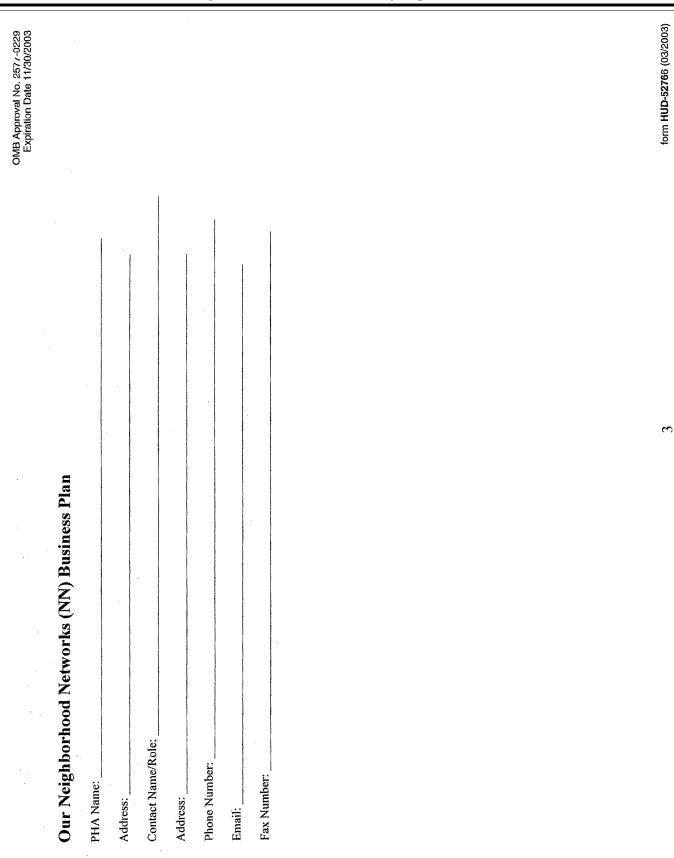

## **KEY POINTS WHEN DEVELOPING THIS PLAN:**

The objective of this sample Neighborhood Network Business Plan is to provide guidance to those who are developing the computer learning centers so they may plan for sustainability beyond the 3-year term of the grant. It also provides a framework and means for evaluating results, best practices, and successful operations.

minimum information needed. Your narrative will act as a supplement to this business plan. To begin your business plan, some good rules of thumb to follow Individual center planners may find that this format needs to be modified to suit the needs of the center, PHA, and residents. This plan serves as only the when preparing the plan are:

The goal should be to progress from substantial reliance on federal grants and to self sustaining status within three years. HUD strongly encourages all centers to provides a way to communicate the center's operations, goals, and philosophy to personnel, residents, community partners, foundations, and other financial and I) Plan from the start to be self sufficient. Many centers, from the beginning, will rely on the HUD grant as well as the minimum 25% match requirement. incorporate this goal into their NN Business Plan. The Business Plan is a road map to follow with goals and action steps to guide decision making. It also business contacts.

Resident involvement and "ownership" of the process is a necessity and key to the center's success. All plans should include a section describing resident 2) Are the residents involved in the planning, implementation, and maintenance of the computer learning center? involvement either as designers or operators as well as customers. form HUD-52766 (03/2003)

### DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

### **CONTINUUM OF CARE HOMELESS ASSISTANCE PROGRAMS –**

SUPPORTIVE HOUSING PROGRAM (SHP)

SHELTER PLUS CARE (S+C),

SECTION 8 MODERATE REHABILITATION SINGLE ROOM OCCUPANCY PROGRAM FOR HOMELESS INDIVIDUALS (SRO)

Billing Code 4210-32-C

Funding Availability for Continuum of Care Homeless Assistance Programs— Supportive Housing Program (SHP), Shelter Plus Care (S+C), Section 8 Moderate Rehabilitation Single Room Occupancy Program for Homeless Individuals (SRO)

### **Program Overview**

Purpose of the Programs. The purpose of the Continuum of Care Homeless Assistance Programs is to fund projects that will fill gaps in locally developed Continuum of Care systems to assist homeless persons to move to selfsufficiency and permanent housing. An important element of meeting this objective is to fund projects that will meet the Department's goal of ending chronic homelessness.

*Available Funds*. Approximately \$ 1.060 billion.

*Eligible Applicants.* The chart in Appendix A to this program section of this SuperNOFA identifies the eligible applicants for each of the three programs under the Continuum of Care.

Application Deadline. July 15, 2003. Match. Yes.

### **Additional Information**

If you are interested in applying for funding under any of the Continuum of Care Homeless Assistance programs, please review carefully the General Section of the SuperNOFA and the following Additional Information. Failure to comply with the procedures specified may disqualify your application.

### I. Application Due Date, Application Kits, Further Information, and Technical Assistance

Application Due Date. Your completed applications (an original containing the signed documentation and two copies) are due on or before July 15, 2003 to the addresses shown below.

Security Procedures. HUD security procedures apply to application submission. Please read the following instructions carefully and completely. HUD will not accept hand delivered applications at any office. Applications to HUD Headquarters must be either mailed using the United States Postal Service (USPS) or may be shipped via the following delivery services: United Parcel Service (UPS), FedEX, DHL, or Falcon Carrier. Express delivery service is highly recommended. No other delivery services are permitted into HUD Headquarters without escort. You must, therefore, use one of the four carriers listed above. HUD strongly suggests application copies submitted to HUD Field Offices be sent via the United

States Postal Service, as access by other delivery services is not guaranteed.

Please remember that mail to Federal facilities is screened prior to delivery, so please allow time for your package to be delivered, and that it is addressed to the proper location and office.

*Timeliness.* Your application will be considered timely filed if your application is either

(1) Postmarked on or before 12:00 midnight on the application due date; or

(2) Was placed in transit with an approved overnight delivery/express mail service on or before 12:00 midnight on the application due date; and was received by HUD Headquarters with in fifteen (15) days of the application due date. All applicants must obtain and save a Certificate of Mailing (USPS Form 3817) showing the date when you submitted your application to the United States Postal Service (USPS) or documentary evidence showing the date that the application was placed in transit with an approved overnight delivery/express mail service. These will be your evidence that your application was timely filed.

Approved Overnight Delivery/Express Mail Services. Due to new security measures, you must use one of the four carrier services that do business with HUD Headquarters regularly. These services are UPS, DHL, FedEx, and Falcon Carrier. Delivery by these services must be made during HUD's Headquarters business hours, between 8:30 AM and 5:30 PM Eastern time, Monday to Friday. If these companies do not service your area, you should submit your application via the United States Postal Service.

Addresses for Submitting Applications. To HUD Headquarters. Submit your original completed application (the application with the original signed documentation) to: Room 7270, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, Attention: Continuum of Care Programs.

To the Appropriate CPD Field Office. Also submit two copies of your completed application to the Community Planning and Development Division of the appropriate HUD Field Office for your jurisdiction. The field office copies also must be postmarked or placed in transit with an approved delivery/express mail service on or before 12:00 midnight on the application due date and received by the field office with in fifteen (15) days. You must obtain and save a Certificate of Mailing (USPS Form 3817) showing the date when you submitted the field

office's copies of your application to the United States Postal Service (USPS). The determination, however, that your application was received on time will be made solely on receipt of the application at HUD Headquarters in Washington. Reviews will be based upon the contents of the application submitted to HUD Headquarters. However, in the event that the application received in Headquarters is missing pages or exhibits that result in your application not being selected for an award, HUD may request proof that your field office copies were submitted and received on time and may insert pages from the field office copies into the Headquarters copy for review.

For Application Kits. This year, the application kit will be attached to this program section of the SuperNOFA as Appendix B. An applicant may also obtain a copy of the application kit by calling the SuperNOFA Information Center at 1–800–HUD–8929 (voice) (this is a toll-free number) or you may download an application by Internet at http://www.hud.gov.

*For Further Information*. You may contact the HUD Field Office serving your area, at the telephone number shown in Appendix A to the General Section of the SuperNOFA, or you may contact the Community Connections Information Center at 1–800–998–9999 (voice) or by Internet at: *http:// www.hud.gov.* Individuals who are hearing-or speech-impaired should use the Information Relay Service at 1–800– 877–8339 (these are toll-free numbers).

For Technical Assistance. Before the application deadline, HUD staff will be available to provide you with general guidance. HUD staff, however, cannot provide you with guidance in actually preparing your application. HUD Field Office staff also will be available to help you identify organizations in your community that are involved in developing the Continuum of Care (CoC) system. Following conditional selection of applications, HUD staff will be available to assist selected applicants in clarifying or confirming information that is a prerequisite to the offer of a grant agreement or Annual Contributions Contract by HUD. However, between the application deadline and the announcement of conditional selections, HUD will accept no information that would improve the substantive quality of your application pertinent to HUD's funding decision.

Satellite Broadcast. HUD will hold an information broadcast via satellite for potential applicants to learn more about the program and preparation of the application. For more information about the date and time of the broadcast, you should consult the HUD Web site at *http://www.hud.gov.* 

### **II. Amount Allocated**

Approximately \$1.060 billion is available for this Continuum of Care (CoC) competition in FY 2003. Any unobligated funds from previous CoC competitions or additional funds that may become available as a result of deobligations or recaptures from previous awards or budget transfers may be used in addition to 2003 appropriations to fund applications submitted in response to this program section of this SuperNOFA. The FY 2003 HUD Appropriation Act requires HUD to obligate all Continuum of Care homeless assistance funds by September 30, 2005. These funds will remain available for expenditure for five years following that date. The funds available for the CoC program can be used under any of three programs that can assist in creating community systems for combating homelessness. The three programs are:

(1) Supportive Housing (SHP);

(2) Shelter Plus Care (S+C); and

(3) Section 8 Moderate Rehabilitation Single Room Occupancy for Homeless Individuals (SRO).

The chart in Appendix A to this program section of this SuperNOFA summarizes key aspects of the programs, and also provides the citations for the statutes and regulations that authorize these programs. The regulations listed in the chart provide more detailed descriptions of each of the programs.

As noted in Appendix A, for FY 2003, the minimum term of assistance for all new SHP projects is two (2) years. The minimum term for new HMIS is one (1) year. Any requests for one-(1) year terms for new SHP projects will be automatically changed to a two-year term if funded. In this case, the one-year budget will be doubled and the applicant will provide the difference between the awarded SHP amount and the two-year total budget. If the applicant does not agree to these conditions, the award will be deselected. The renewal term of expiring SHP projects will remain at the applicant's choice of one-, two- or threevear term.

As in previous funding availability announcements for the CoC Homeless Assistance Programs, HUD will not specify amounts for each of the three programs this year. Instead, the distribution of funds among the three programs will depend largely on locally determined priorities and overall demand. Local priorities notwithstanding, the FY 2003 HUD

Appropriations Act requires that not less than 30 percent of this year's Homeless Assistance Grants appropriation, excluding amounts provided for one-year renewals under the Shelter Plus Care Program, must be used for permanent housing projects. (See Sections V(A)(5)(b) and V(A)(8) of this program section of the SuperNOFA for additional information.) Since this permanent housing set-aside requirement is expected to continue to be part of future competitions and may affect project funding selections as described below, you are strongly encouraged to begin planning as soon as possible for new permanent housing projects to be included as part of your submission in this and future competitions.

Secretary Martinez has established as a HUD priority the elimination of chronic homelessness in ten years. Continuums, therefore, are strongly encouraged within the rating and ranking process to use the funds available in this NOFA to target the chronic homeless in their communities. Such projects awarded through any of the three programs will contribute to the Department's priority of ending chronic homelessness.

Under the FY 2003 HUD Appropriations Act, eligible Shelter Plus Care Program grants whose terms are expiring in FY 2004, and Shelter Plus Care Program grants that have been extended beyond their original five-year terms but which are projected to run out of funds in FY 2004, will be renewed for one year provided that they are determined to be needed by the CoC as evidenced by their inclusion on the priority chart. These projects must also meet the applicant and sponsor eligibility and capacity requirements described in Section V(A)(1) of this NOFA. However, these S+C renewal projects will not count against a continuum's pro rata need amount. On the other hand, no S+C renewal adjustment will be made to a CoC's pro rata need amount since these projects are being funded outside of the competition. Please be advised that S+C renewal applications that are not submitted as part of either a "consolidated" or "associated" CoC application will not be considered as eligible for funding. (See Section VI for a description of the three options for submitting applications.) Noncompetitive S+C renewals should be submitted by the application deadline.

### III. Program Description; Eligible Applicants; Eligible Activities

### (A) Program Description

(1) Developing Continuum of Care Systems. The purpose of the Continuum of Care Homeless Assistance Programs is to fund projects that will fill gaps in locally developed CoC systems to assist homeless persons, especially the chronically homeless, to move to selfsufficiency and permanent housing. The process of developing a CoC system to assist homeless persons is part of the community's larger effort of developing a Consolidated Plan. For a community to successfully address its often complex and interrelated problems, including homelessness, the community must marshal its varied resourcescommunity and economic development resources, social service resources, housing and homeless assistance resources-and use them in a coordinated and effective manner. The Consolidated Plan serves as the vehicle for a community to comprehensively identify each of its needs and to coordinate a plan of action for addressing them.

In addition to prevention, a CoC system consists of four basic components:

(a) A system of outreach and assessment for determining the needs and conditions of an individual or family who is homeless;

(b) Emergency shelters with appropriate supportive services to help ensure that homeless individuals and families receive adequate emergency shelter and referral to necessary service providers or housing finders;

(c) Transitional housing with appropriate supportive services to help those homeless individuals and families who are not prepared to make the transition to permanent housing and independent living; and

(d) Permanent housing, or permanent supportive housing, to help meet the long-term needs of homeless individuals and families.

A CoC system is developed through a community-wide or region-wide process involving nonprofit organizations (including those representing persons with disabilities), government agencies, public housing authorities, faith-based and other community-based organizations and other homeless providers, housing developers and service providers, private businesses and business associations, law enforcement agencies, funding providers, and homeless or formerly homeless persons. To ensure that the CoC system addresses the needs of homeless veterans, it is particularly

important that you involve veteran service organizations with specific experience in serving homeless veterans. A CoC system should address the specific needs of each homeless subpopulation: those experiencing chronic homelessness, veterans, persons with serious mental illnesses, persons with substance abuse issues, persons with HIV/AIDS, persons with cooccurring diagnoses, victims of domestic violence, youth, and any others. The term "co-occurring diagnoses" may include diagnoses of multiple physical disabilities or multiple mental disabilities or a combination of these two types.

Your application is more likely to be given a high score under the CoC scoring factors if the application demonstrates the achievement of three basic goals:

• That you have provided maximum participation by nonprofit organizations (including those representing persons with disabilities), government agencies, public housing authorities, faith-based and other community-based organizations and other homeless providers, housing developers and service providers, private businesses and business associations, law enforcement agencies, funding providers, and homeless or formerly homeless persons.

• That you have created, maintained and built upon a community-wide inventory of housing and services for homeless families and individuals; identified the full spectrum of needs of homeless families and individuals; and coordinated efforts to fill gaps between the current inventory and existing needs. This coordinated effort must appropriately address all aspects of the continuum, especially permanent housing.

• That you have instituted a CoCwide strategy to coordinate homeless assistance with mainstream health, social services and employment programs for which homeless individuals and families may be eligible. These programs include Medicaid, Children's Health Insurance Program, Temporary Assistance for Needy Families, Food Stamps, and services funded through the Mental Health Block Grant and Substance Abuse Block Grant, Workforce Investment Act, Welfare-to-Work grant program, and Veterans Health Care.

Should HUD determine, in its sole discretion, that sufficient evidence exists to confirm that the entity responsible for convening and managing the CoC process in a community has failed to follow locally established or

accepted procedures governing the conduct of that process or has failed to provide for a fair process, including a project priority selection process that gives equal consideration to projects proposed by nonprofit organizations, HUD reserves the authority to impose sanctions up to and including a prohibition on that entity and the individuals comprising that entity from participating in that capacity in the future. In making this determination, HUD will consider as evidence court proceedings and decisions, or the determinations of other independent and impartial review bodies. This authority cannot be exercised until after a description of procedural safeguards, including an opportunity for comment and appeal, and the specific process and procedures for imposing a prohibition or debarment, have been published in the Federal Register.

In deciding what geographic area you will cover in your CoC strategy, you should be aware that the single most important factor in being awarded funding under this competition will be the strength of your CoC strategy when measured against the CoC rating factors described in this program section of the SuperNOFA. When you determine what jurisdictions to include in your CoC strategy area, include only those jurisdictions that are involved in the development and implementation of the CoC strategy.

The more jurisdictions you include in the CoC strategy area, the larger the pro rata need share that will be allocated to the strategy area (as described in Section V(A)(5) of this program section of the SuperNOFA). However, it would be a mistake to include jurisdictions that are not fully involved in the development and implementation of the CoC strategy since this would adversely affect the CoC score. If you are a rural county, you may wish to consider working with larger groups of contiguous counties to develop a region-wide or multi-county CoC strategy covering the combined service areas of these counties.

Since the basic concept of a CoC strategy is to create a single, coordinated, inclusive homeless assistance system for an area, the areas covered by CoC strategies should not overlap. If the geography included in your CoC strategy geographically overlaps to the extent that it competes with another application, projects within the CoC application that receive the highest CoC score will be eligible for up to 40 Need points. Projects in the competing CoC application with the lower CoC score will be eligible for only 10 Need points. In no case will the same geographical area be used more than one time in assigning Need points. The local HUD Field Office can help you determine if any of the areas proposed for inclusion by your CoC system is also likely to be claimed under another CoC system in this competition.

(2) Prioritizing. In HUD's view, project priority decisions are best made through a local process, which includes nonprofit organizations. Again this year, you must list all projects proposed for funding in priority order from the highest priority to the lowest, and indicate the applicant, project sponsor, and term for each project. Generally, this priority order will mean, for example, that if HUD has funds available only to award 8 of 10 proposed projects, then it will award funding to the first eight eligible projects listed, except as may be necessary to achieve the 30 percent overall permanent housing requirement—in which case higher priority non-permanent housing projects may be de-selected to fund lower priority permanent housing projects. Since you are now able to closely calculate your Continuum of Care's total pro rata need amount using information provided to you from HUD, and now that you no longer need to carry the large cost burden imposed by Shelter Plus Care five-year renewals, the tiering of projects (splitting into two or more projects by year or by units) on your priority list is not permitted.

To promote permanent housing, a special incentive is being provided to CoC systems that place an eligible, new permanent housing project in the number one priority slot on the priority list. The only eligible activities that will be counted toward the incentive for the number one priority project are housing activities and for SHP, administration. For the SHP program, housing activities include acquisition, new construction, rehabilitation, leasing of housing and operating costs for housing. Because S+C and SRO provide only rental assistance, they are by definition housing activities and are eligible as well. See Section V(A)(5)(b) of this program section of the SuperNOFA for a description of this incentive.

HUD will use this priority list to award up to 40 points per project under the "Need" scoring factors. Higher priority projects will receive more points under Need than lower priority projects. A project priority chart is included in the application kit and you should complete and submit it. If you do not submit clear project priority designations for the continuum, or if HUD, at its sole discretion, cannot determine priority designations, then HUD will give all projects the lowest score for Need. (3) *Project renewals.* If your SHP or S+C grant will be expiring in calendar year 2004, or if your S+C Program grant has been extended beyond its original five-year term and is projected to run out of funds in FY 2004, you must apply under this CoC program section of the SuperNOFA to get continued funding.

Your local needs analysis process must consider the need to continue funding for projects expiring in calendar year 2004. HUD will not fund competitive renewals out of order on the priority list except as may be necessary to achieve the 30 percent overall permanent housing requirement. HUD reserves the authority to use FY 2004 funds, if available, to conditionally select for one year of funding lowerrated eligible SHP renewal projects that are assigned 40 need points in either a "consolidated" or "associated" CoC application receiving at least 20 points under the CoC scoring factor that would not otherwise receive funding for these projects.

It is important that SHP renewals and S+C non-competitive renewals meet minimum project eligibility and capacity standards identified in this program section of the SuperNOFA or they will be rejected from consideration for either competitive or noncompetitive funding.

For the renewal of an SHP project, you may request funding for one (1), two (2) or three (3) years. The total amount of the request cannot exceed the average yearly amount received in total for leasing, supportive services, and/or operations for the grant being renewed, plus up to five percent for administration.

For the renewal of an S+C project, including S+C SROs, the grant term will be one (1) year, as specified by Congress. For the renewal of S+C rental assistance that is Tenant-based (TRA), Sponsor-based (SRA) or Project-based (PRA), you may request up to the amount determined by multiplying the number of units under lease at the time of your application for renewal funding by the applicable current Fair Market Rent(s) by 12 months, except that for S+C grants having been awarded one year of renewal funding in 2002, the number of units requested for renewal this year may not exceed the number of units funded in 2002. While full funding of existing grants may be requested, there is no guarantee that the entire amount will be awarded. As is the case with SHP, HUD will recapture S+C grant funds remaining unspent at the end of the previous grant period when it renews a grant. The one-year term of non-competitively awarded S+C renewal projects may not be extended.

The renewal of S+C SROs will also be non-competitively awarded in this application process. The process for determining renewal funding amounts for S+C SROs, however, is substantially similar to the Section 8 Mod Rehab SRO program and is described in the application kit.

This program section of the SuperNOFA is not applicable to the renewal of funding under the Section 8 Mod Rehab SRO program. The renewal of expiring SRO projects is not part of the competitive SuperNOFA process. Rather, expiring SROs will be identified at the beginning of the applicable year by the public housing authority and HUD field office. One-year renewal funds will be provided by HUD under a separate, non-competitive process. For further guidance on Section 8 Mod Rehab SRO renewals, please contact your local HUD Field Office.

As a project applicant, you are eligible to apply for renewal of a grant only if you have executed a grant agreement for the project directly with HUD. If you are a project sponsor or subrecipient who has not signed such an agreement, you are not eligible to apply for renewal of these projects. HUD will reject applications for renewal submitted by ineligible applicants. If you have questions about your eligibility to apply for project renewal, contact the local HUD field office. To be considered an applicant when applying as part of a "consolidated" application, you must be an eligible applicant for the program for which you are applying, and you must submit an original, signed Form HUD-424 and the necessary certifications and assurances. (See Section VI for a description of the three options for submitting an application.) Only public housing authorities and private nonprofits are eligible applicants for the Section 8 Mod Rehab Single Room Occupancy SRO program. If you are a unit of general local government acting as an applicant for a consolidated application and plan to include a request for Section 8 SRO funds, you must have a public housing authority or nonprofit listed as the Section 8 SRO applicant and they must submit a signed Form HUD-424, along with all necessary certifications and assurances applicable to the Section 8 SRO project.

(B) Eligible Applicants. See Appendix A.

(C) *Eligible Activities*. See Appendix A.

### **IV. Program Requirements**

(A) Statutory and Regulatory Requirements. If your project is selected for funding as a result of the competition, you will be required to coordinate and integrate your homeless program with other mainstream health, social services, and employment programs for which homeless populations may be eligible, including Medicaid, Children's Health Insurance Program, Temporary Assistance for Needy Families, Food Stamps, and services funding through the Mental Health Block Grant and Substance Abuse Block Grant, Workforce Investment Act, Welfare-to-Work grant program and Veterans Health Care. In addition, as a condition for award, any governmental entity serving as an applicant must agree to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. While the state or local governmental entity having jurisdiction in the area of the Continuum's application has the formal responsibility to enact the discharge policy, the Continuum is expected to actively involve itself in the planning and implementation of the discharge policy. Starting in 2003, the effort of a CoC in this area will be rated in Exhibit 1 of the application. This condition for award is intended to emphasize that States and units of general local government are primarily responsible for the care of these individuals, and to forestall attempts to use scarce McKinney-Vento Act funds to assist such persons in lieu of State and local resources.

(B) Program specific requirements follow:

(1) *SRO Program*. As an applicant, you need to know that the following limitations apply to the Section 8 SRO program:

• Under section 8(e)(2) of the United States Housing Act of 1937, no single project may contain more than 100 assisted units;

• Under 24 CFR 882.802, applicants that are private nonprofit organizations must subcontract with a Public Housing Authority to administer the SRO assistance;

• Under section 8(e)(2) of the United States Housing Act of 1937 and 24 CFR 882.802, rehabilitation must involve a minimum expenditure of \$3,000 for a unit, including its prorated share of work to be accomplished on common areas or systems, to upgrade conditions to comply with the Housing Quality Standards. • Under section 441(e) of the McKinney-Vento Act and 24 CFR 882.805(d)(1), HUD publishes the SRO per unit rehabilitation cost limit each year to take into account changes in construction costs. This cost limitation applies to rehabilitation that is compensated for in a Housing Assistance Payments Contract. For purposes of Fiscal Year 2003 funding, the cost limitation is raised from \$18,500 to \$19,000 per unit to take into account increases in construction costs during the past 12-month period.

• The SRO Program is subject to the Federal labor standards provisions at 24 CFR part 882, subpart H.

• Individuals assisted through the SRO Program must meet the definition of homeless individual found at section 103 of the McKinney-Vento Act.

(2) Shelter Plus Care/SRO Component. With regard to the SRO component of the Shelter Plus Care program, if you are a State or a unit of general local government, you must subcontract with a Public Housing Authority to administer the Shelter Plus Care assistance. Also with regard to this component, no single project may contain more than 100 units.

(3) Supportive Housing Program. Please be advised that where an applicant for Supportive Housing Program funding is a State or unit of general local government that utilizes one or more nonprofit organizations to administer the homeless assistance project(s), administrative funds provided as part of the SHP grant must be passed on to the nonprofit organization(s) in proportion to the administrative burden borne by them for the SHP project(s). HUD will consider States or units of general local government that pass on at least 50 percent of the administrative funds made available under the grant as having met this requirement. This requirement does not apply to either the SRO Program, since no administrative funds are provided as part of the grant, or to the S+C Program, since paying the costs associated with the administration of these grants is ineligible by regulation.

(4) HUD will require recordation of a HUD-approved use and repayment covenant (a form may be obtained from your field office) for all grants of funds for acquisition, rehabilitation or new construction. The covenant will enforce the use and repayment requirements found at section 423(b)(1) and (c) of the McKinney Act.

(C) *Match*. You must match Supportive Housing Program funds provided for acquisition, rehabilitation, and new construction with an equal

amount of funds from other sources. For operating costs, since by law SHP can pay no more than 75% of the total operating budget for supportive housing, you must provide at least 25% of the total annual operating costs. In addition, for all SHP funding for supportive services and Homeless Management Information Systems (HMIS) you must provide a 25% cash match. The cash source may be you, the Federal Government, State and local governments, or private resources. You must match rental assistance provided through the Shelter Plus Care Program in the aggregate with supportive services.

(D) *Timeliness Standards*. As an applicant, you are expected to initiate your approved projects promptly in accordance with Section II of this NOFA. In addition, HUD will take action if you fail to satisfy the following timeliness standards:

(1) Supportive Housing Program • HUD will deselect your award if you do not demonstrate site control within one (1) year of the date of your grant award letter, as required by the McKinney-Vento Act (see 42 U.S.C. 11386(a)(3)) and implemented in program regulations at 24 CFR 583.320(a).

• HUD may de-obligate SHP funds if the following additional timeliness standards are not met:

- —You must begin construction activities within eighteen (18) months of the date of HUD's grant award letter and complete them within thirty-six (36) months after that notification.
- —For activities that cannot begin until construction activities are completed, such as supportive service or operating activities that will be conducted within the building being rehabilitated or newly constructed, you must begin these activities within three (3) months after you complete construction.
- —You must begin all activities that may proceed independent of construction activities within twelve (12) months of the date of HUD's grant award letter.

(2) Shelter Plus Care Program Components Except SRO Component. HUD may de-obligate S+C funds if you do not meet the following timeliness standards:

• For Tenant-based Rental Assistance, for Sponsor-based Rental Assistance, and for Project-based Rental Assistance without rehabilitation, you must start the rental assistance within twelve (12) months of the date of HUD's grant award letter.

• For Project-based Rental Assistance with rehabilitation, you must complete

the rehabilitation within twelve (12) months of the date of HUD's grant award letter.

(3) SRO Program and SRO Component of the Shelter Plus Care Program.

For projects carried out under the SRO program and the SRO component of the S+C program, the rehabilitation work must be completed and the Housing Assistance Payments contract executed within twelve (12) months of execution of the Annual Contributions Contract. HUD may reduce the number of units or the amount of the annual contribution commitment if, in HUD's determination, the Public Housing Authority fails to demonstrate a good faith effort to adhere to this schedule.

### V. Application Selection Process

(A) Review, Rating and Conditional Selection. HUD will use the same review, rating, and conditional selection process for all three programs (SHP, S+C and SRO). The standard factors for award identified in the General Section of this SuperNOFA have been modified in this program section as described below. Only the factors described in this program section-Continuum of Care and Need—will be used to assign points. To review and rate applications, HUD may establish panels. In order to obtain certain expertise and outside points of view, including views from other Federal agencies, these panels may include persons not currently employed by HUD. Two types of reviews will be conducted. Paragraphs (1) and (2) below describe threshold reviews and paragraphs (3) and (4) describe factors—Continuum of Care and Need-that will be used to assign points. Up to 100 points will be assigned using these factors.

(1) Applicant and sponsor eligibility and capacity. HUD will review your capacity as the applicant and project sponsor to ensure the eligibility and capacity standards in this section are met. If HUD determines these standards are not met, the project will be rejected from the competition. The eligibility and capacity standards are:

• You must be eligible to apply for the specific program;

• You must demonstrate ability to carry out the project(s). With respect to each proposed project, this means that, in addition to knowledge of and experience with homelessness in general, the organization carrying out the project, its employees, or its partners, must have the necessary experience and knowledge to carry out the specific activities proposed, such as housing development, housing management, and service delivery; • If you or the project sponsors are current or past recipients of assistance under a HUD McKinney-Vento Act program, there must have been no delay in meeting applicable program timeliness standards unless HUD determines the delay in project implementation is beyond your or the project sponsor's control, no unresolved HUD finding, or no outstanding audit finding of a material nature regarding the administration of the program; and

• You and the project sponsors must be in compliance with applicable civil rights laws and Executive Orders, and must meet the threshold requirements of Section V of the General Section of the SuperNOFA.

(2) *Project eligibility.* HUD will review projects to determine if they meet the following eligibility standards. If HUD determines the following standards are not met by a specific project or activity, the project or activity will be rejected from the competition.

• The population to be served must meet the eligibility requirements of the specific program as described in the program regulations and you must provide evidence of eligibility specified in the application kit. The application must clearly establish eligibility pertaining to homelessness and disability status.

• Projects that involve rehabilitation or new construction must meet the accessibility requirements of Section 504 of the Rehabilitation Act of 1973, the design and construction requirements of the Fair Housing Act and the accessibility requirements of the Americans with Disabilities Act, as applicable.

<sup>1</sup>The project must be cost-effective in HUD's opinion, including costs associated with construction, operations and supportive services with such costs not deviating substantially from the norm in that locale for the type of structure or kind of activity.

• For the Section 8 SRO program, only individuals meeting HUD's definition of homeless are eligible for assistance. Therefore, any individual occupying a unit at the time of application is not eligible for the SRO program and upon returning after having vacated their unit during the rehabilitation period is not eligible to receive rental assistance under the SRO Program since they do not meet the McKinney-Vento Act definition of homeless individual.

• For those projects proposed under the SHP innovative category: Whether or not a project is a considered innovative will be determined on the basis that the particular approach proposed is new and can be replicated. • Applicant agrees to participate in a local HMIS system when implemented. Standards for participation in an HMIS will soon be published by HUD.

(3) *Project quality.* HUĎ will review projects to determine if they meet the following quality standards. The housing and services proposed must be appropriate to the needs of the persons to be served. HUD may find a project to be inappropriate if:

• The type, scale and general location of the housing or services do not fit the needs of the proposed participants. A S+C or SHP project renewal will be considered as having met this requirement through its previously approved grant application unless information to the contrary is received.

• A specific plan for ensuring that clients will be assisted to obtain the benefits of the mainstream health, social service, and employment programs for which they are eligible is not provided.

• The description of the project does not show how participants will be helped to access permanent housing and achieve self-sufficiency. A S+C project renewal will be considered as having met this requirement through its previously approved grant application.

• Renewal projects do not evidence satisfactory performance for their existing grant in HUD's opinion based upon the substantial achievement of their program goals as reflected in their most recent Annual Progress Report. (New projects funded for one year in 2001 are not subject to this requirement.)

• Renewal projects do not evidence that they have assisted clients to obtain the benefits of the mainstream health, social service, and employment programs for which they were eligible as evidenced in their most recent Annual Progress Report.

• An applicant that proposes a new project does not evidence satisfactory performance for their existing or prior grants based upon the substantial achievement of their program goals as reflected in their most recent Annual Progress Report.

(4) *Continuum of Care.* HUD will award up to 60 points as follows:

(a) *Process and Strategy.* HUD will award up to 20 points based on the extent to which your application demonstrates:

• The existence of a coordinated and inclusive community process, including organizational structure(s), for developing and implementing a CoC strategy which includes nonprofit organizations (such as veterans service organizations, organizations representing persons with disabilities, faith-based and other community-based organizations, and other groups serving homeless persons), State and local governmental agencies, public housing authorities, housing developers and service providers, law enforcement, hospital and medical entities, funding providers, local businesses and business associations, and homeless or formerly homeless persons; and

 That a well-defined and comprehensive strategy has been developed which addresses the components of a CoC system (*i.e.*, prevention, outreach, intake, and assessment; emergency shelter; transitional housing; permanent and permanent supportive housing) and that strategy has been designed to serve all homeless subpopulations in the community (e.g., seriously mentally ill, persons with multiple diagnoses, veterans, persons with HIV/AIDS), including those persons living in emergency shelters, supportive housing for homeless persons, or in places not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

The CoC's statement on process and strategy must also include the following:

A description of how the Continuum will work with the appropriate local government entity to develop and implement a discharge policy for persons leaving publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons; and a description of the CoC's strategy and schedule for implementing an HMIS and its progress to date.

(b) *Gaps and Priorities.* HUD will award up to 15 points based on the extent to which your application:

(i) Describes the gap analysis performed, uses reliable information and sources that are presented completely and accurately; and

(ii) Proposes projects that are not inconsistent with the gaps analysis described in the CoC strategy, describes a fair project selection process, explains how gaps identified through the analysis are being addressed, and correctly completes the priority chart.

When HUD reviews a community's CoC to determine the points to assign, HUD will consider whether the community took its renewal needs into account in preparing its project priority list. (See discussion on renewals in Section III(A)(3) of this NOFA.)

(c) *Supplemental Resources*. HUD will award up to 15 points based on the extent to which your application incorporates mainstream resources and demonstrates leveraging of funds requested under this program section of the SuperNOFA with other resources, including private, other public, and mainstream services and housing programs. To achieve the highest rating for this factor, applicants must evidence explicit Continuum-wide strategies to coordinate homeless assistance with mainstream health, social services and employment programs for which homeless populations may be eligible, and to use those benefits as appropriate and practicable to help offset supportive service costs of the programs that would otherwise be paid for with HUD funding. These include Medicaid, Children's Health Insurance Program, Temporary Assistance for Needy Families, Food Stamps, and services funding through the Mental Health Block Grant and Substance Abuse Block Grant, Workforce Investment Act, the Welfare-to-Work grant program, and Veterans Health Care. To the extent that such mainstream benefits supplement, and ideally reduce, HUD's coverage of supportive service costs, greater resources will be available for housing.

(d) Emphasis on housing. HUD will award up to 10 points based upon the relationship between funds requested for housing activities and funds requested for supportive service activities among projects assigned 40 need points (excluding S+C renewals). Points will be awarded on a sliding scale with the Continuums with the highest percentage of approvable requests for funds for housing activities receiving the highest points. HUD will count as housing activity all approvable funds for rental assistance and approvable funds for acquisition, rehabilitation, construction, leasing and operations when used in connection with housing. HMIS costs will be excluded from this calculation as either a housing or supportive service cost.

(5) *Need.* HUD will award up to 40 points for need. There is a three-step approach to determining the need scores to be awarded to projects:

(a) Determining relative need: To determine the homeless assistance need of a particular jurisdiction, HUD will use nationally available data, including the following factors as used in the Emergency Shelter Grants program: data on poverty, housing overcrowding, population, age of housing, and growth lag. Applying those factors to a particular jurisdiction provides an estimate of the relative need index for that jurisdiction compared to other jurisdictions applying for assistance under this program section of the SuperNOFA.

(b) Applying relative need: HUD will then apply that relative need index to the total amount of funding estimated to be competitively available under this program section of the SuperNOFA to determine a jurisdiction's pro rata need. However, in order to promote permanent housing for the homeless, if a CoC's number one priority project qualifies as an eligible, new permanent housing project, then the full amount of that project's housing eligible activities, up to the lesser of 100 percent of the CoC's preliminary pro rata need or \$750,000, will be added to the final pro rata need amount for the Continuum. For this purpose, HUD will consider the same housing activities identified in Section D above as counting toward the permanent housing bonus. HUD also reserves the right to adjust pro rata need, if necessary, to address SHP project renewals.

(c) Awarding need points to projects: Once the pro rata need is established, it is applied against the priority project list in the application. Starting from the highest priority project, HUD proceeds down the list to award need points to each project. An eligible project will receive the full 40 points for need if at least one half of its requested amount falls within the pro rata need amount for that CoC. Thereafter, HUD proceeds further down the priority project list and awards 15 points for need to each project if at least one half of its requested amount falls within the "second level" of pro rata need amount for that CoC. The "second level" is the amount between the pro rata need and twice the pro rata need for theCoC. Remaining projects each receive 10 points. If projects are not prioritized for the Continuum, then all projects will receive 10 points for Need.

In the case of competing CoC applications from a single jurisdiction or service area, projects in the application that received the highest score out of the possible 60 points for CoC are eligible for up to 40 points under Need. Projects in the competing applications with lower CoC scores are eligible for only 10 points under Need.

(6) *Ranking*. HUD will add the score for CoC to the Need score to obtain a total score for each project. The projects will then be ranked from highest to lowest according to the total combined score.

(7) Conditional Selection and Adjustments to Funding.

(a) Conditional Selection. Whether a project is conditionally selected, as described in Section V (B) below, will depend on its overall ranking compared to others, except that HUD reserves the right to select lower rated eligible projects in order to meet the 30 percent overall permanent housing requirement. (See Section V (A)(8) for additional selection information.)

When insufficient funds remain to fund all projects in the competition having the same total score, HUD will first fund permanent housing projects if necessary to achieve the 30 percent overall permanent housing requirement. HUD will then break ties among the remaining projects with the same total score by comparing scores received by the projects for each of the following scoring factors, in the order shown: Need, Overall CoC score, CoC Process and Strategy, CoC Gaps and Priorities, and CoC Supplemental Resources. The final tie-breaking factor is the priority number of the competing projects on the applicable CoC priority list(s).

(b) Adjustments to Funding. The Secretary of HUD has determined that geographic diversity is appropriate to carrying out homeless assistance programs in an effective manner. HUD believes that geographic diversity can be achieved best by awarding grants to as many CoCs as possible. To this end, in instances where any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, the Virgin Islands, and American Samoa does not have at least one funded COC, HUD reserves the right to fund eligible project(s) receiving 40 Need points in the CoC with the highest total score in that jurisdiction. To qualify for funding, the total score for these first level projects on the CoC priority list must be at least 65 points. In the case of two or more CoCs with the same total score, HUD will use the tie-breaking rules described above. In addition, if the highest priority project passing threshold requirements within a CoC fails to meet the criteria for receiving 40 Need points, HUD reserves the right to reduce the total requested amount for that project to allow it to qualify for 40 Need points. Finally, if the total amount that would be awarded for first level projects in a CoC exceeds the final pro rata need amount for that COC by more than \$200,000, the lowest priority first level project being selected for funding will be reduced to the amount necessary to ensure that the total sum being awarded for such projects does not exceed the final pro rata need amount by more than \$200,000. HUD may otherwise adjust funding of applications in accordance with the provisions of Section VI(E) of the General Section of the SuperNOFA. In addition, HUD reserves the right to ensure that a project that is applying for, and eligible for,

selection under this competition is not awarded funds that duplicate activities.

(8) Additional Selection Considerations. HUD also will apply the limitations on funding described below in making conditional selections.

In accordance with the appropriation for homeless assistance grants in the Fiscal Year 2003 Appropriation Act for HUD, HUD will use not less than 30 percent of the total FY 2003 Homeless Assistance Grants appropriation, excluding amounts provided for renewals under the Shelter Plus Care Program, to fund projects that meet the definition of permanent housing. Projects meeting the definition of permanent housing for this purpose are: (1) New Shelter Plus Care projects, (2) Section 8 SRO projects, and (3) new and renewal projects under the Supportive Housing Program that are designated as either permanent housing for homeless persons with disabilities or Safe Havens projects having the characteristics of permanent housing for homeless persons with disabilities, including leases with the program participants, that, in addition, have been assigned at least 15 Need points, and which are submitted as part of either a "consolidated" or "associated" Continuum of Care application receiving at least 20 points under the Continuum of Care scoring factor. However, no Continuum of Care application may receive more than 30 percent of its pro rata need, up to \$3 million, for "second-level" permanent housing projects assigned 15 Need points that are selected for funding under this procedure. (See Section V(A)(5)(c) for definition of "secondlevel".) As stated above, HUD will award no less than 30 percent of the total FY 2003 Homeless Assistance Grants appropriation, excluding amounts for Shelter Plus Care renewals, for permanent housing projects unless an insufficient number of approvable permanent housing projects are submitted. In order to meet this permanent housing funding requirement and stay within the total funding amount available, initially selected Supportive Service Only (SSO) and nonpermanent housing projects may need to be de-selected to add an adequate number of permanent housing projects, even if they are lower scoring housing projects. As a result, within a Continuum, higher priority SSO and non-permanent housing projects may need to be de-selected to include lower priority permanent housing projects. This is because HUD will initially select projects (permanent housing, SSO and other non-permanent housing alike) until the 30 percent permanent housing

requirement is met. Since this will likely exceed the total funding amount available for award, HUD will, if necessary, first proceed to de-select new SSO projects initially selected, starting with lowest scoring new projects and proceeding if needed to the lowest scoring new non-permanent housing projects initially selected. If the funding line is still exceeded, HUD will proceed to de-select SSO and non-permanent housing renewal projects until all selected projects are within the funding line.

In accordance with section 429 of the McKinney-Vento Act, HUD will award Supportive Housing funds as follows: not less than 25 percent for projects that primarily serve homeless families with children; not less than 25 percent for projects that primarily serve homeless persons with disabilities; and not less than 10 percent for supportive services not provided in conjunction with supportive housing. After projects are rated and ranked, based on the factors described above, HUD will determine if the conditionally selected projects achieve these minimum percentages. If not, HUD will skip higher-ranked projects in order to achieve these minimum percentages.

In accordance with section 463(a) of the McKinney-Vento Act, as amended by the Housing and Community Development Act of 1992, at least 10 percent of Shelter Plus Care funds will be awarded for each of the four components of the program: Tenantbased Rental Assistance; Sponsor-based Rental Assistance; Project-based Rental Assistance; and Section 8 Moderate Rehabilitation of Single Room **Occupancy Dwellings for Homeless** Individuals (provided there are sufficient numbers of approvable projects to achieve these percentages). After projects are rated and ranked, based on the factors described above, HUD will determine if the conditionally selected projects achieve these minimum percentages. If necessary, HUD will skip higher-ranked projects in order to achieve these minimum percentages.

In accordance with section 455(b) of the McKinney-Vento Act, no more than 10 percent of the assistance made available for Shelter Plus Care in any fiscal year may be used for programs located within any one unit of general local government. In accordance with section 441(c) of the McKinney-Vento Act, no city or urban county may have Section 8 SRO projects receiving a total of more than 10 percent of the assistance made available under this program. HUD is defining the 10 percent availability this fiscal year as \$10 million for Shelter Plus Care and \$10 million for Section 8 SRO. However, if the amount awarded under either of these two programs exceeds \$100 million, then the amount awarded to any one unit of general local government (for purposes of the Shelter Plus Care program) or city or urban county (for the purposes of the SRO program) could be up to 10 percent of the actual total amount awarded for that program.

Lastly, HUD reserves the right to reduce the amount of a grant if necessary to ensure that no more than 10 percent of assistance made available under this program section of the SuperNOFA will be awarded for projects located within any one unit of general local government or within the geographic area covered by any one Continuum of Care. If HUD exercises a right it has reserved under this program section of the SuperNOFA, that right will be exercised uniformly across all applications received in response to this program section of the SuperNOFA.

(B) Action on Conditionally Selected Applications. HUD will notify conditionally selected applicants in writing. As necessary, HUD will subsequently request them to submit additional project information, which may include documentation to show the project is financially feasible; documentation of firm commitments for cash match; documentation showing site control; information necessary for HUD to perform an environmental review, where applicable; and such other documentation as specified by HUD in writing to the applicant, that confirms or clarifies information provided in the application. HUD will notify SHP, SRO, S+C and S+C/SRO applicants of the deadline for submission of such information. If an applicant is unable to meet any conditions for fund award within the specified timeframe, HUD reserves the right not to award funds to the applicant, but instead either to use them to select the next highest ranked application(s) from the original competition for which there are sufficient funds available; or to add them to funds available for the next competition for the applicable program.

(C) Applicant Debriefing. See Section VII(E)(2) of the General Section of the SuperNOFA.

### VI. Application Submission Requirements

The application kit provides the application materials, including Form HUD–424 and certifications, that must be used in applying for homeless assistance under this SuperNOFA. These application materials substitute for the forms, certifications, and assurances listed in Section II(H) of the General Section of the SuperNOFA (collectively, the "standard" forms).

In addition to the required narratives, the items that you must submit to HUD as part of the application for homeless assistance funding are the following:

(1) 2003 Application Summary Form(2) Continuum of Care and Project

- Exhibits
  - (3) Gaps Analysis Form

(4) Project Priorities Form(5) Project Leveraging Form

- (6) HUD-424
- (7) Applicant Certifications
- (8) Consolidated Plan Certification(s)

The standard forms can be found in Appendix B to the General Section of the SuperNOFA. The remaining forms (*i.e.*, excluding such items as narratives), referred to as the nonstandard forms, can be found in the

Application Kit. The application requires a description of the Continuum of Care system and the proposed project(s). To ensure that no applicant is afforded an advantage in the rating of the Continuum of Care element (described in Section V(A)(4) above), HUD is establishing a limitation of 25 pages, excluding required multiple page tables or charts but including any attachments, on the length of Exhibit 1 of any application submitted in response to this NOFA. HUD will not consider the contents of any pages exceeding this limit when rating the Continuum of Care element of any application. The application kit also contains certifications that the applicant will comply with fair housing and civil rights requirements, program regulations, and other Federal requirements, and (where applicable) that the proposed activities are consistent with the HUD-approved Consolidated Plan of the applicable State or unit of general local government. Projects funded under this SuperNOFA shall operate in a fashion that does not deprive any individual of any right protected by the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) or the Age Discrimination Act of 1975 (42 U.S.C. 6101).

There are three options for submitting an application under this program section of the SuperNOFA.

*One:* A "Consolidated Application" is submitted when a jurisdiction (or a consortium of jurisdictions) submits a single application encompassing a Continuum of Care strategy and containing all the projects within that strategy for which funding is being requested. Individual projects are contained within the one consolidated application. Grant funding may go to one entity which then administers all funded projects submitted in the application, or under this option, grant funding may go to all or any of the projects individually. Your application will specify the grantee for each project.

*Two:* "Associated Applications" are submitted when applicants plan and organize a single Continuum of Care strategy that is adopted by project sponsors or operators who choose to submit separate applications for projects while including the identical Continuum of Care strategy. In this case, project funding would go to each successful applicant individually and each would be responsible to HUD for administering its separate grant.

Three: A "Solo Application" is submitted when an applicant applies for a project exclusive of participation in any community-wide or region-wide Continuum of Care development process.

Options one and two are not substantively different and will be considered equally competitive. Applicants are advised that projects that are not a part of a Continuum of Care strategy will receive few, if any, points under the Continuum of Care rating factors.

### VII. Corrections to Deficient Applications

The General Section of the SuperNOFA provides the procedures for corrections to deficient applications (See Section V of the General Section).

### **VIII. Appeals Process**

Applicants may appeal the results of HUD's review and selection process if they believe a HUD error has occurred. Appeals must be in writing to the Assistant Secretary for Community Planning and Development and must state what HUD error the applicant believes has occurred.

### IX. Environmental, Local Resident Employment, and Relocation Requirements

### (A) Environmental Requirements

(1) Finding of No Significant Impact. A Finding of No Significant Impact (FONSI) with respect to the environment was made for this program section of the SuperNOFA, in accordance with HUD regulations at 24 CFR part 50 that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4223). The FONSI is available for public inspection during regular business hours in the Department's Office of the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410–0500.

(2) Environmental Reviews. All Continuum of Care assistance is subject to the National Environmental Policy Act and applicable related Federal environmental authorities. Section 208 of Public Law 106-377 (114 Stat. 1441, approved October 27, 2000) amended section 443 of the Stewart B. McKinney-Vento Homeless Assistance Act to provide that for purposes of environmental review, Continuum of Care projects shall be treated as assistance for special projects that are subject to section 305(c) of the Multifamily Housing Property Disposition Reform Act of 1994, and shall be subject to HUD's regulations implementing that section. The effect of this provision is that environmental reviews for Continuum of Care activities are to be completed by responsible entities (States or units of general local government) in accordance with 24 CFR part 58, whether or not the applicant is itself a State or a unit of general local government. Applicants (such as PHAs or nonprofit organizations) that are not States or units of general local government must request the unit of general local government to perform the environmental review. This statutory provision supersedes those portions of 24 CFR 582.230 and 583.230 that provide for automatic HUD environmental review in the case of applications from such entities. With this exception, conditional selection of projects under the Continuum of Care Program is subject to the environmental review requirements of 24 CFR 582.230, 583.230, and 882.804(c), as applicable. Recipients may not commit or expend any Continuum of Care assistance or nonfederal funds on project activities (other than those listed in 24 CFR 58.22(c), 58.34 or 58.35(b)) until HUD has approved a Request for Release of Funds and environmental certification from the responsible entity. The expenditure or commitment of Continuum of Care assistance or nonfederal funds for such activities prior to this HUD approval may result in the denial of assistance for the project under consideration.

### (B) Local Resident Employment

To the extent that any housing assistance (including rental assistance) funded through this program section of the SuperNOFA is used for housing rehabilitation (including reduction and abatement of lead-based paint hazards, but excluding routine maintenance, repair, and replacement) or housing construction, then it is subject to section 3 of the Housing and Urban Rehabilitation Act of 1968, and the implementing regulations at 24 CFR part 135. Section 3, as amended, requires that economic opportunities generated by certain HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be given to low- and very lowincome persons, particularly those who are recipients of government assistance for housing, and to businesses that provide economic opportunities for these persons.

### (C) Relocation

The SHP, S+C, and SRO programs are subject to the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA). These requirements are explained in HUD Handbook 1378, Tenant Assistance, Relocation and Real Property

Acquisition. Any person or family who moves, even temporarily, as a direct result of acquisition, rehabilitation or demolition for a project that is assisted through one of these programs (whether or not HUD funded the acquisition, rehabilitation or demolition) is entitled to relocation assistance. Displacement that results from leasing a unit in a structure may also trigger relocation requirements. Relocation assistance can be expensive. To avoid unnecessary costs, it is important to provide occupants with timely information notices, including a general information notice to be sent at the time the application is submitted to HUD. HUD Handbook 1378 contains guideform information notices. The HUD field office can provide a copy of the handbook and copies of appropriate information booklets to be provided to occupants. Accordingly, if the site is occupied, the applicant should contact the HUD field office in the planning stage to obtain advice, including help in estimating the cost of required relocation assistance.

### X. Authority

The Supportive Housing Program is authorized by title IV, subtitle C, of the Stewart B. McKinney-Vento Homeless Assistance Act (McKinney-Vento Act), 42 U.S.C. 11381. Funds made available under this program section of the SuperNOFA for the Supportive Housing Program are subject to the program regulations at 24 CFR part 583.

The Shelter Plus Care program is authorized by title IV, subtitle F, of the McKinney-Vento Act, 42 U.S.C. 11403. Funds made available under this program section of the SuperNOFA for the Shelter Plus Care program are subject to the program regulations at 24 CFR part 582.

The Section 8 Moderate Rehabilitation Program for Single Room Occupancy Dwellings for Homeless Individuals (SRO) is authorized by section 441 of the McKinney-Vento Act, 42 U.S.C. 11401. Funds made available under this NOFA for the SRO program are subject to the program regulations at 24 CFR part 882, subpart H.

### APPENDIX A CONTINUUM OF CARE HOMELESS ASSISTANCE PROGRAMS

| ELEMENTS                                             | SUPPORTIVE HOUSING                                                                                                                                                                                                                                                               | SHELTER PLUS CARE                                                                                                                                                                | SECTION 8 SRO                                                     |

Footnote 1: Homeless prevention activities are statutorily ineligible under these programs.

Footnote 2: Persons at risk of homelessness are statutorily ineligible for assistance under these programs.

**Footnote 3:** Acquisition, construction, rehabilitation, leasing, and operating costs for emergency shelters are statutorily ineligible for assistance under Shelter Plus Care and Section 8 SRO.

## **Continuum of Care Homeless Assistance Programs**

### OMB Approval No. 2506-0112 (exp. 6/30/2003)

The information collection requirements contained in this application have been submitted to the Office of Management and Budget (OMB) for review under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

Information is submitted in accordance with the regulatory authority contained in each program rule. The information will be used to rate applications, determine eligibility, and establish grant amounts.

Selection of applications for funding under the Continuum of Care Homeless Assistance are based on rating factors listed in the Notice of Fund Availability (NOFA), which is published each year to announce the Continuum of Care Homeless Assistance funding round. The information collected in the application form will only be collected for specific funding competitions.

Public Reporting burden for this collection of information is estimated to average 44 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

To the extent that any information collected is of a confidential nature, there will be compliance with Privacy Act requirements. However, the Continuum of Care Homeless Assistance application does not request the submission of such information.

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties.(18 U.S.C. 100l, 1010, 1012; 31 U.S.C. 3729, 3802)

### **Continuum of Care Homeless Assistance:** 2003 Competition SHP, S+C, and SRO Programs

### **General Instructions**

Since 1987, the programs authorized under the McKinney-Vento Homeless Assistance Act have been a major source of Federal assistance to States, local governments, and nonprofit organizations for meeting the needs of homeless individuals and families. It is widely recognized and accepted that these and other programs designed to assist homeless persons are more effective and efficient when carried out through carefully planned and systematic local approaches, otherwise known as Continuum of Care systems. The application process under the 2003 Notice of Funding Availability (NOFA) gives heavy emphasis to programs that are designed and will be carried out under such systems. Please give close attention to the NOFA since it is the document that controls the competition. If there is a conflict between information provided in the application kit and information provided in the published NOFA, the information in the published NOFA prevails.

The homeless assistance application has two parts. The first is the process and outcome of the community-based homeless assistance plan – the Continuum of Care. The second consists of the exhibits for the specific program funds for which you are applying – Supportive Housing Program (SHP) New and Renewal, Shelter Plus Care (S+C) New and Renewal, and Section 8 Moderate Rehabilitation Single Room Occupancy Dwellings (SRO) Program.

### **Eligibility and Roles**

Under each of the programs, there may be applicants and sponsors. An applicant will be responsible for the overall management and administration of the grant, including drawing down the grant funds, distributing them to the project sponsors, and reporting to HUD. Applicants can submit projects on behalf of project sponsors, who will actually carry out the proposed project activities. Applicants can also carry out their own projects. In these cases, the applicant is responsible for both administering/managing the grant (as the grantee) and carrying out the project (as the project sponsor).

### **Submitting Your Application**

**To HUD Headquarters.** The original completed application (containing the original signed documentation) must be submitted to: Special Needs Assistance Programs Office, Room 7270, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, Attention: Continuum of Care Programs.

To the Appropriate CPD Field Office. Two copies of the completed application must also be submitted to the Community Planning and Development Division of the appropriate HUD Field Office for the applicant's jurisdiction. Field Office copies must be received by the deadline date as well, but a determination that an application was received on time will be made solely on receipt of the application submitted to HUD Headquarters in Washington. The review and scoring will be based upon the contents of the submission received in HUD Headquarters.

See the General Section of this SuperNOFA for specific procedures governing the form of application submissions (e.g., mailed applications, express mail, or overnight delivery). Please note that hand delivery is no longer permitted.

The three ways to package an application under the NOFA are described below. Options one and two are developed from a single Continuum of Care strategy. They will be considered *equally competitive* and are not substantively different. A Solo Application, because it is not part of a single Continuum of Care strategy, will receive few, if any, points under the Continuum of Care rating criteria.

- 1. A Consolidated Application is developed from a single Continuum of Care strategy for a jurisdiction (or several jurisdictions) and contains funding requests for all the projects within that system. In a Consolidated Application there may be one applicant, which then administers all funded projects through project sponsors or multiple applicants that request funding.
- 2. An Associated Application is also developed from a single Continuum of Care strategy, but project funding is requested through individual applications and the applicant and project sponsor are the same entity.
- 3. A Solo Application is not connected to the community's Continuum of Care strategy, and the applicant and project sponsor are the same entity.

In both the Consolidated Application and the Associated Application there is a single Continuum of Care exhibit (Exhibit 1).

Page i

### **Application Exhibits**

There are six exhibits in the homeless assistance portion of the application. Exhibit 1 is a description of your community's Continuum of Care strategy, the process used to create that strategy, and the project priorities. Exhibits 2, 2R, 3, 3R and 4 correspond to the three programs (SHP – New, SHP – Renewal, S+C - New, S+C - Renewal and SRO) and are used to describe the projects for which funding is requested. The SHP – Renewal Exhibit is new and will contain information pertaining to previously funded supportive housing projects.

A completed application will include one Exhibit 1 (Continuum of Care) and any number of Exhibits 2 (SHP New), and 2R (SHP Renewal), 3 (S+C New), 3R (S+C Renewal) and 4 (SRO), depending on the number of projects and type of programs proposed for funding. For example, if you were proposing five SHP Renewal projects and one S+C New project, then you would submit one Exhibit 1, five Exhibits 2R and one Exhibit 3. No submission would be necessary for Exhibit 4 because funding is not being requested under the SRO program. (Refer to Assembling Your Application on page iii for full assembling instructions.)

### **Exhibit 1: Continuum of Care**

Exhibit 1 is a description of your community's Continuum of Care strategy, the process used to create that strategy, and a list of projects in priority order. You should pay special attention to Exhibit 1: Continuum of Care and the associated selection criteria in the 2003 NOFA. Scoring high on Exhibit 1 will be the key to the success of an application in this competition.

### Exhibits 2 and 2R: Supportive Housing Program (SHP)

The Supportive Housing Program is designed to develop supportive housing and services that will allow homeless persons to live as independently as possible. Eligible applicants for SHP are States, units of local government, other governmental entities such as public housing agencies (PHAs), public nonprofit community mental health associations, and private nonprofits. A private nonprofit organization is any organization with tax exempt status under Section 501(c)(3) of the IRS Code, or an organization with documentation that it meets the requirements for private nonprofit status listed in the Glossary on page iv.

There are no eligibility requirements for project sponsors; however, a sponsor and any partners that will assist with a project must have the experience and skills to carry out the project.

When applying for SHP assistance, you should submit one Exhibit 2 for each new project and/or one Exhibit 2R for each renewal project.

### Exhibits 3 and 3R: Shelter Plus Care (S+C) Program

The S+C Program provides rental assistance for hard-to-serve homeless persons with disabilities in connection with supportive services funded from sources outside the program. S+C was designed to give an applicant maximum flexibility by allowing the rental assistance to be tenant-, sponsor-, or project-based (with or without rehabilitation) or for SRO units. Eligible applicants are States, units of general local government, and PHAs. Under the sponsor-based component, an applicant must subcontract with a private nonprofit organization (see Glossary for definition) or a community mental health agency established as a public nonprofit organization. Under the SRO component, non-PHA applicants must subcontract with a PHA. For new project requests, see Exhibit 3 for specific details. For renewal requests, see Exhibit 3R.

When applying for S+C assistance, you should submit one Exhibit 3 for each new project and/or one exhibit 3R for each renewal. A project may not include more than one component.

### Exhibit 4: Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings (SRO) Program

SRO housing contains units for occupancy by one person. These units may contain food preparation or sanitary facilities, or both. The SRO Program provides rental assistance on behalf of homeless individuals in connection with the moderate rehabilitation of SRO dwellings. Resources outside the program pay for the rehabilitation; however, the rental assistance covers operating expenses of the SRO housing, including debt service for rehabilitation financing. Eligible applicants are private nonprofit organizations which subcontract with PHAs (see Glossary for definition), and PHAs. Please note that States and units of local government are **not** eligible applicants for the SRO Program.

As an applicant, if you are a private nonprofit organization, you must subcontract with a PHA to administer the rental assistance. An application may contain multiple projects (multiple Exhibit 4's), but each project may not contain more than 100 assisted units.

Page ii

### Scoring

HUD will review and rate all three programs using the same process. Two types of reviews will be conducted. One is a threshold review of each proposed project for the specific criteria identified in the NOFA. Projects that do not meet these requirements will be eliminated from the competition. In the other review, HUD will assign up to 60 points for the community's Continuum of Care (CoC) strategy and up to 40 points for that community's relative need for housing and services for homeless persons. The NOFA describes fully the criteria HUD will use to assign points and should be read carefully. Please note this year that there will not be a bonus of up to two (2) points for projects located within an Empowerment Zone/Enterprise Community (EZ/EC).

Applicants conditionally selected for funding under the SHP, SRO, or the SRO component of the S+C program will be required to provide additional information in the form of a Technical Submission at a later date.

### **Assembling Your Application**

Please assemble your application as outlined below, with tabs marking each exhibit and project and all pages numbered sequentially. Be sure to complete the Application Summary Form using the Geographic Area Guide included with the application kit. Please also pay special attention to the HUD-424, the form that indicates who the applicant is for a project. (Project sponsors do not fill out an HUD-424 unless they are also the applicant for the project.) This form helps HUD determine if an organization is eligible to apply for a specific program and for which projects it will be the grantee. It is essential, therefore, that you complete and sign the form, along with the Applicant Certification and, where appropriate, submit private nonprofit documentation or community mental health association documentation, followed by the projects for which you will be the grantee. The law requires a Consolidated Plan Certification for *each* project.

For a Consolidated Application with one applicant, an Associated Application, or a Solo Application, assemble the application as shown below. For a Consolidated Application with multiple applicants, the first applicant should submit all the information in the order shown below. The second applicant would then insert its HUD-424 form, Applicant Certification, and, if applicable, private nonprofit documentation or community mental health association documentation followed by its project exhibit(s), Consolidated Plan Certification(s) and the required HUD Form-2880. For additional applicants, this order would be repeated.

### Assembly order:

- 1. Application Summary Form
- 2. Exhibit 1: Continuum of Care
- 3. Certifications/Forms
  - a. HUD-424 Form (signed by applicant)
  - b. Applicant certifications (signed by applicant)
  - c. Private nonprofit documentation [SHP, SRO, and S+C (SRA component) programs] New Applicants
  - d. Community mental health association documentation (for SHP public nonprofits only) New Applicants
- 4. Project exhibits including a Consolidated Plan Certification, HUD Form 2880-Disclosure/Update Report, and Special Project Certifications (a) Coordination and Integration of Mainstream Programs, and (b) Discharge Policy (as applicable).

### Assembly Format:

- 1. Number all pages sequentially and insert tabs marking each exhibit. For Exhibit 1, Continuum of Care narrative, number pages from 1 up to 30 using letter suffixes where appropriate to indicate pages that do not count toward the 30 page limit as per the instructions for completing the Continuum of Care narrative. For example, the first page of a 4 page project leveraging chart would be numbered 23 while the next 3 pages of the chart would be numbered 23-A, 23-B, and 23-C.
- 2. Please use a two-hole punch to insert holes at the *top* of your application.
- 3. Please do not bind your application, since this impedes processing.

### Deadline

It is critical that you check the NOFA published in 2003 for the deadline date. Please carefully review the NOFA for specific information on meeting the application submission deadline.

Page iii

### Glossary

**Applicant.** An entity that applies to HUD for funds. In order to be an applicant, you must submit a HUD-424. If selected for funding, the applicant becomes the grantee and is responsible for the overall management of the grant, including drawing grant funds and distributing them to project sponsors. The applicant may also be a project sponsor. **Applicant Certification**. The form, required by law, in which an applicant certifies that it will adhere to certain statutory requirements, such as the Civil Rights Act of 1964.

**Chronically Homeless Person**. An unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years. Disabling condition is defined as "a diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions." To be considered chronically homeless, persons must have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency homeless shelter during that time.

**Consolidated Plan**. A long-term housing and community development plan developed by State and local governments and approved by HUD. The Consolidated Plan contains information on homeless populations and can be a source of information for the Gaps Analysis Chart. The plan contains both narratives and maps, the latter developed by localities using software provided by HUD.

**Consolidated Plan Certification**. The form, required by law, in which a state or local official certifies that the proposed activities or projects are consistent with the jurisdiction's Consolidated Plan and, if the applicant is a State or unit of local government, that the jurisdiction is following its Consolidated Plan.

**Continuum of Care.** An approach that helps communities plan for and provide a full range of emergency, transitional, and permanent housing and service resources to address the various needs of homeless persons.

Current Inventory. An inventory of the community's existing beds and supportive services.

Homeless Management Information Systems (HMIS). An HMIS is a computerized data collection application designed to capture client-level information over time on the characteristics and service needs of men, women, and children experiencing homelessness. It is designed to aggregate client-level data to generate an unduplicated count of clients served within a community's system of homeless services. An HMIS may also cover a statewide or regional area, and include several CoCs. The HMIS can provide data on client characteristics and service utilization.

**Homeless Person**. A person sleeping in a place not meant for human habitation or in an emergency shelter; a person in transitional or supportive housing for homeless persons who originally came from the street or an emergency shelter. For a more detailed discussion, see the Questions and Answers Supplement. The programs covered by this application are not for populations who are at risk of becoming homeless.

**NOFA**. Notice of Funding Availability, published in the *Federal Register* to announce available funds and application requirements.

**Private Nonprofit Status** (includes faith-based and community-based organizations). Private nonprofit status is documented by submitting either: a) a copy of the Internal Revenue Service (IRS) ruling providing tax-exempt status under Section 501(c)(3) of the IRS Code; or b) documentation showing that the applicant is a certified United Way agency; or c) a certification from a designated official of the organization that no part of the net earnings of the organization inures to the benefit of any member, founder, contributor, or individual; that the organization has a voluntary board; that the organization practices nondiscrimination in the provision of assistance; and that the organization has a functioning accounting system that provides for each of the following (mention each in the certification):

- 1. Accurate, current and complete disclosure of the financial results of each federally-sponsored project.
- 2. Records that identify adequately the source and application of funds for federally-sponsored activities.
- 3. Effective control over and accountability for all funds, property and other assets.
- 4. Comparison of outlays with budget amounts.
- 5. Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the use of the funds for program purposes.
- 6. Written procedures for determining the reasonableness, allocability and allowability of costs.
- 7. Accounting records including cost accounting records that are supported by source documentation.

**Public Nonprofit Status.** Public nonprofit status is documented for community mental health centers by including a letter or other document from an authorized official stating that the organization is a public nonprofit organization. **Project Sponsor.** The primary organization responsible for carrying out the proposed project activities. A project

sponsor does not submit a HUD-424, unless it is also the applicant.

HUD Form 424. The information sheet required to be submitted by applicants requesting HUD Federal Assistance.

### **2003 Application Summary**

| This is the first page of your application. Remove this page and p | place it in the front of your application. |
|--------------------------------------------------------------------|--------------------------------------------|
| Continuum of Care (CoC) Name:                                      |                                            |
| CoC Contact Person and Organization:                               |                                            |
| Address:                                                           |                                            |
|                                                                    |                                            |
| Phone Number: E-mail Address                                       |                                            |

### **Continuum of Care Geography**

Using the Geographic Area Guide, list the name and the six-digit geographic code number for *each* city and/or county participating in your Continuum of Care. Because the geography covered by your system will affect your Need score, it is important to be accurate. Enter the name of *every listed* city and/or county that makes up the geography for your Continuum of Care system and its assigned code. Leaving out a jurisdiction could reduce your pro rata need amount. Adding in a jurisdiction that is not really part of your system is likely to significantly reduce your score. Before completing, please read the NOFA guidance and page 2 of this application regarding geographically overlapping Continuum of Care systems.

| Geographic Area Name                  | 6-digit Code | Geographic Area Name | 6-digit Code |
|---------------------------------------|--------------|----------------------|--------------|
| example: Syracuse                     | 366376       |                      |              |
| example: Onondaga County              | 369067       |                      |              |
|                                       |              |                      |              |
|                                       |              |                      |              |
|                                       |              |                      |              |
| · · · · · · · · · · · · · · · · · · · |              |                      |              |
|                                       |              |                      |              |
|                                       |              |                      |              |
|                                       |              |                      |              |

### Exhibit 1: Continuum of Care

### **Developing a Continuum of Care**

HUD believes the best approach for alleviating homelessness is through a community-based process that provides a comprehensive response to the different needs of homeless individuals and families. To this end, HUD is encouraging localities to shape a comprehensive and coordinated housing and service delivery system called a Continuum of Care.

A Continuum of Care approach helps communities plan for and provide a balance of emergency, transitional, and permanent housing and service resources to address the needs of homeless persons so they can make the critical transition from the streets to jobs and independent living.

The fundamental components of a Continuum of Care system are:

- Homeless prevention
- Outreach and assessment to identify an individual's or family's needs and make connections to facilities and services.
- Immediate (emergency) shelter and safe, decent alternatives to the streets.
- Transitional housing with appropriate supportive services to help people reach independent living. Such services include job training and placement, substance abuse treatment, short-term mental health services, and independent living skills training.
- Permanent housing or permanent supportive housing arrangements.

While many homeless people will not need access to all components, each component must be present and coordinated within a community for a Continuum of Care to be viable. A Continuum of Care system serves the specific needs of all homeless subpopulations within the community. It is coordinated with as inclusive a group of community representatives as possible, such as nonprofit organizations (including faith-based and community-based organizations), State and local governmental agencies, public housing authorities (PHAs), service providers, local businesses and business associations, law enforcement, private funders and homeless or formerly homeless persons.

While the Continuum of Care approach can serve as a framework to bring homeless housing and services and their respective providers together, only the community—not HUD—can design a strategy that works best.

As part of the development and ongoing refinement of a Continuum of Care strategy, communities should assess the service and housing needs of homeless persons in their locality, inventory the existing resources available to serve them, and identify gaps. This assessment will help to ensure that the needs of all homeless persons will be met to the extent practicable.

If you are a service or housing provider for homeless persons and you are not currently involved in a Continuum of Care process, feel free to contact your local HUD Field Office to identify other organizations in your area that have established a Continuum of Care system and may be applying for funding.

### **Choosing a Geographic Area**

The geographic area included in your Continuum of Care system may be composed of one or more cities or counties. The geographic area of one Continuum of Care system should not overlap any portion of the service area of any other system. If Continuum of Care systems geographically overlap to the extent that they are competing with each other, projects in the application that receive the highest score out of the possible 60 points for Continuum of Care will be eligible for up to 40 points under Need. Projects in the competing application with the less effective Continuum of Care system will be eligible for only 10 points under Need. In no case will the same geography be used more than one time in assigning Need points. The local HUD Field Office can help determine if any of the area covered by one Continuum of Care system is also likely to be claimed under another Continuum of Care in this competition.

In determining what jurisdictions to include in a Continuum of Care strategy, you should only include those jurisdictions that are fully involved in the development and implementation of the strategy. You should be aware that the larger the area included in a Continuum of Care strategy, the larger the pro rata need share that will be allocated to the strategy area. However, it would be a mistake to include jurisdictions that are not fully involved in the development and implementation of the Continuum of Care strategy, since this would adversely affect the Continuum of Care score. Because most rural counties have extremely small pro rata need shares, they are strongly encouraged to consider working with contiguous counties to develop a region-wide Continuum of Care strategy covering the combined service areas of these counties.

### **Continuum of Care Narrative**

The Exhibit 1 submission for applicants involved in the same Continuum of Care strategy must be identical. The information will be in narrative and chart form, as indicated below.

To ensure that no applicant is afforded an advantage in the rating of the Continuum of Care Exhibit [described in Section V(A)(4) of the NOFA], HUD is establishing a limitation of 30 pages on the length of Exhibit 1. Except as indicated herein, all pages, including attachments, are counted towards the 30-page limitation. HUD will not consider the contents of any pages exceeding this limit when rating Exhibit 1: Continuum of Care of any application.

### 1. Your Continuum of Care's accomplishments.

Briefly describe the specific accomplishments over the past 12 months in implementing your Continuum of Care strategy. (Please keep discussion to no more than half a page)

### 2. Your community's *planning process* for developing a Continuum of Care strategy.

In order to determine the quality and inclusiveness of your Continuum of Care (CoC) planning process, please provide the following:

- a. *Identify* the lead entity (i.e., convenor or organization managing the overall process) for the CoC planning process.
- b. **Describe** your community's CoC planning process, demonstrating that one well-coordinated process is in place with no overlapping or duplicative efforts.
- c. *List* the dates and main topics of your CoC planning meetings held since June 2002, which should demonstrate that these meetings (**both plenary and committee**) are: (1) regularly scheduled; (2) held year round; and (3) not solely focused on developing an application in response to the NOFA.
- d. *List*, using the format on the following page:

(1) the specific names and types of organizations involved in your Continuum of Care (CoC) <u>planning process</u>, such as State and local government agencies, Public Housing Authorities (PHAs), nonprofit organizations, individual businesses or business associations, homeless or formerly homeless persons, and others, including law enforcement, hospital or medical facility representatives, and funders;

(2) the <u>one or two</u> subpopulation(s) the organization/entity <u>primarily</u> serves and whose interests they are <u>specifically focused</u> on representing; and

(3) each organization's level of participation in the planning process. High participation levels might include: steering committee member attends all monthly planning meetings, housing subcommittee member attends most CoC planning meetings, gaps analysis subcommittee chairperson attends all group meetings and most CoC planning meetings, etc. In order to obtain a higher competitive score for "participation", planning participants must attend most of the planning and/or committee meetings. In addition, if more than one geographic area is claimed on the 2003 Application Summary page, you <u>must</u> indicate which geographic area(s) each organization represents in your Continuum of Care planning process.

(Although you may require multiple pages to respond to this item, your response will count as only one page towards the 30-page limitation.)

| Specific Names of CoC<br>Organizations/Persons                    | Geographic Area<br>Represented | Subpopulations<br>Represented, if any* | Level of Participation<br>(activity and frequency)<br>in Planning Process |
|-------------------------------------------------------------------|--------------------------------|----------------------------------------|---------------------------------------------------------------------------|
| Example: Nonprofit Org,: ABC, Inc.                                | City of Ajax                   | HIV/AIDS                               | Com. Chair attends all planning meetings                                  |
| State agencies:                                                   |                                |                                        |                                                                           |
| Local government agencies:                                        |                                |                                        |                                                                           |
| Public Housing Authorities (PHAs):                                |                                |                                        |                                                                           |
| Nonprofit organizations:<br>(includes Faith-Based organizations): |                                |                                        |                                                                           |
| Businesses / Business Associations:                               |                                |                                        |                                                                           |
| Homeless / Formerly homeless persons:                             |                                |                                        |                                                                           |
| Other: e.g.: Law Enforcement:<br>Hospital/Medical:<br>Funders:    |                                |                                        |                                                                           |

\*Subpopulations Key: Seriously Mentally III (SMI), Substance Abuse (SA), Veterans (VETS), HIV/AIDS, Domestic Violence (DV), and Youth (Y).

### 3. Your community's Continuum of Care goals and system under development.

The key to developing a successful Continuum of Care is to continually assess the existing system and identify shortcomings or gaps, then establish a set of goals and carry out a series of action steps intended to address these shortcomings or gaps. With this in mind, please provide the following:

### A. Chronic Homelessness Strategy/Goals

Chronic homelessness refers to an unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years. To be considered chronically homeless, persons must have been sleeping in a place not meant for human habitation (e.g., living on the streets) and/or in an emergency shelter during that time.

- Past Performance. In 2001, HUD established a goal of eliminating chronic homelessness within 10 years. HUD is beginning to track progress made toward this ambitious goal. Please tell us using no more than 2 pages: (a) the specific actions that your community has taken over the past year towards ending chronic homelessness; and (b) any remaining obstacles to achieving this goal.
- (2) <u>Current Chronic Homelessness Strategy</u>. In order to keep HUD informed of your chronic homelessness strategy, please provide a brief summary of the community's strategy for ending chronic homelessness by 2012, including any updates to your strategy. As a part of this discussion, please include in this narrative the number of sheltered and unsheltered chronically homeless persons identified on the "CoC: Homeless Population and Subpopulations Chart" (see page 10). (Your response is expected to be no more than 2 pages, however, none of it will count towards your 30-page limitation.)
- (3) <u>Future Goals</u>. Describe your specific future-oriented goals, and specific action steps for each to be undertaken over the next 18 months in carrying out a strategy to end chronic homelessness in your community. Specify the entity that has the lead responsibility for success or failure in carrying out each step and provide specific target dates for completion. Be sure to include among your goals/action steps each of the plans for housing and services mentioned in sections 3.E. and 3.F. Please use the following format. (Add to as needed for additional goals.)

| Action Steps<br>("How" are you to go about<br>accomplishing it) | Responsible<br>Person/Organization<br>("Who" is responsible for<br>accomplishing it) | Target Dates<br>(mo/yr will be<br>accomplished)                                                                                                                                            |
|-----------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Annual street counts of<br>unsheltered homeless persons         | Emergency Shelter<br>Commission                                                      | January 2004                                                                                                                                                                               |
|                                                                 |                                                                                      |                                                                                                                                                                                            |
|                                                                 |                                                                                      |                                                                                                                                                                                            |

### B. Other Homelessness Goals Chart

- (1) Please provide a summary of accomplishments made over the past year in addressing your community's other homelessness goals.
- (2) In addition to the goals for ending chronic homelessness, please describe any other goals and specific action steps that your community has developed to address homelessness. Specify the entity that has lead responsibility for carrying out each step and specific target date for completion. Please use the following format.

| Goal: Other Homelessness | Action Steps | Responsible Person/<br>Organization | Target Dates |
|--------------------------|--------------|-------------------------------------|--------------|
| Goal 1:                  |              |                                     | -            |
| Goal 2:                  |              |                                     |              |
| Goal 3:                  |              |                                     |              |

### C. Discharge Planning Policy

The McKinney-Vento Act requires that any governmental agency receiving funding may not receive HUD McKinney funds unless they develop and implement, to the extent practicable, policies for the discharge of persons from publicly funded institutions or systems of care. These institutions and systems of care include health care facilities, foster care or other youth facilities, and corrections programs and institutions. The purpose of developing and implementing discharge policies is to prevent persons being discharged from immediately becoming homeless.

**Describe** how your CoC will work with the appropriate local and State governments to ensure that a discharge policy for persons leaving publicly funded institutions or systems of care is being developed and implemented to prevent the discharge of persons from immediately resulting in homelessness.

### D. Unexecuted Grants Awarded Prior to the 2002 Continuum of Care Competition

Homeless assistance awards are intended to rapidly help homeless individuals and families become more selfsufficient. It is expected that continuums will keep apprised of grants awarded to homeless providers in their jurisdiction(s) and become aware of projects that are not moving forward. Using the prescribed format, please provide a list of all HUD McKinney-Vento Act awards announced prior to 2002 that are not yet under contract (i.e. signed grant agreement or executed ACC).

| Project Number  | Applicant Name       | Project Name             | Grant Amount |
|-----------------|----------------------|--------------------------|--------------|
| Ex: MI23B901002 | Michiana Homes, Inc. | TH for Homeless Families | \$514,000    |
|                 |                      |                          |              |
|                 |                      |                          |              |
|                 |                      | Total                    |              |

### E. Service Activity Chart

Using the format below, describe the fundamental service components of your Continuum of Care system currently in place, and any additional services being planned. Describe how homeless persons access or receive assistance under each component other than Outreach. (Although you may require multiple pages to respond to this item, your response will count as only one page towards the 30-page limitation.)

### Fundamental Components in CoC System -- Service Activity Chart

### Component: Prevention

Services in place: Please arrange by category (e.g., rental/mortgage assistance), being sure to identify the service provider. Services planned:

How persons access/receive assistance:

### Component: Outreach

Outreach in place: (1) Please describe the outreach activities for homeless persons who are living on the streets in your CoC area and how they are connected to services and housing.

(2) Describe the outreach activities that occur for other homeless persons.

Outreach planned: Describe any planned outreach activities for (1) persons living on the streets; and (2) for other homeless persons.

### Component: Supportive Services

Services in place: Please describe how each of the following services are provided in your community (as applicable): case management, life skills, alcohol and drug abuse treatment, mental health treatment, AIDS-related treatment, education, employment assistance, child care, transportation, and other.

Services planned:

How homeless persons access/receive assistance:

### F. Housing Activity Chart

### How to Complete the Housing Activity Chart

Starting with the information on the 2002 Housing Activity Chart, please update that information and show all housing activity on the following chart for 2003. Please provide information on each facility concerning: (1) the location of the facility/voucher program, using HUD's geographic codes, (2) the target populations, and (3) each facility/voucher program under development.

Geo Code column: Indicate the Geographic Area Code (Geo Code) for the facility. Where there is only one geographic code for the Continuum, check the box and indicate that code in the first facility listing only. If the project is located in multiple jurisdictions, select the jurisdiction where the majority of the inventory is located. **Target Population columns:** 

Column A, Select the code that best represents your project: SM=only Single Males (18 years and over); SF=only Single Females (18 years and over); SMF=only Single Males and Females (18 years and over with no children); FC=Families with Children; YM=only unaccompanied Young Males (under 18 years), YF=only unaccompanied Young Females (under 18 years), YMF=unaccompanied Young Males and Females (under 18 years), and O=Others.

Column B, Indicate whether the facility serves these additional characteristics: DV=only Domestic Violence victims, VET=only Veterans, and AIDS=only persons with HIV/AIDS.

Current Inventory: List all facilities and voucher programs that are currently operating.

Under Development: List all the projects that are fully funded but are not yet serving homeless people.

(Although you may require multiple pages to respond to this item, your response will count as only one page towards the 30-page limitation.)

**\*CoCs** that list only one geographic code in their Application Summary sheet may check this box and should identify the Geographic Code. All other CoCs must identify the location of each facility by the geographic code. **\*\*Permanent Supportive Housing** is Shelter Plus Care (S+C), Section 8 SRO and Supportive Housing Program-Permanent Housing component (SHP-PH). It also includes any permanent housing projects dedicated exclusively to serving homeless persons such as public housing units that have been dedicated to housing homeless persons.

### 4. Instructions for Continuum of Care Housing Gaps Analysis and Homeless Population Charts

### Housing Gaps Analysis Chart

This required chart summarizes the information from the Fundamental Components in the CoC System -- Housing Activity Chart and represents the CoC's judgment as to the need for additional emergency, transitional housing and permanent supportive housing resources. The estimated unmet need is based upon the status of the inventory at a point-in-time (one-day) and takes into account both existing beds and <u>funded</u> new beds that are not yet ready for occupancy but are under development.

Include this required chart with your Continuum of Care narrative in your Exhibit 1 submission.

### 1. Complete the first column "Current Inventory in 2003."

Enter the number of existing beds serving the community in 2003. This inventory includes only beds currently available for occupancy. The completion of the "Current Inventory in 2003" for emergency shelter, transitional housing, and permanent supportive housing beds must be carried over from the subtotals shown under "Current Inventory" in each of the three housing component areas contained in the Fundamental Components Housing Activity Chart.

### 2. Complete the second column "Under Development in 2003."

Enter the number of <u>funded</u> new beds not ready for occupancy but under development in 2003. The completion of "Under Development in 2003" must be carried over from the subtotals shown under "Under Development" in each of the three housing component areas contained in the Fundamental Components Housing Activity Chart.

### 3. Complete the third column "Unmet Need/Gap."

Enter the number of beds the CoC determines to be the unmet remaining need for each category. This number should represent the need for additional beds after the current inventory and under development inventories are considered. This represents the Continuum of Care's judgment on the need for additional beds under each category.

### **Homeless Population and Subpopulations Chart**

<u>Completing Part 1: Homeless Population</u>. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The counts must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

<u>Completing Part 2: Homeless Subpopulations</u>. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The numbers must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Sheltered Homeless. Count adults, children and youth residing in shelters for the homeless. "Shelters" include all emergency shelters and transitional shelters for the homeless, including domestic violence shelters, residential programs for runaway/homeless youth, and any hotel/motel/apartment voucher arrangements paid by a public/private agency because the person or family is homeless. **Do not count:** (1) persons who are living doubled up in conventional housing; (2) formerly homeless persons who are residing in Section 8 SRO, Shelter Plus Care, SHP permanent housing or other permanent housing units; (3) children or youth, who because of their own or a parent's homelessness or abandonment, now reside temporarily and for a short anticipated duration in hospitals, residential treatment facilities, emergency foster care, detention facilities and the like; and (4) adults living in mental health facilities, chemical dependency facilities, or criminal justice facilities.

**Unsheltered Homeless.** Count adults, children and youth sleeping in places not meant for human habitation. Places not meant for human habitation include streets, parks, alleys, parking ramps, parts of the highway system,

transportation depots and other parts of transportation systems (e.g. subway tunnels, railroad car), all-night commercial establishments (e.g. movie theaters, laundromats, restaurants), abandoned buildings, building roofs or stairwells, chicken coops and other farm outbuildings, caves, campgrounds, vehicles, and other similar places.

### 5. Methods used to Collect Information for the Housing Gaps Analysis and Homeless Population/Subpopulations Charts

In order to assess the quality of the data identified by your community, please provide the following:

- a. For Housing Gaps Analysis Chart identify the data source (e.g., City Shelter Survey), and the methods (e.g., mail survey) for filling out the "Current Inventory in 2003" and "Under Development in 2003" columns. Briefly describe the basis for the community's determination as to the amount of unmet need for emergency shelter, transitional housing and permanent supportive housing for the homeless.
- b. Provide your community's definition of emergency shelter and transitional housing.
- c. For the Part 1 Homeless Population and Subpopulations Chart indicate the specific point-in-time date of data collection (e.g., March 30, 2003) for <u>both</u> the "sheltered" and "unsheltered." This must be only a one-day/night count. Describe your community's process and methods for collecting the data, including the reason(s) your community chose those methods. If your community conducts an enumeration of persons at least annually or uses administrative data from outreach programs to those living on the street, please provide a description of the lead agency/contact person and the process for data collection and coverage in the community.
- d. For the Part 2 Homeless Population and Subpopulations Chart indicate the methods for determining homeless subpopulations in general and the chronic homeless in particular.
- e. **Describe your community's plans** for conducting an annual update of the Fundamental Components in the CoC System Housing Activity Chart.
- f. **Describe your community's process** for conducting regular point-in-time counts (not less than once every three years) of the "sheltered" and "unsheltered" categories in order to complete Part 1 and 2 of the Homeless Population and Subpopulations Chart and the collection <u>methods</u> you plan to use.

# Continuum of Care: Housing Gaps Analysis Chart Current Current Under Inventory in 2003 2003

|         |                              | Individuals |    |    |
|---------|------------------------------|-------------|----|----|

| 3. Chronic Substance Abuse                        |           |              |             |       |
| 4. Veterans                                       |           |              |             |       |
| 5. Persons with HIV/AIDS                          |           |              |             |       |
| 6. Victims of Domestic Violence                   |           |              |             |       |
| 7. Youth                                          |           |              |             |       |

Form HUD-40076-CoC (2003) OMB Approval No. 2506-0112 (exp. 06/30/2003)

Unmet Need/

Gap

### 6. Homeless Management Information System (HMIS). (Your response to this item will not count towards your 30-page limitation.)

Congress has established a national goal that all communities should be collecting an array of data on the homeless, including unduplicated counts of the homeless, their use of services and the effectiveness of local assistance systems. In order to achieve this objective, HUD has encouraged communities to develop a Homeless Management Information System (HMIS).

- a. Describe in a brief narrative your Continuum of Care (CoC) strategy to implement an HMIS, providing a schedule for implementation and describing the progress you have made to date, including obtaining the participation of emergency shelter, transitional housing and McKinney-Vento permanent supportive housing providers.
- Please check <u>one</u> of the following which best reflects the status of your CoC in having a Continuum-wide HMIS (see Section O of the "Questions and Answers" supplement to the application before completing):
- \_\_\_\_\_ The CoC has not yet considered implementing an HMIS.
- \_\_\_\_\_ The CoC has been meeting and is considering implementing an HMIS.
- The CoC has decided to implement an HMIS and is selecting needed software and hardware.
- \_\_\_\_\_ The CoC has implemented a Continuum-wide HMIS.
- \_\_\_\_\_ The CoC has implemented, but is seeking to update or change its current HMIS.
- \_\_\_\_\_ The CoC has implemented, but is seeking to expand the coverage of its current HMIS system.
- c. If your CoC has already implemented or is seeking to update or expand its HMIS system, identify in the table below how many of the Current Inventory in 2003 beds listed on your Housing Gaps Analysis chart are included in the CoC's HMIS and are currently providing data on clients into the system. For each Current Inventory in 2003 Housing Activity category, indicate the number of beds that are providing client level data into the HMIS and the percent of coverage for that category. For example: there are 100 beds in the Current Inventory in 2003 for the Individuals/Emergency Shelter category and client level data into the HMIS are provided for 60 of these beds. Place 60 beds/60 percent in the following chart for the Individuals/Emergency Shelter category.

### Current Inventory in 2003 Beds/Percentage Providing Client Data into HMIS Individuals Families

| Emergency Shelter            | / | / |
|------------------------------|---|---|
| Transitional Housing         | / | / |
| Permanent Supportive Housing | / | / |

### 7. Priorities.

Having now assessed the need in your community and having compared it to your existing Continuum of Care system, please provide the following:

- a. Using your gaps analysis findings, complete the *Continuum of Care: Project Priorities* chart that follows according to the instructions provided. (Refer to the chart for specific instructions and examples.)
- b. Describe the methods you use to determine whether projects up for renewal are: (1) performing satisfactorily and (2) effectively addressing the need(s) for which they were designed.
- c. Describe how each project proposed for funding will fill a gap in your community's Continuum of Care system. (Although you may require multiple pages to respond to this item, your response will count as only one page towards the 30-page limitation.)
- d. Demonstrate how the project selection and priority placement processes were conducted **fairly and impartially**, and gave equal consideration to projects sponsored by nonprofit organizations. In doing so, (1) specify your open solicitation efforts for projects; (2) identify the objective rating measures applied to the projects and demonstrate that participants on the review panel or committee are unbiased; and (3) explain the voting system used. Finally (4), if written complaints concerning the process were received during the last 12 months, please briefly describe them and how they were resolved.

### 8. Supplemental Resources.

HUD funding is limited and, therefore, can provide only a portion of the resources needed to successfully address the needs of homeless families and individuals. This being the case, please provide the following:

- A. Project Leveraging. Fill out the Continuum of Care: Project Leveraging chart. (See instructions with chart).
- B. Enrollment and Participation in Mainstream Programs.
  - Describe your Continuum of Care-wide strategy currently in place to systematically:
  - (1) **IDENTIFY ELIGIBILITY** of homeless persons for mainstream programs.
  - (2) <u>HELP ENROLL</u> them in the following programs for which they are eligible: SSI, TANF, Medicaid, Food Stamps, SCHIP, Workforce Investment Act, Veterans Health Care.
  - (3) **ENSURE THEY RECEIVE** assistance under each of the programs for which they are enrolled.
- C. Participation in Mainstream Programs and Employment.

In order for HUD to assess the results of your continuum's effort in implementing this strategy, please complete the following chart. The source of information is from the most recent Annual Progress Report (APR) for all SHP and SPC renewals being submitted in this year's competition.

Instructions for filling out the Participation in Mainstream Programs and Employment chart:

Column 1 – Income Source. Use these income sources from the APR (Question 11).

- Column 2 –Adults Who Exited (All Renewals). For each SHP and SPC renewal being submitted in this year's competition, use APR Question 2C (Number who left the program during the operating year). For each APR, add the Number of Singles Not in Families and the Number of Adults in Families. The total represents the number of adults who exited the project during the operating year. Add the total from each renewal's APR to get the total number of adults in the CoC who left the projects during the operating year.
- Column 3 Source of Income at Entry. Using the information in each project's APR Question 11C (Income Sources at Entry), add the total number of exiting adults who, upon entry to the project, already had each source of income.

Column 4 - % with Income at Entry. Divide Column 3 by Column 2, multiply by 100 and round.

Column 5 – Source of Income at Exit. Using the information in each project's APR Question 11D (Income Sources at Exit), add the total number of adults who, upon exiting the project, had each source of income.

Column 6 – % with Income at Exit. Divide Column 5 by Column 2, multiply by 100 and round. Column 7 – Entry / Exit Difference. Subtract Column 4 from Column 6.

**IMPORTANT:** If you are <u>not</u> submitting any renewals in this year's competition, provide the chart using the most recent APR for all currently operating SHP and SPC projects in your continuum.

### Participation in Mainstream Programs and Employment Chart

What is the total number of projects represented in this chart?

| 1<br>Income Source        | 2<br>Adults Who<br>Exited (All<br>Renewals) | 3<br>Source<br>of<br>Income<br>at Entry | 4<br>% w/ Income<br>at Entry<br>(Col 3+Col 2) | 5<br>Source<br>of<br>Income<br>at Exit | 6<br>% w/ Income<br>at Exit<br>(Col 5÷Col 2) | 7<br>Entry/Exit<br>Difference<br>(Col 6 – Col 4) |

D. Use of Other Mainstream Resources. Using the following format, describe how the identified mainstream resources are currently (within the past 2 years) being used to assist homeless persons (see definition of "homeless person" in Glossary). "Prevention" activities are *not* to be included. Please ensure that there is no overlap between the resource funds listed on your Project Leveraging Chart and the uses/projects described below. (Although you may require multiple pages to respond to this item, your response will count as only one page towards the 30-page limitation.)

| Mainstream<br>Resources                                                    | Use of Resource in CoC System for <u>Homeless</u><br>Persons (e.g., rehab of rental units, job<br>training, etc.) | Specific Project<br>Name | \$ Amount or number<br>of units/beds<br>provided within last <u>2</u><br><u>years</u> specifically for<br>the <u>homeless</u> |

### **Instructions for Continuum of Care: Project Priorities**

A priority ordering of all projects proposed for each community in the Continuum of Care strategy should be included on the Project Priority chart whether submitted through Consolidated or Associated Applications. The projects that communities rank as higher priorities will receive the most points under the "Need" criterion. *This required chart must be identical for all Associated Applications requesting funding under the same Continuum of Care system.* If you do not provide a Project Priorities Chart in Exhibit 1, all proposed projects may lose up to 30 points of the 40point Need total. There should be *only one project per line.* Projects submitted in response to the 2003 NOFA should fill gaps identified as priorities for funding as determined by your community's gaps analysis.

- 1. In the *first column*, enter the name of the *applicant*, the entity that is responsible for the overall management of the grant. This entity becomes the grantee if the project is selected for funding. (*You must submit a HUD-424*).
- 2. In the second column, enter the project sponsor that will carry out the project and the project name.
- 3. The *third column* is the numeric priority that your Continuum of Care community has assigned to each project. For your convenience, this column has been pre-filled, with number 1 as the highest priority and number 12 as lowest. Please reproduce this *required* chart if you need additional space to accommodate more projects, renumbering as necessary.
- 4. In the *fourth column*, enter the requested amount of project funding for each project.
- 5. In the *fifth column*, enter the requested term of your project in years.
- 6. In the sixth column, enter the component/type of each project. Codes for the project components/type are:
   <u>SHP new and renewal</u>—Transitional Housing (TH), Permanent Housing for Persons with Disabilities (PH), Supportive Services Only (SSO), Safe Haven (SH), Homeless Management Information Systems (HMIS), and Innovative Supportive Housing (IH)

Shelter Plus Care new and renewal—Tenant-based Rental Assistance (TRA), Sponsor-based Rental Assistance (SRA), Project-based Rental Assistance (PRA), Project-based Rental Assistance with Rehabilitation (PRAR), and Section 8 Moderate Rehabilitation Single Room Occupancy rental assistance (SRO).

- 7. At the bottom of the chart, fill in the total requested amount for the projects in the chart. (If multiple pages are being submitted, provide only a grand total at the end of the last page.)
- 8. Place all Shelter Plus Care renewal projects as the last entries in the chart. They are not prioritized with the other programs because they are being funded non-competitively; however, the law requires that they be a part of the national competition.
- 9. The tiering of projects on your priority list is no longer permitted.

### **Instructions for Renewals**

Communities wishing to seek funding for project renewals (for expiring HUD projects other than S+C renewals) need to include such projects in their priority list. The purpose of renewal funding is to provide continued assistance to homeless persons, provided that the grantee can demonstrate success in achieving program objectives. A project whose HUD grant will expire during calendar year 2004 may request renewal funding if it previously received HUD McKinney-Vento Act funds for one of the following:

- Supportive Housing Program (SHP)
- SHP Renewal
- Shelter Plus Care (S+C) Program
- S+C Renewal

When developing priority lists, your community may wish to pay particular attention to the funding needs of current McKinney-Vento homeless assistance projects that will not have sufficient funds to continue operating throughout 2004. If your community is unsure as to when its grants are eligible for renewal funding, please contact your local HUD Field Office. Note: Only the current grantee (the entity that has executed the current grant agreement with HUD) can apply for renewal of its project, i.e., must be the applicant and submit a HUD-424.

## **Continuum of Care: Project Priorities**

(This entire chart will count as only one page towards the 30-page limitation)

|                        |                                       | 8       |                                         |                              |                                       |              |            |              |            |
| <u></u>                |                                       | 9       |                                         |                              |                                       |              |            |              |            |
|                        |                                       | 10      |                                         |                              |                                       |              |            |              |            |
|                        | · · · · · · · · · · · · · · · · · · · | 11      |                                         |                              |                                       |              |            |              |            |
|                        |                                       | 12      |                                         |                              |                                       |              |            |              |            |
|                        | <b>**</b> Total Requested             | Amount: |                                         |                              |                                       |              |            |              |            |

\*Place the components/type for each project under column 6.

\*\*The Requested Project Amount must not exceed the amount entered in the project budget in Exhibits 2, 3, and 4. If the project budget exceeds the amount shown on the priority list, the project budget will be reduced to the amount shown on the priority list.

Please Note:

- (1) Place all Shelter Plus Care renewal projects as the last entries on the Chart.
- (2) For all Shelter Plus Care and SRO projects, please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002 Federal Register.

### Instructions for Continuum of Care: Project Leveraging

Complete only one chart for the entire Continuum of Care and insert in Exhibit 1. Provide information only for contributions for which you have a written commitment in hand at the time of application. A written agreement could include signed letters, memoranda of agreement, and other documented evidence of a commitment. Leveraging items may include any written commitments that will be used towards your cash match requirements in the project, as well as any written commitments for buildings, equipment, materials, services and volunteer time. The value of commitments of land, buildings and equipment are one-time only and cannot be claimed by more than one project (e.g., the value of donated land, buildings or equipment claimed in 2002 and prior years for a project cannot be claimed as leveraging by that project or any other project in subsequent competitions). The written commitments must be documented on letterhead stationery, signed by an authorized representative, dated and in your possession prior to the deadline for submitting your application, and must, at a minimum, contain the following elements: the name of the organization providing the contribution; the type of contribution (e.g., cash, child care, case management, etc.); the value of the contribution; the name of the project and its sponsor organization to which the contribution will be given; and, the date the contribution will be available. The documentation will be required at Technical Submission if a project is conditionally selected. If you do not have in hand at the time of application submission a written agreement for a contribution that will be used in your project, do not enter the contribution. Please be aware that undocumented leveraging claims may result in a re-scoring of your application and possible withdrawal of your conditional award(s).

- 1. In the *first column*, enter the project priority number.
- 2. In the *second column*, enter the name of the project.
- 3. In the *third column*, identify the type of contribution being leveraged by the proposed project. Types of contributions could include cash, buildings, equipment, materials, and services, such as transportation, health care, and mental health counseling.
- 4. In the *fourth column*, enter the name of the source or provider from whom the contribution is being leveraged. The contribution may be leveraged through Federal, State, local, or private sources, including mainstream housing and social service programs.
- 5. In the *last column*, enter the value of the contribution. Donated professional services should be valued at the customary rate; volunteer time should be valued at \$10 per hour. Donated buildings should be valued at their fair market value or fair rental value minus any charge to the SHP, S+C, or SRO program.
- 6. At the bottom of the chart, fill in the total amount. (If multiple pages are being submitted, provide only a grand total at the end of the last page.)

Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties (18 U.S.C. 1001, 1010, 1012; 31 U.S.C. 3729, 3802)

Continuum of Care: Project Leveraging (Complete only one chart for the entire Continuum of Care and insert in Exhibit 1. *This entire chart will count as only* one page towards the 30-page limitation)

| Project<br>Priority<br>Number | Name of Project           | Type of Contribution | Source or Provider                              | *Value of<br>Written<br>Commitment |

# Exhibit 2 and 2R: Supportive Housing Program (SHP)

The following information pertains to Exhibit 2 (SHP New) and Exhibit 2R (SHP Renewal). Exhibit 2R is new this year. It was developed for renewal projects since the majority of CoC applications are for SHP renewal projects. Since HUD has prior history working with these applicants/grant recipients, this streamlined exhibit was developed for ease in filling out the application. The Project Components and SHP Guidance sections apply to both exhibits.

### **Program Components/Type**

The Supportive Housing Program promotes the development of supportive housing and services that help homeless persons transition from homelessness to living as independently as possible. Each project submitted under SHP must be classified as one of the program components described below.

**Transitional Housing** facilitates the movement of homeless individuals and families to permanent housing within 24 months. This temporary housing is combined with supportive services to enable homeless individuals and families to live as independently as possible. Supportive services—which help promote residential stability, increased skill level and/or income, and greater self-determination—may be provided by the organization managing the housing or coordinated by that organization and provided by other public or private agencies. Transitional housing can be provided in one structure or several structures at one site or in multiple structures at scattered sites.

**Permanent Housing for Persons with Disabilities** is long-term housing for this population. Basically, it is community-based housing and supportive services as described above, designed to enable homeless persons with disabilities to live as independently as possible in a permanent setting. Permanent housing can be provided in one structure or several structures at one site or in multiple structures at scattered sites.

Supportive Services Only projects provide services designed to address the special needs of the homeless persons. Projects are classified as this component only if the project sponsor is not also providing or operating the housing for the same persons receiving the services. Eligible activities for Supportive Services Only projects are acquisition, rehabilitation, leasing, and, of course, supportive services. (Applicants cannot request funds for new construction or operations.) Supportive services only projects may have one or more structures at a central site or at scattered sites where services are delivered; or services may be delivered independent of a structure, such as street outreach.

Safe Haven projects must meet the following criteria: (1) have no limit on length of stay; (2) serve hard to-reach homeless persons who have severe mental illness, are on the streets, and have been unable or unwilling to participate in supportive services; (3) provide 24-hour residence for an unspecified duration; (4) provide private or semiprivate accommodations; and (5) have overnight occupancy limited to 25 persons. A safe haven may also provide supportive services to eligible persons who are not residents, on a drop-in basis. A Safe Haven project that has the characteristics of the SHP/Permanent Housing component and requires participants to execute a lease agreement may now be classified as permanent supportive housing.

For many persons with mental illness who have been living on the streets, the transition to self-sufficiency is best made in stages, starting with a small, highly supportive environment where an individual can feel at ease, out of danger, and subject to no immediate service demands. Safe Havens do not require participation in services and referrals as a condition of occupancy. Rather, it is hoped that after a period of stabilization in a safe haven, residents will be more willing to participate in services and referrals, and will eventually be ready to move to more traditional forms of housing. Safe Havens can serve as an entry point to the service system and provide access to basic services such as food, clothing, bathing facilities, telephones, storage space, and mailing addresses.

Homeless Management Information System (HMIS) is now a separate component/type for new and renewal dedicated HMIS projects in the 2003 CoC competition. There is also a separate budget activity for specifying costs in dedicated HMIS projects and in SHP projects including HMIS costs as a share of their participation in an HMIS. SHP may be used to pay the costs of implementing and operating an HMIS. Eligible HMIS costs are: equipment, software, computer services, personnel to manage and operate the system, training, and staff that analyze the data and prepare reports for providers, the CoC, and HUD.

**Innovative Supportive Housing** enables the applicant to design a supportive housing project for homeless persons that is outside the scope of the other SHP components. A project is innovative when the particular approach is new to the area and can be replicated in other communities. The project must be determined by HUD to be innovative or it will be rejected from the competition. The project must also be for eligible SHP activities.

#### **Project Definition**

Under SHP, a "project" may be either for supportive housing, supportive services only or HMIS. For a supportive housing project, one project sponsor provides housing in one or more structures and delivers services, or arranges with other organizations to deliver services, to the residents. For a Supportive Services Only project, one sponsor delivers services to homeless persons, but the sponsor *does not* provide housing to the same persons receiving the services. Supportive services can be delivered from a structure(s) or they can be delivered independent of a structure(s), such as street outreach. The following are examples of SHP projects:

**Example 1:** Project sponsor Serenity House will provide 10 units of permanent housing to homeless persons with serious mental illness. The project sponsor is requesting funding for rehabilitation, supportive services, and operations. The supportive services will be provided by the local day treatment center. This is one project and is classified under the permanent housing component.

**Example 2:** Project sponsor Greenville Nonprofit proposes to acquire, rehabilitate, and operate a transitional housing facility for homeless women and children. Services will be coordinated by Greenville Nonprofit but delivered by a local charitable organization and a health clinic. This is one project and is classified under the transitional housing component.

**Example 3:** Project sponsor Health Care, Inc., currently owns a van from which it does outreach and provides health care services to homeless persons and families on the streets and in emergency shelters. Health Care proposes to expand its service level to serve more people and to provide immunizations and help refer homeless persons to appropriate housing. The expansion is one project and is classified under the supportive services only (SSO) component. SHP funds may be requested for the expansion only; the project sponsor would continue to provide funding for the current activities from other sources.

**Example 4:** Project sponsor Second Chance is part of a CoC which has decided to implement a community-wide Homeless Management Information System (HMIS). The CoC has determined that Second Chance will propose a dedicated HMIS project. The project's funds will be used to purchase HMIS software and computers and to pay the salary of HMIS staff. (See the "Question and Answer" supplement to the application for further information on funding for HMIS activities.)

## **SHP** Guidance

**Eligible and Ineligible Activities and Limitations**. There are eight activities that can be funded under SHP. They are acquisition, rehabilitation, new construction, leasing, operating costs, supportive services, HMIS and administrative costs. This year, HMIS will be classified as its own eligible SHP activity rather than as a supportive service. See the "Questions and Answers" supplement to the application for additional discussion on this topic. Specific activities that are *not eligible* by law under the six program components/type include:

- Operating costs or new construction for supportive service only projects.
- Support for an existing project except as noted in section E of this exhibit and renewals.
- Support for permanent housing for non-disabled persons.
- Rehabilitation of a structure owned by a primarily religious organization, except in accordance with the requirements of 24 CFR 583.150(b)(2).
- New construction or rehabilitation of a structure prior to an executed grant agreement with HUD. Lack of an environmental clearance in such a case would necessitate withdrawal of HUD funds from the project.
- Acquisition and rehabilitation, or new construction that exceeds statutory funding limitations. (See section K of this exhibit for the specific limits.)
- Homeless prevention activities.
- Planning costs for HMIS.

**Match.** SHP funds provided for acquisition, rehabilitation, and new construction must be matched by the recipient with an equal amount of funds from other sources. In addition, any applicant requesting SHP funds for operating costs for supportive housing must provide a cash contribution of at least 25 percent of the total operating costs. Any applicant requesting SHP funds for supportive service activities funds must provide a cash contribution of at least 20 percent of the total supportive services costs. HMIS activities must also have a cash contribution of at least 20 percent of the total HMIS costs.

**Relocation and Environmental Issues**. SHP projects are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act and additional relocation requirements in Section 583.310 of the SHP regulations. In addition, the use of SHP funds for acquisition, rehabilitation, new construction and, in some cases, leasing triggers 24 CFR Part 58, Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities, for recipients who are private nonprofit organizations or public housing authorities. Projects are also subject to the Lead-Based Paint Poisoning Prevention Act and are, therefore, subject to 24 CFR Part 35. Because Lead-Based Paint requirements can be complex, please contact your local HUD Field Office for guidance during the planning stages of your project.

## **Renewal Projects**

The purpose of renewal funding is to provide operating, leasing and supportive services for previously approved grantees in order to ensure continued assistance to homeless persons. Note: Only the current grantee (the entity that has executed the current grant agreement with HUD) can apply for renewal of its project, i.e., must be the applicant and submit a HUD-424.

A project may request one, two or three years of renewal funding if it previously received HUD McKinney-Vento Act funds under the Supportive Housing Program, including those previously renewed, and will expire during calendar year 2004. Since renewal projects may request renewal funds only for continuing a previously approved project at the *same level of housing and/or services* provided in the previous grant, renewal project budgets should be based upon the **average of the term activities of the previous grant award**. Renewal projects proposing both to renew the existing project and expand the number of units or number of participants receiving services must submit a new project proposal for the expansion portion of the project. HMIS activities being renewed should be included on the HMIS budget chart.

21618

## **Exhibit 2: Supportive Housing Program - New**

### Section A. Project Narrative

Section A is a description of your proposed project. Please respond to the items in Section A according to the following:

- New project applicants for TH, PH, Safe Havens, or Innovative components answer items 1-6, and 8 (if applicable).
- New project applicants for the SSO component answer items 1, 2, 4, 5, 6 and 8 (if applicable).
- New project applicants for dedicated HMIS projects answer items 1 and 7.
- 1. **Project summary**. Please provide the following:
  - a. Applicant and sponsor names
  - b. Program component
  - c. Total SHP request and the percent of this request for housing activities. SHP housing activities include acquisition, rehabilitation, and new construction; leasing of housing; and operations for supportive housing.
  - d. The type of housing (e.g., apartments, group home) proposed, if applicable
  - e. The population(s) to be served (N/A for dedicated-HMIS projects)
  - f. Grant term of the proposed project (2 year minimum, except for dedicated HMIS projects)
- 2. Homeless population to be served. Briefly describe the following:
  - a. Their characteristics and need for housing and supportive services.
  - b. Where they will come from. Indicate percentage coming from: (e.g., streets, emergency shelters, transitional housing for homeless persons who came from street/shelters, or other). "Other" must be clearly explained.
    c. The outreach plan to bring them into the project.
- **3.** Housing where participants will reside. For applicants requesting SHP funds for Transitional Housing, Permanent Housing for Persons with Disabilities, Safe Havens, or Innovative Supportive Housing components, demonstrate each of the following:
  - a. How the TYPE (e.g., apartments, group home) and SCALE (e.g., number of units, number of persons per unit) of the proposed housing will fit the needs of the participants.
  - b. That the basic COMMUNITY AMENITIES (e.g., medical facilities, grocery store, recreation facilities, schools, etc.) will readily be ACCESSIBLE (e.g., walking distance, bus, etc.) to your clients.
  - c. For transitional housing component only: the residents' length of stay.
  - d. For permanent housing for persons with disabilities component where **more** than 16 persons will reside in a structure: describe what local market conditions necessitate the development of a project of this size and how the housing will be integrated into the neighborhood.
  - e. For innovative supportive housing component projects only: how the project represents an approach that is new to the area, is a sensible model for others, and can be replicated in other communities.
- 4. Supportive services the participants will receive. Demonstrate for each of the following:
  - a. How the TYPE (e.g., case management, job training) and SCALE (e.g., the frequency and duration) of the supportive services proposed will fit the needs of the participants.
  - b: WHERE the supportive services will be provided and what TRANSPORTATION will be available to participants to access those services.
  - c. The details of your plan to ensure that all homeless clients will be individually assisted to identify, apply for and obtain benefits under each of the following mainstream health and social services programs for which they are eligible: SSI, TANF, Medicaid, Food Stamps, SCHIP, Food Stamps, Workforce Investment Act and Veterans Health Care programs.
- 5. Accessing permanent housing. Describe specifically how participants will be assisted both to OBTAIN and REMAIN in PERMANENT HOUSING.

- 6. **Self-sufficiency**. Describe specifically how participants will be assisted **both** to increase their INCOMES **and** to maximize their ability to LIVE INDEPENDENTLY.
- 7. Homeless Management Information System. Describe the following:
  - a. How the CoC's homeless needs will be assessed, resources allocated and services coordinated more efficiently and effectively through the introduction of a new or expanded CoC-wide HMIS.
  - b. For all dedicated HMIS projects (New, Expansion, and Updated) demonstrate that at least 50 percent of the beds (emergency, transitional and McKinney-Vento permanent housing) listed in the "Current Inventory in 2003" categories in the Fundamental Components in the CoC System Housing Activity Chart will be included in the CoC-wide HMIS.
  - c. Name the lead agency designated to oversee the HMIS project.
  - d. Provide the timetable for implementing the new or expanded HMIS.
  - e. Demonstrate that no State or local government funds would be replaced with the funding being requested of HUD for this project.
- 8. Discharge Policy. For State and local government applicants who submitted a Discharge Policy certification within their 2001 or 2002 application, please describe any policies and protocols subsequently developed or implemented affecting the discharge of persons from publicly funded institutions or systems of care (e.g., health care facilities, foster care or other youth facilities, or corrections programs and institutions) in your jurisdiction. Indicate how these changes have or will prevent such discharges from immediately resulting in homelessness for such persons. (You may submit a single response for all projects for which you are the applicant. Be sure a copy is inserted with each project.)

## **Section B. Experience Narrative**

Section B is a description of the experience of all the organizations involved in carrying out the project. (Refer to section V(A)(1) of the NOFA for the Applicant and Sponsor Eligibility and Capacity Standards.)

Please describe the following:

- 1. The specific type and length of experience of *all organizations* involved in implementing the project, including the project sponsor, housing and supportive service organizations, and any key subcontractors. Describe experience directly related to carrying out the project and experience working with homeless people.
- If your project structure will be constructed or rehabilitated, please describe experience in these areas and/or
  experience in contracting for and overseeing the rehabilitation or construction of housing.
- 3. List *all* HUD McKinney-Vento Act grants, other than ESG, received after 1997, including for each grant: the year awarded, grant number, grant amount, and amounts spent to date. Only list HUD-issued grant numbers. If you are unclear about the HUD grant number assigned to any project, please contact your HUD field office for assistance.

| Year          | Grant        | Grant     | Amount Spent |
|---------------|--------------|-----------|--------------|
| Awarded       | Number       | Amount    | to Date      |
| Example: 1999 | CA16B900-060 | \$500,000 | \$375,412    |
|               |              |           |              |

4. Please explain any delays in implementing any of the grants listed in (3) above which exceed the SHP timeliness standards described in Section IV (D) of the Notice of Funding Availability (NOFA).

5. Identify any unresolved HUD findings, or outstanding audit findings related to any of the grants listed in (3).

## Section C. Project Information (please type or print)

| Project Name:                                                            | Project Priority No.<br>(from project priority<br>chart in Exhibit 1): |
|--------------------------------------------------------------------------|------------------------------------------------------------------------|
| Project Address (street, city, state, & zip):                            |                                                                        |
| Project Sponsor's Name:                                                  | Proj. Congressional<br>District(s):                                    |
| Sponsor's Address (street, city, state, & zip):                          | Project 6-digit<br>Geographic Code:                                    |
| Authorized Representative of Project Sponsor (name, title, phone number, | & fax):                                                                |

## Section D. Program Components/Type

Please check the box that best classifies the project for which you are requesting funding. Check only **one** box. The components/type are:

|    | Transitional Housing                                                                                                                           |
|----|------------------------------------------------------------------------------------------------------------------------------------------------|
|    | Permanent Housing for Persons with Disabilities                                                                                                |
|    | Supportive Services Only                                                                                                                       |
|    | Safe Havens Check here if your Safe Haven project has the characteristics of SHP/Permanent Housing (see page 18 of Exhibit 2) and will require |
| r— | participants to execute a lease agreement.                                                                                                     |
|    | HMIS                                                                                                                                           |
|    | Innovative Supportive Housing (check this box only if your project cannot be classified under any other component)                             |

## Section E. Existing Facilities and/or Activities Serving Homeless

**Persons** (To be completed for new projects only; renewal projects see Exhibit 2R.)

1. Will your proposed project use an existing homeless facility or incorporate activities that you are currently providing?

Yes (Check one or more of the activities below that describe your proposed project, then proceed to section F.)

No (Skip to section F.)

2. Facilities that you are currently operating and activities you are currently undertaking to serve homeless persons may only receive SHP funding for the four purposes listed below. SHP cannot be used to fund ongoing activities. My project will:

Increase the number of homeless persons served.

Provide additional supportive services for residents of supportive housing and/or homeless persons not residing in supportive housing.

Bring existing facilities up to a level that meets State and local government health and safety standards. Please explain.

Replace the loss of nonrenewable funding from private, Federal, or other sources (except from the State or local government), which will cease on or before the end of the current calendar year. By law, no SHP funds may be used to replace State or local government funds previously used, or designated for use, to assist homeless persons [see 24 CFR 583.150(a)].

If this box is checked, you must fully describe the following in order to be eligible for funding:

- a. The source of the nonrenewable funding, indicating that it is not under the control of the State or local government.
- b. Why it is nonrenewable.
- c. When it will cease.
- d. Document the specific steps you took to obtain other funding, why there are no other sources of funding and why, without the SHP assistance, the activity will cease.

## Section F. Number of Beds, Participants, and Supportive Services

Section F is composed of three charts:

*Chart 1* is for recording the number of beds/bedrooms in the project. Do not complete Chart 1 if the project is for supportive services only (SSO).

*Chart 2* is for recording the number of participants to be served. Information on *all* projects should be entered in this section except for dedicated HMIS projects.

*Chart 3* is for recording the supportive services proposed for your homeless clients. Do not include costs for HMIS activities as these costs should be included in Section G.

### Complete Chart 1 and Chart 2 based on the following instructions.

- 1. In the *first column*, please enter the requested information for all items at a point in time (a given night). You should only fill out this column if you checked "Yes" in section E. If you checked "No" in section E enter "N/A" in this column.
- 2. In the *second column*, enter the new number of beds and persons served at a point in time if this project is funded. If this is a renewal project, enter "N/A" in this column.
- 3. In the *third column*, enter the projected level (columns 1 and 2 added together) that your project will attain at a point in time.
- 4. In the *fourth column*, enter the number of persons to be served over the grant term.

#### Chart 1: Beds

| Beds                | Current Level<br>(if applicable) | New Effort or<br>Change in<br>Effort | Projected Level<br>(col. 1 + col. 2) |
|---------------------|----------------------------------|--------------------------------------|--------------------------------------|
| Number of Bedrooms* |                                  |                                      |                                      |
| Number of beds*     |                                  |                                      |                                      |

\*Do not complete information on the number of bedrooms and beds for Supportive Services Only (SSO) projects. In those instances, enter "N/A" in the appropriate cells.

#### **Chart 2: Participants**

| Participants                                                  | Current Level<br>(if applicable) | New Effort or<br>change in<br>Effort | Projected Level<br>(col. 1 + col. 2) | No. Projected to<br>be served over the<br>grant term |
|---------------------------------------------------------------|----------------------------------|--------------------------------------|--------------------------------------|------------------------------------------------------|
| Number of families with children                              |                                  |                                      |                                      |                                                      |
| Of persons in families with children<br>a. number of disabled |                                  |                                      |                                      |                                                      |
| b. number of other adults                                     |                                  |                                      |                                      |                                                      |
| c. number of children                                         |                                  |                                      |                                      |                                                      |
| Of single individuals not in families                         |                                  |                                      |                                      |                                                      |
| a. number of disabled individuals                             |                                  |                                      |                                      | )<br>                                                |
| b. number of other individuals                                |                                  |                                      |                                      | <u></u>                                              |

Note that, if your project is funded, you will be held responsible for achieving the numbers you enter in Section F.

#### **Chart 3: Supportive Services**

If your new project is requesting the use of SHP funds for any supportive services, please complete Chart 3 on the following page for your project's supportive services budget. If you need additional space for more services, you may reproduce this chart.

In the first column, the supportive service activity is given. Please enter the quantity for each supportive service that will be provided in your project (see example below). Any other eligible supportive service and quantity that will be paid for using SHP funding that is not listed on the chart may be added under "other service activity". For staff positions please include the job title and quantity (or FTE-full time equivalent); for supportive services (such as transportation services) please include the type (e.g., bus tokens) and quantity. Please ensure that the total SHP dollars requested match the amount you entered in the "SHP Request" column on Line 6, Supportive Services, in your Project Budget in Section K.

In the second column, enter the amount of SHP funding requested for each eligible supportive service that will be provided in your project.

In the third column, enter the estimated number of persons that will be served at a point in time.

Supportive services are designed to address the special needs of the homeless persons to be served by the project. Services may be provided directly by the project sponsor and/or through an arrangement with public or private service providers, including the grantee. By law, SHP funds may be used to pay for up to 80% of the total supportive services budget for each year of the grant term. This means that the grantee must make a cash payment for at least 20% of the project's total supportive services budget annually.

SHP supportive service funds may be used to pay for the actual costs of supportive services and other costs directly associated with providing such services (see the SHP Rule at Section 583.120). Eligible supportive services include, but are not limited to: child care, employment assistance, outreach, outpatient health services, case management, food, housing placement assistance, life skills, and other services. Transportation associated with the delivery of supportive services (e.g., money for bus tokens to go to mental health counseling; the purchase of a van to transport homeless children to daycare) is also an eligible supportive service cost.

If a project sponsor's staff will deliver a service, only the staff time directly related to the delivery of that service to the project is eligible for SHP supportive services funding. For example, the project sponsor, ABC, Inc., will use 25% of its substance abuse counselor's time for recovery planning for residents of its transitional housing program. The remainder of the counselor's time will be spent counseling persons in another program. Using this example, only 25% of the counselor's salary may be paid for with SHP supportive service funds.

#### Example:

|                                          | SHP Dollars Requested | Est. No. of Persons    |
|------------------------------------------|-----------------------|------------------------|
| Supportive Service Costs                 | (2 or 3 years)        | Served (point in time) |
| Service Activity: Case Management        | \$100,000             | 60                     |
| Quantity: 2 FTE @ \$25,000 per year      |                       |                        |
| Service Activity: Education—job training | \$ 50,000             | 40                     |
| Quantity: 20 slots per year              |                       |                        |

|                                                            | SHP Dollars Requested | Est. No. of Persons   |
|------------------------------------------------------------|-----------------------|-----------------------|
| Supportive Service Costs Service Activity: Outreach        | (2 or 3 years)        | Served (point in time |
| •                                                          |                       |                       |
| Quantity:                                                  |                       |                       |
| Service Activity: Case Management                          |                       |                       |
| Quantity:                                                  |                       |                       |
| Service Activity: Life Skills (outside of case management) |                       |                       |
| Quantity:                                                  |                       |                       |
| Service Activity: Alcohol and Drug Abuse Services          |                       |                       |
| Quantity:                                                  |                       |                       |
| Service Activity: Mental Health and Counseling Services    |                       |                       |

\*The total HMIS costs entered here should equal the amount shown in the "Total Budget" column, Line 8, of the Project Budget portion of Section K.

\*\*SHP dollars requested must equal the amount shown in the "SHP Request" column, Line 8, of the Project Budget portion of Section K.

## Section H. Operations Budget

Complete the Chart on the following page for your new project's total operations budget. *Please remember operating costs are ineligible for Supportive Services Only projects*.

In the first column, the operating cost activity is given. You must enter the quantity (if applicable) for each operating item that will be paid for using SHP funds. Add any other eligible operating costs that will be paid for using SHP funding that is not listed on the chart. For staff positions, please include the job title, salary, % of time allocated for the position, and fringe benefits. Please ensure that the total SHP dollars requested match the amount you entered in the "SHP Request" column on Line 7, Operations, in your Project Budget in Section K.

In the second column, enter the amount of SHP funding requested (2 or 3 years) for each eligible operating cost that will be needed in your project.

Operating costs are those costs associated with the day-to-day operation of supportive housing. Operating costs differ from supportive service costs in that operating costs support the function and the operation of the housing project. Examples of SHP operating costs include utilities, maintenance, security and salaries of staff not delivering services, such as the project manager or executive director, and indirect operating costs that meet the standards of OMB Circulars A-87 and A-122.

If requesting SHP operating funds, only the portion of the costs directly related to the operation of the housing project are eligible. For example, if a project sponsor's executive director will spend 10% of his/her time providing management to the housing project, then (up to) 10% of his/her salary can be charged as an SHP operating expense. As another example, in cases of shared utilities, SHP operating funds may pay only for the portion of the utilities associated with the housing project based on the square footage of the project's space. If the housing project occupies 25% of the building's space, then (up to) 25% of the monthly utility bill can be paid for using SHP operating funds.

SHP operating funds may not be used to pay for the following costs:

- a. Operating costs of a supportive services only facility;
- b. Administrative expenses such as audits and preparing HUD reports;
- c. Rent of space for supportive housing and/or supportive services (see Real Property Leasing);
- d. The payment of principal and interest on a loan for a facility currently being used as supportive housing and/or for the delivery of services; and
- e. Depreciation, because it does not constitute an incurred cost that requires a cash outlay.

SHP funds can be used to pay up to 75% of the total operations budget for the housing project. This means that the project sponsor must make a cash payment for 25% of the project's operating budget annually.

#### Example:

| Operating Costs                                                                                                            | SHP Dollars Requested |  |  |
|----------------------------------------------------------------------------------------------------------------------------|-----------------------|--|--|
|                                                                                                                            | (2 or 3 years)        |  |  |
| Utilities                                                                                                                  | \$32,000              |  |  |
| Maintenance Engineer (salary, % time, fringe benefits)<br>\$40,000/annually .20 x .15 fringe benefits x 2 years = \$18,400 | \$18,400              |  |  |

### **Chart: Operating Costs**

Identify the day-to-day costs of operating supportive housing that will be paid for using SHP funding during the requested term of the project.

| Operating Costs                                      | SHP Dollars Requested |  |  |
|------------------------------------------------------|-----------------------|--|--|
|                                                      | (2 or 3 years)        |  |  |
| Maintenance, Repair                                  |                       |  |  |

\*If not specified, the costs will be removed from the budget.

\*\*The total operating costs entered here must equal the amount shown in the "Total Budget" column, Line 7 of the Project Budget portion of Section K.

\*\*\*Total SHP dollars requested must equal the amount shown in the "SHP Request" column, Line 7, of the Project Budget portion of Section K.

### Section I. Leasing

SHP funds may be used to lease space for supportive housing or supportive services. If you are requesting SHP leasing funds, fill out the appropriate tables that follow. Housing and service space may be in the form of scattered-site leased units, or within a structure. The structures to be leased may be structures currently configured for, or structures to be converted to provide, supportive housing and/or supportive services. Under no circumstances may SHP leasing funds be used to lease units or structures owned by the project sponsor, the selectee, or their parent organizations. This includes organizations which are members of a general partnership where the general partnership owns the structure.

#### A. Leased Unit(s) for Housing and/or Services

If you propose to lease units in more than one metropolitan or non-metropolitan area, fill in the appropriate number of tables for each area with a different FMR or actual rent. Please reproduce this Chart as needed to accommodate projects using more than one FMR or actual rent.

Enter the number of unit(s) by the bedroom size to be leased and the lower of the actual rent or the FMR as published in the Federal Register on September 30, 2002. (FMRs may be found using this WEB site: <u>http://www.huduser.org/datasets/fmr.html</u>) The space to be leased may be scattered-site (e.g., one-bedroom apartments in five different apartment complexes) or contained within a structure (e.g., a group home with six bedrooms).

Multiply the number of units by the FMR or actual rent, whichever is lower, by the length of the grant (# of units x FMR or actual rent x months based on grant term) and enter the result in the total column.

Please note that the FMR for a single room occupancy (SRO) unit is equal to 75% (0.75) of the 0-bedroom FMR. The FMRs for unit sizes larger than 4-bedrooms are calculated by adding 15% to the 4-bedroom FMR for each extra bedroom. For example, the FMR for a 5-bedroom unit is 1.15 times the 4-bedroom FMR, and the FMR for a 6-bedroom unit is 1.30 times the 4-bedroom FMR.

If your project has been approved for **exception rents**, use those amounts when completing these charts **AND** submit your current approval letter with this document.

Chart A should be filled out only if you will lease individual units or structures that are currently configured for housing and/or services and, therefore, an FMR or actual rent can be used. If you have negotiated an actual rent (s) which is lower than the FMR, please use that amount instead of the FMR. The actual rent may not exceed the FMR.

#### Chart A:

Name of metropolitan or non-metropolitan FMR area:

| Size of units | No. of<br>units | FMR or actual rent | No. of months | Total<br>(d) |
|---------------|-----------------|--------------------|---------------|--------------|
| 1. SRO        | х               |                    |               |              |
| 2. 0 bdrm     | х               |                    |               |              |
| 3. 1 bdrm     | х               |                    |               |              |
| 4. 2 bdrm     | x               |                    |               |              |
| 5. 3 bdrm     | x               |                    |               |              |
| 6. 4 bdrm     | х               |                    |               |              |
| 7. 5 bdrm     | х               |                    |               |              |
| 8. 6 bdrm     | x               |                    |               |              |
| 9. Other      | x               |                    |               |              |
| 10. Totals    |                 |                    |               | \$           |

Address (indicate if scattered site):

#### B. Leased Structure(s) for Housing and/or Services

If you will lease a structure or portion of a structure for housing and/or services, fill out Chart B below using a monthly leasing cost that is comparable to and no more than the rents being charged for similar space in the area. This applies to structures already configured for housing and for those that will be converted. If your project has more than one structure, reproduce Chart B and fill it out starting with structure 2.

Multiply the monthly leasing costs by the number of months requested for funding and enter the result in the total column.

Chart B should be filled out only if you will lease a structure or portion of a structure for which an FMR is not applicable.

Chart B:

| Structure 1 | Monthly<br>Leasing<br>Cost | Number of<br>Months | Total |
|-------------|----------------------------|---------------------|-------|
|             | \$ x                       | =                   | \$    |

Address:

### Section J. Homeless Veterans

1. Are veterans the primary target population?

Yes No

### Section K. Budget

Section K consists of two budgets—a project budget and a structure budget. Please refer to the budgets for specific instructions.

When developing your budget(s), please keep in mind that each structure can receive the maximum amount of funds according to the following per-structure limits:

**For acquisition and/or rehabilitation**, the SHP request for these activities *combined* is limited by law to between \$200,000 and \$400,000 depending on whether the structure is in a HUD-identified high-cost area for acquisition and rehabilitation. Contact your local HUD Field Office to determine if your project is in a high-cost area, and, if so, which of the following percentages or limits apply:

- 100% to 119%, the limit is \$200,000
- 120% to 139%, the limit is \$250,000
- 140% to 159%, the limit is \$300,000
- 160% to 174%, the limit is \$350,000
- 175% and up, the limit is \$400,000

For new construction, the SHP request is limited by law to \$400,000 per structure, regardless of where the structure is located. If you propose to acquire land in tandem with new construction, the \$400,000 limit applies to both activities combined. Please note that you can apply for funding to construct and/or operate supportive housing; however, by law you cannot request either of these activities for supportive services only projects.

If you request funds for acquisition, rehabilitation, or new construction, the law requires that you **match** the requested amount with an equal amount of cash for the activities. Documentation of matching funds is not required in this application; however, you will be asked to submit it at a later date.

21630

### Project Budget (complete all 3 columns)

Enter the amount of SHP funds requested by line item in the "SHP Request" column. Dedicated HMIS projects may request funding for either one, two, or three years. All other projects may be for a grant term of 2 or 3 years only. If the grant term is not provided, HUD will consider that the project has a three (3) year grant term. The term you select must be the same for leasing, supportive services, and operations. In the "Applicant Cash" column, enter the amount of other cash that will be contributed to the project. This amount plus the SHP request must equal the "Total Budget" amount for the project, as shown in the last column.

If your project contains one structure or no structures, this is the only budget you need to fill out. If your project contains multiple structures, please add up the SHP structure budgets *on the next page* and enter those totals below.

HUD will review this chart in relation to the proposed activities and the number of persons to be served to determine whether the project is cost-effective (which is a threshold criterion).

#### Part I. Indicate grant term. Please circle one: 1 2 3 year(s)

| Proposed Activities                           | SHP Request | Applicant Cash | Total Budget<br>(Col. 1 + Col. 2) |
|-----------------------------------------------|-------------|----------------|-----------------------------------|
| 1. Acquisition                                |             |                |                                   |
| 2. Rehabilitation                             |             |                |                                   |
| 3. New Construction                           |             |                |                                   |
| 4. Subtotal (lines 1 through 3)               | *           |                |                                   |
| 5. Real Property Leasing                      |             | -              |                                   |
| 6. Supportive Services                        | **          |                |                                   |
| 7. Operations                                 | ***         |                |                                   |
| 8. HMIS                                       | **          |                |                                   |
| 9. SHP Request (subtotal lines 4 through 8)   |             |                |                                   |
| 10. Administrative Costs (up to 5% of line 9) | ****        |                |                                   |
| 11. Total SHP Request (total lines 9 and 10)  |             |                |                                   |

### Part II. Complete the Project Budget

\* By law, SHP funds can be no more than 50% of the total acquisition, rehabilitation, and new construction budget.

\*\* By law, SHP funds can be no more than 80% of the total supportive services and HMIS budget.

\*\*\* By law, SHP can pay no more than 75% of the **total** operating budget.

\*\*\*\* Applicants may request up to 5% of each project award for administrative costs, such as accounting for the use of the grant funds, preparing HUD reports, obtaining audits, and other costs associated with administering the grant. *State and local government applicants* and project sponsors *must* work together to determine the plan for distributing administrative funds between applicant and project sponsor (if different). Please refer to Section IV (C) (3) of the NOFA. If selected for funding, all applicants *will be required* to submit a plan for distributing administrative funds as part of the technical submission.

NOTE: The total SHP Request on line 11 cannot exceed the dollar amount on the Priority Chart for the project.

#### Structure Budget for Projects With More Than One Structure

If your project contains only one structure or no structures, please fill out **only** the project budget on the previous page. If, however, your project contains more than one structure, fill out the information requested below for the number of structures your project proposes. Do not fill out structure budgets for scattered site leasing projects unless SHP funds for rehabilitation are being requested. For each structure budget, enter the amount of SHP funds requested by line item in the first column. For leasing, supportive services, and operations, the amounts you enter should be for **two or three years**, which is the SHP grant term. The term you select must be the same for leasing, supportive services, and operations. In the second column, enter the total cost for each line item, which is the SHP request **plus** all other funds needed to pay for each line item, again, for **two or three years**. For your convenience, four structure budgets are provided below. You may reproduce this page if your project will have five or more structures; however, please attach the additional structure budgets to this page and label them appropriately starting with structure E. Enter administrative costs only on the Project Budget.

### Structure A

Structure Address: City, State, Zip:

|                          | SHP Request | Total Budget |
|--------------------------|-------------|--------------|
| 1. Acquisition           |             |              |
| 2. Rehabilitation        |             |              |
| 3. New Construction      |             |              |

## Section L. Additional Information

HUD needs the following information to respond to public inquiries about program benefit. Your responses will not affect in any way the scoring of your submission.

1. Which of the following subpopulations will your project serve? (Check all that apply)

|  | Chronically Homeless         |
|--|------------------------------|
|  | Severely Mentally Ill        |
|  | Chronic Substance Abusers    |
|  | Dually Diagnosed             |
|  | AIDS or Related Diseases     |
|  | Victims of Domestic Violence |
|  | Youth                        |
|  | Women with Children          |
|  | Veterans                     |
|  |                              |

2. Will the proposed project be located in a rural area? (A project is considered to be in a rural area when the project will be primarily operated either (1) in an area outside of a Metropolitan Area, or (2) in an area outside of the urbanized areas within a Metropolitan Area.)

3. Is the sponsor of the project a religious organization, or a religiously affiliated or motivated organization? (Note: This characterization of religious is broader than the standards used for defining a religious organization as "primarily religious" for purposes of applying HUD's church/state limitations. For example, while the YMCA is often not considered "primarily religious" under applicable church/state rules, it would likely be classified as a religiously motivated entity.)

4. Will the proposed project be located in, or make use of, surplus military buildings or properties which are located on a military base that is covered by the provisions of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994?

| Yes  |
|------|
| No   |
| <br> |

If "yes," please provide the name of the military installation:\_\_\_\_\_

## Exhibit 2R: Supportive Housing Program – Renewals

This exhibit is for Supportive Housing Program (SHP) renewal projects only. It consists of instructions and items you need to respond to for your renewal project. The material has been organized as follows: (1) assembly order of all information and documents needed to apply for SHP renewal; (2) instructions on how to fill out the form; and (3) the forms to fill out. Please respond to all items and assemble your application as directed below.

| Renewal Application Information Assembly Order                    | Where to Find                                 |
|-------------------------------------------------------------------|-----------------------------------------------|
| HUD-424 (For grantees only)                                       | Application Kit, following Q and A Supplement |
| Project Information                                               | See Section A, items 1-4                      |
| Supportive Services Chart                                         | See Section B                                 |
| Operating Costs Chart                                             | See Section C                                 |
| HMIS Budget (only for dedicated projects)                         | See Section D                                 |
| Required Attachments:                                             | All Found in Application Kit, Following       |
|                                                                   | Q and A Supplement                            |
| 1. Applicant Certification                                        |                                               |
| 2. Special Project Certification for Coordination and Integration |                                               |
| of Mainstream Programs                                            |                                               |
| 3. Discharge Planning Certification for State and Local Gov't.    |                                               |
| Applicants                                                        |                                               |
| 4. Consolidated Plan Certification                                |                                               |
| 5. Disclosure of Lobbying Activities                              |                                               |
| 6. Applicant/Recipient Disclosure/Update Report                   |                                               |
| 7. Acknowledgement of Applicant Receipt                           |                                               |

#### Section A. Project Information Instructions

Items 1-3 a, b, and c - Self-explanatory.

**Items 3 d and e** - Attach responses from most recent APR for Questions 11 (Monthly Income at Entry and at Exit) and 16 (Overall Program Goals). If little or no progress, provide an explanation and specific plans for improvement. **Item 4** - Fill out project budget for the proposed activities in which you are requesting funds, including the cash match resources and the total project budget.

#### Section B. Supportive Services Chart Instructions

Please fill out the Supportive Services Renewal Chart and add lines to the chart, as needed.

In the first column, fill in the supportive service expense. For staff positions, please include the job title and quantity (or FTE-full time equivalent); for supportive services, such as transportation, please include the type (e.g., bus tokens) and quantity. An example is provided below. In the year 1 column, enter the amount needed to pay for the service in the first year. If the grant is multi-year, enter the funds needed for Year 2, and if applicable, Year 3. In the last column, total the amount of funds needed for the full grant term.

By law, SHP funds may be used to pay for up to 80% of the total supportive services budget for each year of the grant term. This means that the grantee must make a cash payment for 20% of the project's supportive services budget annually. For Year 1 of your grant term, documentation of firm commitments of the cash resources will be required prior to grant execution. For Years 2 and 3, if applicable, a grantee needs only to certify that cash resources will also be provided. Please note that the match requirement for Year 2 and Year 3 must be met by the end of each of those years.

#### EXAMPLE:

| Supportive Service Expense             | Year 1   | Year 2   | Year 3   | Total    |
|----------------------------------------|----------|----------|----------|----------|
| Service Category: Transportation       |          |          |          |          |
| Quantity:                              | \$52,000 | \$14,500 | \$14,500 | \$81,000 |
| 1 - 15 Passenger Van @ \$37,500        |          |          |          |          |
| Gasoline/Maintenance/Repair            |          |          |          |          |
| @ \$3,000/annual x 3 years = \$9,000   |          |          |          |          |
| Supportive Services Van Driver .5 FTE  |          |          |          |          |
| @ \$20,000/annual x 3 years = \$30,000 |          |          |          |          |
| Staff Fringe/Benefits .5 FTE           |          |          |          |          |
| @ \$3,000/annual x 3 years = \$4,500   |          |          |          |          |

Please note that percentages are used during the application process to project the estimated staff time associated with an SHP grant position(s). Applicants are reminded that all staff salary payments must be based **on actual, incurred costs** that are supported by signed and dated timesheets.

#### Section C. Operating Costs Chart Instructions

Please fill out the Operating Costs Renewal Chart and add to the chart as needed.

Operating costs are those costs associated with the day-to-day operation of supportive housing. Operating costs differ from supportive service costs in that operating costs support the function and the operation of the housing project. If requesting SHP operating funds, only the portion of the costs directly related to the operation of the housing project are eligible. For example, in cases of shared utilities, SHP operating funds may only pay for the portion of the utilities associated with the housing project based on the square footage of the project's space. If the housing project occupies 25% of the building's space, then (up to) 25% of the monthly utility bill can be paid for using SHP operating funds.

In the Year 1 column of the form, enter the total amount of funds to be used to pay for the first year expenses. If the grant is a multi-year grant, enter the total funds to be used for the second and third years, if applicable. In the last column, total the amount of funds needed to help pay for the identified operating expense for the grant term.

For Year 1 of your grant term, documentation of firm commitments of the cash resources will be required prior to grant execution. Please note that the match requirement for Year 2 and Year 3, if applicable, must be met by the end of each of those years.

#### EXAMPLE:

| Operating Expense                                | Year 1  | Year 2  | Year 3 | Total   |
|--------------------------------------------------|---------|---------|--------|---------|
| Furnishings                                      |         |         |        |         |
| 10 - single beds @ \$150 = \$1,500               | \$3,000 | \$3,000 |        | \$6,000 |
| 10 - 3-drawer dressers @\$300 = \$3,000          |         |         |        | 1       |
| 10 - bed linens/blanket/pillows @\$150 = \$1,500 |         |         |        |         |

Please note that percentages are used during the application process to project the estimated staff time associated with SHP funded position(s). Applicants are reminded that all staff salary payments must be based on **actual, incurred costs** that are supported by signed and dated timesheets.

#### Section D. HMIS Budget Instructions - Dedicated Projects and Shared Costs

Complete the entire HMIS Budget Chart for a dedicated HMIS project. A project for shared HMIS costs with other projects need *only* complete the "Subtotal" lines of the chart. HMIS costs are those costs associated with the implementation of an HMIS. If requesting SHP HMIS funds, only the portion of the costs directly related to the HMIS is eligible. In the personnel section, the number of staff positions in Full-Time Equivalents (FTEs) should be present for each category, where appropriate.

| Personnel                                                                                                                  | Year 1   | Year 2   | Year 3   | Total     |
|----------------------------------------------------------------------------------------------------------------------------|----------|----------|----------|-----------|
| Project Management / Coordination<br>15 FTE @\$56,000/annual x 3 years =\$84,000<br>Data Analysis                          | \$43,000 | \$43,000 | \$43,000 | \$129,000 |
| 125 FTE @\$28,000/annual x 3 years=\$21,000<br>Administrative Support Staff<br>15 FTE @\$16,000/annual x 3 years =\$24,000 |          |          |          |           |

In the Year 1 column of the form, enter the total amount of funds to be used to pay for the first year expenses. If the grant is a multi-year grant, enter the total funds to be used for the second and third years, if applicable. In the last column, total the amount of funds needed to help pay for the identified operating expense for the grant term.

For Year 1 of your grant term, documentation of firm commitments of the cash resources will be required prior to grant execution. Please note that the match requirement for Year 2 and Year 3, if applicable, must be met by the end of each of those years.

\* By law, SHP funds can be no more than 80% of the total supportive services and HMIS budget.

\*\* By law, SHP can pay no more than 75% of the total operations budget.

\*\*\* Applicants may request up to 5% of each project award for administrative costs, such as accounting for the use of the grant funds, preparing HUD reports, obtaining audits, and other costs associated with administering the grant. *State and local government applicants* and project sponsors *must* work together to determine the plan for distributing administrative funds between applicant and project sponsor (if different).

NOTE: The total SHP Request on line 7 cannot exceed the dollar amount on the Priority Chart for the project.

## Definitions for Supportive Services In HUD's Homeless Assistance

### Programs

Applicants are advised that the supportive services proposed to be provided must be appropriate to the design of their project and the needs of participants. In addition, no SHP funds may be used to replace state or local funds previously used, or designated for use, to assist homeless persons

Alcohol and Drug Abuse Services are those activities that are primarily designed to prevent, deter, reduce, or eliminate substance abuse or addictive behaviors. Treatment services may include intake and assessment; treatment matching and planning; behavioral therapy and counseling appropriate to the client and the severity of the problem; substance abuse toxicology and screening; clinical and case management; outcome evaluation; and self-help and peer support activities.

**Case Management Services** are services or activities for the arrangement, coordination, monitoring, and delivery of services to meet the needs of individuals and families. Component services and activities may include individual service plan development; counseling; monitoring, developing, securing, and coordinating services; monitoring and evaluating client progress; and assuring that clients' rights are protected.

Counseling Services (See Mental Health and Counseling Services)

**Child Care Services** for children (including infants, pre-schoolers, and school age children) are services or activities provided in a setting that meets applicable standards of state and local law, in a center or in a home, for a portion of a 24-hour day. Component services or activities may include a comprehensive and coordinated set of appropriate developmental activities for children, recreation, meals and snacks, transportation, health support services, social service counseling for parents, and plan development.

**Education and Instructional Services** are those training services provided to improve knowledge, daily living skills, or social skills. Services may include instruction or training in (but not limited to) such issues as consumer education, health education, education to prevent substance abuse, community protection and safety education, literacy education, English as a second language, and General Educational Development (GED). Component services or activities may include screening, assessment and testing; individual or group instruction; tutoring; provision of books, supplies and instructional material; counseling; and referral to community resources.

**Employment Services** are those services or activities provided to assist individuals in securing employment; acquiring or learning skills that promote opportunities for employment, advancement, and increased earning potential; and in retaining a job. Component services or activities may include employment screening, assessment, or testing; structured job skills and job seeking skills; specialized therapy (occupational, speech, physical); special training and tutoring, including literacy training and pre-vocational training; provision of books, supplies and instructional material; counseling or job coaching; transportation; and referral to community resources.

Health Related and Home Health Services are those in-home or out-of-home services or activities that provide direct treatments or are designed to assist individuals and families to attain and maintain a favorable condition of health. Component services and activities may include providing an analysis or assessment of an individual's health problems and the development of a treatment plan; assisting individuals to identify and understand their health needs; providing directly or assisting individuals to locate, provide or secure, and utilize appropriate medical treatment, preventive medical care, and health maintenance services, including in-home health services and emergency medical services; provision of appropriate medication; and providing follow-up services as needed.

**HIV/AIDS Services** include HIV/AIDS primary and secondary prevention services, HIV/AIDS counseling and testing, primary care, provision of HIV/AIDS anti-retroviral and other medications, rehabilitative, and supportive services for persons affected and infected with HIV.

Housing Services are those services or activities designed to assist individuals or families in locating and obtaining suitable housing. Component services or activities may include tenant counseling; assisting individuals and families to understand leases, secure utilities, make moving arrangements; representative payee services concerning rent and utilities; and mediation services related to neighbor/landlord problems that may arise.

**Information and Referral Services** are those services or activities designed to provide information about services provided by public and private service providers and a brief assessment of client needs (but not diagnosis and evaluation) to facilitate appropriate referral to these community resources.

Legal Services are those services or activities provided by a lawyer or other person(s) under the supervision of a lawyer to assist individuals in seeking or obtaining legal help in civil matters such as housing, divorce, child support, guardianship, paternity, and legal separation. Component services or activities may include receiving and preparing cases for trial, provision of legal advice, representation at hearings, and counseling.

Life Skills training provides critical life management skills that may never have been learned or have been lost during the course of mental illness, substance use, and homelessness. They are targeted to assist the individual to function independently in the community. Component life skills training includes the budgeting of resources and money management, household management, conflict management, shopping for food and needed items, nutrition, the use of public transportation, and parent training.

Mental Health and Counseling Services are those services and activities that apply therapeutic processes to personal, family, situational, or occupational problems in order to bring about a positive resolution of the problem or improved individual or family functioning or circumstances. Problem areas may include family and marital relationships, parent-child problems, or symptom management. Component services may include crisis interventions; individual, family or group therapy sessions; the prescription of psychotropic medications or explanations about the use and management of medications; and combinations of therapeutic approaches to address multiple problems.

**Outreach Services** include extending services or assistance in order to provide basic materials, such as meals, blankets, or clothes, to homeless persons; or to publicize the availability of shelters and programs to make homeless persons aware of various services and programs.

**Transitional Living Services** are those services and activities designed to help make the transition from homelessness to stable housing. Component services or activities may include supervised practice living, budgeting, one-time payments associated with establishing tenancy, food planning and preparation, and post-foster care services for homeless persons.

**Transportation Services** are those services or activities that provide and arrange for the travel, including travel costs, of individuals in order to access treatment, medical care, services, or employment. Component services or activities may include special travel arrangements such as special modes of transportation and personnel to accompany or assist individuals or families to utilize transportation.

**Other Services** are services that are appropriate, and do not fall within the definitions of the preceding services. If this category is used, the services should be defined.

# Exhibit 3: Shelter Plus Care Program (S+C) - New

This Exhibit 3 is for **new** Shelter Plus Care projects only. Eligible applicants for this program are States, units of local government and Public Housing Authorities. If you are requesting renewal funds for an existing S+C project, **do not** use Exhibit 3. You must complete Exhibit 3R instead.

## **Program Components**

Shelter Plus Care (S+C) components were created by statute and designed to give applicants flexibility in devising appropriate housing and supportive services for homeless persons with disabilities. Assisted units may be of any type, from group homes to apartments to SRO units. You may design a program that has participants first living in a group setting with intensive supportive services, then moving to another setting but retaining the rental assistance during the term of the grant, as long as they stay within a S+C unit.

Participants in S+C units receive supportive services. These services may be provided by the applicant, funded by the applicant but provided by a third party, or both funded and provided by a third party. Rental assistance provided through the S+C program must be matched in the aggregate on a dollar for dollar basis by the recipient with supportive services.

**Tenant-based Rental Assistance (TRA)** provides rental assistance that permits participants to choose their own housing. Participants retain the rental assistance even if they move. To help you provide supportive services or for purposes of controlling housing costs, you may require participants to live in a particular structure for the first year of assistance or to live in a particular area for the entire rental assistance period.

**Sponsor-based Rental Assistance (SRA)** provides rental assistance through contract(s) between the grant recipient and nonprofit organization(s), called a sponsor. The nonprofit organization may be a private nonprofit organization or a community mental health center established as a public nonprofit organization. The assisted units must be owned or leased by the sponsor. After a grant is awarded, should the sponsor lose its capacity to own or lease the assisted units, the grantee must identify an alternate sponsor in order to continue to serve the original number of persons proposed to be served.

**Project-based Rental Assistance (PRA)** provides rental assistance through a contract with a building owner(s). An applicant must enter into a contract with the building owner(s) for the full five-or ten-year period of assistance. The building owner must agree to accept eligible S+C participants to live in an assisted unit for this time period. Under PRA, applicants may assist units that will be rehabilitated or existing units that do not need to be rehabilitated. If the units are rehabilitated to meet the requirements specified below, the applicant may request 10 years of rental assistance. Otherwise, assistance will be for a period of five years.

To qualify as a rehabilitated unit and be eligible for 10 years of assistance, the rehabilitation must:

- equal at least \$3,000 per unit, including the prorated share of rehabilitated common areas;
- be necessary in order to make the unit decent, safe, and sanitary;
- be funded from other sources; and
- be completed within 12 months of grant award.

**SRO-based Rental Assistance (SRO)** provides rental assistance in an existing or reconfigured single room occupancy (SRO) setting. The units to be assisted must be in need of moderate rehabilitation. The rental assistance includes an allowance to pay for debt service to retire the cost of the moderate rehabilitation over the ten-year grant period. This component is designed to bring more standard SRO units into the local housing supply and to use those units to assist homeless persons with disabilities. The SRO units may be in a rundown hotel, a vacant motel, a YMCA, or even a large, abandoned house.

HUD enters into an annual contributions contract with the PHA recipient or subcontractor in connection with the moderate rehabilitation of SRO dwelling units. PHAs make Section 8 rental assistance payments to participating owners (i.e., landlords) on behalf of homeless, disabled individuals who rent the rehabilitated dwellings. The rental assistance payments cover the difference between the tenant contribution and the unit's rent, which must be within the fair market rent (FMR) established by HUD. To be eligible for assistance, a unit must receive a minimum of \$3,000 of rehabilitation to meet housing quality standards (HQS), including the prorated share of work on common areas or systems.

## **Persons With Disabilities**

To be eligible to participate in a Shelter Plus Care funded project, a person must be both homeless and disabled. In the case of a homeless family, at least one adult member must be considered disabled.

Persons with disabilities are those who have a disability that:

- Is expected to be of long-continued and indefinite duration;
- Substantially impedes his or her ability to live independently; and
- Is such a nature that the disability could be improved by more suitable housing conditions. The disability may be a physical, mental, or emotional impairment, including an impairment due solely to alcohol or drug abuse.

Several disabilities are specifically targeted by the S+C Program. These targeted disabilities are:

- Serious mental illness
- Chronic alcohol and/or other drug abuse
- AIDS or related diseases

The disability may also be developmental. A severe, chronic developmental disability is characterized as

- Being caused by mental or physical impairment;
- Manifested before the person is 22 years old;
- Likely to continue indefinitely;
- Reflecting a need for a combination and sequence of special, interdisciplinary, or generic care, treatment, or other services that are of lifelong or extended duration and are individually planned and coordinated; and
- Resulting in substantial functional limitations in at least three of the following areas: self-care, receptive and expressive language, learning, mobility, self-direction, capacity for independent living, and economic self-sufficiency.

## S+C Tips

In developing your application, we want to help you avoid problems that could hamper your ability to qualify. Here are circumstances to avoid:

- If a structure you plan to use in your project is currently occupied, you should be aware of the complex relocation requirements that will apply. Contact your HUD Field Office Relocation Specialist or an experienced governmental relocation agency, in the planning stage of your project to ensure that you have addressed this issue properly.
- Environmental problems can be very expensive and time-consuming. Factors to consider are the presence of lead-based paint (particularly if you are proposing to serve families with children) and asbestos.
- Activities that are not eligible for assistance include:
  - Assistance for non-disabled participants
  - Assistance for transitional housing

Rehab.<br>FMR |

## **Renewal Grants**

If you are requesting renewal funds for an existing S+C project, **do not** use Exhibit 3. You must complete Exhibit 3R instead.

## Section A. Project Narrative

Section A is a description of your proposed project. Please respond to all of the items in this section. Submit a separate Exhibit 3 for each priority project. A project may include no more than one component (i.e., TRA, SRA, PRA without rehab, PRA with rehab, SRO) and may be carried out by no more than one project sponsor.

- 1. **Project summary**. Please provide the following:
  - a. Applicant and sponsor (if appropriate) names
  - b. Program component
  - c. Total S+C request
  - d. The type of housing and number of units proposed
  - e. The population to be served
- 2. Homeless population to be served. Briefly describe the following:
  - a. Their characteristics and needs for housing and supportive services.
  - b. Where they will come from. Indicate percentage coming from: streets, emergency shelters, transitional
    - housing for homeless persons who came from street/shelters or other. Clearly explain "other."
  - c. The outreach proposed to bring them into the project.
- 3. Discharge planning changes. For State and local government applicants who submitted a Discharge Policy certification in the FY 2002 application, please describe any policies and protocols subsequently implemented or developed effecting the discharge of persons from publicly funded institutions or systems of care (e.g. health care facilities, foster care or other youth facilities or correction programs and institutions) in your jurisdiction. Indicate how these changes have or will prevent such discharges from immediately resulting in homelessness for such persons. (You may provide a single response, a copy of which may be included in each of your project applications).
- 4. Housing where participants will reside. Demonstrate for each of the following:
  - a. How the TYPE (e.g., apartments, group home) and SCALE (e.g., number of units, number of persons per unit) of the proposed housing will fit the needs of the participants.
  - b. That the basic COMMUNITY AMENITIES (e.g., grocery store, medical facilities, recreation) will be readily ACCESSIBLE (e.g., walking distance, near bus line) to your clients.
  - c. For TRA projects, if participants are required to live in particular structures or units during the first year and in a particular area within the locality in subsequent years or to live a particular area for the entire period of participation, how and why the project will implement this requirement.
- 5. Supportive services the participants will receive. Demonstrate for each of the following:
  - a. How the TYPE (e.g., case management, job training) and SCALE (e.g., the frequency and duration) of the supportive services proposed will fit the needs of the participants.
  - b. WHERE the supportive services will be provided and what TRANSPORTATION will be available to access those services.
  - c. The details of your plan to ensure that all homeless clients in this project will be systematically assisted to identify, apply for and obtain benefits under all of the following mainstream health and social services programs for which they are eligible: TANF, Medicaid, State CHIP, SSI, Food Stamps, Work Force Investment Act and Veterans' Health Care programs.
- 6. **Self-sufficiency.** Describe specifically how participants will be assisted **both** to increase their INCOMES and to maximize their ability to LIVE INDEPENDENTLY.

### **Section B. Experience Narrative**

Section B is a description of the experience of all organizations involved in carrying out the proposed project. (Refer to section V(A)(1) of the NOFA for Project Applicant and Sponsor Eligibility and Capacity Standards.) Please describe on preferably not more than 3 typed pages:

- 1. The specific type and length of experience of **all organizations** involved in implementing the proposed project, including the project sponsor, housing and supportive service providers, and any key subcontractors. Describe experience directly related to their role in the proposed project as well as their overall experience working with homeless people. This should include experience contracting for and overseeing the rehabilitation of housing, as applicable, and experience administering rental assistance.
- 2. List *all* HUD McKinney grants, other than ESG, received after 1997, including for each grant: the year awarded, grant number, grant amount, and amounts spent to date.
- 3. Please explain any delays in implementing any of the grants listed in (2) above which exceed applicable program timeliness standards.
- 4. Identify any unresolved HUD findings, or outstanding audit findings related to any of the grants listed in (2) above.

| Project Sponsor's Name (for SRA pr      | ojects):                                                 |                | Proj. Congression<br>District(s):                                  |

Section D. Targeted Disabilities In each category shown in the chart below, estimate, when the program is fully operational, the number of proposed participants expected to receive rental assistance at a point in time. Include each participant only once, in either Part 1 or Part 2. Part 1 should only include persons with disabilities who will not have family members living with them. Do not double count.

| Part 1: Individual Participants not in Families                | Number of Participants |
|----------------------------------------------------------------|------------------------|
| Persons with:                                                  |                        |
| Serious Mental Illness                                         |                        |
| Chronic Substance Abuse Problems                               |                        |
| Both Serious Mental Illness & Chronic Substance Abuse Problems |                        |
| AIDS or Related Diseases                                       |                        |
| Other Disabilities (specify)                                   |                        |
| (a) Total Participants: (not in families)                      |                        |
| Part 2: Participants in Families                               |                        |
| Persons with:                                                  |                        |
| Serious Mental Illness                                         |                        |
| Chronic Substance Abuse Problems                               |                        |
| Both Serious Mental Illness & Chronic Substance Abuse Problems |                        |
| AIDS or Related Diseases                                       |                        |
| Other Disabilities (specify)                                   |                        |
| (b) Total Participants: (in families)                          |                        |
| (c) Number of other Family Members Living with Participants    |                        |
| Total Persons Served from Parts 1 and 2 [(a) + (b) +(c)]       |                        |

### Section E. Major Milestones

Please complete the chart by entering the number of months planned from grant execution to the following milestones:

| First Unit Occupied | Supportive Services Begin | Last Unit Occupied |
|---------------------|---------------------------|--------------------|
| months              | months                    | months             |

## Section F. Budget

Fill out the information requested for the S+C component you are requesting funding for. Make certain that only one component (TRA, SRA, PRA without rehab, PRA with rehab, and SRO) budget is completed in this section. Requested subsidy cannot exceed current FMR unless an Exception Rent approval letter is attached.

## F.1. Tenant-based Rental Assistance (TRA) Project Budget

Applicants requesting TRA must complete the chart below showing the number of units expected to be used in your program. Multiply the applicable existing fair market rents (FMRs) as published in the Federal Register (FR) on September 30, 2002, by the number of units of a given size by 60 months. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.] The SRO FMR should be rounded to the nearest whole number before multiplying by the number of units and the number of months. The FMR for each single room occupancy SRO unit is equal to 75 percent of the 0-bedroom FMR.

|                      | Number of                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | FMR  | Number of Months | Total Amount Requested |
|----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|------------------|------------------------|

Complete a separate chart for each jurisdiction that has a different FMR.

Name of metropolitan or nonmetropolitan area for the FMR used:

## F.2. Sponsor-based Rental Assistance (SRA) Project Budget

A. Nonprofit Status: Nonprofit organizations must attach to this section one of the following:

- Private nonprofit organizations must submit a copy of their IRS ruling, providing tax-exempt status under Section 501 C (3) of the IRS Code of 1986, as amended, or documentation of nonprofit status as described in the Glossary on page iv.
- Public nonprofit community mental health centers must attach a letter or other document acceptable to HUD from an authorized official stating that the organization is a public nonprofit organization.
- **B.** Housing Description. Complete the chart below indicating the address of the specific structure(s) to be used, the number of units by bedroom size in each, and whether it is or will be owned or leased by the nonprofit entity.

| Address<br>(street, city, State & zip) |     | Number of Units by Size |   |   |   |   |    |             | Owned / Leased |  |

Reminder: You may only have one sponsor per project.

**C. Grant Amount.** In the following chart, show the number of units by size expected to be owned or leased by the sponsor. Multiply the applicable existing FMRs as published in the Federal Register (FR) on September 30, 2002, by the number of units of a given size by 60 months. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.]

The SRO FMR should be rounded to the nearest whole number before multiplying by the number of units and the number of months. The FMR for each SRO unit is equal to 75 percent of the 0-bedroom FMR. *Complete a separate chart for each jurisdiction that has a different FMR*.

|                  | Number of |   | FMR | Number of Months | Total Amount Requested |
|------------------|-----------|---|-----|------------------|------------------------|
| Dwelling Units   | Units     | Х | \$  | Х                | = \$                   |
| SRO              |           |   |     | 60               |                        |
| 0 Bedroom        |           |   |     | 60               |                        |
| One Bedroom      |           |   |     | 60               |                        |
| Two Bedroom      |           |   |     | 60               |                        |
| Three Bedroom    |           |   |     | 60               |                        |
| Four Bedroom     |           |   |     | 60               |                        |
| Other: (specify) |           |   |     | 60               |                        |

### F.3. Project-based Rental Assistance (PRA) Project Budget

**A.** Site. In the chart below, indicate the address of the property to be assisted and whether or not rehabilitation that meets the requirements specified in 24 CFR 582.100(b) is to be completed.

| Address: (street, city, State &zip) | Rehabi | ilitation |
|-------------------------------------|--------|-----------|
|                                     | Yes    | No        |
|                                     |        |           |
|                                     |        |           |

**B. Grant Amount.** For each property, complete a separate copy of the appropriate chart below showing the number of units by size, expected to be assisted at this property. Multiply the applicable existing FMRs as published in the Federal Register (FR) on September 30, 2002, by the number of units of a given size by the number of months. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.] If the units will be rehabilitated and your project qualifies for 10 years of rental assistance, complete chart 2. Otherwise, complete chart 1.

The SRO FMR should be rounded to the nearest whole number before multiplying by the number of units and the number of months. The FMR for each SRO unit is equal to 75 percent of the 0-bedroom FMR.

#### Chart 1. PRA Units without Rehabilitation

Name of metropolitan or nonmetropolitan area for the FMR used:

| ts X \$ | X Months<br>60 | = \$                       |
|---------|----------------|----------------------------|
|         | 60             |                            |
|         | 1              |                            |
|         | 60             |                            |
|         | 60             |                            |
|         | 60             |                            |
|         | 60             |                            |
|         | 60             |                            |
|         | 60             |                            |
|         |                | 60<br>60<br>60<br>60<br>60 |

#### Chart 2. PRA Units with Rehabilitation

Name of metropolitan or nonmetropolitan area for the FMR used:

|                      | Number of |   | FMR |   | Number of | Total Am | ount Requested |
|----------------------|-----------|---|-----|---|-----------|----------|----------------|
| Dwelling Units       | Units     | Х | \$  | X | Months    | =        | \$             |
| SRO                  |           |   |     |   | 120       |          |                |
| 0 Bedroom            |           |   |     |   | 120       |          |                |
| One Bedroom          |           |   |     |   | 120       |          |                |
| Two Bedroom          |           |   |     |   | 120       |          |                |
| Three Bedroom        |           |   |     |   | 120       |          |                |
| Four Bedroom         |           |   |     |   | 120       |          |                |
| Other: (specify)     |           |   |     |   | 120       |          |                |
| Total PRA with Rehab | )         |   |     |   |           | \$       |                |

## F.4. Single Room Occupancy Moderate Rehabilitation (SRO) Rental Assistance

A. Project Site. Complete a separate F.4. for each site included under the SRO component of the S+C Program.

Name (if any) & Address of Site: (street, city, State & zip)

**B.** Grant Amount. Complete the chart below showing the number of units to be assisted. Note that the FMR for Mod Rehab SRO = Existing FMR for 0-bedroom units x 0.75 x 1.20. The Mod Rehab SRO FMR entered below should be a whole number - round before multiplying. If 0.5 or above, round to the next higher whole number. You may not request assistance for more than 100 units per site. Use the existing FMRs published in the Federal Register (FR) on September 30, 2002. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.]

Name of metropolitan or nonmetropolitan area for the FMR used.

| Dwelling Units | Number of |   | Mod. Rehab |   | Number of | Total Amount  |
|----------------|-----------|---|------------|---|-----------|---------------|
|                | Units     | Χ | SRO FMR \$ | Х | Months    | <br>Requested |
|                |           |   |            |   |           |               |
| SRO            |           |   |            |   | 120       | \$            |

**C.** Certification Requirement for Non-PHA Applicants. Non-PHA applicants must submit the following letter from the PHA that will administer the rental assistance.

(Date)

I, (name and title), authorized to act on behalf of (name of PHA), certify that this agency qualifies as a Public Housing Agency as specified in 24 CFR 882.102, is legally qualified and authorized to carry out this proposed project, and that if (name of applicant) is selected for an SRO award, this agency will administer the rental assistance.

(Signature of PHA official) (PHA number)

D. Project Costs. (1) List below an estimate of the costs of developing the project.

| Total Rehabilitation Costs (Eligible and Ineligible) | \$ |
|------------------------------------------------------|----|
| Acquisition                                          | \$ |
| Other Costs (Eligible & Ineligible, e.g., furniture) | \$ |
| Total                                                | \$ |

(2) List, on a separate sheet, any commitments from public and private sources that you are able to provide at this time to help cover the costs of developing the project.

Form HUD-40076-CoC (2003) OMB Approval No. 2506-0112 (exp. 06/30/2003)

### Section G. Homeless Veterans

1. Are veterans among the homeless subpopulation(s) your project will specifically target and intend to serve?

| Yes | No. |
|-----|-----|
|-----|-----|

2. If your answer to question #1 is yes, are veterans the primary target population of your proposed project?

#### Section H. Chronically Homeless

Are chronically homeless persons among the homeless subpopulation(s) your project intends to serve?

### Section I. Additional Information

HUD needs the following information to respond to public inquiries about program benefit. Your responses will not affect in any way the scoring of your submission.

1. Will the proposed project be located in a rural area? (A project is considered to be in a rural area when the project will be primarily operated either (1) in an area outside of a Metropolitan Area, or (2) in an area outside of the urbanized areas within a Metropolitan Area.)

2. Is the sponsor of the project a religious organization, or a religiously affiliated or motivated organization? (Note: This characterization of religious is broader than the standards used for defining a religious organization as "primarily religious" for purposes of applying HUD's church/state limitations. For example, while the YMCA is often not considered "primarily religious" under applicable church/state rules, it would likely be classified as a religiously motivated entity.)

3. Will the proposed project be located in, or make use of, surplus military buildings or properties which are located on a military base that is covered by the provisions of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994?

If "yes," please provide the name of the military installation:

Form HUD-40076-CoC (2003) OMB Approval No. 2506-0112 (exp. 06/30/2003)

## Exhibit 3R: Shelter Plus Care Program (S+C) - Renewal

### **Renewal Eligibility and Process**

This Exhibit 3R is for Shelter Plus Care (S+C) **renewal** projects only. If you are requesting funds for a **new** S+C project, **do not** use Exhibit 3R. You must complete Exhibit 3 instead. Submit a **separate** Exhibit 3R for **each** renewal project. (A renewal project may include no more than one component (i.e., TRA, SRA, PRA, and SRO) and may be carried out by no more than one project sponsor.)

The FY 2003 HUD Appropriations Act permits the noncompetitive renewal of eligible S+C program grants for oneyear terms. You are eligible to apply for renewal funding if your current Shelter Plus Care grant agreement is expiring in calendar year 2004 or if your grant has been extended beyond its original five-year term but you are projected to run out of funds in 2004. You may request up to the amount determined by multiplying the number of units under lease at the time of your application for renewal funding by the applicable current Fair Market Rent(s) by 12 months. However S+C grants that have been awarded one year of renewal funding in the FY 2002 competition, may only request for renewal this year the number of units funded in that competition. Upon renewal, the unspent balance of funds at the end of the previous grant period will be recaptured. <u>The one-year term of non-competitively awarded S+C renewal</u> <u>projects awarded in 2001 and 2002 may not be extended.</u>

Your S+C renewal application must be submitted to HUD in accordance with the NOFA requirements. Since these renewals must meet the expressed Congressional intent not to divorce S+C renewals from the accountability requirements that are needed to preserve the financial integrity of the projects, and to ensure that these projects continue to meet the needs of homeless people, all S+C renewals must be included as part of a community's Continuum of Care (CoC) submission. Therefore, S+C renewals must be given consideration as part of the local CoC planning process and, if approved for submission by the CoC, must be listed as the <u>last entries</u> on the CoC's Project Priority Chart.

### Section A. Project Narrative

Section A is a description of the existing project that you are submitting for renewal. You should include any changes resulting from amendments made to the project.

Project summary. Please provide the following:

- a. Grantee Name
- b. Program component
- c. Total S+C request
- d. The type of housing and number of participants originally proposed and ultimately served
- e. The population to be served

21653

### Section B. Performance

- 1. Are there any significant changes in the project since the last funding approval: If "yes" briefly describe the changes.
- 2. Are all units funded with S+C funds occupied? If not, please explain the reasons.
- 3. Attach responses from most recent APR for Questions 11 (Monthly Income at Entry and at Exit) and 16 (Overall Program Goals). If little or no progress, provide an explanation and specific plans for improvement.

Yes

Yes

SRO

No

No

### Section C.1. Component

|----------------------------|----------------|-----------------------------------|------------|
| TRA                        | SRA            | PRA without Rehab                 |            |

## Section C.2. Project Information

| Project Name:<br>Project Address (street, city, state, & zip):                                  |                         | Project Priority No.<br>(from project<br>priority chart in<br>Exhibit 1): |
|-------------------------------------------------------------------------------------------------|-------------------------|---------------------------------------------------------------------------|
| Project Sponsor's Name (for SRA only):                                                          |                         | Proj. Congressional<br>District(s):                                       |
| Sponsor's Address (street, city, state, & zip) (for SRA only):                                  |                         | Project 6-digit<br>Geographic Code:                                       |
| Authorized Representative of Project Sponsor (name, title, phone number, & fax) (for SRA only): | Grant beir<br>Grant Nur | ng renewed<br>nber:                                                       |

## Section D. Targeted Disabilities

In each category shown in the chart below indicate the number of participants receiving rental assistance at the time of your application. Include each participant only once, in either Part 1 or Part 2. Part 1 should only include persons with disabilities who do not have family members living with them. *Do not double count.* 

| Part 1: Individual Participants not in Families                | Number of Participants                   |
|----------------------------------------------------------------|------------------------------------------|
| Persons with:                                                  | •                                        |
| Serious Mental Illness                                         |                                          |
| Chronic Substance Abuse Problems                               |                                          |
| Both Serious Mental Illness & Chronic Substance Abuse Problems |                                          |
| AIDS or Related Diseases                                       |                                          |
| Other Disabilities (specify)                                   | AA MINING                                |
| (a) Total Participants: (not in families)                      |                                          |
| Part 2: Participants in Families                               |                                          |
| Persons with:                                                  |                                          |
| Serious Mental Illness                                         |                                          |
| Chronic Substance Abuse Problems                               | 911-1117-1111-11-1-1-1-1-1-1-1-1-1-1-1-1 |
| Both Serious Mental Illness & Chronic Substance Abuse Problems |                                          |
| AIDS or Related Diseases                                       |                                          |
| Other Disabilities (specify)                                   |                                          |
| (b) Total Participants: (in families)                          |                                          |
| (c) Number of other Family Members Living with Participants    | · ·                                      |
| Total Persons Served from Parts 1 and 2 [(a) +(b) + (c)]       |                                          |

### Section E. Renewal Grant Budget

Complete this budget section for the TRA, SRA, PRA or SRO project you are submitting for renewal. Remember that a separate Exhibit 3R must be submitted for each project.

#### 1. Need for Renewal

To determine if a renewal grant is needed for your project, please complete the following chart (skip to Question 2 if awarded a one-year renewal in 2002) :

A. S+C Funds Originally Awarded \$\_\_\_\_\_

| В. | Expenditure projected through 2004 | \$ |
|----|------------------------------------|----|
| C. | Difference (A minus B)             | \$ |

If balance remains after the funds projected to be spent by the end of calendar year 2004 ("B" above) are subtracted from the amount awarded for your existing grant ("A" above), a renewal grant is not needed at this time. Instead, a grant extension should be requested from the appropriate HUD Field Office.

Form HUD-40076-CoC (2003) OMB Approval No. 2506-0112 (exp. 06/30/2003)

#### 2. Renewal Budget

The amount of rental assistance requested for a renewal may not exceed the number of S+C units currently under lease times the applicable current FMR(s) times 12 months, except that for S+C grants having been awarded one-year of renewal funding in 2002, the number of units requested for renewal this year may not exceed the number of units funded in 2002. If you received a one-year S+C renewal grant in 2002, please provide the number of units approved for funding that year: \_\_\_\_\_\_.

In the following chart for TRA, SRA or PRA renewals, show the number of units, by size, to be owned or leased during the one-year renewal period. Multiply the applicable existing FMRs as published in the Federal Register on September 30, 2002, by the number of units of a given size by 12 months. The SRO FMR should be rounded to the nearest whole number before multiplying by the number of units and the number of months. The FMR for each SRO unit is equal to 75 percent of the 0-bedroom FMR. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002, FR Notice.] *Complete a separate chart for each jurisdiction that has a different FMR.* 

Requested subsidy cannot exceed current FMR unless an Exception Rent approval letter is attached. Name of metropolitan or nonmetropolitan area for the FMR used:

|                  | Number of |   | FMR |   | Number of                                                                                                       | Total A | Amount Requested |
|------------------|-----------|---|-----|---|-----------------------------------------------------------------------------------------------------------------|---------|------------------|
| Dwelling Units   | Units     | X | \$  | Х | Months                                                                                                          | =       | \$               |
| SRO              |           |   |     |   | 12                                                                                                              |         |                  |
| 0 Bedroom        |           |   |     |   | 12                                                                                                              |         |                  |
| One Bedroom      |           |   |     |   | 12                                                                                                              |         |                  |
| Two Bedroom      |           |   |     |   | 12                                                                                                              |         |                  |
| Three Bedroom    |           |   |     |   | 12                                                                                                              |         |                  |
| Four Bedroom     |           |   |     | - | 12                                                                                                              |         |                  |
| Other: (specify) |           |   |     |   | 12                                                                                                              | -       |                  |
| Total Assistance |           |   |     |   | un der seinen der Sternen der Sterne und der Sternen der Sterne der Sterne der Sterne der Sterne der Sterne der | \$      |                  |

In the following chart for S+C/SRO renewals, show the number of units to be owned during the one-year renewal period. Multiply the number of units by the current contract rent (at time of expiration) by 12 months.

#### SRO Renewals Only

| Dwelling Units   | Number of<br>Units | Contract<br>X Rent | Number of<br>X Months | Total Amount Requested<br>= \$ |
|------------------|--------------------|--------------------|-----------------------|--------------------------------|
|                  |                    |                    | 12                    | \$                             |
| Total Assistance |                    |                    |                       | \$                             |

If your project was completed in stages, you need to submit a separate exhibit for each distinct stage.

### Section F. Homeless Veterans

1. Are veterans among the homeless subpopulation(s) your project will specifically target and intend to serve?

2. If your answer to question #1 is yes, are veterans the primary target population of your proposed project?

| y | cci. |    |
|---|------|----|
|   | Yes  | No |

### Section G. Chronically Homeless

Are chronically homeless persons among the subpopulation(s) your project intends to serve?

| Yes | No No |
|-----|-------|
|-----|-------|

### Section H. Additional Information

HUD needs the following information to respond to public inquiries about program benefit. Your responses will not affect in any way the scoring of your submission.

1. The project is in a rural area:

| Yes |  | No |
|-----|--|----|
|-----|--|----|

ſ

2. The sponsor is a religious/faith-based organization:

## Exhibit 4: Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) Program

Eligible applicants for this program are non profit organizations and Public Housing Authorities.

Under the SRO Program, a "project" is a single site containing no more than 100 assisted units. A separate Exhibit 4 should be submitted for each new project. (Moderate Rehabilitation SROs will be renewed under a separate, non-competitive process.) In calculating your rental assistance amount, please use the Fair Market Rents (FMR) published in the Federal Register on September 30, 2002. You may obtain a copy of the applicable FMRs from your local HUD Field Office, which can also provide guidance on how to determine if your proposed project will be financially feasible. While housing providers should help residents to locate appropriate services, including services offered by the housing provider, to the extent possible, HUD encourages providers to develop housing programs which do not require participation in specific services as part of their tenancy requirements.

## **SRO** Tips

In developing Exhibit 4, please avoid problems that could hamper your ability to qualify for SRO funding. Here are a few tips that may help:

- No single project may contain more than 100 assisted units. A separate Exhibit 4 should be submitted for each site.
- The structure to be assisted must require a minimum of \$3,000 per unit of rehabilitation to meet Housing Quality Standards (HQS), including its prorated share of work on common areas or systems.
- For the FY 2003 competition, the per unit cost limitation for rehabilitation work is \$19,000.
- If a structure you plan to use in your project currently has occupants, you need to be aware that there are
  relocation requirements. These occupants cannot return to units assisted by this project following rehabilitation.
  Because these requirements are complex, please contact your HUD Field Office Relocation Specialist or an
  experienced government relocation agency in the planning stage of your application.
- If you are a private nonprofit organization, you will need to subcontract with a PHA to administer the rental assistance.

## Section A. Project Narrative

Section A is a description of your proposed project and is not intended to address only those portions of the site that will receive SRO funding. Please respond to all of the items in this section.

- 1. Project summary. Please provide the following:
  - a. Names of applicant and sponsor (if appropriate)
  - b. Program component
  - c. Total SRO request
  - d. The type of housing and number of units proposed
  - e. The population to be served
  - f. A photograph of the building to be assisted with the address (street, city, zip)

#### 2. Homeless population to be served. Briefly describe the following:

- a. Their characteristics and needs for housing and supportive services.
- b. Where they will come from. Indicate percentage coming from: streets, emergency shelters, transitional housing for homeless persons who come from street/shelters or other. Clearly explain "other."
- c. The outreach proposed to bring them into the project.

#### 3. Housing where participants will reside. Demonstrate for each of the following:

- a. How the TYPE (e.g., apartments, group home) and SCALE (e.g., number of units) of the proposed housing will fit the needs of the participants.
- b. That the basic COMMUNITY AMENITIES (e.g. grocery store, medical facilities, recreation) will be readily ACCESSIBLE (e.g., walking distance, near bus line) to your clients.
- c. The rehabilitation proposed for the property and the responsibility you and any other organizations will have in operating and maintaining the property.

- 4. Supportive services the participants will receive. Demonstrate each of the following:
  - a. How the supportive service needs of participants will be ASSESSED and TRACKED.
  - b. How the TYPE (e.g., case management, job training) and SCALE (e.g., the frequency and duration) of the supportive services will fit the needs of the participants
  - WHERE the supportive services will be provided and what TRANSPORTATION will be available to the Ċ. participant to access those services
  - The details of your plan to ensure that all homeless clients in this project will be systematically assisted to đ. identify, apply for and obtain benefits under all of the following mainstream health and social services programs for which they are eligible: TANF, Medicaid, State CHIP, SSI, Workforce Investment Act, Food Stamps and Veterans' Health Care programs.
- Self-sufficiency. Describe specifically how participants will be assisted both to increase their INCOMES and to 5. maximize their ability to LIVE INDEPENDENTLY.

### Section B. Experience Narrative

Section B is a description of the experience of all the organizations involved in carrying out the proposed project. (Refer to section V(A)(1) of the NOFA for Project Applicant and Sponsor Eligibility and Capacity Standards.) Please describe on preferably not more than 3 typed pages:

- The specific type and length of experience of all organizations involved in implementing the 1. proposed project, including the project sponsor, housing and supportive service providers, and any key subcontractors. Describe experience directly related to their role in the proposed project as well as their overall and experience working with homeless people.
- Describe experience contracting for and overseeing the rehabilitation of housing, and experience 2. administering rental assistance.
- List all HUD McKinney-Vento grants, other than ESG, received after 1997, including for each grant: the year 3. awarded, grant number, grant amount, and amounts spent to date.
- 4. Please explain any delays in implementing any of the grants listed in (3) above which exceed applicable program timeliness standards.
- Identify any unresolved HUD findings, or outstanding audit findings, related to any of the grants listed in (3) 5. above.

| Project Name                                                            | Project Priority No.<br>(from project priority<br>chart in Exhibit 1): |
|-------------------------------------------------------------------------|------------------------------------------------------------------------|
| Project Address (street, city, state & zip)                             |                                                                        |
|                                                                         | Project Congressional                                                  |
| Project Sponsor's Name:                                                 | District(s):                                                           |
| Sponsor's Address (street, city, state & zip)                           | Project 6-digit<br>Geographic Code:                                    |
| Authorized Representative of the Project Sponsor (name, title, phone nu | imber, & fax):                                                         |
|                                                                         |                                                                        |

### Section C Project Information (4)

### Section D. Budget

#### 1. Rental Assistance Award Amount.

Please complete the chart below showing the number of units to be assisted, the applicable fair market rent (FMR) as published in the Federal Register (FR) on September 30, 2002, and the total amount of rental assistance requested. [Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002 FR Notice.] Note that the FMR for Moderate Rehabilitation SRO = Section 8 Existing Housing FMR for a 0-bedroom unit X 0.75 X 1.20. The Mod Rehab SRO FMR entered below should be a whole number – round before multiplying. (If 0.5 or above, round to the next higher whole number.) Also note that if there is no rehabilitation financing to be amortized, the rental assistance is limited to 75% of a 0-bedroom FMR. Please remember that you cannot request assistance for more than 100 units per project.

Name of metropolitan or non-metropolitan area for the FMR used:

| Dwelling Units | Number of<br>Units | x | Mod. Rehab.<br>SRO FMR \$ | х | Number of<br>Months | = | Total Amount<br>Requested |
|----------------|--------------------|---|---------------------------|---|---------------------|---|---------------------------|
| SRO            |                    |   |                           |   | 120                 |   |                           |

#### 2. Project Costs.

a. Please list below an *estimate* of the costs of developing the project.

| Total Rehabilitation Costs (eligible and ineligible)   | \$ |
|--------------------------------------------------------|----|
| Acquisition                                            | \$ |
| Other Costs (eligible and ineligible, e.g., furniture) | \$ |
| Total                                                  | \$ |

b. Please list below (or on a separate sheet) any commitments from public and private sources that you might be able to provide to help cover the costs of *developing* the project. Firm financing commitments will need to be provided at a later date.

| Source     | Amount                                 |
|------------|----------------------------------------|
|            |                                        |
|            |                                        |
|            |                                        |
|            |                                        |
|            |                                        |
|            | ······································ |
|            |                                        |
|            |                                        |
|            |                                        |
|            |                                        |
|            |                                        |
| otal Funds |                                        |
|            |                                        |

#### Section E. PHA Certification Requirements for Nonprofit Applicants

If the applicant for this project is a private nonprofit organization, please include in this exhibit the following letter from the PHA that will administer rental assistance:

(Date)

I (name and title), authorized to act on behalf of (name of PHA), certify that this agency qualifies as a Public Housing Agency, as specified in 24 CFR 882.102, is legally qualified and authorized to carry out this proposed project, and that it (name of applicant) is selected for an SRO award, this agency will administer the rental assistance.

(Signature of PHA official)

(PHA number)

### Section F. Homeless Veterans

Are veterans the primary target population?

Yes No

#### Section G. Additional Information

HUD needs the following information to respond to public inquiries about program benefit. Your responses will not affect in any way the scoring of your submission.

1. Which of the following subpopulations will your project serve? (Check all that apply)

Chronically Homeless
 Severely Mentally III
 Chronic Substance Abusers
 Dually Diagnosed
 AIDS and Related Diseases
 Victims of Domestic Violence
 Veterans

2. Will the proposed project be located in a rural area? (A project is considered to be in a rural area when the project will be primarily operated either (1) in an area outside of a Metropolitan Area, or (2) in an area outside of the urbanized areas within a Metropolitan Area.)

3. Is the sponsor of the project a religious organization, or a religiously affiliated or motivated organization? (Note: This characterization of religious is broader than the standards used for defining a religious organization as "primarily religious" for purposes of applying HUD's church/state limitations. For example, while the YMCA is often not considered "primarily religious" under applicable church/state rules, it would likely be classified as a religiously motivated entity.)

4. Will the proposed project be located in, or make use of, surplus military buildings or properties which are located on a military base that is covered by the provisions of the Base Closure Community Redevelopment and Homeless Assistance Act of 1994?

If "yes," please provide the name of the military installation:

### Questions and Answers A Supplement to the 2003 Continuum of Care Homeless Assistance NOFA and Application

To assist you in preparing your 2003 Continuum of Care (CoC) Homeless Assistance application, HUD developed the following questions and answers. For your convenience, they are grouped together by topic headings.

HUD Headquarters will hold satellite training conferences to answer other questions you may have. In addition, many HUD field offices will hold training sessions on the NOFA and the application. Please contact your local HUD field office to learn more about these training opportunities. A listing of the HUD Area and State Offices is provided as an appendix to the NOFA.

### A. Major Changes for 2003

<u>CONTINUUM OF CARE CHANGES</u>: There have been modifications to the Exhibit 1 questions, and changes to the number of points assigned to various scoring factors:

- The "Gaps and Priorities" scoring has been reduced from 20 to 15 points.
- The "Housing Emphasis" scoring has been increased from 5 to 10 points.
- There will be no points added this year for EZ/ECs.
- Goals and System Development: This section requests information about your performance in reaching your chronic homelessness goals and other system goals. You are also required to describe your discharge planning policy and list your continuum's unexecuted HUD grants.
- The definition for chronic homelessness is included in the application.
- Housing Activity Chart: This chart includes the information used in the 2002 competition with an update for this year's competition to reflect the changes in your housing activities. You will also include geo codes and target population codes for each facility/program.
- Gaps Analysis: Last year's Gaps Analysis Chart is now two separate charts. The first chart, Housing Gaps Analysis, shows the housing gaps reflecting your current inventory and the inventory under development for this year. The second chart is the "Homeless Populations and Subpopulations Chart." For the first time, you will be showing an estimate of the chronic homelessness population for your community.
- Mainstream Program and Employment Chart: This new chart uses information collected from the Annual Progress Report (APR) of renewal grantees to show how homeless participants are accessing mainstream programs.
- Permanent Housing Bonus: In order to encourage the development of permanent housing units, the pro rata need bonus has been increased from \$500,000 to a maximum of \$750,000 for a number one priority project that qualifies as an eligible <u>new project</u>. Only the housing activities of the new project count toward the bonus. Housing activities include: rental assistance, acquisition, new construction, rehabilitation, leasing, and operating costs.
- The page limit has been increased to 30 pages for Exhibit 1: Continuum of Care.

#### PROJECT CHANGES:

- Term for New SHP Projects: Starting with this year's competition, the minimum term for new SHP projects must be two years.
- SHP Renewal Exhibit: A streamlined SHP Renewal exhibit is included in this year's application since most submitted projects are SHP renewals.
- HMIS Categorization: Dedicated HMIS projects should be classified as HMIS projects in the application where the type and component of the project is requested. This year, there is an HMIS budget line item for HMIS activities, separate from supportive services.
- HMIS Participation: All grantees receiving 2003 funds will be required to participate in a local HMIS system when such a system is implemented.
- Calculating SHP Renewal Budgets: Beginning in 2002, the limit for an SHP renewal request became the average annual amount of the term activities of the grant being renewed. Term activities are leasing, supportive services, and operations. Applicants may request up to 5% of each project award for administrative costs.

#### CHANGES IN APPLICATION DELIVERY PROCEDURES:

• Because of enhanced security procedures in the HUD Headquarters building, submission procedures have been changed. (See specific NOFA instructions.)

### **B.** Common Mistakes

1. What experiences can you share from past competitions to help me avoid making mistakes?

Here is a list of common errors. Please read carefully the application and the NOFA for further clarification, or contact your HUD field office. Common mistakes include:

#### <u>EXHIBIT 1</u>

- using prior application forms, which do not incorporate new requirements;
- not explaining the method for collecting the data in the Gaps Analysis chart;
- in preparing Exhibit 1, not ensuring that the individual sections are consistent with each other and complete;

### EXHIBITS 2, 2R, 3, 3R, & 4

- inserting the wrong HUD-424 for the applicant, especially if your project is a renewal;
- the project budget request in the exhibit exceeds the Project Priorities chart amount;
- not describing the new portion of an existing homeless assistance project where funds are being requested for an expansion of the project;
- incorrect renewal grant numbers;
- incorrect renewal amount request;
- not directly responding to all applicable questions in the project narrative;
- not requesting an extension of the current grant term before renewal application submission to ensure the project being requested expires in 2004;
- not indicating the grant term;
- not filling out the budget section completely; for example: -- SHP budget lacks applicant cash match; mathematical mistakes; not reflecting statutory match requirements; incorrect FMRs used.

#### C. Eligible Persons to be Served

#### 1. Who can receive assistance from the projects proposed in an application?

A person must be homeless in order to receive assistance under the SHP, S+C, and Section 8 Moderate Rehabilitation Single Room Occupancy (SRO) programs. Other restrictions may also apply, depending upon the program.

A person is considered homeless only when he/she resides in one of the places described below:

- a. in places not meant for human habitation, such as cars, parks, sidewalks, and abandoned buildings;
- b. in an emergency shelter;
- c. in transitional or supportive housing for homeless persons who originally came from the streets or emergency shelter;
- d. in any of the above places but is spending a short time (up to 30 consecutive days) in a hospital or other institution;
- e. is being evicted within a week from a private dwelling unit and no subsequent residence has been identified and the person lacks the resources and support networks needed to obtain housing; or
- f. is being discharged within a week from an institution in which the person has been a resident for more than 30 consecutive days and no subsequent residence has been identified and he/she lacks the resources and support networks needed to obtain housing.

#### 2. Can a project serve persons at risk of becoming homeless?

No. By law, only those persons who are homeless may be served by the programs under the NOFA. If your organization wants to serve persons at risk of becoming homeless, persons who are "doubled up," or persons who are "near homelessness," it would need to use another source. HUD administers the Emergency Shelter Grants (ESG) program that can fund homelessness prevention activities. A variety of other programs, such as Section 8, Community Development Block Grant (CDBG) and HOME, serve low-income persons who may be at risk of becoming homeless due to poor housing conditions, overcrowding or other reasons. Contact your local HUD field office for more information on these and other programs.

# 3. Can a project serve a person being discharged from a State mental health institution in a state that requires housing to be provided upon the person's release?

If your State has a policy requiring housing as part of a discharge plan, HUD does not consider those persons homeless since they will be placed in housing arranged by the State. Contact your State department of mental health or similar State agency for information on its discharge policy. If your State does not require housing as part of discharge planning, then those persons being discharged may be served as long as they will be homeless as described in Question #1 of this section.

As a condition for award in the competition, any governmental entity serving as an applicant must agree to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. This condition for award, in the form of a certification and required by law, is intended to emphasize that States and units of general local government are primarily responsible for the care of these individuals, and to forestall attempts to use scarce McKinney-Vento Act funds to assist such persons in lieu of State and local resources.

# 4. Can a project serve a homeless youth after he/she becomes a ward of the state, or serve runaway youths?

Project funding may not substitute for the assistance a State is required to provide a youth while in foster care. Project funding can, however, be used to supplement the State's assistance by providing a needed service that is not required to be provided by the State as part of its foster care system. Youth who run away from home are considered homeless if they are residing in those places listed under the criteria in Question #1 of this section, are without resources and support, and are not considered wards of the state.

# 5. Can a homeless person moving into permanent housing receive services under SHP for an extended period of time?

The person may receive supportive services for the term of the grant if he/she is living with a disability. If the person is not disabled, however, he/she may receive services for only up to six months after moving into permanent housing.

#### 6. Who does HUD consider to be chronically homeless?

A chronically homeless person is an unaccompanied homeless individual with a disabling condition who has either been continuously homeless for a year or more OR has had at least four (4) episodes of homelessness in the past three (3) years. Disabling condition is defined as "a diagnosable substance use disorder, serious mental illness, developmental disability, or chronic physical illness or disability, including the co-occurrence of two or more of these conditions." To be considered chronically homeless, persons must have been sleeping in a place not meant for human habitation (e.g., living on the streets) or in an emergency homeless shelter during that time.

### **D.** SHP Administrative Costs

#### 1. What is the requirement regarding splitting SHP administrative costs?

This requirement is applicable only to States and units of general local governments who are the applicants for SHP funding for individual projects that will be operated by nonprofit organizations. If SHP funds for administrative costs are awarded to a State or unit of general local government where the projects will be operated by nonprofit organizations, some of these funds must be passed on to the nonprofit organization(s). As stated in the NOFA, this requirement is NOT applicable to the SRO and S+C programs, nor does it apply to applicants that are non-government entities.

# 2. How much of SHP administrative funds referred to in Question #1 of this section must be passed on to the nonprofit organization(s) who will operate the homeless assistance project(s)?

Administrative funds provided as part of the SHP grant should be split with the nonprofit organization(s) in proportion to the administrative burden borne by them for the SHP project(s). However, HUD will consider States or units of general local government that pass on at least 50 percent of the administrative funds as having met this Congressionally-mandated requirement.

#### E. Match Requirements

#### 1. Under the SHP, what is the operating cost match requirement? Is this a cash match?

SHP funds may be used to pay for up to 75 percent of the total operating costs of supportive housing for all years of the grant term (this change is not applicable to grants awarded prior to calendar year 2000). For example, if the annual operating costs are \$100,000, SHP funds may be used to pay up to \$75,000, or 75 percent, of these costs in each year of the grant term and the grantee would be required to pay \$25,000, or 25 percent, each year.

The operating costs match to be paid by the grantee is a cash match. Documentation of firm commitments of cash resources for the first year of the grant term and certification that cash resources will be provided in the second and third year of the grant term, if applicable, must be submitted as part of the technical submission application (the form and content requirements of the cash match documentation and certification are explained in the applicable exhibits of the SHP Technical Submission document). In addition, the cash match must be verified in the Annual Progress Report. Donated or in-kind contributions do not count toward meeting this match.

# 2. Is the SHP operating costs match requirement applicable to projects submitted for renewal funding?

Yes. Projects submitted for renewal are allowed to request up to 75 percent of the actual operating costs of supportive housing for all years of the grant term. However, renewal applicants may not request SHP funds to replace State or local government funds being used in the project.

#### 3. What is the supportive services match requirement for SHP? Is this a cash match?

The 2003 HUD Appropriation Act specifies a 25 percent match of SHP supportive service funding (i.e., for every \$100 in SHP funds, the applicant must provide \$25 toward supportive services). Another way to look at this is that the SHP request can be no more than 80 percent of the total budget for the supportive services line item (i.e., 80% of the \$125 (total budget) in the above example equals \$100). If you do not indicate in your SHP application budget that you are supplying the full match required, your SHP request will be reduced so that it is no greater than 80 percent of your total supportive services budget.

The supportive services match to be paid by the grantee is a cash match. Documentation of firm commitments of cash resources for the first year of the grant term and certification that cash resources will be provided in the second and third year of the grant term, if applicable, must be submitted as part of the Technical Submission (the form and content requirements of the cash match documentation and certification are explained in the applicable exhibits of the SHP Technical Submission). In addition, the cash match must be verified in the Annual Progress Report. Donated or in-kind services do not count toward meeting this match.

# 4. What if we have a renewal project that is requesting supportive services funds? Do those funds need to be matched?

Yes. A renewal project requesting supportive services funds must also meet the match requirement as described in question #3 of this section.

### F. Application

#### 1. Is there a firm page limit for Exhibit 1, the CoC narrative?

Yes. Applicants must limit the number of pages in Exhibit 1 to 30 pages, including attachments. HUD will not review the pages exceeding the 30 page limit when rating Exhibit #1. In fairness to larger CoCs, and as noted in the application kit, only the first page of multiple page project priority and leveraging charts, and the first page of the response to items 2.D, 3.E, 3.F, 7.C, and 8.D will count toward the 30 page limit.

# 2. Is there a formatting requirement for the written commitments claimed on the Project Leveraging chart?

The written commitment must be documented on letterhead stationery, signed and dated by an authorized representative, and must, at a minimum, contain the following elements: the name of the organization providing the contribution; the type of contribution (e.g., cash, child care, case management, etc.); the value of the contribution; the name of the project and its sponsor organization to which the contribution will be given; and, the date the contribution will be available.

Written commitments are not submitted at the time of application. However, they must be submitted for verification by HUD prior to grant agreement execution. Only the value of contributions to a project for which the applicant has a written commitment at the time of application will be counted toward points for leveraging of other resources.

An additional change you should be aware of when filling out the leveraging chart is that the instructions now say that the value of commitments of land, buildings and equipment are one-time only and cannot be claimed by more than one project. For example, the value of donated land buildings or equipment claimed in 2002 or before for a project cannot be claimed as leveraging by that project or any other project in subsequent competitions.

# 3. Each Exhibit 1, CoC, must be identical for each associated application under a continuum. Would HUD accept the associated applications from a given community if just one of the associated applications contained the entire Exhibit 1, with the other associated applications simply cross-referencing that exhibit?

Yes. HUD will accept associated applications in which Exhibit 1 has been submitted in this way. However, for the application containing the complete Exhibit 1, please state at the beginning of that exhibit: "This is an associated application. Exhibit 1: CoC is being submitted in its entirety only in this application. The applications of all other associated applicants for this same continuum, as listed below, will cross-reference and adopt this exhibit." (List the names of all other associated applicants.)

For each of the associated applications not containing the complete Exhibit 1, please state: "This is an associated application. By agreement between all associated applicants, Exhibit 1: CoC has been submitted in its entirety only in the application from (state applicant's name). We adopt that Exhibit 1 and agree to follow it if our application is selected for funding."

# 4. If my application is received at the HUD Field Office by the deadline, but not at HUD Headquarters in Washington, D.C., is my application considered "on time" and will it be considered for funding?

No. The determination of an "on time" application is made at HUD Headquarters in Washington, D.C. Your application must arrive by the deadline at HUD Headquarters in order for it to be considered for funding. HUD is constrained by the HUD Reform Act not to accept any applications that arrive after the deadline. (See NOFA for specific application delivery instructions.)

In addition, as stated in the NOFA, reviews will be based solely upon the contents of the application submitted to HUD Headquarters. Application materials submitted to the HUD Field Office and not to Headquarters, even if submitted prior to the deadline, will not be considered in the review of the CoC or of individual projects.

# 5. The NOFA says that HUD will perform a "threshold" review of my application. What does this mean? What should I be aware of when preparing my application?

HUD reviews your application to ensure that the applicant is eligible to apply for the program it selected and has the requisite capacity to carry it out. It also reviews the capacity of all other organizations involved with the proposed project. It is imperative, therefore, to demonstrate that applicants and any sponsors or other organizations involved have sufficient capacity. Be sure to answer all of the questions under the Experience Narrative section(s) of the program exhibit(s). It is also imperative that nonprofit applicants include documentation demonstrating their eligibility.

HUD also reviews your project exhibit to ensure that your project will only serve homeless people (see Section C, question #1, of this supplement), that what you propose is eligible, and, in the case of projects other than SHP renewals and S+C renewals, that your project meets threshold quality standards. You can help ensure that your project passes the quality review by completely answering all of the applicable Project Narrative questions in the program exhibit. These questions relate directly to the NOFA threshold standards so it is important that you address each and every applicable factor in the Project Narrative(s) and complete the charts for the program for which you are applying.

After consultations with HHS, the individual project quality threshold review criteria have been modified to obtain better information on the nature of the supportive services being proposed by the applicant (i.e., supportive service requests must be cost-effective). In addition, performance review standards have been included for renewal projects and can be used as the basis for rejecting poorly performing projects. Finally, all projects, including renewals (except S+C renewals), must submit a specific plan for ensuring that clients will individually be assisted to obtain the benefits of the mainstream assistance programs for which they are eligible.

Under SHP and S+C, renewal projects are considered to have met most of the threshold requirements through their previously approved grant applications. However, threshold reviews will be done on renewal projects to determine: (1) the eligibility of proposed activities; (2) the eligibility of the population to be served; and (3) the capacity of the applicant and project sponsor, including specific progress data contained in the APR.

### G. Continuum of Care Geography

#### 1. What options do communities have in deciding the area to be covered by a CoC?

The primary consideration is to design a system that will most effectively meet the needs of the homeless population. Remember, the single most important factor in receiving funding under this competition is the strength of the CoC as measured against the CoC criteria in the NOFA.

Organizations within any locality may decide to: (a) create a CoC system within its own local boundaries; (b) join nearby communities in creating a multi-county or regional CoC system that fully involves all the communities included and serves the territory of the combined communities; (c) join with the State government or a Statewide organization in creating a Statewide CoC system; or (d) join with the State government or a Statewide organization in developing a CoC system for a specific community and/or county, or an entire region.

Local communities are strongly discouraged from attempting to divide up the geographic area of a locality and developing separate CoC systems with separate applications for each portion of the locality. Such an approach undercuts the concept of CoC because your strategy should be community-wide, comprehensive and inclusive.

# 2. What options do State governments and Statewide organizations have in deciding the areas to be included in a CoC?

Statewide applicants may:

- a. include the entire area of the state not covered by local CoC strategies in a single application which describes the Statewide CoC system for that entire area;
- b. include a part of the area of the State not covered by local CoC systems in a single application which describes the CoC system for that area, which could include one or more counties not covered by local CoC systems; or,
- c. submit two or more applications, each representing a separate CoC system developed by the State or a Statewide organization and its local partners for different sub-State areas not covered by local CoC systems. Each sub-State area could cover a single county or multi-county area.

The area proposed by a State government or Statewide agency should only include those counties and communities that are fully involved in the development and implementation of the CoC strategy with the State. This involvement should be described in Exhibit 1 of the application.

#### 3. How can a rural community maximize its opportunity for project funding under the NOFA?

Because of their small demographic numbers, rural areas generally will have small pro rata need amounts. In order to maximize its funding potential, a rural area may wish to form a regional CoC system encompassing several contiguous counties. A single pro rata need figure for the combined geography will be calculated by adding the pro rata need figures together for each county. However, all geographic areas included in the regional CoC system need to be actively involved in the development and implementation of the CoC system and this involvement must be described in the CoC narrative.

# 4. My community is involving the State in its CoC system. Should the community describe its coordination with the State in the community's Exhibit 1? What about the Statewide application, if there is one?

Both the community and the Statewide applications should describe the coordination that has occurred in their respective applications. State support of a local CoC system can be a factor in the success of the local system. However, neither application should include the other as a jurisdiction covered by the other's strategy when describing the geographic area covered by their respective systems.

# 5. What if a Statewide or regional applicant wants to propose a project in a locality covered by a separate CoC strategy?

When a Statewide or regional entity wants to carry out a project within an area covered by a separate CoC strategy, that project must be included in the application submitted by the local community with the Statewide or regional entity listed as project sponsor and/or applicant. Since such a project would be proposed to fill a gap in a community's strategy, it would be listed only in the local community's CoC priority listing (NOT the Statewide or regional organization's) and would receive a Need score based on the priority listing in that local community's strategy. However, a single HMIS project may cover the implementation of an HMIS across multiple CoCs.

~ • ~ ~ •

#### H. Housing Gaps Analysis/Homeless Population and Subpopulations Charts

#### 1. Why were changes made to the Gaps Analysis Chart?

Starting in 2001, HUD began streamlining the Gaps Analysis Chart in response to feedback from CoC planners concerning the burden and utility of the data being collected. We eliminated the priority levels and made the supportive services section optional. A recent Urban Institute study of the Continuum of Care process confirmed the burdens of collecting the needs data and reiterated local concerns about the usefulness of the data being collected and meaningfulness of several elements of the chart.

For 2003, we have limited the Gaps Analysis process to the housing components of the CoC. Summary data from the Fundamental Components of the CoC System (Housing Activity) are used to complete the Housing Gaps Analysis Chart and unmet shelter and housing needs are based upon the CoC's judgment.

To get better and more consistent data on the size and characteristics of the homeless population, we have integrated elements of the 2002 homeless count table and the homeless subpopulation Gap Analysis table into a new Homeless Population and Subpopulation Chart.

Your local or State government planning agencies have information on how to do a survey, as well as the benefits of various survey designs. In addition, HUD, through the Interagency Council on the Homeless, published the manual, <u>Practical Methods for Counting Homeless People</u>, which also describes data collection methods and sources. You may order a copy of this manual by contacting the Urban Institute's publications office on 202-261-5687. The cost is \$13.50 and includes shipping and handling charges.

### I. <u>Project Priorities</u>

# 1. Why is HUD asking communities to prioritize their projects on the Project Priority chart in Exhibit 1? Who sets the priorities in a community?

Prioritizing projects should be a logical outcome of the development of a community's CoC strategy and driven by the community's gaps analysis. This means that all organizations in the process have a voice in determining the community's priorities for funding. Priorities should be established through a fair and rational process using objective criteria. Selecting the entity (or entities) that facilitates or leads the selection process is completely up to the community. Different entities will take the lead in different communities.

As stated in the application and the NOFA, HUD expects your community's CoC strategy to be developed by and coordinated with an as inclusive group as possible. Organizations involved in this process should include nonprofit organizations as well as community and faith-based entities, government agencies, public housing authorities, housing developers and service providers, businesses and business associations, law enforcement agencies, hospitals, funding providers, and homeless and formerly homeless persons. These and other organizations should represent and address the specific needs of each homeless sub-population: the jobless, veterans, persons with serious mental illnesses, persons suffering from substance abuse, persons living with HIV/AIDS, victims of domestic violence, runaway youth and others.

# 2. What if our community decides it is unable to prioritize individual projects? Can we just submit one large request for funding and decide later how to divide the request into projects based on an RFP (Request for Proposals) or similar process?

No. The decision-making process for deciding the types of projects to include on the Project Priorities chart, and each project's priority for funding, must be completed prior to submission. A community cannot undertake an RFP or similar process after submission. If a Project Priorities chart is not submitted, all projects are likely to receive the lowest points for Need. Moreover, the CoC score will also be adversely affected by the absence of priorities.

# 3. What happens if the dollars requested on the Project Priorities chart do not match the dollars requested in the project budget?

If the project budget shows a higher dollar request than the Project Priorities chart, that amount will be reduced to match the Project Priorities chart. If the dollars requested in the project budget are lower than those shown on the Project Priorities chart, then the lower of the two amounts will be considered by HUD to be the requested amount.

# 4. What happens if the grant term requested on the Project Priorities Chart does not match the grant term requested in the project budget?

The grant term circled on the project budget will be used. Keep in mind that new SHP projects must have at least a two-year grant term.

#### J. Pro Rata Need and Need Scores

#### 1. What is "pro rata need"?

Pro rata need is the term used to describe the relative portion of national homeless assistance need assigned to a community or group of communities in HUD's CoC competition. The "pro rata need amount" is the expression of relative homeless assistance need in dollar terms for use in scoring the "need" rating factor within a CoC competition.

#### 2. How is the pro rata need amount determined for a community?

There are several steps HUD uses to reach the final pro rata need amount for each community, as described below:

<u>Step 1 - Preliminary pro rata need</u>: Prior to application submission, HUD calculates a "relative need index" for each CDBG-entitled city and county and each non-CDBG-entitled county in the country. HUD uses the same indices of need in computing each community's index that is used in determining the formula amounts under the CDBG and ESG programs. Each city's and county's need index is then applied against the total amount of funding available nationally in each year's CoC competition to determine the preliminary pro rata need amount for each geographic area.

Following application submission, HUD assigns each city and county identified as participating in a CoC system in all submitted applications its preliminary pro rata need amount. HUD then aggregates the preliminary pro rata need numbers for all the geographic components participating in each CoC.

<u>Step 2 - Renewal-adjusted pro rata need</u>: Each CoC system's preliminary pro rata need amount will then be compared to the SHP project renewal need identified by that CoC in its Project Priorities chart. Only SHP renewal projects eligible for submission in the competition will be counted for this purpose. Similarly, only that portion of submitted renewal requests that are for activities that may be renewed will be counted (i.e., a proposed expansion of a renewal project is not eligible as a renewal and must be presented as a new project and be shown separately on the Project Priorities chart).

When the total one-year renewal need amount of all eligible SHP renewals submitted in the competition exceeds the preliminary pro rata need amount for that CoC, an amount equal to the difference will be added to the CoC's preliminary pro rata need amount. The net effect of this will be that sufficient funds will be provided to every Continuum of Care so that all of their eligible SHP renewals can be funded for one year if they are successful in this year's funding round and if they are placed as top priorities in the application. However, if the total one year amount of eligible SHP renewals in a CoC is equal to or less than that CoC's preliminary pro rata need, no upward adjustment will be made to their pro rata need.

Note: If a Continuum of Care has a total one-year SHP renewal request greater than its preliminary pro rata need AND that CoC requests more than one year of assistance for one or more of its SHP renewals, this may likely result in at least one of their lower priority renewal requests not being funded due to insufficient pro rata need. If you are in this situation, you are urged to limit the term of your SHP renewal request(s) to one year.

No renewal adjustment will be made to a CoC's preliminary pro rata need amount for eligible S+C renewals being funded non-competitively for one year from the separate McKinney-Vento Act account set up for this purpose since their funding does not count against a CoC's pro rata need.

<u>Step 3 - Permanent housing pro rata need bonus</u>: Again this year, HUD will add a bonus amount on top of the renewal-adjusted pro rata need amount for any CoC system that identifies a new permanent housing project passing all threshold requirements as its number one priority project. In such instances, the full amount of such a project's eligible housing activities, up to the lesser of 100 percent of the CoC's preliminary pro rata need or \$750,000, will be added to the renewal-adjusted pro rata need amount for that CoC system. Please see Section M, question #3, for examples of the application of the permanent housing bonus.

The dollar amount determined after application of each of these steps, as applicable, is referred to as the "final pro rata need amount."

#### 3. Why does my CoC's final pro rata need amount vary from one year to the next?

As can be seen from the discussion above, final pro rata need is influenced by a number of variables that include: updated census data in the formula used to assign PRN; the total amount of dollars available for the competition nationally; the amount of eligible one-year SHP renewal need identified by your CoC system; and, whether or not your CoC system seeks a permanent housing bonus.

#### 4. How is "pro rata need" used?

HUD takes each CoC community's final pro rata need amount and applies it against the requested amount (as adjusted where necessary) of each project on the community's Project Priority chart. Starting with project priority #1 and proceeding down the chart, skipping individual projects rejected during the threshold review, projects whose requested amounts fall fully within the applicant's CoC pro rata need amount, as adjusted ("first level"), or those where more than one-half the requested amount falls within this "first level" receive the full 40 points available for Need. Continuing down the list, those projects whose requested amounts fall fully within the "second level" (two times the pro rata need amount, as adjusted), or those where more than one-half the requested amount falls within the "second level" receive 15 points. Any remaining projects on the priority list each receive 10 points.

There are only two exceptions to the above procedures. The first exception will occur if the first nonrejected project on any CoC system's priority list fails to meet the criteria for receiving 40 points. In such instances, in order to achieve greater geographic diversity, the total requested amount for the first non-rejected priority project will be reduced to the applicant's CoC final pro rata need amount and assigned 40 points.

The second exception will occur if the total amount that would be awarded for "first level" projects in any CoC following the above procedures exceeds the final pro rata need amount for that CoC by more than \$200,000. In such instances, the lowest priority "first level" project being selected will be reduced to the level necessary to ensure that the total amount being awarded for such projects does not exceed the final pro rata need amount by more than \$200,000.

# 5. If five different cities/counties develop a single CoC system, will the pro rata need figures of the five jurisdictions be added together?

Yes. A single final pro rata need figure for the combined geography of the five jurisdictions will be calculated by adding the five separate Need figures. The combined figure will then be used to determine the number of projects on the single Project Priorities chart that will receive 40, 15 and 10 points for Need, as described above. To ensure that the full Pro Rata Need is received, be sure to include all the geography of participating cities/counties on the Application Summary.

# 6. Given the situation in the previous question, do the projects then have to be located in all five jurisdictions proportionally?

No. The projects do not have to be located in all five jurisdictions nor do they have to be located proportionally. However, the single CoC system must be designed to address the problem of homelessness in all five jurisdictions, and it must be clear in the application the various CoC organizations in all five jurisdictions are actively working together in planning and implementing the CoC. Otherwise, the very important CoC score, which represents up to 60 points, will be adversely affected.

#### K. Serving Veteran Needs

# 1. The NOFA mentions veterans groups. How should veterans organizations be involved in the CoC?

Your community process for developing and implementing a CoC system should be comprehensive and inclusive. This means the needs of all homeless sub-populations in your community should be represented in your CoC planning process and project implementation. Because studies show that a significant segment of the homeless population are veterans, it's especially important to involve veterans organizations so that the needs of homeless veterans are addressed appropriately and effectively.

# 2. Is there any guidance available on developing programs to address the needs of homeless veterans?

In 2002, HUD has released two new technical assistance resources addressing the needs of homeless veterans. The first report, <u>A Place at the Table: Homeless Veterans and Local Homeless Assistance</u> <u>Planning Networks</u>, is designed to help organizations serving homeless veterans to more effectively participate in the homeless assistance program planning networks in their communities and, in particular, to access resources through the Continuum of Care planning process.

The second report, <u>Coordinating Resources and Developing Strategies to Address the Needs of</u> <u>Homeless Veterans</u>, provides information on promising practices for effectively coordinating HUD funding with other resources in order to address the special needs of homeless veterans. Both reports can be found at the HUD homepage at <u>http://www.hud.gov/homeless/index.cfm</u> under homeless vets. Printed versions of these 2 reports will be available from Community Connections at 1-800–998-9999.

#### L. Projects

#### 1. What is the extension policy for SHP grants?

For SHP grants expiring in a given calendar year, grantees that will have SHP or other funds to carry them beyond that calendar year have the option of extending their grant term for up to one year subject to HUD approval. Grant terms may be extended if:

- (1) the renewal project fails to receive funding in a competition and wants to become eligible to apply again in the next competition;
- (2) the grantee of a project currently eligible for renewal fails to apply in a competition but wants to be eligible to apply in the next competition; or
- (3) there is an overabundance of renewal requests in the community in a particular year.

Grant terms may not be extended for more than one year. In addition, extensions for less than a year are acceptable if an entire year is not needed to carry the term into the next calendar year. For example, if a grant term ends in November 2002, it need only be extended for 2 months to carry the grant term into January 2003.

To obtain an extension, grantees must request that their local HUD field office process a grant agreement amendment. Such requests must be submitted before the application deadline. With the request for an amendment, grantees must submit information to the field office demonstrating how they fit one of the criteria above and that they have the financial resources to carry out the project fully in accordance with all of the provisions of their grant agreement during the extension period. (See Section N, question #8, regarding funding sources that may be used to continue a project.)

Please note that if a project fails to be renewed in a competition, it would not be eligible to apply for renewal again in the next competition unless the grantee submits a request for and receives an extension of the project's term.

# 2. If my project has several structures and we are also providing supportive services, including outreach, how would I include the supportive service on the budget sheets?

New projects will be including a structure budget for each of the structures in your project. If supportive services are also included, then spread the services among the structure budgets so that the structure budgets add up to the total budget.

#### 3. May SHP funds be used in public housing facilities?

Yes. An SHP project may use public housing units only after the PHA disposes of the units, through deed or lease, to the SHP grantee and obtains HUD approval of the disposition. After the disposition, these units can receive no public housing capital or operating subsidy.

# 4. In the 2003 HUD Appropriations Act, Congress has included a provision to ensure the timely implementation of projects awarded funding in the CoC competition. Does this affect my project?

Recipients conditionally awarded funds in the 2003 CoC funding round must have a fully executed grant agreement or, in the case of the Section 8 Moderate Rehabilitation SRO Program, Annual Contributions Contract, by September 30, 2005. If a grant agreement or ACC is not executed by that date, the award will be withdrawn. These funds will remain available for expenditure for five years from that date.

# 5. If a grantee has money left over after the term of their SHP grant, can the grant be extended in order to spend the remaining money?

SHP projects cannot be extended merely to spend the remaining grant funds. However, if a grant is extended into the next calendar year so that it can become eligible to apply for renewal in the next competition, grant funds remaining from the current term may be used as a source of funding to continue the project during the extension.

# 6. In the application for SHP, under Section D of Exhibit 2, when would it be appropriate to use the "New" exhibit?

You would use the "new" SHP exhibit in the following situations:

- if you were proposing a brand new project that has not provided services or supportive housing for homeless persons;
- if you are making an addition to an existing non-SHP funded project (only <u>the addition</u> is considered eligible for funding);
- if you are making an addition to an existing SHP funded project (only <u>the addition</u> is considered eligible for funding; see Section N, question #4, regarding how to apply for renewal and expansion of the same project);
- if you are bringing your project up to code (only activities which are code-related are eligible);
- if you are replacing non-renewable Federal or private funds in an existing project; or
- if you are re-starting an SHP project which received SHP funding in the past, but the SHP funding ended when the project term expired, and the project did not continue to provide services or supportive housing for homeless persons.

#### 7. Do new and renewal SHP project applicants use identical forms?

No. There are two exhibits for SHP projects this year. The new projects will use the first exhibit (2) and the renewals will use the second exhibit (2R).

#### 8. Are there any new Lead-Based Paint or Environmental review requirements this year?

No. However, the changes made in 2001 were so important that they are worth repeating here.

The changes in the Lead-Based Paint regulations, which became effective for recipients of funding in the 2001 competition, are extensive. The regulations set hazard reduction requirements that give much greater emphasis than existing regulations on reducing lead in house dust. Scientific research has found that exposure to lead in dust is the most common way young children become lead poisoned. Therefore, the new regulation requires dust testing after paint is disturbed to make sure the home is lead-safe. Specific requirements depend on whether the housing is being disposed of or assisted by the Federal Government, and also on the type and amount of financial assistance, the age of the structure, and whether the dwelling is rental or owner-occupied. For additional information, contact your local Field Office.

In regard to environmental reviews, an important statutory change now provides that for recipients who are private nonprofit organizations or public housing authorities (PHA), the environmental review may be performed by responsible entities (units of general local government in whose jurisdiction the activity is located or States) in accordance with 24 CFR Part 58 - "Environmental Review Procedures for Entities Assuming HUD Environmental Responsibilities" whether or not the grantee is itself a unit of local government or State.

If a responsible entity is either unwilling or unable to perform an environmental review for grantees who are public housing agencies or private nonprofit organizations (Section 58.11), or if HUD determines that the responsible entity should not perform the environmental review on the basis of performance, timing or compatibility of objectives, HUD may designate another responsible entity to conduct the review under Part 58 or may itself conduct the environmental review based on Part 50.

#### 9. State and local governments funded in previous competitions were required to certify that they would develop policies and protocols for people being discharged from publicly funded institutions. How do State and local grantees report on our efforts toward implementing the requirements of that certification?

Project applicants who are State or local governments awarded funds in previous competitions are asked in the Project Narrative, Section A, to provide a description of any policies and protocols they have developed/implemented regarding discharges from publicly funded institutions. They should also indicate how these changes have or will prevent such discharges from resulting in homelessness for discharged persons. A copy of the description should be placed in each submitted project.

#### 10. Can Section 8 project-based assistance (PBA) or Section 8 tenant-based assistance (TBA) be used in a SHP funded transitional housing program?

No. HUD will not fund new projects mixing Section 8 assistance in SHP-funded transitional projects. Experience with such funding has resulted in many complex operating issues when the two subsidy streams are combined. Section 8 is intended to be a permanent housing resource and should be integrated into the CoC in that manner.

#### 11. If my project is a new "Supportive Services Only" project, do I still have to answer all of the narrative questions in the Project Narrative, including the questions related to housing?

Applicants for the Supportive Services Only component of the SHP must answer all items in Exhibit 2, Section A, Project Narrative, except item #3 and #7.

### **M.** Permanent Housing Requirement

#### What exactly is the 30 percent permanent housing requirement in this year's competition? 1.

The FY 2003 HUD Appropriations Act specifies that S+C renewal grants awarded this year shall be funded from the appropriation. The Act stipulates that after funding the S+C renewals, 30 percent must be awarded to permanent housing projects. The 30 percent requirement applies to the competition overall, not to individual applications. In other words, HUD is not requiring each community to submit 30 percent of its projects as permanent housing. However, in order to meet this statutory requirement, HUD may have to skip over higher scoring non-permanent housing projects in order to fund lower scoring permanent housing projects or, within a continuum, skip over higher priority non-permanent housing projects in order to fund lower priority permanent housing projects. In order to reduce the chances that one of your non-permanent housing projects will be skipped over for funding, every effort should be made to improve your CoC narrative.

Certain projects in the Safe Haven component of the Supportive Housing Program may now be included in the definition of permanent housing for the purpose of determining compliance with the 30 percent permanent housing requirement. Projects now meeting the definition of permanent housing for this purpose are projects under the following programs:

- S+C (new);
- Section 8 SRO; and
- the SHP/Permanent Housing component (new and renewal);
- Safe Haven projects which have the characteristics of the permanent housing component of SHP, including a lease with the resident.

You should be careful in your application to establish that your Safe Haven project qualifies as permanent housing.

# 2. If HUD finds that it must select for funding lower rated permanent housing projects and, consequently, must skip over non-permanent housing projects above the funding line to meet the 30 percent permanent housing requirement, how will it be done?

Should it be necessary to skip over non-permanent housing projects for funding in order to achieve the 30% requirement, HUD will first skip over <u>new</u> non-permanent housing projects when making project selections in order to meet the 30 percent requirement. If the 30 percent requirement has not been met after skipping over the new non-permanent housing projects, then HUD will skip over non-permanent housing renewal projects. In skipping over new non-permanent housing projects, HUD will begin with the lowest rated (eligible) fundable new non-permanent project at the projected funding line and continue up the rankings until the 30 percent requirement is met. If it is necessary to skip over non-permanent housing renewal projects, HUD will proceed in the same way.

If it becomes necessary to select for funding lower rated permanent housing projects below the funding line as to achieve the 30% permanent housing requirement, these permanent housing projects, in order to be eligible for funding for this purpose, must have been assigned at least 15 Need points and be submitted as part of either a "consolidated" or an "associated" Continuum of Care application that received at least 20 points under the Continuum of Care scoring factor. However, no Continuum of Care application may receive more than 30% above its final pro rata need amount, up to \$3 million, for permanent housing projects assigned only 15 Need points ("second-level" projects) that are selected for funding under this procedure.

#### 3. How does the "incentive" for first priority NEW permanent housing projects work?

To help ensure that the 30 percent permanent housing requirement is met and to promote permanent housing generally, an incentive is provided in this year's competition. If a CoC's number one priority project qualifies as an eligible, new permanent housing project, then the full amount of that project's eligible housing activities, up to the lesser of 100 percent of that CoC's preliminary pro rata need or \$750,000, will be added to the renewal-adjusted pro rata need amount for the continuum. The project must be specified as the number one priority on the continuum's priority chart and it must be a new project, not a renewal. The project must also be found eligible by passing the project threshold review.

Example #1: A new S+C project is proposed as the number one priority with eligible activities totaling \$800,000. The continuum has a preliminary pro rata need amount of \$750,000. If this project passes threshold eligibility review, \$750,000 of the \$800,000 in eligible activity costs for this number one priority project will be added to the initial \$750,000 pro rata need amount resulting in a final pro rata need for the continuum of \$1,500,000.

Example #2: A new SHP permanent housing project is proposed as the number one priority with eligible housing activities totaling \$350,000. The continuum has a preliminary pro rata need amount of \$300,000. If it passes threshold eligibility review, one hundred percent of the CoC's preliminary pro rata need (\$300,000) of the \$350,000 in eligible housing activity costs for this number one priority project will be added to the initial \$300,000 resulting in a final pro rata need amount for the continuum of \$600,000.

Example #3: A new Safe Haven permanent housing project is proposed as the number one priority with an SHP request for \$500,000. The project has a request for \$250,000 in acquisition and rehabilitation, and \$250,000 in supportive services. The pro rata need for this community is \$800,000. In this case, only the eligible housing activity costs (\$250,000) will be added to the pro rata need (\$800,000) to give a final pro rata need of \$1,050,000.

# 4. Since the law calls for 30 percent of the appropriation for the homeless assistance funds to be used for permanent housing, should our community rank the permanent housing projects at the top of the Project Priorities chart to ensure they are funded?

There is no mandate to adjust your priority list. However, non-permanent housing projects on your priority list may not receive funding if a lower ranked permanent housing project must be funded in order to comply with the statutory requirement.

### N. Renewal Funding

#### 1. What is a renewal grant?

A renewal grant is a grant that continues assistance to a project that received funding in the past. For the 2003 competition, a grantee may request renewal funding if it was previously funded under one of the following programs and its grant will expire in calendar year 2004. The following are eligible:

- a. SHP projects, including those renewed before, that are expiring in 2004;
- b. S+C projects expiring in 2004 that will have insufficient funds to continue operating throughout 2004, or S+C projects having been previously extended but which are projected to run out of funds in 2004.

#### 2. Who can apply for a renewal?

Only the current grantee (the entity that has executed the grant agreement with HUD) can be an applicant for a renewal. In order to identify the current grantee as the applicant in this year's competition, a HUD-424 must be included as part of the application. If in doubt, please check with your local HUD field office. Please note that project sponsors and other entities that are not the grantee cannot apply for renewal. The law allows only the grantee to apply.

# 3. A current SHP grantee decides to add new activities or expand the level of an existing approved activity to its existing SHP funded project (i.e., expand the project) and submits an application requesting funding for these new activities. Would this be considered a renewal grant?

No. In order to be considered an SHP renewal, a project must not include either a new activity or an expansion of an existing activity. An expansion of an existing project is considered a new effort and would be submitted as a new project.

#### 4. Do I have to submit separate project applications to both renew and expand my SHP project?

Yes. If a project is eligible for renewal and the grantee wants to apply for funds to both renew the existing project and to add new activities or expand existing activities to the same project, a separate Exhibit 2, Project Narrative, must be submitted for each. That is, an Exhibit 2 should be submitted requesting the renewal of the existing project and another Exhibit 2 should be submitted requesting funding for only the additional new or expanded activities. In addition, both projects should be listed as separate priorities on the Project Priorities chart in Exhibit 1.

#### 5. How do I determine if my project is eligible for SHP renewal?

To be eligible for an SHP renewal, your current HUD grant must expire during calendar year 2004. A grant is expiring in calendar year 2004 if its term ends during that year. Many grants begin with acquisition, rehabilitation, or new construction which must be completed before term activities can begin. Term activities are those that are funded for a period of time specified in the NOFA, grant agreement, or HUD renewal guidance under which the grant was funded – such as one, two or three years. Term activities are leasing, operations, and supportive services. Note: The term of a grant does not begin until the grantee begins to serve participants.

The term ends when the specified time period for the grant elapses. For example, a 1999 SHP grant was awarded a three-year term. The term ends three years from the time the grantee first serves participants and draws SHP funds for leasing, operations or supportive services, not three years from the first draw of SHP funds for any other approved activity.

However, if a grant term has been extended the term ends when the period of extension expires as indicated in the grant agreement amendment. If the grant whose term was extended is subsequently renewed, the renewal grant term begins when the extension period expires.

Contact your local HUD field office to confirm whether your project is eligible for renewal in this competition. Your discussions with the field office should clarify the terms of any extensions, as well as any amendments that have been executed. Any minor changes (less than 10% shift of funds from one activity to another) should be part of your discussion.

#### 6. How much money can I request for my SHP renewal?

The amount an applicant may request for activities eligible for renewal in an existing project (i.e., leasing, operations, supportive services) is based on the average annual amount of the grant being renewed as approved by HUD for these activities in the existing grant's Technical Submission. Renewal funds can only be requested for continuing a previously approved project at the same level of housing and/or services provided in the previous grant. The amount requested for operations may not exceed 75 percent of the total operations budget and the amount requested for supportive services may not exceed 80 percent of the total supportive services budget (see Section E of this supplement regarding match requirements for these activities).

#### 7. Are there any performance standards my renewal grant will have to meet in order to be funded?

Yes. Performance review standards have been included as part of the threshold review of all renewal projects. Renewal projects must evidence satisfactory performance for their existing grant, in HUD's opinion, based upon the substantial achievement of their program goals as reflected in their most recent Annual Progress Report. Renewal projects must also evidence, consistent with the certification required of them that they are coordinating and integrating their program with mainstream resources, that they have assisted clients to obtain the benefits of the mainstream health, social service, and employment programs for which they were eligible. The failure to achieve a satisfactory level of performance for either of these factors may be used as the basis for rejecting the project.

If an APR has not been submitted, a written response describing progress toward goals and coordination of mainstream resources may be submitted.

# 8. If my application for renewal of an SHP project is not funded in a competition, what sources of funds can I use to continue my project?

To continue an SHP project that was unsuccessful in seeking renewal in a prior competition, you may use any type of funds – Federal, State, local, or private funds – and still compete in the next competition. While normally the use of State or local government funds in a project would prevent future Federal funding, HUD does allow the use of State or local government funds as interim or emergency funding when they are used to continue an SHP project which was unsuccessful in seeking a renewal.

# 9. Are there any instances in which the scope of an SHP project may be reduced when it is renewed?

Yes. You may proportionately reduce or eliminate elements of the project and the SHP request. However, be aware that this project, as well as all projects, must meet all project threshold requirements as identified in the NOFA.

If the scope of a project is reduced, clearly indicate and fully describe in Section A, Project Narrative, in the application the following: Why it is necessary to reduce the scope of the project; which elements (housing units, services, etc.) of the project will remain and which will be reduced or eliminated; the number of persons served compared to the number in the original grant; and how the proportionate reduction in SHP funds was calculated.

# 10. Can a CoC decide not to request renewal funds for existing projects, or to give these projects a relatively low priority ranking?

Yes. The need for the continuation of previously funded projects should be considered in the local needs analysis process and a decision should be made locally on the priority to assign to the continuation of a project. HUD does not require that existing projects be renewed or given a higher priority than other projects. However, HUD is very concerned that the ongoing housing needs of persons currently being served by existing projects be taken into account as part of the decision-making process. The CoC should review each project at the time it seeks renewal to determine if the project is performing satisfactorily and is meeting the needs of persons it proposed to serve or whether local needs have changed and other subpopulations or types of assistance should be given preference.

# 11. What level of detail is needed to complete the Supportive Services and Operations Charts for renewal projects?

The charts enable you to include detailed information you already have available for renewal projects at the time of application, rather than at second submission. Requesting the detail normally included in the Technical Submission package streamlines your planning and eliminates duplication of effort following the conditional award.

#### 12. How do I determine if my project is eligible for a S+C renewal?

Any S+C project whose grant term is expiring in calendar year 2004 and which is projected to run out of rental assistance funds in 2004 is eligible for renewal. (In addition, S+C grants that received an extension previously but which are projected to run out of funds in 2004 are also eligible.) The effective date of the grant (the date the agreement is executed by HUD) is the date used to determine whether the grant (including all of its TRA, PRA and SRA, and SRO component projects) is expiring.

It is entirely possible that within a single grant, one component project may have sufficient funds remaining to continue providing rental assistance beyond 2004 while another component project must be submitted for renewal. Therefore, the status of every S+C component project within an expiring grant should be analyzed separately to determine whether it can be extended or should be submitted for renewal.

HUD has developed procedures for extending the grant term for S+C projects expiring in calendar year 2004 with sufficient funds to carry the project into calendar year 2005. This extension process is independent from the CoC competition. In such a case, contact your HUD field office for information on seeking an extension of your project.

# 13. Is the special funding of Shelter Plus Care renewals going to continue in the 2003 competition and what will the requirements be for submission of these renewal applications?

Under the 2003 HUD Appropriations Act, eligible Shelter Plus Care Program grants whose terms are expiring in FY2004 and Shelter Plus Care Program grants that have been extended beyond their original five-year terms but which are projected to run out of funds in FY 2004 will be renewed for one-year provided that they are determined to be needed by the Continuum of Care and meet other programmatic and financial standards. In order to meet the Congressional intent that only Shelter Plus Care renewals determined to be needed by the Continuum of Care are funded, all Shelter Plus Care renewals must be submitted as part of a community's Continuum of Care submission and be included on the priority list. Therefore, S+C renewals must be given consideration as part of the local CoC planning process and, if approved for submission by the CoC, must be listed as the <u>last entries</u> on the CoC's Project Priority Chart. (Even though the selection for funding of eligible Shelter Plus Care projects is non-competitive, a Shelter Plus Care renewal application should be submitted by the deadline and in accordance with the other submission requirements described in the NOFA.)

Exhibit "3R" is for Shelter Plus Care renewal projects only. Submit a separate Exhibit 3R for each renewal project. (A renewal project may include no more than one component [i.e., TRA, SRA, PRA] and may be carried out by no more than one project sponsor.)

You may request up to the amount determined by multiplying the number of units under lease at the time of your application for renewal funding by the applicable current Fair Market Rent(s) by 12 months, except for Shelter Plus Care grants having been awarded one year of renewal funding in 2002, the number of units requested for renewal this year may not exceed the number of units funded in 2002. Upon renewal, the unspent balance of funds at the end of the previous grant period will be recaptured. The one-year term of non-competitively awarded Shelter Plus Care renewal projects may not be extended.

#### 14. How much money can I request for my first S+C renewal or subsequent renewal?

For S+C projects seeking their first renewal in this year's competition, the renewal amount may not exceed the number of S+C units under lease at the time of application for renewal funding times the current Fair Market Rent (FMR as published in the Federal Register on September 30, 2002) times 12 months. (S+C renewal funding is now limited to one year by Congress.) However, for Shelter Plus Care grants having been awarded one-year of renewal funding in 2002, the number of units requested for renewal in 2003 may not exceed the number of units funded in 2002. (Please be advised that the actual FMRs used in calculating your grant will be those in effect at the time the grants are approved which may be higher than those found in the September 30, 2002 FR Notice.) The renewal of S+C/SRO projects is not based on the FMR, but on the contract rent.

# 15. For all S+C projects seeking renewal in 2003, how long must the renewal term be under the S+C program?

For 2003 S+C renewals, the grant term is fixed by law at one year.

# 16. How does a State apply to renew an SHP or S+C grant that is carried out in a location having a local Continuum of Care?

The State's renewal project would need to be part of the local CoC and entered on the local community's Project Priorities chart.

If the State grant is being carried out in various locations, a State may need to divide the renewal request among several CoC priority lists. For example, a State may have an expiring grant that is being carried out in three places—two cities with their own CoC strategies, and one area that is part of the State's CoC strategy. In that case, the first two projects would appear on those communities' Project Priority chart with the State as the applicant.

## **O.** Homeless Management Information Systems (HMIS)

# 1. What is a Homeless Management Information System (HMIS) and how can communities use HUD competitive funds to develop them?

A number of communities and States have long-standing comprehensive HMISs that bring computer technology to client intake procedures and permit the tracking and reporting of a client's use of shelter and social services over time. Many other communities are in various stages of implementing such client-level systems. The 2001 HUD Appropriation established as a national goal that every jurisdiction collect unduplicated client-level HMIS data by 2004. In 2001, HMIS activities became eligible under SHP to help facilitate the implementation and operation of a CoC-wide HMIS. Beginning with the 2003 competition, all awarded projects must agree to participate in a local HMIS, when implemented. The HMIS match requirement applies to HMIS activities.

#### 2. What elements of an HMIS are eligible for funding in the competition?

The law specifies that the costs of implementing and operating an HMIS are eligible. The three major eligible HMIS costs are: 1) purchasing HMIS software; 2) leasing or purchasing needed computer equipment for providers and the central server; and 3) staffing associated with operating the HMIS, including training providers, day-to-day administration of the HMIS, analyzing HMIS data and preparing reports for providers, the continuum and HUD using HMIS data.

#### 3. What elements of an HMIS are not eligible?

Planning and development of HMIS systems are not eligible. Planning includes all costs incurred prior to implementation. In addition to planning activities, SHP funds may not be spent on the development of entirely new software systems. There are now sufficient vendors in the marketplace with quality software so that individual communities do not need to finance the development of new software. Finally, SHP funds may not be used to replace State and local government funding for an existing HMIS.

#### 4. Is HMIS now a separate eligible funded activity?

Yes. HMIS projects are categorized as their own type or component, and they have a separate budget line item in the SHP project budget summary.

# 5. Will HMIS projects count against my housing total in the Continuum of Care exhibit when calculating the "Housing Emphasis" points?

No. HMIS is a line item this year that is separate and apart from supportive services. Only housing activities and supportive services are used in calculating the "Housing Emphasis" points. As such, HMIS requests will not be included in this calculation.

# 6. How can we use HUD McKinney-Vento competitive funds to implement and operate a community-wide HMIS?

HMIS projects can be shared or dedicated. If the costs of the HMIS implementation are shared, then the project is classified as the type of housing or activity that it is providing. For example, if a transitional housing facility is sharing the cost of the HMIS implementation with other providers, that project continues to be classified as TH.

New this year, however, is the classification of dedicated HMIS projects as their own component, or type in the project exhibit and Project Priorities Chart. In the past, HMIS projects were classified as SSO projects. In order to accurately portray the purpose of these projects, they will be categorized independently from SSO projects. If your project was funded as an SSO HMIS and you are requesting renewal funding, you should classify your project as an HMIS, not an SSO project.

# 7. What standards will be used for assessing the cost-effectiveness of a proposed new or expanded HMIS?

HUD has not placed any limits on the size of the grant to fund a new or expanded HMIS, given the different number and size of homeless providers, the size of the geography involved, and the varying administrative arrangements required for implementing and operating a CoC-wide HMIS. However, HUD will look at the scope and reasonableness of the proposed activities compared to other communities in the cost-effectiveness review.

## P. Strategies for Accessing Mainstream Assistance Programs

#### 1. Why is HUD emphasizing the use of mainstream assistance programs?

Significant resources are needed to address the various housing and supportive service needs of homeless persons nationwide. Congress appropriates several *hundred billion* dollars each year for mainstream assistance programs, such as Medicaid, TANF, Food Stamps and SSI. Homeless persons are typically eligible for one or more of these major assistance programs, which can provide many of the services that are currently funded by HUD's Supportive Housing Program (SHP). For a number of years, over half of all of HUD's competitive homeless assistance funds were used to provide supportive services, as opposed to housing. The 2001 Competition was the first time in six years that trend was reversed. As providers assist homeless persons in identifying and successfully accessing mainstream assistance programs, the need to use HUD homeless resources to provide supportive services will decline, allowing HUD's funds to be increasingly used to develop more needed housing.

Because of the important role played by these mainstream programs, the law requires applicants to certify that if their organization's project(s) are selected for funding as a result of this competition, they will coordinate and integrate their homeless program with other mainstream health, social services, and employment programs for which homeless populations may be eligible.

#### 2. How can mainstream programs target the needs of people who are homeless?

Conditions of homelessness, such as transience, instability, and lack of basic resources often make it difficult for homeless individuals and families to apply for, retain, and use mainstream services. There are strategies that can be used to improve access and use of mainstream programs for homeless individuals and families. These strategies include but are not limited to:

- Improving integration and coordination of programs, where multiple needs can be addressed at the same time
- Making the process of applying easier or simultaneous for programs
- Improving outreach efforts about program benefits and eligibility requirements to the homeless and holding mainstream programs accountable for serving homeless people
- Training program personnel about the many issues unique to the homeless, such as lack of stable housing, transportation, and access to a permanent mailing address and phone

#### 3. What are some examples of specific activities or coordination of mainstream programs?

Following are several examples some applicants in the FY 2002 competition provided to demonstrate how they were improving integration and coordination of mainstream programs. These are not all-inclusive, but represent a range of actions CoC's might consider.

- Provide case managers to accompany homeless persons to mainstream program offices and help in the eligibility process
- Develop a formal service agreement between homeless service providers and local mainstream program offices
- Create a single intake form to determine eligibility for all mainstream services
- Train mainstream program staff to conduct extensive outreach at area shelters
- Use a mobile support team for outreach and to bring clients in for mainstream services and case management and identify key contact persons to resolve barriers to services
- Distribute information and conduct presentations about mainstream programs at shelters, transitional housing, and places where homeless people congregate
- Place mental health, substance abuse, public housing and public assistance staff on-site at training or employment centers

## Q. Strategies for Discharge Planning Policy

1. What are some examples of specific discharge planning policies that communities can implement?

Following are several examples some applicants in the FY 2002 competition provided:

- Begin the process of discharge planning when a client enters the institution, not when he/she is ready to be released.
- Require all publicly funded institutions to secure all available entitlements for residents prior to discharge.
- Include all stakeholders in the planning of the policy, including professional representatives from varied disciplines (Justice Services, County Counselors Office, County Police Dept., Dept. of Human Services), municipalities, social service agencies, community organizations, and advocates. Also, these policies must be developed with input from clients. A team approach is the key to planning and implementing a successful discharge policy.

#### Instructions for the HUD-424

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

This form must be used by applicants requesting funding from the Department of Housing and Urban Development. This application form HUD-424 incorporates the Assurances and Certifications (HUD-424-B). You may either (1) attach the Assurances and Certifications to the application or (2) renew the certifications that you previously made on behalf of your organization and submitted to HUD if the legal name of your organization has not changed and you were the authorized representative who signed the Assurances and Certifications.

#### Item Number Instructions

1. Please indicate whether your application is for a formal application submission or a preliminary application (pre-application). HUD does not accept pre-applications for programs funded through the SuperNOFA.

2. Enter the date you are submitting your application to HUD.

This box will be completed by HUD. When received by HUD, your application will be stamped:

(a) with a date; and

(b) with the time received.

 Leave Blank. This will be completed by the HUD program office receiving your application. When HUD accepts electronic applications for the grant program you are applying for, this number will be computer generated.
 If your application is to renew or continue an existing grant, provide the

existing grant number. If a new award, please leave blank.

 Leave blank if you have not been provided a HUD ID number or user number. If you are a Public Housing Authority, enter your HUD issued Public Housing Authority ID number.

7. Enter the legal name of your organization applying for HUD funding.

8. Enter the name of the primary unit in your organization, if applicable, which will be responsible for the program.

9. Enter the complete address of your organization.

10. Enter the name, title, telephone number, fax number, and E-mail of the person to contact on matters related to your application.

11. Enter your organization's Employer Identification Number (EIN) as assigned by the Internal Revenue Service or if you are applying as an individual, your Social Security Number. 12. Choose from the list and enter the appropriate letter in the space provided. You must be an eligible applicant to apply for assistance. You must read the program information requirements to determine if you are a type of applicant that is eligible to apply for assistance under the program.

13. Enter the type of application you are submitting for funding consideration.

Check the appropriate box.

"New" means you are applying for a new grant award.

"Continuation" means you are requesting an extension of an existing award.

"Renewal" means you are requesting funding for renewal of an existing grant. e.g. Supportive Housing Program (SHP) or Shelter + Care grant.

"Revision" means you are submitting a revision prior to the application due date in response to HUD's request for clarification or modification to your initial submission.

14. Pre-filled.

15. Enter the Catalog of Federal Domestic Assistance (CFDA) number

and title and, if applicable, component title of the program.

16. Enter a brief description of your program and key activities.

17. Identify the location(s) where your activities will take place. If

this is the entire state, enter "Entire State".

18a. Enter the proposed start date.

18b. Enter the proposed end date.

19a. List the Congressional District(s) where your organization is located.

19b. List any Congressional District(s) where your program of activities or project sites will be located.

20. You must complete the funding matrix on page 2 of this form. Enter the following information:

Grant Program: The HUD funding program under which you are applying.

HUD Share: Please check the program requirements. Enter the amount of HUD funds you are requesting in your application.

Applicant Match: Enter the amount of funds or cash equivalent of in-kind contributions you are contributing to your project or program of activities.

Other Federal Share: Enter the amount of other Federal funds for your program of activities.

## Instructions for the HUD-424 (Continued)

State Share: Enter the amount of funds or cash equivalent of in-kind services the State is providing to your project or program of activities. Local/Tribal Share: Enter the amount of funds or cash equivalent of in-kind services your local/tribal government is providing to your project or program of activities.

**Other**: Enter the amount of other sources of private, non-profit, or other funds or cash equivalent of in-kind services being provided to your project or program of activities.

**Program Income**: Enter the amount of program income you expect to generate over the life of your award.

Total: Please total all columns and fill in the amounts.

21. You should contact the State Single Point of Contact (SPOC) for Federal Executive Order 12372 or check your application kit to determine whether the State Intergovernmental Review Process is required.

22. This question applies to your applicant organization, not the person signing as your organization's authorized representative. Categories of debt include disallowed costs that requires repayment to HUD.

23. To be signed by the authorized representative of your organization. A copy of your governing body's authorization for you to sign this application must be available in your organization's office.

Previous versions of HUD-424 and 424-M are obsolete.

#### **Applicant Certification**

(These certified statements are required by law.)

A. For the Supportive Housing (SHP), Shelter Plus Care (S+C), and Single Room Occupancy (SRO) programs:

#### 1. Fair Housing and Equal Opportunity.

It will comply with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000(d)) and regulations pursuant thereto (Title 24 CFR part I), which state that no person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance, and will immediately take any measures necessary to effectuate this agreement. With reference to the real property and structure(s) thereon which are provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer, transferee, for the period during which the real property and structure(s) are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

It will comply with the Fair Housing Act (42 U.S.C. 3601-19), as amended, and with implementing regulations at 24 CFR part 100, which prohibit discrimination in housing on the basis of race, color, religion, sex, disability, familial status or national origin.

It will comply with Executive Order 11063 on Equal Opportunity in Housing and with implementing regulations at 24 CFR Part 107 which prohibit discrimination because of race, color, creed, sex or national origin in housing and related facilities provided with Federal financial assistance.

It will comply with Executive Order 11246 and all regulations pursuant thereto (41 CFR Chapter 60-1), which state that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal contracts and shall take affirmative action to ensure equal employment opportunity. The applicant will incorporate, or cause to be incorporated, into any contract for construction work as defined in Section 130.5 of HUD regulations the equal opportunity clause required by Section 130.15(b) of the HUD regulations.

It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701(u)), and regulations pursuant thereto (24 CFR Part 135), which require that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project and contracts for work in connection with the project be awarded in substantial part to persons residing in the area of the project.

It will comply with Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, and with implementing regulations at 24 CFR Part 8, which prohibit discrimination based on disability in Federally-assisted and conducted programs and activities.

It will comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101-07), as amended, and implementing regulations at 24 CFR Part 146, which prohibit discrimination because of age in projects and activities receiving Federal financial assistance.

It will comply with Executive Orders 11625, 12432, and 12138, which state that program participants shall take affirmative action to encourage participation by businesses owned and operated by members of minority groups and women.

If persons of any particular race, color, religion, sex, age, national origin, familial status, or disability who may qualify for assistance are unlikely to be reached, it will establish additional procedures to ensure that interested persons can obtain information concerning the assistance.

It will comply with the reasonable modification and accommodation requirements and, as appropriate, the accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, as amended.

#### Additional for S+C:

If applicant has established a preference for targeted populations of disabled persons pursuant to 24 CFR 582.330(a), it will comply with this section's nondiscrimination requirements within the designated population.

#### 2. Drug – Free Workplace.

It will provide drug-free workplaces in accordance with the Drug-Free Workplace Act of 1988 (41 U.S.C. 701) by:

- (a) publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- (b) establishing an ongoing drug-free awareness program to inform employees about:
  - (1) the dangers of drug abuse in the workplace;
  - (2) the grantees policy of maintaining a drug-free workplace;
  - (3) any available drug counseling, rehabilitation, and employee assistance programs; and

HUD-40076-CoC (2003)

- (4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- (c) making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
- (d) notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:
  - (1) abide by the terms of the statement; and
  - (2) notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- (e) notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:
  - taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - (2) requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency;
- (g) making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f);
- (h) providing the street address, city, county, state and zip code for the site or sites where the performance of work in connection with the grant will take place. For some applicants who have functions carried out by employees in several departments or offices, more than one location may need to be specified. It is further recognized that States and other applicants who become grantees may add or change sites as a result of changes to program activities during the course of grant-funded activities. Grantees, in such cases, are required to advise the HUD Field Office by submitting a revised Place of Performance form. The period covered by the certification extends until all funds under the specific grant have been expended.

#### 3. Anti-Lobbying.

- (a) No Federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- (b) If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.
- (c) The undersigned shall require that the language of this certification be included in the award documents for all sub awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and of more than \$100,000 for each such failure.

#### 4. Debarment.

It and its principals (see 24 CFR 24.105(p)):

- (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions (see 24 CFR 24.110) by any Federal department or agency;
- (b) have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- (c) are not presently indicated for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in (b) of this certification; and
- (d) have not within a three-year period preceding this application/proposal had one or more public

transactions (Federal, State or local) terminated for cause or default.

#### 5. Uniform Act.

It will comply with the Uniform Relocation and Real Property Acquisition Policies Act of 1970 (as amended), and the implementing regulations at: 24 CFR 583.310 for SHP, 24 CFR 582.335 for S+C, and 24 CFR 882.810 for SRO.

#### B. For SHP Only.

#### 1. Maintenance of Effort.

It will comply with the maintenance of effort requirements described at 24 CFR 583.150(a).

#### 2. 20-Year Operation Rule.

For applicants receiving assistance for acquisition, rehabilitation or new construction: The project will be operated for no less than 20 years from the date of initial occupancy or the date of initial service provision for the purpose specified in the application.

#### 3. 1-Year Operation Rule.

For applicants receiving assistance for supportive services, leasing, or operating costs but not receiving assistance for acquisition, rehabilitation, or new construction: The project will be operated for the purpose specified in the application for any year for which such assistance is provided.

#### 4. Environmental Rule.

- (a) If the applicant is a State or other governmental entity with general governmental powers (see 24 CFR 583.5), it assumes all the environmental review responsibility that would otherwise be performed by HUD as the responsible Federal official under the National Environmental Policy Act (42 U.S.C. 4321) (NEPA) and related environmental laws and authorities listed in 24 CFR part 58, including acceptance of jurisdiction of the Federal courts, and will assess the environmental effects of each application for assistance in accordance with the provisions of NEPA and 24 CFR part 58.
- (b) If the applicant is a private nonprofit organization or a governmental entity with special or limited purpose powers, it will (i) not enter into a contract for, or otherwise commit HUD or local funds for, acquisition, rehabilitation, conversion, lease, repair, or construction of property to provide housing under the program, prior to HUD's completion of an environmental review in accordance with 24 CFR Part 50 and HUD's approval of the application; (ii) supply HUD with information necessary for HUD to perform any applicable environmental review when requested under 24 CFR 583.225(a); and (iii) carry out

mitigating measures required by HUD or ensure that alternate sites are utilized.

#### C. For S+C Only.

#### 1. Maintenance of Effort.

It will comply with the maintenance of effort requirements described at 24 CFR 582.115(d).

#### 2. Supportive Services.

It will make available supportive services appropriate to the needs of the population served and equal in value to the aggregate amount of rental assistance funded by HUD for the full term of the rental assistance and that it will fund the supportive services itself if the planned resources do not become available for any reason.

## 3. Components: Standards, Definitions, and \$3,000 Minimum.

- (a) For the SRO component only, the proposed site meets HUD's site and neighborhood standards (24 CFR 882.803(b)(4), and meets the regulatory definition of single room occupancy housing (24 CFR 882.802).
- (b) For the SRO and PRA with rehabilitation components, the rehabilitation costs will meet the per unit rehabilitation minimum of \$3,000.

#### 4. Environmental Rule.

- (a) If the applicant is not a PHA, it assumes all the environmental review responsibility that would otherwise be performed by HUD as the responsible Federal official under the National Environmental Policy Act (42 U.S.C. 4321)(NEPA) and related environmental laws and authorities listed in 24 CFR Part 58, including acceptance of jurisdiction of the Federal courts, and will assess the environmental effects of each application for assistance in accordance with the provisions of NEPA and 24 CFR Part 58.
- (b) If the applicant is a PHA, it will (i) not enter into a contract for, or otherwise commit HUD or local funds for, acquisition, rehabilitation, conversion, lease, repair, or construction of property to provide housing under the program, prior to HUD's completion of an environmental review in accordance with 24 CFR Part 50 and HUD's approval of the application; (ii) supply HUD with information necessary for HUD to perform any applicable environmental review when requested under 24 CFR 583.225(a); and (iii) carry out mitigating measures required by HUD or ensure that alternate sites are utilized.

#### D. For SRO Only.

#### 1. Standards, Definitions, and \$3,000 Minimum.

The proposed site meets HUD's site and neighborhood standards (24 CFR 882.803(b)(4)), meets the regulatory definition of single room occupancy housing (24 CFR 882.802), and the rehabilitation costs will met the per unit rehabilitation minimum of \$3,000.

#### 2. Environmental Rule.

It will comply with the environmental review requirement for the SRO Program at 24 CFR 882.804(d).

#### E. For SHP and SRO

1. Nonprofit Board of Directors.

For private nonprofit applicants, members of its Board of Directors serve in a voluntary capacity and receive no compensation, other than reimbursement for expenses, for their services.

#### F. For SHP and S+C.

#### 1. Lead-Based Paint.

It will comply with the requirements of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4821-4846, and implementing regulations at 24 CFR Part 35.

#### G. For S+C and SRO.

#### 1. PHA Qualification.

For PHA applicants, that it qualifies as a Public Housing Agency as specified in 24 CFR 882.102 and is legally qualified and authorized to carry out the proposed project(s).

#### H. Explanation.

Where the applicant is unable to certify to any of the statements in this certification, such applicant shall attach an explanation behind this page.

| Signature of Authorized Certifying Official: | Date:                                 |

## **Special Project Certification**

## **Coordination and Integration of Mainstream Programs**

<u>All applicants</u> must certify for their project(s) and submit this certification along with form HUD-424 as part of their Continuum of Care application. (You may submit a single certification covering all of your projects.)

I hereby certify that if our organization's project(s) (are) selected for funding as a result of this competition, we will coordinate and integrate our homeless program with other mainstream health, social services, and employment programs for which homeless populations may be eligible, including SSI, Temporary Assistance for Needy Families, Medicaid, Food Stamps, State Children's Health Insurance Program, Workforce Investment Act and Veterans Health Care programs.

Authorized signature of applicant (*required for all applicants*)

Position Title

Date

## **Special Project Certification**

## **Discharge Policy**

Required of all State and local government applicants. Submit this certification along with the HUD form HUD-424. (You may submit a single certification covering all of your projects.)

I hereby certify that as a condition for any funding received as a result of this competition, our government agrees to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I understand that this condition for award is intended to emphasize that States and units of general local government are primarily responsible for the care of these individuals, and that McKinney-Vento Act funds are not be to used to assist such persons in place of State and local resources.

Authorized signature of applicant (required only for applicants that are States or units of general local government) **Position Title** 

Date

## **Consolidated Plan Certification**

#### HUD is required by law to obtain Consolidated Plan Certification for each proposed project.

#### A. Completing the Consolidated Plan Certification

Except as stated below, all projects must have a Consolidated Plan (which is hereafter called the Plan) certification from the applicable State or local government official responsible for submitting the appropriate Plan. States and units of general local government are required to certify both that the project is consistent with the Plan, but also that they are following their currently approved Consolidated Plan. The following instructions indicate the requirement for certification by applicant type for each program.

For SHP, S+C and SRO: Units of general local government that apply must have either an approved Plan or Abbreviated Plan, and therefore must submit a certification for projects located within its jurisdiction. If the application contains projects located outside of the jurisdiction, a Plan certification must be submitted from a jurisdiction with an approved Plan, or if no local Plan covers the project, from the State. A unit of general local government applicant which does not have a Plan should seek the assistance of the local HUD Field Office regarding the development of an Abbreviated Plan.

**Insular Areas** (America Samoa, Guam, Northern Mariana Islands, U.S. Virgin Islands) are not required to have a Plan or Abbreviated Plan, and therefore applications submitted from these jurisdictions do not require a certification of consistency with a Plan.

For SHP and SRO: State government applicants must only submit a certification of consistency with the State Plan.

An applicant that is a **private nonprofit organization**, a **community mental health organization that is a public nonprofit organization, or other governmental entity such as a public housing agency** must provide a certification from each jurisdiction in which a project will be located. If the local jurisdiction in which the project will be located does not have a Plan or an Abbreviated Plan, then a certification from the State must be submitted. For example, if an application contained projects in jurisdiction A have a Plan and jurisdiction B not having a Plan, then the applicant would have to submit a certification from jurisdiction A and a certification from the State for jurisdiction B.

For SHP Only: Non-State applicants proposing activities which will occur in more than one jurisdiction, only need to obtain a certification from the jurisdiction in which the program is administered if they are proposing: (1) Services Only activities; or (2) Scattered-Site Leasing where a participant selects the specific rental unit for which SHP rental assistance will be used. For other forms of leasing, submit a certification from each jurisdiction where units are located.

For S+C Only: State government applicants must submit a certification from both the State and the applicable local jurisdiction(s) where the proposed project will be located.

**Public housing agencies** must provide a certification from each jurisdiction in which a project will be located. If the local jurisdiction in which a project will be located does not have a Plan or an Abbreviated Plan, then a certification from the State must be submitted. For example, if an application contained projects in jurisdiction A having a Plan and jurisdiction B not having a Plan, then the applicant would have to submit a certification from jurisdiction A and a certification from the State for jurisdiction B.

#### **B.** Completing the Location Section

For SHP, S+C and SRO: Facility-Based. If the project involves acquisition, rehabilitation, new construction, or leasing (except scattered-site leasing of rental housing units), enter the city and county in which the site is located.

For SHP and S+C: Scattered-Site Leasing. Follow (1) or (2) depending on whether the project sponsor or the participant selects the units.

- If the project involves scattered-site leasing of rental housing units where the project sponsor will select and lease the units, identify each city and county in which the rental units will be located.
- (2) If the project involves scattered-site leasing of rental housing units where the participant will select the rental units, enter the city and county in which the organization that will be administering the rental assistance is located.

For SHP Only: Services Only. If the project is a Services Only project (not expansions of existing projects with additional services), enter the city and county in which the organization that will be administering the project is located.

Please consult your local HUD Field Office for assistance in identifying jurisdictions with a Plan and the official authorized to provide certification. For each required certification, use the exact language as stated on the form. HUD recommends completing the form itself and submitting it as the certification, rather than retyping it.

HUD-40076-CoC (2003)

U.S. Department of Housing and Urban Development

## Certification of Consistency with the Consolidated Plan

I certify that the proposed activities/projects in the application are consistent with the jurisdiction's current, approved Consolidated Plan. Additionally, if the applicant is a state or unit of general local government, that the jurisdiction is following its current approved Consolidated Plan.

#### INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employeeof any agency, a Member of Congress, an officer or employeeof Congress, or an employeeof a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

- 1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.
- 2. Identify the status of the covered Federal action.
- Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.
- 4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
- 5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
- 6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizationallevel below agency name, if known. For example, Department of Transportation, United States Coast Guard.
- 7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.
- 8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
- 9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.
- 10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.
  - (b) Enter the full names of the individual(s) performing services, and include full address if different from 10 (a). Enter Last Name, First Name, and Middle Initial (MI).
- 11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503.

Public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil m

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

#### Instructions

#### Overview.

- A. Coverage. You must complete this report if:
  - (1) You are applying for assistance from HUD for a specific project or activity and you have received, or expect to receive, assistance from HUD in excess of \$200,000 during the during the fiscal year;
  - (2) You are updating a prior report as discussed below; or(3) You are submitting an application for assistance to an entity other
  - than HUD, a State or local government if the application is required by statute or regulation to be submitted to HUD for approval or for any other purpose.
- B. Update reports (filed by "Recipients" of HUD Assistance): General. All recipients of covered assistance must submit update reports to the Department to reflect substantial changes to the initial applicant disclosure reports.

#### Line-by-Line Instructions.

#### Applicant/Recipient Information.

All applicants for HUD competitive assistance, must complete the information required in blocks 1-5 of form HUD-2880:

- Enter the full name, address, city, State, zip code, and telephone number (including area code) of the applicant/recipient. Where the applicant/recipient is an individual, the last name, first name, and middle initial must be entered.
- Entry of the applicant/recipient's SSN or EIN, as appropriate, is optional.
- Applicants enter the HUD program name under which the assistance is being requested.
- 4. Applicants enter the amount of HUD assistance that is being requested. Recipients enter the amount of HUD assistance that has been provided and to which the update report relates. The amounts are those stated in the application or award documentation. NOTE: In the case of assistance that is provided pursuant to contract over a period of time (such as project-based assistance under section 8 of the United States Housing Act of 1937), the amount of assistance to be reported includes all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.
- Applicants enter the name and full address of the project or activity for which the HUD assistance is sought. Recipients enter the name and full address of the HUD-assisted project or activity to which the update report relates. The most appropriate government identifying number must be used (e.g., RFP No.; IFB No.; grant announcement No.; or contract, grant, or Ioan No.) Include prefixes.

#### Part I. Threshold Determinations - Applicants Only

Part I contains information to help the applicant determine whether the remainder of the form must be completed. Recipients filing Update Reports should not complete this Part.

If the answer to *either* questions 1 or 2 is No, the applicant need not complete Parts II and III of the report, but must sign the certification at the end of the form.

## Part II. Other Government Assistance and Expected Sources and Uses of Funds.

A. Other Government Assistance. This Part is to be completed by both applicants and recipients for assistance and recipients filing update reports. Applicants and recipients must report any other government assistance involved in the project or activity for which assistance is sought. Applicants and recipients must report any other government assistance involved in the project or activity. Other government assistance is defined in note 4 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

- Enter the name and address, city, State, and zip code of the government agency making the assistance available.
- State the type of other government assistance (e.g., lcan, grant, loan insurance).
- Enter the dollar amount of the other government assistance that is, or is expected to be, made available with respect to the project or activities for which the HUD assistance is sought (applicants) or has been provided (recipients).
- 4. Uses of funds. Each reportable use of funds must clearly identify the purpose to which they are to be put. Reasonable aggregations may be used, such as "total structure" to include a number of structural costs, such as roof, elevators, exterior masonry, etc.
- B. Non-Government Assistance. Note that the applicant and recipient disclosure report must specify all expected sources and uses of funds - both from HUD and any other source - that have been or are to be, made available for the project or activity. Non-government sources of

funds typically include (but are not limited to) foundations and private contributors.

#### Part III. Interested Parties.

This Part is to be completed by both applicants and recipients filing update reports. Applicants must provide information on:

- All developers, contractors, or consultants involved in the application for the assistance or in the planning, development, or implementation of the project or activity and
- 2. any other person who has a financial interest in the project or activity for which the assistance is sought that exceeds \$50,000 or 10 percent of the assistance (whichever is lower). Note: A financial interest means any financial involvement in the project or activity, including (but not limited to) situations in which an individual or entity has an equity interest in the project or activity, shares in any profit on resale or any distribution of surplus cash or other assets of the project or activity, or receives compensation for any goods or services provided in connection with the project or activity. Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.

- Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.
- Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.
- Enter the type of participation in the project or activity for each person listed: i.e., the person's specific role in the project (e.g., contractor, consultant, planner, investor).
- 4. Enter the financial interest in the project or activity for each person listed. The interest must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

Note that if any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need

not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section I.D.5., above. Notes:

- 1. All citations are to 24 CFR Part 4, which was published in the Federal Register. [April 1, 1996, at 63 Fed. Reg. 14448.]
- 2. Assistance means any contract, grant, loan, cooperative agreement, or other form of assistance, including the insurance or guarantee of a loan or mortgage, that is provided with respect to a specific project or activity under a program administered by the Department. The term does not include contracts, such as procurements contracts, that are subject to the Fed. Acquisition Regulation (FAR) (48 CFR Chapter 1).
- See 24 CFR §4.9 for detailed guidance on how the threshold is calculated.
- 4. "Other government assistance" is defined to include any loan, grant, guarantee, insurance, payment, rebate, subsidy, credit, tax benefit, or any other form of direct or indirect assistance from the Federal government (other than that requested from HUD in the application), a State, or a unit of general local government, or any agency or instrumentality thereof, that is, or is expected to be made, available with respect to the project or activities for which the assistance is sought.
- 5. For the purpose of this form and 24 CFR Part 4, "person" means an individual (including a consultant, lobbyist, or lawyer); corporation; company; association; authority; firm; partnership; society; State, unit of general local government, or other government entity, or agency thereof (including a public housing agency); Indian tribe; and any other organization or group of people.

# Supporting Documents for Continuum of Care Application

- 1. SuperNOFA See General Section
- 2. SuperNOFA See Continuum of Care NOFA
- 3. Geographic Area Codes
- 4. HUD Community Planning and Development Field Office Contact List

#### **Geographic Area Code**

The following list identifies the geographic codes for the cities and counties in the United States, including the District of Columbia, American Samoa, Guam, the Virgin Islands, and Puerto Rico. Please use this list to identify each geographic area included in your Continuum of Care system. List each name and 6-digit code on the Application Summary sheet which is the first page of your application.
