ANR Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

September 11, 2003.

Take notice that on August 29, 2003, ANR Pipeline Company (ANR) tendered for filing, as part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets proposed to become effective September 1, 2003:

Fifty-Seventh Revised Sheet No. 8

Fifty-Seventh Revised Sheet No. 9

Fifty-Sixth Revised Sheet No. 13

Sixty-Ninth Revised Sheet No. 18

ANR states that the above-referenced tariff sheets are being filed to implement recovery of approximately \$12.2 million of above-market costs that are associated with its obligation to Dakota Gasification Company (Dakota) and the Dakota buyout costs resulting from the assignment of the Gas Purchase Agreement with Dakota as well as related transportation capacity to BP Canada Energy Marketing Corp. ANR states that they propose a reservation surcharge applicable to its part 284 firm transportation customers to collect ninety percent of the Dakota costs, and an adjustment to the maximum base tariff rates of Rate Schedule ITS and overrun rates applicable to Rate Schedule FTS-2, so as to recover the remaining ten percent.

ANR states that the proposed changes would increase the current Above-Market Dakota Cost recoveries from \$2,228,076 recovered over three months to \$12,201,492 recovered over twelve months.
