SUPPLEMENTARY INFORMATION:

I. Background

Section 4531 of the Balanced Budget Act of 1997 (BBA) required the

Secretary of the Department of Health and Human Services to establish a national fee schedule (FS) for payment of ambulance services through a negotiated rulemaking process. The statute provided that the Secretary phase in the application of payment rates under the FS in an efficient and fair manner and that the aggregate amount of payment for such services under the new FS not exceed the amount that would have been paid under the old system (42 U.S.C. § 1395m(l)(1), (2), (3)). The BBA provided that the FS would apply to services furnished on or after January 1, 2000.

The September 12, 2000 proposed rule (65 FR 55078) and the February 27, 2002 final rule (67 FR 9100) both provide for payment for ambulance services to be made in two parts: a base rate and a payment for mileage. Section 423 of the Medicare, Medicaid and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA), which was passed after the publication of the proposed rule and prior to the promulgation of the final rule, provided that during the phase-in of the FS there would be full payment of any national mileage rate for ambulance services furnished by suppliers in States where the Medicare carrier did not previously pay separately for all mileage within the county from which the beneficiary is transported. Two States have been identified as qualifying under this provision: North Carolina and Tennessee. The BIPA states that this provision shall apply to services furnished on or after July 1, 2001. The FS was implemented on April 1, 2002 by the February 27, 2002 final rule. The final rule announced the 5-year phase-in that is based on a blend of a percentage of the payment based on the old payment system with a percentage of the payment based on the FS according to the following schedule:

Calendar year	Percentage of old payment system	Percentage of fee schedule
2002*	80	20
2003	60	40
2004	40	60
2005	20	80
2006	0	100

* April 1, 2002 through December 31, 2002 only.

The full national FS mileage rate in those States that qualify for section 423 of the BIPA (North Carolina and Tennessee) has been paid as of April 1, 2002.
