A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange represents that, in light of the recent changes mandated by the Sarbanes-Oxley Act of 2002 and at the request of Commission's Chairman William H. Donaldson,⁴ the Exchange recently reviewed its own corporate governance structure. The committee shall have the responsibility to conduct an annual review with the independent auditors, to determine the scope of their examination and the cost thereof. The committee shall periodically review with the independent auditors and the

internal auditor, the Exchange's internal controls and the adequacy of the internal audit program. The committee shall review the annual reports submitted both internally and externally and take such action with respect thereto as it may deem appropriate. The committee shall also recommend annually to the Board independent public accountants as auditors of the Exchange and its subsidiaries.

2. Statutory Basis

The Exchange believes that the proposal furthers the objectives of Section 6(b)(5)⁵ of the Act in that it is designed to promote just and equitable principles of trade and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:
