

would render a margin inappropriate. Where circumstances indicate the selected margin is not appropriate as adverse facts available, the Department will disregard the margin and determine an appropriate margin. *See, e.g., Fresh Cut Flowers from Mexico; Final Results of Antidumping Duty Administrative Review*, 61 FR 6812, 6814 (Feb. 22, 1996) (where the Department disregarded the highest margin as adverse facts available because the margin was based on another company's uncharacteristic business expense resulting in an unusually high margin). *See Stainless Steel Plate in Coils from Belgium; Preliminary Results of Antidumping Duty Administrative Review*; 66 FR 11559 (February 26, 2001).

The highest margin in the history of the proceeding is 21.2 percent from the petition in the LTFV investigation. In this review, there are no circumstances indicating that this margin is inappropriate as adverse facts available. Therefore, we preliminarily find the 21.2 percent rate is corroborated to the greatest extent practicable in accordance with section 776(c) of the Tariff Act.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that a weighted-average dumping margin of 21.2 percent exists for Sam Sung for the period February 1, 2002 through January 31, 2003.

Interested parties may submit written comments (case briefs) no later than 30 days after the date of publication. *See* 19 CFR §351.309(c)(1)(ii). Rebuttal comments (rebuttal briefs), which must be limited to issues raised in the case briefs, may be filed no later than 37 days after the date of publication of this notice. *See* 19 CFR §351.309(d)(1). Parties who submit case briefs or rebuttal briefs in this proceeding are requested to submit with each argument (1) a statement of the issue and (2) a brief summary of the argument, not to exceed five pages in length. Any interested party may request a hearing within 30 days of publication. *See* 19 CFR §351.310(c). Any hearing, if requested, will be held two days after the submission of rebuttal briefs, if any, or the first working day thereafter. *See* 19 CFR §351.310(d). The Department will publish a notice of the final results of the administrative review, which will include the results of its analysis of issues raised by the parties, within 120 days of publication of these preliminary results. *See* 19 CFR §351.213(h).

The Department will determine, and Customs shall assess, antidumping duties on all appropriate entries. The

Department will issue appropriate assessment instructions directly to Customs within 15 days of publication of the final results of review. We will direct Customs to assess the resulting assessment rate against the entered customs values for the subject merchandise on each entry during the review period.

Cash Deposit

The following deposit requirements will be effective upon publication of final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication, as provided by section 751(a)(1) of the Tariff Act: (1) the cash deposit rate for the reviewed company will be the rate shown above; (2) for previously reviewed or investigated companies not listed above, the cash deposit will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the manufacturer is, the cash deposit rate will be that established for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this review, any previous reviews, or the LTFV investigation, the cash deposit rate will be 21.2 percent, the "all others" rate established in the LTFV investigation. *See Final Determination of Sales at Less Than Fair Value: Certain Welded Stainless Steel Butt-Weld Pipe Fittings from the Republic of Korea*, 57 FR 61881, 61882 (December 29, 1992).

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR § 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act.

James J. Jochum,

Assistant Secretary for Import Administration.
