SUMMARY: As authorized by Pub. L. 105-383 and Pub. L. 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

Title: Generic Clearance for the National Cemetery Administration (NCA), and the Office of Inspector General (IG) Customer Satisfaction Surveys.

OMB Control Number: 2900-0571.

Type of Review: Extension of a currently approved collection.

Abstract: Executive Order 12862, Setting Customer Service Standards, requires Federal agencies and Departments to identify and survey its customers to determine the kind and quality of services they want and their level of satisfaction with existing service. NCA, and IG use customer satisfaction surveys to gauge customer perceptions of VA services as well as customer expectations and desires. The results of these information collections lead to improvements in the quality of VA service delivery by helping to shape the direction and focus of specific programs and services.

Affected Public: Individuals or households, Business or Other For-Profit and State, Local or Tribal Government.

Listing of Survey Activities: The following list of activities is a compendium of customer satisfaction survey plans by the NCA, and IG. The actual conduct of any particular activity listed could be affected by circumstances. A change in, or refinement of, our focus in a specific area, as well as resource constraints could require deletion or substitution of any listed item. If these organizations substitute or propose to add a new activity that falls under the umbrella of this generic approval, including those activities that are currently in a planning stage, OMB will be notified and will be furnished a copy of pertinent materials, a description of the activity and number of burden hours involved. NCA, and IG will conduct periodic reviews of ongoing survey activities to ensure that they comply with the PRA.

In addition, NCA expects to conduct mail surveys with a total annual burden of 12,000 hours and will distribute comment cards with a total annual burden of 208 hours.
