

Land Management (BLM) and the U.S. Forest Service (USFS). The Santa Rosa and San Jacinto Mountains National Monument Act of 2000 affects only Federal lands and Federal interests located within the established boundaries. The BLM and the Forest Service will jointly manage Federal lands in the National Monument in coordination with the Agua Caliente Band of Cahuilla Indians, other Federal agencies, State agencies, and local governments.

Copies of the Santa Rosa and San Jacinto Mountains National Monument Management Plan/FEIS have been sent to affected Federal, State, and Local Government agencies, interested parties and those who requested a copy of the Draft Management Plan/Draft EIS. Copies of the proposed Plan/Final EIS are available for public inspection at the BLM Palm Springs-South Coast Field Office, P.O. Box 581260, 690 W. Garnet Avenue, North Palm Springs, CA 92258. Interested persons may also review the Proposed Management Plan/FEIS on the Internet at <http://www.ca.blm.gov/palmsprings>. Electronic (on CD-ROM) and paper copies may also be obtained by contacting Greg Hill at the aforementioned addresses and phone number.

Comments on the Draft Management Plan/EIS received from the public and internal BLM and Forest Service review comments were incorporated into the proposed plan. Public comments resulted in the addition of clarifying text, but did not significantly change proposed land use decisions. The range of alternatives in this plan does not reevaluate planning decisions included in the BLM California Desert Conservation Area Plan (1980 as amended) or included in the Forest Service San Bernardino National Forest Land and Resource Management Plan (1989 as amended). Records of Decision will be prepared by the BLM and FS for the Santa Rosa and San Jacinto Mountains National Monument Management Plan in accordance with planning regulations at Title 43 CFR 1610 and NEPA. No decisions in the National Monument Management Plan are proposed amendments to the San Bernardino National Forest Land and Resource Management Plan (1989). Those decisions within the National Monument Management Plan that are proposed amendments to the California Desert Conservation Area Plan are subject to protest according to BLM regulations.

Instructions for filing a protest with the Director of the BLM regarding the Proposed Plan/Final EIS may be found at 43 CFR 1610.5. A protest may only

raise those issues which were submitted for the record during the planning process. New issues raised in the protest period should be directed to Greg Hill, Palm Springs-South Coast Field Office, (address provided previously in this notice) for consideration in plan implementation, as potential plan amendments, or as otherwise appropriate. Protests must be in writing, and to be considered "timely," the protest must be postmarked no later than the last day of the 30-day protest period. Also, although not a requirement, it is recommended that the protest be sent by certified mail, return receipt requested. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112, and e-mails to Brenda.Hudgens.Williams@blm.gov. Please direct the follow-up letter to the appropriate address provided below.

The protest must contain:

- a. The name, mailing address, telephone number, and interest of the person filing the protest.
- b. A statement of the part or parts of the management plan and the issue or issues being protested. To the extent possible, this should be done by reference to specific pages, paragraphs, sections, tables, maps, etc., included in the proposed management plan;
- c. A copy of all documents addressing the issue(s) that the protesting party submitted during the planning process or a statement of the date they were discussed for the record.
- d. A concise statement explaining why the protestor believes the State Director's decision is wrong. This is a critical part of the protest. Take care to document all relevant facts. As much as possible, reference or cite the planning documents, environmental analysis documents, and/or available planning records (*i.e.*, meeting minutes or summaries, correspondence, etc.).

A protest which merely expresses disagreement with proposed decision without supporting data will not provide additional basis for the Director's review of the decision. Please note that comments, including names and street addresses of respondents, are available for public review and/or release under the Freedom of Information Act (FOIA). Individual

respondents may request confidentiality. Respondents who wish to withhold name and/or street address from public review or from disclosure under FOIA, must state this prominently at the beginning of the written comment. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials or organizations or businesses, will be made available for public inspection in their entirety.

All protests must be in writing and mailed to the following address:

Regular Mail: Director (210), Attention: Brenda Williams, P.O. Box 66538, Washington, DC 20035.

Overnight Mail: Director (210), Attention: Brenda Williams, 1620 L Street, NW., Suite 1075, Washington, DC 20036.

The BLM Director will promptly render a decision on the protest. The decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested. The decision of the BLM Director shall be the final decision of the Department of the Interior.

Dated: August 22, 2003.

Tracy Liegler,

Acting Santa Rosa and San Jacinto Mountains, National Monument Manager.

Dated: August 20, 2003.

Laurie Rosenthal,

SUPPLEMENTARY INFORMATION:

Background

Lake Berryessa was created as part of the Solano Project with the completion of Monticello Dam in 1957. In 1958, Reclamation and the County of Napa entered into an agreement for the County to assume management responsibilities for the lake. A Public Use Plan (PUP) was developed by the National Park Service in 1959 to guide Reclamation and the County in the development of recreational facilities at the lake. In 1975, Reclamation resumed direct management of Lake Berryessa as a result of Title VI of the Reclamation Development Act of October 27, 1974 (Pub. L. 93-493), which authorizes Reclamation to provide for the protection, use, and enjoyment of the aesthetic and recreational values at Lake Berryessa. In 1987, a new planning process began to develop an updated management document for the lake. A Reservoir Area Management Plan (RAMP) was developed to provide guidance for Reclamation in management issues which were not

mentioned in the PUP and to assist Reclamation in administering the lake and concession areas. Reclamation completed a Final EIS for the RAMP in 1993.

Presently there are seven concessionaires authorized by Reclamation to provide commercial support services to Lake Berryessa visitors. These seven concession contracts have been in effect since the late 1950s. All the contracts will expire by 2009. Reclamation also administers two day-use areas and a public boat launching facility as well as numerous roadside turnouts and trails. The east side of the lake has been designated a State Wildlife Area and is managed cooperatively by Reclamation and the California Department of Fish and Game.

Visitor Services Plan (VSP)

The VSP will identify and develop the types and levels of recreation support services and facilities to be provided both commercially and by the government at Lake Berryessa. Some of the issues to be addressed in the VSP include day use needs, long-term and short-term recreational vehicle and trailer sites, retention or elimination of exclusive long-term trailer sites as presently operated, campground development, marina development, consolidation or expansion of existing commercial operations, new services development and construction, retention or removal of existing facilities, food and beverage service needs, overnight lodging facilities, and support for marine based activities such as fishing (individual and tournament), swimming, water skiing, etc.

Special Assistance

If special assistance is required, please call Janet Sierzputowski at 916-978-5112. If a request cannot be honored, the requester will be notified. A telephone device for the hearing impaired (TDD) is available at 916-978-5608.

Open House

The open house will be held to provide the public with an opportunity to study the environmental issues addressed in the DEIS. It will consist of informational displays staffed by project team members who will be answering questions.

Public Hearings

The public hearings will be held to provide the public with an opportunity to comment on the DEIS. Oral comments will be taken by a certified

court reporter. Comments will also be taken via comment sheets.

Comments

Comments will be accepted in the following formats:

Written—Written comments should be addressed to Ms. Janet Sierzputowski at the address above.

Comment Cards—Comment cards will be available to all that attend the public hearings. They can be returned at the public hearing, faxed to Janet Sierzputowski at 916-978-5114, or mailed to Ms. Sierzputowski at the address above.

Electronic—Comments may be submitted electronically by e-mailing the project team at: jsierzputowski@mp.usbr.gov.

Additional Information

Additional information is available at the Web site: <http://www.usbr.gov/mp/berryessa>.

Comments, including the names and home addresses of respondents, will be available for public review. Individual respondents may request that their home address be withheld from public disclosure, which will be honored to the extent allowable by law. If they wish their name and/or address withheld, they must state that prominently at the beginning of their comment. Submissions from organizations or businesses, and individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public disclosure in their entirety.
