The Supreme Court reversed the district court decision and the Commission must revise the forms to enable libraries to certify their compliance with CIPA. Specifically, the Commission will make a few small changes to the forms in item 6.b and 11 of the Form 486 and Item 6 of the FCC 479 (FCC Form 500 remains unchanged). Additionally, the Commission is requesting contact information to conform with the contact information requested in other Schools and Libraries Universal Service forms.

Federal Communications Commission.

Secretary.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Public Notice, CC Docket No. 96-45, released July 16, 2003. On April 3, 2003, Nextel Partners of Upstate New York, Inc. d/b/a Nextel Partners (Nextel), a commercial mobile radio service (CMRS) carrier, filed with the Commission a petition under section 214(e)(6) seeking designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered in designated rural and non-rural areas of its licensed service area in the state of New York. On May 28, 2003, Nextel filed an amendment to its petition further delineating its proposed service areas. Nextel contends that the New York Public Service Commission (New York Commission) has provided an affirmative statement that it does not regulate CMRS carriers; Nextel satisfies all the statutory and regulatory prerequisites for ETC designation; and designating Nextel as an ETC will serve the public interest.

Nextel must provide copies of its petition to the New York Commission. The Commission will also send a copy of this Public Notice to the New York Commission by overnight express mail to ensure that the New York Commission is notified of the notice and comment period.

Pursuant to sections 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments as follows: Comments are
