Northeast Generation Company, Connecticut; Notice of Intention to Hold Public Meetings for Discussion of the Draft Environmental Impact Statement for the Housatonic River Hydroelectric Project

July 31, 2003.

On July 11, 2003, the Commission staff mailed the Housatonic Project Draft Environmental Impact Statement (DEIS) to the U.S. Environmental Protection Agency, resource and management agencies, and interested organizations and individuals.

and Operating Agreement for Occidental's Taft cogeneration facility in Hahnville, Louisiana, is unjust and unreasonable. Occidental alleges that the agreement violates the Commission's prohibition against "and" pricing by failing to provide transmission service credits and violates Commission precedent because it does not provide interest on monies Occidental has advanced to Entergy for all network upgrades.

Occidental states that copies of the filing were served upon Entergy and the Louisiana Public Service Commission. Any person desiring to be heard or to protest this filing should file with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. The answer to the complaint and all comments, interventions or protests must be filed on or before the comment date below. This filing is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "FERRIS" link. The DEIS was noticed in the **Federal Register** on July 18, 2003, and comments are due September 17, 2003. The DEIS evaluates the environmental consequences of the operation and maintenance of the five developments comprising the Housatonic River Project in Connecticut. About 74 acres within the project boundary are located on lands of the United States. The DEIS evaluates the environmental effects of implementing the applicant's proposals, agency and interested parties' recommendations, staff's recommendations, and the no-action alternative.

Two public meetings, which will be recorded by an official stenographer, are scheduled:
