The SD has been distributed to parties on the Service List for this proceeding and is available from our Public Reference Room at (202)502-8371. It can also be accessed online at <http://www.ferc.gov> under the "FERRIS" link.

Given the fact that no comments have been filed related to the relicensing and that Barton Village, Inc. has not proposed any new construction, we do not anticipate at this time that there is adequate justification: (1) to arrange for Commission staff and interested members of the public to visit the project site; or (2) to hold a public meeting near the project site.

Please review this document and, if you wish to provide written input, follow the instructions contained in section 2.2. Please direct any questions about the scoping process to Frank Winchell at (202) 502-6104.

Magalie R. Salas,
Secretary.

BILLING CODE 6717-01-P

ENVIRONMENTAL PROTECTION AGENCY

[FRL-7442-3]

Notice of Proposed Purchaser Agreement Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as Amended by the Superfund Amendments and Reauthorization Act**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice; request for public comment.

SUMMARY: In accordance with the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986 ("CERCLA"), 42 U.S.C. 9601-9675, notice is hereby given that a proposed purchaser agreement ("Purchaser Agreement") associated with the Commodore Semiconductor Group Superfund Site ("Site") located in Norristown, Pennsylvania, was executed by the Environmental Protection Agency

and the Department of Justice and is now subject to public comment, after which the United States may modify or withdraw its consent if comments received disclose facts or considerations which indicate that the Purchaser Agreement is inappropriate, improper, or inadequate. The Purchaser Agreement will resolve certain potential EPA claims under sections 106 and 107 of CERCLA, 42 U.S.C. 9606 and 9607, against 950 Rittenhouse, Inc., and 950 Rittenhouse Associates, L.P. ("Purchaser"). The property subject to the Purchaser Agreement is the Site which encompasses approximately 14 acres at 950 Rittenhouse Road, in the Valley Forge Corporate Center in Lower Providence Township, Norristown, Pennsylvania. A portion of the Site had been operated as a semiconductor chip manufacturing facility. At the time the building was constructed, a 250-gallon underground concrete storage tank was installed adjacent to the southeast side of the building. The concrete tank was used to store a waste solution known to contain trichloroethene ("TCE") and other solvents. According to information obtained by EPA from Commodore Business Machines, Inc., the former operator of the Facility, contents from the underground concrete storage tank leaked in 1974.

In February 1984, EPA performed a Site Inspection ("SI") at the Site. A Preliminary Assessment ("PA") and another SI were subsequently completed by EPA on December 5 and 12, 1986, respectively. Sampling results revealed the presence of trichloroethene ("TCE") in nearby residential wells. EPA also found the presence of volatile organic compounds ("VOCs") which include trichloroethene ("TCE"), trichloroethane ("TCA"), 1,2 dichloroethene, 1,1 dichloroethene, and 1,1 dichloroethane and vinyl chloride in groundwater, surface water, and soil samples taken from the Site.

For thirty (30) days following the date of publication of this notice, the Agency will accept written comments relating to the proposed Purchaser Agreement. The Agency's response to any comments received will be available for public inspection at the U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, PA 19103.

DATES: Comments must be submitted on or before February 27, 2003.

AVAILABILITY: The proposed Purchaser Agreement and additional background information relating to the proposed Purchaser Agreement are available for public inspection at the U.S. Environmental Protection Agency, Region III, 1650 Arch Street,

Philadelphia, PA 19103. A copy of the proposed Purchaser Agreement may be obtained from Suzanne Canning, U.S. Environmental Protection Agency, Legal Program Coordinator (3RC00), 1650 Arch Street, Philadelphia, PA 19103. Comments should reference the "Commodore Semiconductor Group Superfund Site Prospective Purchaser Agreement" and "EPA Docket No. CERCLA-03-2002-0071," and should be forwarded to Suzanne Canning at the above address.
