RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

SUMMARY: In accordance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Title and purpose of information collection: Request for Internet Services.

The RRB uses a Personal Identification Number (PIN)/Password system that allows RRB customers to conduct business with the agency electronically. As part of the system, the RRB collects information needed to establish a unique PIN/Password that allows customer access to RRB Internet-based services. The information collected is matched against records of the railroad employee that are

maintained by the RRB. If the information is verified, the request is approved and the RRB mails a Password Request Code (PRC) to the requestor. If the information provided cannot be verified, the requestor is advised to contact the nearest field office of the RRB to resolve the discrepancy. Once a PRC is obtained from the RRB, the requestor can apply for a PIN/Password online. Once the PIN/Password has been established, the requestor has access to RRB Internet-based services. The RRB estimates that approximately 12,000 requests for PRC's and PIN/Passwords are received annually and that it takes 5 minutes per response to secure a PRC and 1.5 minutes to establish a PIN/Password. Completion is voluntary, however, the RRB will be unable to provide a PRC or allow a requestor to establish a PIN/Password (thereby denying system access), if the requests are not completed. The RRB proposes minor, non-burden impacting, editorial changes to the PRC and PIN/Password screens.

Additional Information or Comments: To request more information or to obtain a copy of the information collection justification, forms, and/or supporting material, please call the RRB Clearance Officer at (312) 751-3363. Comments regarding the information collection should be addressed to Ronald J. Hodapp, Railroad Retirement Board, 844 N. Rush Street, Chicago, Illinois 60611-2092. Written comments should be received within 60 days of this notice.

Chuck Mierzwa,

Clearance Officer.

KeySpan Corporation, et al.

[70-9957]

KeySpan Corporation ("KeySpan"), a registered holding company, and its subsidiary, KeySpan Insurance Company ("KIC") (collectively, "Applicants"), One MetroTech Center, Brooklyn, New York 11201, have filed, under sections 9(a), 10, 12(b) and 13(b) of the Act and rules 45 and 54 under the Act, a post-effective amendment to a previous application.

Applicants ask to expand the authority granted to KeySpan by order dated April 24, 2003 (Holding Co. Act Release No. 27669) ("Captive Order"). In accordance with the Captive Order, KeySpan formed KIC to provide certain insurance services to KeySpan and its subsidiaries ("KeySpan System"). Applicants request authority for KIC to expand the insurance it provides to include property, boiler and machinery, and "all risk" insurance services for the KeySpan System.

The Captive Order authorized KeySpan to organize a captive insurance company that would reinsure certain commercial insurance bought by the KeySpan System from commercial insurance companies. In particular, KIC is authorized to provide to the KeySpan System automobile liability, workers' compensation and general liability insurance coverage. In addition, KIC is authorized to provide general liability and workers' compensation insurance to its principal contractor under an Owner's Controlled Insurance Program ("OCIP").
