

Territories and Indian tribes, the Office of the Chief Executive Officer). The Governor must sign the application. Applications not signed by the Governor are not eligible and will not be reviewed. State-level agencies are not considered to be part of the immediate Office of the Governor and are not eligible to apply. This means, for example, that the State Substance Abuse Authority (SSA) or other State-level agencies within the Executive Branch cannot apply independently. SAMHSA has limited the eligibility to Governors of States because the immediate Office of the Governor has the greatest potential to provide the multi-agency leadership needed to develop the State's treatment service systems to increase the State's capacity to provide accessible, effective, screening, brief intervention, referral and brief treatment services to persons with Substance Use Disorders. States that have already begun to develop such integrated systems, stressing early intervention for persons at risk of dependence, are especially encouraged to apply.

*Due Date for Applications:* July 2, 2003.

*Estimated Funding Available/Number of Awards:* It is expected that approximately \$22 million will be available for an estimated 7 State awards in FY 2003. The average annual award will range from \$2,500,000 to \$3,500,000 in total costs (direct and indirect). Applications with proposed budgets that exceed \$3.5 million will be returned without review.

*Is Cost Sharing Required:* No.

*Period of Support:* Up to 5 years, with annual continuation awards depending on the availability of funds, progress achieved and compliance with the Government Performance and Results Act (GPRA) requirements.

*How to Get Full Announcement and Application Materials:* Complete application kits may be obtained from: The National Clearinghouse for Alcohol and Drug Information (NCADI) at 1-800-729-6686. The PHS 5161-1 application form and the full text of the funding announcement are also available electronically via SAMHSA's World Wide Web Home Page: <http://www.samhsa.gov> (Click on 'Grant Opportunities').

When requesting an application kit, the applicant must specify the funding opportunity title and number for which detailed information is desired. All information necessary to apply, including where to submit applications and application deadline instructions, are included in the application kit.

## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4809-N-18]

### Federal Property Suitable as Facilities To Assist the Homeless

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

#### FOR FURTHER INFORMATION CONTACT:

Mark Johnston, room 7266, Department of Housing and Urban Development, 451 Seventh Street SW., Washington, DC 20410; telephone (202) 7078-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and

section 501 of the Steward B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Shirley Kramer, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable

law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Army*: Ms. Julie Jones-Conte, Department of the Army, Office of the Assistant Chief of Staff for Installation Management, Attn: DAIM-MD, Room 1E677, 600 Army Pentagon, Washington, DC 20310-600; (703) 692-9223; *COE*: Ms. Shirley Middleswarth, Army Corps of Engineers, Civil Division, Directorate of Real Estate, 441 G Street, NW., Washington, DC 20314-1000; (202) 761-7425; *DOT*: Mr. Rugene Spruill, DOT Headquarters Project Team, Department of Transportation, 400 7th Street, SW., Room 10314, Washington, DC 20590; (202) 366-4246; *Energy*: Mr. Tom Knox, Department of Energy, Office of Engineering & Construction Management, CR-80, Washington, DC 20585; (202) 586-8715; *GSA*: Mr. Brian K. **BILLING CODE 4210–29–M**

**DEPARTMENT OF THE INTERIOR**

**Bureau of Land Management**

**[CA–338–1220–AF]**

**Supplementary Rules: King Range National Conservation Area, Humboldt and Mendocino Counties, CA**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Establishment of emergency final supplementary rules.

**SUMMARY:** The Arcata Field Office is establishing the following emergency final supplementary rules for the King Range National Conservation Area (KRNCA) as provided for under the Visitor Services regulations of the Bureau of Land Management (BLM). The supplementary rules require all backcountry overnight users camping on BLM-administered public lands within the boundaries of the KRNCA to carry and use hard-sided bear-proof food storage canisters. The supplementary rules are necessary to protect the safety, health, and welfare of persons, property, and wildlife.

**EFFECTIVE DATE:** May 2, 2003.

**ADDRESSES:** You may send inquiries or suggestions to Field Office Manager, Bureau of Land Management, Arcata Field Office, 1695 Heindon Rd., Arcata, CA 95521.

Lynda J. Roush, (707) 825–2300.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The emergency final supplementary rules are authorized by 43 CFR 8365.1–6: “The State Director may establish such supplementary rules as he/she deems necessary. These rules may provide for the protection of persons, property, and public lands and resources.”

The purpose of these emergency final supplementary rules is to prevent—

- Injury to backcountry users,
- Damage to their property,
- Additional bears learning to associate humans with food, and
- The need for destruction of “problem bears.”

The reason that the supplemental rules are being published on an emergency final basis is the high risk of human injury if steps are not implemented immediately to remedy the problem. For this reason, we find good cause under the Administrative Procedure Act (5 U.S.C. 553 *et seq.*) for publishing and promulgating these supplementary rules without soliciting public comment, and making them effective the date of publication.

BLM staff and visitors camping in the KRNCA backcountry are experiencing increasingly frequent incidents of black bears entering occupied campsites and tents in search of food, stealing backpacks and damaging equipment, and presenting an increasing risk of injury to humans. Bear/human interactions in the KRNCA have been steadily increasing for the past several years, despite active public education efforts and the implementation of a voluntary, low-cost bear-proof backpacking food storage canister rental program in 2000. These incidents have increased significantly in frequency and intensity in the spring of 2002 to the point where the possibility of injuries to humans will become high without BLM taking immediate steps to change bear behavior. Bear/human contacts have been most common in the central portion of the Lost Coast Trail (LCT), although bear/human contacts are being documented at other locations in the KRNCA as well. Backpacks and equipment have been damaged, destroyed, and/or stolen, and at least 3 incidents of bears ripping into human-occupied tents have been reported. Hanging food from trees is no longer an effective method for bear-proof food storage, as bears have become very adept at climbing trees and removing the stored food. Most backpackers without proper food storage canisters have lost their food.

Unprotected food also attracts raccoons, skunks, rodents, and other wildlife, which become nuisances and whose own health can be compromised if they become accustomed to human food.

The King Range National Conservation Area, particularly along the Lost Coast, is receiving steadily increasing visitation. Experience with black bears in similar backcountry areas indicate that close human/bear contacts are likely to increase, with the risk of injuries to humans imminent unless
