

XII. Misrepresentation, Scheme or Device

A person shall be ineligible to receive assistance under this program, and be subject to such other remedies as may be allowed by law, if, with respect to such program, it is determined by the FSA State or county committee, or an official of FSA, that such person has:

(a) Adopted any scheme or other device that tends to defeat the purpose of the program operated under this notice;

(b) Made any fraudulent representation with respect to this program; or

(c) Misrepresented any fact affecting a program determination.

XIII. Liens and Claims of Creditors

Any benefit or portion thereof due any person under this program shall be allowed without regard to questions of title under State law, and without regard to any claim or lien in favor of any person, except agencies of the U.S. Government.

XIV. Power of Attorney

In those instances in which, before the issuance of this notice, a producer has signed a power of attorney on an approved FSA-211 for a person or entity indicating that such power shall extend to all programs listed on the form, without limitation, such power will be considered to extend to this program unless by April 1, 2003, the person granting the power notified the local FSA office for the control county that the grantee of the power is not authorized to handle transactions for this program for the grantor.

XV. Administration

Where circumstances preclude compliance due to circumstances beyond the applicant's control, the county or State committee may request that relief be granted by the Deputy Administrator under this notice. In such cases, except for statutory deadlines and other statutory requirements, the Deputy Administrator may, in order to more equitably accomplish the goals of this notice, waive or modify deadlines and other program requirements if the failure to meet such deadlines or other requirements does not adversely affect operation of the program and are not prohibited by statute. The 2003 Act funds allocated to CCC to provide assistance under LCP-II have been estimated not to exceed \$350 million.

Signed at Washington, DC, on April 23, 2003.
