BILLING CODE 6712-01-P

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

49 CFR Part 1

[Docket No. OST-1999-6189]

RIN 9991-AA34

Removal of References to the Transportation Security Administration and the United States Coast Guard

AGENCY: Office of the Secretary, DOT.

ACTION: Final rule.

SUMMARY: The Office of the Secretary of Transportation (OST) is updating the regulatory language to reflect the

departures of the Transportation Security Administration and the United States Coast Guard to the new Department of Homeland Security, and to change the name of the Urban Mass Transportation Administration (UMTA) to the Federal Transit Administration (FTA).

EFFECTIVE DATE: June 10, 2003.

FOR FURTHER INFORMATION CONTACT:

Jennifer S. Thibodeau, Office of the Assistant General Counsel for Regulation and Enforcement, U.S. Department of Transportation, 400 Seventh St., SW., Room 10424, Washington, DC 20590, (202) 366-4723.

SUPPLEMENTARY INFORMATION: This final rule deletes references to the Transportation Security Administration (TSA) and the United States Coast Guard (USCG) in 49 CFR part 1 that concern delegations, organization, and duties within the Department of Transportation. It also deletes responsibilities and duties to TSA and USCG. These two agencies transferred with other agencies to form the new Department of Homeland Security, and are no longer part of the Department of Transportation. Additionally, this rule is changing the name of the Urban Mass Transit Administration (UMTA) to the Federal Transit Administration (FTA) to properly reflect the agency's name.

This final rule does not impose substantive requirements. It simply updates the CFR to reflect the departures of TSA and USCG from the Department of Transportation. The final rule is technical in nature and relates only to Departmental management, organization, procedure, and practice. Therefore, the Department has determined that notice and comment are unnecessary and that the rule is exempt from prior notice and comment requirements under 5 U.S.C. 553(b)(3)(A). These changes will not have substantive impact. The Department does not expect to receive substantive comments on the rule. Therefore, the Department finds that there is good cause under 5 U.S.C. 553(d)(3) to make this rule effective less than 30 days after publication in the **Federal Register**.

Regulatory Analyses and Notices

A. Executive Order 12866 and DOT Regulatory Policies and Procedures

This final rule is not considered a significant regulatory action under Executive Order 12866 and the Regulatory Policies and Procedures of the Department of Transportation (44 FR 11034). There are no costs associated with this rule.

B. Executive Order 13132

This final rule has been analyzed in accordance with the principles and criteria contained in Executive Order 13132 ("Federalism"). This final rule does not adopt any regulation that: (1) Has substantial direct effects on the States, the relationship between the national government and the States, or the distribution of power and responsibilities among the various levels of government; (2) imposes substantial direct compliance costs on State and local governments; or (3) preempts State law. Therefore, the consultation and funding requirements of Executive Order 13132 do not apply.

C. Executive Order 13084

This final rule has been analyzed in accordance with the principles and criteria contained in Executive Order 13084 ("Consultation and Coordination with Indian Tribal Governments"). Because this final rule does not significantly or uniquely affect the communities of the Indian tribal governments and does not impose substantial direct compliance costs, the funding and consultation requirements of Executive Order 13084 do not apply.

D. Regulatory Flexibility Act

The Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) requires an agency to review regulations to assess their impact on small entities unless the agency determines that a rule is not expected to have a significant impact on a substantial number of small entities. This statute is not applicable because there was no issuance of a notice of proposed rulemaking (NPRM); however, I hereby certify this final rule, which amends the CFR to reflect the departure of TSA and USCG from the Department of Transportation to the new Department of Homeland Security, will not have a significant economic impact on a substantial number of small businesses.

E. Paperwork Reduction Act

This rule contains no information collection requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

F. Unfunded Mandates Reform Act of 1995

The Department has determined that the requirements of Title II of the Unfunded Mandates Reform Act of 1995 do not apply to this rulemaking.

G. Environmental Impact

Because this rule concerns the updating of CFR provisions to reflect the departure of TSA and USCG from the

Department of Transportation, this final rule is not a major OST action requiring the preparation of an environmental impact statement or environmental assessment.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 021212307-3037-02; I.D. 060303F]

Fisheries of the Exclusive Economic Zone Off Alaska; Yellowfin Sole by Vessels Using Trawl Gear in Bering Sea and Aleutian Islands Management Area

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS is closing directed fishing for yellowfin sole by vessels using trawl gear in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to prevent exceeding the third seasonal apportionment of the halibut bycatch allowance specified for the trawl

yellowfin sole fishery category in the BSAI.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), June 6, 2003, through 1200 hrs, A.l.t., June 29, 2003.

FOR FURTHER INFORMATION CONTACT:

Mary Furuness, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Islands Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The third seasonal apportionment of the halibut bycatch allowance specified for the trawl yellowfin sole fishery category in the BSAI is 49 metric tons as established by the final 2003 harvest specifications for Groundfish of the BSAI (68 FR 9907, March 3, 2003).

In accordance with § 679.21(e)(7)(v), the Administrator, Alaska Region, NMFS, has determined that the amount of the third seasonal apportionment of the halibut bycatch allowance specified for the trawl yellowfin sole fishery category in the BSAI will be caught. Consequently, NMFS is closing directed fishing for species in the yellowfin sole fishery category by vessels using trawl gear in the BSAI.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is contrary to the public interest. This requirement is contrary to the public interest as it would delay the closure of the fishery, lead to exceeding the third seasonal apportionment of the halibut bycatch allowance specified, and therefore reduce the public's ability to use and enjoy the fishery resource.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.21 and is exempt from review under Executive Order 12866.
