

determined that the rule does not have federalism implications as defined by the Executive Order. The rule would define and establish the conditions and criteria under which FEMA would grant public assistance and make community disaster loans. The rule would in no way that we foresee affect the distribution of power and responsibilities among the various levels of government or limit the policymaking discretion of the States.

The interim final rule published on May 4, 2001 at 66 FR 22443 is adopted as final without change.

Dated: June 2, 2003.

47 CFR Part 52

[CC Docket No. 95-116; DA 03-1753]

Petition for Declaratory Ruling on Local Number Portability Implementation Issues

AGENCY: Federal Communications Commission.

ACTION: Final rule; petition for declaratory ruling.

SUMMARY: The Commission seeks comment on a petition for declaratory ruling from the Cellular Telecommunications & Internet Association (CTIA) asking the Commission to clarify carrier obligations with respect to a number of local number portability (LNP) implementation issues.

DATES: Comments are due on or before June 13, 2003, and reply comments are due on or before June 24, 2003.

FOR FURTHER INFORMATION CONTACT: Jennifer Salhus, Attorney, 202-418-1310.

SUPPLEMENTARY INFORMATION:

1. On May 13, 2003, the Cellular Telecommunications & Internet Association filed a Petition for Declaratory Ruling (Petition), asking the Commission to clarify carrier obligations (as found at 47 CFR 52.23-52.33) with respect to a number of local number portability implementation issues. CTIA contends that, although many of the issues associated with the implementation of LNP have been resolved by consensus in industry fora, including the North American Numbering Council (NANC), there are a number of outstanding issues that cannot be resolved without specific direction from the Commission.

2. We seek comment on the issues raised in the Petition. Interested parties may file comments on or before June 13, 2003. Reply comments are due June 24, 2003. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. Comments and reply comments should be filed in the docket number, CC Docket No. 95-116.

3. This is a "permit but disclose" proceeding pursuant to § 1.1206 of the Commission's Rules. Ex parte presentations that are made with respect to the issues involved in the Petition will be allowed but must be disclosed in accordance with the requirements of § 1.1206(b) of the Commission's Rules.

4. Comments filed through the ECFS can be sent as an electronic file via the Internet to <http://www.fcc.gov/e-file/ecfs.html>. Generally, only one copy of an electronic submission must be filed. In completing the transmittal screen, filing parties should include their full name, Postal Service mailing address, and the applicable docket number. Parties may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, parties should send an e-mail to ecfs@fcc.gov, and should include the following words in the body of the message, "get form <your e-mail address>." A sample form and directions will be sent in reply. Commenters also may obtain a copy of the ASCII Electronic Transmittal Form (FORM-ET) at <http://www.fcc.gov/e-file/email.html>.

5. Parties who choose to file by paper must file an original and four copies of each filing. Each filing should include the applicable docket number. Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although we continue to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Vistrionix, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, NE., Suite 110, Washington, DC 20002. The filing hours at this location are 8 a.m. to 7 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes must be disposed of before entering the building. Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743. U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12th Street, SW., Washington, DC 20554. All filings must

be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission. In addition, a diskette copy should be sent to the Commission's copy contractor, Qualex International, Portals II, 445 12th Street, SW., Room CY-B402, Washington, DC, 20554, telephone 202-863-2893, facsimile 202-863-2898, or via e-mail to qualexint@aol.com.

6. The full text of the Petition and responsive comments will be available electronically on the Commission's ECFS under CC Docket No. 95-116. In addition, copies of these documents are available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street, SW., Room CY-A257, Washington, DC 20554. Documents may also be purchased from the Commission's duplicating contractor. BILLING CODE 6712-01-P

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

49 CFR Part 1

[Docket No. OST-1999-6189]

RIN 9991-AA34

Removal of References to the Transportation Security Administration and the United States Coast Guard

AGENCY: Office of the Secretary, DOT.

ACTION: Final rule.

SUMMARY: The Office of the Secretary of Transportation (OST) is updating the regulatory language to reflect the

departures of the Transportation Security Administration and the United States Coast Guard to the new Department of Homeland Security, and to change the name of the Urban Mass Transportation Administration (UMTA) to the Federal Transit Administration (FTA).

EFFECTIVE DATE: June 10, 2003.

FOR FURTHER INFORMATION CONTACT:

Jennifer S. Thibodeau, Office of the Assistant General Counsel for Regulation and Enforcement, U.S. Department of Transportation, 400 Seventh St., SW., Room 10424, Washington, DC 20590, (202) 366-4723.

SUPPLEMENTARY INFORMATION: This final rule deletes references to the Transportation Security Administration (TSA) and the United States Coast Guard (USCG) in 49 CFR part 1 that concern delegations, organization, and duties within the Department of Transportation. It also deletes responsibilities and duties to TSA and USCG. These two agencies transferred with other agencies to form the new Department of Homeland Security, and are no longer part of the Department of Transportation. Additionally, this rule is changing the name of the Urban Mass Transit Administration (UMTA) to the Federal Transit Administration (FTA) to properly reflect the agency's name.

This final rule does not impose substantive requirements. It simply updates the CFR to reflect the departures of TSA and USCG from the Department of Transportation. The final rule is technical in nature and relates only to Departmental management, organization, procedure, and practice. Therefore, the Department has determined that notice and comment are unnecessary and that the rule is exempt from prior notice and comment requirements under 5 U.S.C. 553(b)(3)(A). These changes will not have substantive impact. The Department does not expect to receive substantive comments on the rule. Therefore, the Department finds that there is good cause under 5 U.S.C. 553(d)(3) to make this rule effective less than 30 days after publication in the **Federal Register**.

A. Executive Order 12866 and DOT Regulatory Policies and Procedures

This final rule is not considered a significant regulatory action under Executive Order 12866 and the Regulatory Policies and Procedures of the Department of Transportation (44 FR 11034). There are no costs associated with this rule.
