Title: Request for Release of Lien and/ or Approval of Sale.

OMB Control Number: 0572–0041. Type of Request: Extension of a currently approved information collection.

Abstract: The Rural Utilities Service (RUS) makes mortgage loans and loan guarantees to electric and telecommunications systems to provide and improve electric and telecommunications service in rural areas pursuant to the Rural Electrification Act of 1936, as amended (7 U.S.C. 901 et seq.,) (RE Act). All current and future capital assets of RUS borrowers are ordinarily mortgaged or pledged to the Federal Government as security for RUS loans. Assets include tangible and intangible utility plant, non-utility property, construction in progress, and materials, supplies, and equipment normally used in a telecommunications system. The RE Act and the various security instruments, e.g., the RUS mortgage, limit the rights of a RUS borrower to dispose of its capital assets. The RUS Form 793, Request for Release of Lien and/or Approval of Sale, allows the telecommunications program borrower to seek agency permission to sell some of its assets. The form collects detailed information regarding the proposed sale of a portion of the borrower's system. RUS telecommunications borrowers fill out the form to request RUS approval in order to sell capital assets.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 2.75 hours per response.

Respondents: Business or other forprofit; not-for-profit organizations. Estimated Number of Respondents:

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 206.

Respondents: 206.
Copies of this information collection can be obtained from MaryPat Daskal, Program Development and Regulatory Analysis, at (202) 720–7853. FAX: (202)

All responses to this notice will be summarized and included in the request

for OMB approval. All comments will also become a matter of public record.

Dated: May 2, 2003.
