

criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

DATES: Submit comments on or before June 26, 2003.

ADDRESSES: Comments should refer to docket number MARAD-2003-15227. Written comments may be submitted by hand or by mail to the Docket Clerk, U.S. DOT Dockets, Room PL-401, Department of Transportation, 400 7th St., SW., Washington, DC 20590-0001. You may also send comments electronically via the Internet at <http://dmses.dot.gov/submit/>. All comments will become part of this docket and will be available for inspection and copying at the above address between 10 a.m. and 5 p.m., E.T., Monday through Friday, except federal holidays. An electronic version of this document and all documents entered into this docket is available on the World Wide Web at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Michael Hokana, U.S. Department of Transportation, Maritime Administration, MAR-830 Room 7201, 400 Seventh Street, SW., Washington, DC 20590. Telephone 202-366-0760.

SUPPLEMENTARY INFORMATION: As described by the applicant the intended service of the vessel *SLIP KNOT* is:
Intended Use: "Sightseeing Tours".
Geographic Region: "Inland and coastal waters—Florida".

Dated: May 20, 2003.

By order of the Maritime Administrator.

Joel C. Richard,

Secretary, Maritime Administration.

DEPARTMENT OF TRANSPORTATION

Maritime Administration

[Docket Number: MARAD 2003 15233]

Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel SOWELU.

SUMMARY: As authorized by Pub. L. 105-383 and Pub. L. 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is

listed below. The complete application is given in DOT docket 2003-15233 at <http://dms.dot.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

DATES: Submit comments on or before June 26, 2003.

ADDRESSES: Comments should refer to docket number MARAD-2003-15233. SUPPLEMENTARY INFORMATION: As described by the applicant the intended service of the vessel STEADFAST is:

Intended Use: "Our intention for commercial use of the "STEADFAST" is to offer half day and full day custom cruises of Prince William Sound. Our cruises will be for the passenger who does not want to be tied to a set schedule and who wants a specialized cruise, away from the crowds.

Eventually we may extend our operation to overnight custom charters."

Geographic Region: "Prince William Sound of Alaska".

Dated: May 20, 2003.

By order of the Maritime Administrator.

BILLING CODE 4910-81-P

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[Docket No. NHTSA 2001-10856]

Motor Vehicle Safety: Disposition of Recalled Tires

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Request for public comment on proposed collection of information.

SUMMARY: Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on the proposed collection of information.

This document describes a proposed collection of information under regulations implementing a provision of the Transportation Recall Effectiveness, Accountability, and Documentation (TREAD) Act with respect to the disposition of recalled tires, for which NHTSA intends to seek OMB approval. Pursuant to the TREAD Act, NHTSA is conducting rulemaking to amend existing regulations (49 CFR part 573) that require manufacturers of motor vehicles, equipment, and tires to notify

NHTSA whenever they decide that their products contain safety-related defects or noncompliances with Federal motor vehicle safety standards and to provide quarterly reports of the progress of recalls. The proposed amendment provides that a manufacturer's remedy program for the replacement of defective or noncompliant tires shall include a plan addressing how to prevent, to the extent reasonably within the manufacturer's control, the replaced tires from being resold for installation on a motor vehicle, and also how to limit, to the extent reasonably within the manufacturer's control, the disposal of replaced tires in landfills. In addition, this rule would also require the manufacturer to include certain information about the implementation of these plans in its quarterly report to NHTSA about the progress of the recall.

DATES: Comments must be received on or before July 28, 2003.

ADDRESSES: Comments must refer to the docket and notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street SW., Washington, DC 20590. The Docket is open on weekdays from 9:30 a.m. to 5 p.m.

FOR FURTHER INFORMATION CONTACT: Mr. George Person, Office of Defects Investigation, NHTSA, 400 Seventh Street, SW., Room 5326, Washington, DC 20590. Mr. Person's telephone number is (202) 366-5210.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA), before an agency submits a proposed collection of information to OMB for approval, it must publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulations (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions;

(iii) How to enhance the quality, utility, and clarity of the information to be collected; and

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Motor Vehicle Safety; Disposition of Recalled Tires

Type of Request—New Collection.

OMB Clearance Number—None.

Requested Expiration Date of Approval—Three years from effective date of final rule.

Summary of Collection of Information—Section 7 of the TREAD Act requires a manufacturer's remedy program for tires to include a plan for preventing, to the extent reasonably within the manufacturer's control, the resale of replaced tires for use on motor vehicles, as well as a plan for the disposition of replaced tires other than in landfills, particularly through methods such as shredding, crumbling, recycling, recovery, or other "beneficial non-vehicular uses." Manufacturers that conduct recalls are already required by 49 CFR part 573 to submit a Defect or Noncompliance Information Report, containing certain information, to NHTSA. One item of required information is a description of the manufacturer's program for remedying the defect or noncompliance.

NHTSA has issued a Notice of Proposed Rulemaking (66 FR 65165) and a Supplemental Notice of Proposed Rulemaking (67 FR 48852) to implement section 7. The proposed rule would require manufacturers to address, among other things, how they will assure that the entities replacing the recalled tires are aware of the legal requirements related to recalls of tires, how they will reasonably prevent the resale of recalled tires, and how the disposal of recalled tires in landfills will be reasonably limited.

Further, section 7 requires the manufacturer to include information about the implementation of its plan in quarterly reports that it is required to make to NHTSA about the progress of its notification and remedy campaigns involving tires. Manufacturers are already required to file quarterly reports containing certain information about the progress of recalls. This rule would add a requirement to provide the number of recalled tires which have not been rendered unsuitable for resale or which might have been disposed of improperly and a description and identification of the tire outlet(s) involved in failures to act in accordance with the disposal plan. In view of the fact that the rule
