

forms to the Board, both the Board and accounting firms would benefit from the operation of procedures to resolve issues relating to registration before the approval of permanent rules. In connection with these temporary rules, accounting firms and other members of the public have been given an opportunity to participate in the Board's rulemaking process. A further opportunity for public comment will be provided when the Commission publishes the permanent rules on investigations and adjudications for comment. In the meantime, the temporary rules will allow the Board to administer the registration disapproval process in the event that a hearing is necessary before permanent rules are approved by the Commission.

The Commission believes that the proposed temporary rules will enable the Board to properly exercise its authority and perform its responsibilities within the time frame specified by the Act. Because of the importance of registering accounting firms to the operation of the Board and the benefit provided by the Board's inspection, investigation and enforcement functions, expedited implementation of the temporary rules is consistent with the public interest and protection of investors.

The Commission therefore finds good cause, consistent with sections 102, 105 and 107 of the Act and section 19(b)(2) of the Exchange Act, to approve the proposed temporary rules on an accelerated basis.

Interested persons are invited to submit written data, views and arguments concerning the proposed temporary hearing rules, including whether the rules are consistent with the Act and the securities laws or are necessary or appropriate in the public interest or for the protection of investors. Commenters may prefer to comment on the PCAOB's proposed permanent rules for investigations and adjudications when the Commission publishes those rules for comment. Persons making written submissions with regard to the proposed temporary hearing rules should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed temporary hearing rules that are filed with the Commission, and all written communications relating to the proposed temporary hearing rules between the Commission and any person, other than those that may be withheld from the public in accordance

with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. All submissions should refer to File No. PCAOB-2003-06 and should be submitted by December 17, 2003.

IV. Conclusion

It is therefore ordered, pursuant to sections 102, 105 and 107 of the Sarbanes-Oxley Act and Section 19(b)(2) of the Exchange Act that the proposed temporary rules (File No. PCAOB-2003-06) be and hereby are approved on an accelerated basis.

By the Commission.

Margaret H. McFarland,

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-48754; File No. SR-CBOE-2003-34]

Self-Regulatory Organizations; Order Granting Approval of Proposed Rule Change by the Chicago Board Options Exchange, Inc. Relating To Modifying the Designated Primary Market-Maker Membership Ownership Requirement

November 6, 2003.

On August 11, 2003, the Chicago Board Options Exchange, Inc. ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to modify the Designated Primary Market-Maker ("DPM") membership ownership requirement. Specifically, the proposed rule change would add new Commentary .04 to CBOE Rule 8.85 to allow a senior principal's ownership of a membership to satisfy the requirement on behalf of the DPM organization if the senior principal is a natural person owner of the DPM organization who: (i) Owns at least 45% equity interest in the DPM organization; (ii) maintains at least a 45% profit participation in the DPM organization; (iii) is actively involved in the management of the DPM operation; and (iv) maintains a constant presence on the Exchange floor as a DPM designee of the DPM organization.

The proposed rule change was published for notice and comment in the **Federal Register** on September 30, 2003.³ The Commission received no

comments. This order approves the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange⁴ and, in particular, the requirements of section 6 of the Act⁵ and the rules and regulations thereunder. The Commission finds specifically that the proposed rule change is consistent with section 6(b)(5) of the Act⁶ because it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market, and to protect investors and the public interest. The Commission notes that the proposed rule change will permit individuals who have significant involvement in the day-to-day operation of a DPM and significant financial stake, as well as an Exchange membership, to satisfy the DPM membership requirements of CBOE Rule 8.85(e). The Commission believes that the proposed amendment to the DPM seat ownership requirement should provide incentives to DPMs that are allocated existing CBOE options, or seeking allocations in established option classes, to maintain sufficient capital to operate as a DPM. The proposal could further CBOE's interest in securing long-term commitments to the Exchange.⁷

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁸ that the proposed rule change (File No. SR-CBOE-2003-34) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹

Deputy Secretary.
