

### Operation and Maintenance

Operation and Maintenance of all systems at the Site will be performed by Beazer under the direction of EPA.

### Five-Year Review

No five-year review is required since no remedy has been selected under CERCLA section 121. Future response actions at the Site are expected to be taken pursuant to RCRA authority.

### Community Involvement

Public participation activities have been satisfied as required in CERCLA section 113(k), 42 U.S.C. 9613(k), and CERCLA section 117, 42 U.S.C. 9617. Documents in the deletion docket which EPA relied on for recommendation of the deletion of the Site from the NPL are available to the public in the information repositories.

### V. Deletion Action

The EPA, with concurrence of the State of West Virginia, has determined that all appropriate responses under CERCLA have been completed, and that no further response actions under CERCLA are necessary and that the Site meets the criteria for deleting RCRA Sites from the NPL. (60 FR 14641 dated March 20, 1995).

Because EPA considers this action to be noncontroversial and routine, EPA is taking it without prior publication of a notice of intent to delete. This action will be effective January 16, 2004 unless EPA receives adverse comments by December 17, 2003 on this notice or the parallel notice of intent to delete published in the "Proposed Rules" section of today's **Federal Register**. If adverse comments are received within the 30-day public comment period, EPA will publish a timely withdrawal of this direct final notice of deletion before the effective date of the deletion and it will not take effect. Alternatively, EPA will, as appropriate prepare a response to comments and continue with the deletion process on the basis of the notice of intent to delete and the comments already received. There will be no additional opportunity to comment.

### List of Subjects in 40 CFR Part 300

Environmental protection, Air pollution control, Chemicals, Hazardous waste, Hazardous substances, Intergovernmental relations, Penalties, Reporting and recordkeeping

requirements, Superfund, Water pollution control, Water supply.

**Donald S. Welsh,**

*Regional Administrator, Region III.*

■ For the reasons set out in this document, 40 CFR part 300 is amended as follows:

### PART 300—[AMENDED]

■ 1. The authority citation for Part 300 continues to read as follows:

**Authority:** 33 U.S.C. 1321(c)(2); 42 U.S.C. 9601–9657; E.O. 12777, 56 FR 54757, 3 CFR, 1991 Comp., p. 351; E.O. 12580, 52 FR 2923, 3 CFR, 1987 Comp., p. 193.

### Appendix B—[Amended]

■ 2. Table 1 of Appendix B to Part 300 is amended under West Virginia by removing "Follansbee Site, Follansbee, WV."

**BILLING CODE 6560–50-P**

## DEPARTMENT OF HOMELAND SECURITY

### Federal Emergency Management Agency

#### 44 CFR Part 65

[Docket No. FEMA–P–7628]

### Changes in Flood Elevation Determinations

**AGENCY:** Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

**ACTION:** Interim rule.

**SUMMARY:** This interim rule lists communities where modification of the Base (1% annual-chance) Flood Elevations (BFEs) is appropriate because of new scientific or technical data. New flood insurance premium rates will be calculated from the modified BFEs for new buildings and their contents.

**DATES:** These modified BFEs are currently in effect on the dates listed in the table below and revise the Flood Insurance Rate Map(s) in effect prior to this determination for the listed communities.

From the date of the second publication of these changes in a newspaper of local circulation, any person has ninety (90) days in which to request through the community that the Mitigation Division Director of the Emergency Preparedness and Response Directorate reconsider the changes. The modified BFEs may be changed during the 90-day period.

**ADDRESSES:** The modified BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

### FOR FURTHER INFORMATION CONTACT:

Doug Bellomo, P.E., Hazard Identification Section, Emergency Preparedness and Response Directorate, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646–2903.

**SUPPLEMENTARY INFORMATION:** The modified BFEs are not listed for each community in this interim rule. However, the address of the Chief Executive Officer of the community where the modified BFE determinations are available for inspection is provided.

Any request for reconsideration must be based on knowledge of changed conditions or new scientific or technical data.

The modifications are made pursuant to Section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR Part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The modified BFEs are the basis for the floodplain management measures that the community is required to either adopt or to show evidence of being already in effect in order to qualify or to remain qualified for participation in the National Flood Insurance Program (NFIP).

These modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, State, or regional entities.

The changes in BFEs are in accordance with 44 CFR 65.4.

### National Environmental Policy Act

This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Consideration. No environmental impact assessment has been prepared.

### Regulatory Flexibility Act

The Mitigation Division Director of the Emergency Preparedness and

Response Directorate certifies that this rule is exempt from the requirements of the Regulatory Flexibility Act because modified base flood elevations are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are required to maintain community eligibility in the NFIP. No regulatory flexibility analysis has been prepared.

**Regulatory Classification**

This interim rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

**Executive Order 12612, Federalism**

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, dated October 26, 1987.

**Executive Order 12778, Civil Justice Reform**

This rule meets the applicable standards of Section 2(b)(2) of Executive Order 12778.

**List of Subjects in 44 CFR Part 65**

Flood insurance, Floodplains, Reporting and recordkeeping requirements.

Accordingly, 44 CFR Part 65 is amended to read as follows:

**PART 65—[AMENDED]**

1. The authority citation for Part 65 continues to read as follows:

**Authority:** 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

**§ 65.4 [Amended]**

2. The tables published under the authority of § 65.4 are amended as follows:

State and county	Location	Dates and name of newspaper where notice was published	Chief executive officer of community	Effective date of modification	Community No.

 Preparedness and Response Directorate.*  
 [FR Doc. 03-28639 Filed 11-14-03; 8:45 am]  
**BILLING CODE 9910-12-P**

**DEPARTMENT OF HOMELAND  
 SECURITY**

**Federal Emergency Management  
 Agency**

**44 CFR Part 65**

**Changes in Flood Elevation  
 Determinations**

**AGENCY:** Federal Emergency  
 Management Agency, Emergency  
 Preparedness and Response Directorate,  
 Department of Homeland Security.

**ACTION:** Final rule.

**SUMMARY:** Modified Base (1% annual-  
 chance) Flood Elevations (BFEs) are  
 finalized for the communities listed  
 below. These modified elevations will  
 be used to calculate flood insurance  
 premium rates for new buildings and  
 their contents.

**EFFECTIVE DATES:** The effective dates for  
 these modified BFEs are indicated on  
 the table below and revise the Flood  
 Insurance Rate Maps ((FIRMs) in effect  
 for the listed communities prior to this  
 date.

**ADDRESSES:** The modified BFEs for each  
 community are available for inspection  
 at the office of the Chief Executive  
 Officer of each community. The  
 respective addresses are listed in the  
 table below.

**FOR FURTHER INFORMATION CONTACT:**  
 Doug Bellomo, P.E., Hazard  
 Identification Section, Emergency  
 Preparedness and Response Directorate,  
 Federal Emergency Management  
 Agency, 500 C Street, SW., Washington,  
 DC 20472, (202) 646-2903.

**SUPPLEMENTARY INFORMATION:** The  
 Federal Emergency Management Agency  
 makes the final determinations listed

below for the modified BFEs for each  
 community listed. These modified  
 elevations have been published in  
 newspapers of local circulation and  
 ninety (90) days have elapsed since that  
 publication. The Mitigation Division  
 Director of the Emergency Preparedness  
 and Response Directorate has resolved  
 any appeals resulting from this  
 notification.

The modified BFEs are not listed for  
 each community in this notice.  
 However, this rule includes the address  
 of the Chief Executive Officer of the  
 community where the modified BFE  
 determinations are available for  
 inspection.

The modifications are made pursuant  
 to Section 206 of the Flood Disaster  
 Protection Act of 1973, 42 U.S.C. 4105,  
 and are in accordance with the National  
 Flood Insurance Act of 1968, 42 U.S.C.  
 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently  
 effective community number is shown  
 and must be used for all new policies  
 and renewals.

The modified BFEs are the basis for  
 the floodplain management measures  
 that the community is required to either  
 adopt or to show evidence of being  
 already in effect in order to qualify or  
 to remain qualified for participation in  
 the National Flood Insurance Program  
 (NFIP).

These modified BFEs, together with  
 the floodplain management criteria  
 required by 44 CFR 60.3, are the  
 minimum that are required. They  
 should not be construed to mean that  
 the community must change any  
 existing ordinances that are more  
 stringent in their floodplain  
 management requirements. The  
 community may at any time enact  
 stricter requirements of its own, or  
 pursuant to policies established by other  
 Federal, State, or regional entities.

These modified BFEs are used to meet  
 the floodplain management  
 requirements of the NFIP and are also  
 used to calculate the appropriate flood  
 insurance premium rates for new  
 buildings built after these elevations are  
 made final, and for the contents in these  
 buildings.

The changes in BFEs are in  
 accordance with 44 CFR 65.4.

*National Environmental Policy Act.*  
 This rule is categorically excluded from  
 the requirements of 44 CFR part 10,  
 Environmental Consideration. No  
 environmental impact assessment has  
 been prepared.

*Regulatory Flexibility Act.* The  
 Mitigation Division Director of the  
 Emergency Preparedness and Response  
 Directorate certifies that this rule is  
 exempt from the requirements of the  
 Regulatory Flexibility Act because  
 modified base flood elevations are  
 required by the Flood Disaster  
 Protection Act of 1973, 42 U.S.C. 4105,  
 and are required to maintain community  
 eligibility in the NFIP. No regulatory  
 flexibility analysis has been prepared.

*Regulatory Classification.* This final  
 rule is not a significant regulatory action  
 under the criteria of Section 3(f) of  
 Executive Order 12866 of September 30,  
 1993, Regulatory Planning and Review,  
 58 FR 51735.

*Executive Order 12612, Federalism.*  
 This rule involves no policies that have  
 federalism implications under Executive  
 Order 12612, Federalism, dated October  
 26, 1987.

*Executive Order 12778, Civil Justice  
 Reform.* This rule meets the applicable  
 standards of Section 2(b)(2) of Executive  
 Order 12778.

**List of Subjects in 44 CFR Part 65**

Flood insurance, Floodplains,  
 Reporting and recordkeeping  
 requirements.

■ Accordingly, 44 CFR Part 65 is  
 amended to read as follows:

**PART 65—[AMENDED]**

■ 1. The authority citation for Part 65  
 continues to read as follows:

**Authority:** 42 U.S.C. 4001 *et seq.*;
