ACTION: Notice of submission to OMB and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. The Historic Preservation Certification Application is used by the NPS to evaluate the condition and historic significance of buildings undergoing rehabilitation for continued use, and to evaluate whether the rehabilitation work meets the Secretary of the Interior's "Standards for Rehabilitation."

DEPARTMENT OF THE INTERIOR

National Park Service

Extension for Expiring Concession Contracts

AGENCY: National Park Service, Interior.

ACTION: Public notice.

SUMMARY: Pursuant to the terms of existing concession permits, with the exception of construction on National Park Service lands, public notice is hereby given that the National Park Service intends to provide visitor services under the authority of a temporary concession contract with a term of up to two years from the date of permit expirations.

SUPPLEMENTARY INFORMATION: The permits listed below, for charter and tour vessels at Glacier Bay National Park and Preserve, expired on December 31, 2003 and have been extended to the maximum allowable under 36 CFR 51.23. Under the provisions of current concessions permits, with one exception, and pending the development and public solicitation of a prospectus for a new concession contract, the National Park Service

authorizes continuation of visitor services under a temporary concession contract for a period of up to two years from the expiration of the current concession permit. The exception precludes construction on National Park Service lands, regardless of whether the current permit authorizes such activity. The temporary contract does not affect my rights with respect to selection for award of a new concession contract. These temporary contracts will allow the National Park Service to complete a Congressionally mandated Environmental Impact Statement related to vessel management at Glacier Bay National Park and Preserve, followed by issuing prospectuses leading to the competitive selection of concessioners for new long-term concession contracts covering these operations. The EIS is scheduled for completion in December 2003. Prospectuses for charter and tour vessel operators are scheduled to be released in the Spring of 2004, authorizing charter vessel operations in 2005 and tour vessel operations in 2006.

DEPARTMENT OF THE INTERIOR

National Park Service

Extension for Expiring Concession Contracts

AGENCY: National Park Service, Interior.

ACTION: Public notice.

SUMMARY: Pursuant to 36 CFR 51.23, public notice is hereby given that the National Park Service proposes to extend the following expiring concession permits, all at Glacier Bay National Park and Preserve, for a period of up to one year, or until such time as new contracts are executed, whichever occurs sooner.

SUPPLEMENTARY INFORMATION: All of the listed concession permits, which authorize cruise ship entries into Glacier Bay National Park and Preserve, will expire by their terms on December 31, 2004. The National Park Service has determined that the proposed short-term extensions are necessary in order to avoid interruption of visitor services and has taken all reasonable and appropriate steps to consider alternatives to avoid such interruption. These extensions will allow the National Park Service to complete a Congressionally mandated Environmental Impact Statement related to vessel management at Glacier Bay National Park and Preserve, followed by issuing prospectuses leading to the competitive selection of concessioners for new long-term concession contracts covering these operations. The EIS is scheduled for completion in December 2003. A prospectus is scheduled to be released in the Spring of 2004, allowing for contract award 16 months in advance of when the ships would enter the park.
