

ACTION: Notice of technical correction.

On December 17, 2003, the Department published PTE 2003–38 in the **Federal Register** at 68 FR 70315. PTE 2003–38 permits certain transactions that may occur as a result of the sharing of real estate investments among various accounts maintained by Aetna, including Aetna's general account, and the general accounts of Aetna's affiliates which are insurance companies licensed to do business in at least one state, and the ERISA–Covered Accounts with respect to which both Aetna and UBS Realty are fiduciaries.

On page 70315 of the notice granting PTE 2003–38, the prohibited transaction exemption number, appearing in the bracketed text at the beginning of the document, was inadvertently omitted even though the year of publication was specified. Accordingly, the Department hereby corrects the grant notice, in part, to read as follows: “[Prohibited Transaction Exemption 2003–38; * * *]”

FOR FURTHER INFORMATION CONTACT: Mr. Brian J. Buyniski of the Department at (202) 693–8545. (This is not a toll-free number.)

Signed at Washington, DC this 19th day of December, 2003.
