Substance Abuse and Mental Health Services Administration

Fiscal Year (FY) 2003 Funding Opportunities

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice of funding availability for CSAT Practice Improvement Collaborative Cooperative Agreements: Strengthening Treatment Access and Retention (Short Title: Strengthening Access and Retention (SAR)).

SUMMARY: The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Treatment (CSAT) announces the availability of FY 2003 funds for grants for the following activity. This notice is not a complete description of the activity; potential applicants *must* obtain a copy of the Request for Applications (RFA), including Part I, *CSAT Practice Improvement Collaborative Cooperative Agreements: Strengthening Treatment Access and Retention (TI 03-006) (Short Title: Strengthening Access and Retention (SAR))*, and Part II, *General Policies and Procedures Applicable to all SAMHSA Applications for Discretionary Grants and Cooperative Agreements*, before preparing and submitting an application.

Activity	Application deadline	Est. Funds FY 2003	Est. No. of awards	Project period
CSAT Practice Improvement. Collaborative Cooperative Agreements: Strengthening Treatment Access and Retention	May 12, 2003	\$2.5 million	12-14	3 years

The actual amount available for the award may vary depending on unanticipated program requirements and actual SAMHSA appropriations. This program is being announced prior to the annual appropriation for FY 2003 for SAMHSA's programs. Applications are invited based on the assumption that sufficient funds will be appropriated for FY 2003 to permit funding of State

Training and Evaluation of Evidence-Based Practices grants. This program is being announced in order to allow applicants sufficient time to plan and prepare applications. Solicitation of applications in advance of a final appropriation will also enable the award of appropriated grant funds in an expeditious manner and thus allow prompt implementation and evaluation

of promising practices. All applicants are reminded, however, that we cannot guarantee sufficient funds will be appropriated to permit SAMHSA to fund the grants. This program is authorized under Section 509 of the Public Health Service Act.
