AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of antidumping duty administrative review.

SUMMARY: On October 10, 2003, the Department of Commerce published the preliminary results of the administrative review of the antidumping duty order on certain folding gift boxes from the People's Republic of China. The review covers two manufacturers/exporters and the period of review is August 6, 2001, through December 31, 2002. We gave interested parties an opportunity to comment on the preliminary results of review but received no comments. Therefore, these final results of review do not differ from the preliminary results of review.

EFFECTIVE DATE: December 23, 2003.

SUPPLEMENTARY INFORMATION:**Case History**

On October 10, 2003, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain folding gift boxes from the People's Republic of China (PRC). *See Preliminary Results of Antidumping Duty Administrative Review: Certain Folding Gift Boxes from the People's Republic of China*, 68 FR 58653. We gave interested parties an opportunity to comment on the preliminary results of review but received no comments. The Department has now completed this review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of Order

The products covered by this antidumping duty order are certain folding gift boxes. Certain folding gift boxes are a type of folding or knock-down carton manufactured from paper or paperboard. Certain folding gift boxes are produced from a variety of recycled and virgin paper or paperboard materials, including, but not limited to, clay-coated paper or paperboard and kraft (bleached or unbleached) paper or paperboard. The scope of the order excludes gift boxes manufactured from paper or paperboard of a thickness of more than 0.8 millimeters, corrugated

paperboard, or paper mache. The scope of the order also excludes those gift boxes for which no side of the box, when assembled, is at least nine inches in length.

Certain folding gift boxes are typically decorated with a holiday motif using various processes, including printing, embossing, debossing, and foil stamping, but may also be plain white or printed with a single color. The subject merchandise includes certain folding gift boxes, with or without handles, whether finished or unfinished, and whether in one-piece or multi-piece configuration. One-piece gift boxes are die-cut or otherwise formed so that the top, bottom, and sides form a single, contiguous unit. Two-piece gift boxes are those with a folded bottom and a folded top as separate pieces. Certain folding gift boxes are generally packaged in shrink-wrap, cellophane, or other packaging materials, in single or multi-box packs for sale to the retail customer. The scope of the order excludes folding gift boxes that have a retailer's name, logo, trademark or similar company information printed prominently on the box's top exterior (such folding gift boxes are often known as "not-for-resale" gift boxes or "give-away" gift boxes and may be provided by department and specialty stores at no charge to their retail customers). The scope of the order also excludes folding gift boxes where both the outside of the box is a single color and the box is not packaged in shrink-wrap, cellophane, other resin-based packaging films, or paperboard.

Imports of the subject merchandise are classified under *Harmonized Tariff Schedules of the United States* (HTSUS) subheadings 4819.20.00.40 and 4819.50.40.60. These subheadings also cover products that are outside the scope of the order. Furthermore, although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order is dispositive.

Analysis of the Comments Received

No parties submitted comments on the preliminary results of review. Accordingly, there is no concurrent issues and decision memorandum or analysis memorandum issued with these final results of review. Further, we have made no changes in the calculations since the preliminary results of review.

Final Results of Review

We determine the following percentage weighted-average dumping margins exist for folding gift boxes for

the period August 6, 2001, through December 31, 2002:

Exporter/manufacturer	Margin (percent)
Red Point Paper Products Co., Ltd	0.00
PRC-wide rate (including Yun Choy, Ltd.)	164.75

Assessment Rates

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated, whenever possible, an exporter/importer (or customer)-specific assessment value for subject merchandise. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of these final results of review. We will direct CBP to assess the resulting assessment rates against the entered customs values for the subject merchandise on each of the importer's entries during the review period.

Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of folding gift boxes entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash-deposit rates for the reviewed companies will be the rates established above; (2) for previously investigated or reviewed companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) the cash deposit rate for all other PRC exporters (except for Max Fortune, which was excluded from the antidumping duty order) will be the "PRC-wide" rate; and (4) the cash deposit rate for all other non-PRC exporters will be the rate applicable to the PRC exporter that supplied that exporter.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping

duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing this administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: December 17, 2003.

James J. Jochum,

Assistant Secretary for Import Administration.
