

roadways or parking area edges, noise, air quality, and wildlife mortality.

From January, 2003 through February, 2003 the National Park Service conducted public scoping (public meetings and solicitation of comments from state, county and town agencies and organizations; park neighbors; state historic preservation officer; and associated American Indian tribes) for the Multimodal Transportation Plan in anticipation of preparing an environmental assessment for the project. Due to the degree to which potential impacts are uncertain, the National Park Service is proceeding with preparation of an environmental impact statement.

**DATES:** The National Park Service will conduct further public scoping for the environmental impact statement for a period of 30-days beyond publication of this Notice of Intent.

**ADDRESSES:** You may mail comments to: Multimodal Transportation Plan, Superintendent's Office, Arches National Park, PO Box 907, Moab, UT 84532-0907. You may also hand-deliver comments to the Superintendent's Office, Arches National Park, Moab, Utah (Attn: Multimodal Transportation Plan).

**FOR FURTHER INFORMATION CONTACT:** Superintendent Rock Smith, Arches National Park, PO Box 907, Moab, UT 84532-0907; Tel: (435) 719-2201; FAX: (435) 719-2305; e-mail: [rock\\_smith@nps.gov](mailto:rock_smith@nps.gov).

**SUPPLEMENTARY INFORMATION:** It is the practice of the National Park Service to make comments received during the scoping process, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

### Employment and Training Administration

#### Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of April 2003.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the

workers' firm, or an appropriate subdivision thereof, have become totally or partially separated, or are threatened to become totally or partially separated; and

(2) That sales or production, or both, of the firm or sub-division have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production of such firm or subdivision.

#### Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

#### None

In the following case, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.

The investigation revealed that criterion (a)(2)(A) (I.C) (Increased imports) and (a)(2)(B) (II.C) (has shifted production to a country not under the free trade agreement with U.S.) have not been met.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of section 250 of the Trade Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate

subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(2) That sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) That imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and that the increases imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(4) That there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

#### Negative Determinations NAFTA-TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.

#### None

The investigation revealed that the criteria for eligibility have not been met for the reasons specified.

The investigation revealed that the workers of the subject firm did not produce an article within the meaning of section 250(a) of the Trade Act, as amended.

#### None

#### Affirmative Determinations NAFTA-TAA

#### None

I hereby certify that the aforementioned determinations were issued during the month of April 2003.

Copies of these determinations are available for inspection in Room C-5311, U.S. Department of Labor, 200 Constitution Avenue, NW., Washington, DC 20210 during normal business hours or will be mailed to persons who write to the above address.
