

DEPARTMENT OF STATE

[Public Notice 4358]

Determination Pursuant to Section 1(b) of Executive Order 13224 Relating to Basque Fatherland and Liberty (ETA)

Acting under the authority of section 1(b) of Executive Order 13224 of September 23, 2001, and in consultation with the Secretary of the Treasury, the Attorney General, and the Secretary of Homeland Security, I hereby determine that ETA uses or has used as aliases the names Batasuna, Euskal Herriarrok, and Herri Batasuna. I hereby amend the October 31, 2001, designation of Basque Fatherland and Liberty (ETA and other aliases) to add the following names as aliases of ETA:

Batasuna;
Euskal Herriarrok;
Herri Batasuna.

Consistent with the determination in section 10 of Executive Order 13224 that "prior notice to persons determined to be subject to the Order who might have a constitutional presence in the United States would render ineffectual the blocking and other measures authorized in the Order because of the ability to transfer funds instantaneously", I determine that no prior notice need be provided to any person subject to this determination who might have a constitutional presence in the United States, because to do so would render ineffectual the measures authorized in the Order.

This notice shall be published in the **Federal Register**.

Dated: April 30, 2003.

Colin L. Powell,

Secretary of State, Department of State.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE**Trade Policy Staff Committee; Invitation for Non-Governmental Organizations, Corporate Sponsors and Private Foundations To Volunteer Trade Capacity Building Assistance in Support of the U.S.-Central America Free Trade Agreement**

AGENCY: Office of the United States Trade Representative, United States Agency for International Development.

ACTION: Request for submissions to volunteer trade capacity building assistance.

SUMMARY: The United States aims to attract additional resource partners that

can legitimately contribute to the trade capacity building efforts in support of the US-Central America Free Trade Agreement (CAFTA). The TPSC gives notice that the Office of the United States Trade Representative and the United States Agency for International Development seek to expand the circle of resource partners to non-governmental organizations (NGOs), corporate sponsors and private foundations that can volunteer to conduct trade capacity building efforts in support of the CAFTA subject to (1) the priorities set by Central American countries in their national strategies; (2) the coordination efforts of the U.S. interagency trade capacity working group to, among other reasons, promote transparency; and (3) consistency with U.S. government policy. Interested parties should present a brief description of their potential contribution.

DATES: This notice recommends initial expressions be sent before June 15, 2003, although the invitation is open throughout the CAFTA negotiations.

ADDRESSES: *Submissions by electronic mail:* FR0074@ustr.gov (written comments). *Submissions by facsimile:* Gloria Blue, Executive Secretary, Trade Policy Staff Committee, at 202/395-6143.

The public is strongly encouraged to submit documents electronically rather than by facsimile. (See requirements for submissions below.)

FOR FURTHER INFORMATION CONTACT: For procedural questions, contact Gloria Blue, Executive Secretary, TPSC, Office of the USTR, 1724 F Street, NW., Washington, DC 20508, telephone (202) 395-3475. Substantive questions should be addressed to Tracy Quilter, Director for Trade Capacity Building, Office of the USTR, telephone (202) 395-2839.

SUPPLEMENTARY INFORMATION: The United States has entered into free trade negotiations with five Central American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. The agreement seeks to eliminate tariffs and other barriers to trade in goods, agriculture, services, and investment between the United States and the five Central American countries. The participants will seek to complete the negotiations by December 2003.

Nine rounds of negotiations are planned in 2003. To date, three have occurred. Negotiating groups cover the following topics: market access; investment and services; government procurement and intellectual property; labor and environment; and institutional issues such as dispute settlement. A non-negotiating

cooperative group on trade capacity building ("TCB Working Group") has been meeting in parallel with the negotiating groups.

The TCB Working Group aims to address, to the extent possible, the needs of the Central American countries during the negotiation, throughout implementation of the agreement and during the country's transition to free trade. The U.S. government (USG), in concert with regional institutions such as the Inter-American Development Bank, the World Bank, the Organization of American States, the U.N. Economic Commission for Latin America and the Central American Bank for Economic Integration, has assisted countries in completing national trade capacity building strategies to guide the work of the TCB Working Group. These strategies are intended to identify, define and prioritize each country's needs. The strategies can be found on USTR's Internet server (<http://www.ustr.gov>).

The United States and the Central American countries aim to attract additional resource partners that can legitimately contribute to the trade capacity building efforts in support of the CAFTA. The TPSC gives notice that USTR and USAID seek to expand the circle of resource partners to NGOs, corporate sponsors and private foundations that can volunteer to conduct trade capacity building efforts in support of the CAFTA subject to (1) the priorities set by Central American countries in their national strategies; (2) the coordination efforts of the U.S. interagency trade capacity working group; and (3) consistency with USG policy. The parties seek resource partners that are able to fund all or most of the technical assistance for the trade capacity building support that they propose to deliver in the context of these trade initiatives. Interested parties should present a brief description of their potential contribution.

Resource partners that volunteer to participate based on their willingness to consider self-funded technical assistance or other trade capacity building services in response to the needs identified by the Central Americans in the CAFTA process may be invited to brief the TCB Working Group or donors on their interests and capabilities.

Submitting Comments: To ensure prompt and full consideration of responses, the TPSC strongly recommends that interested persons make submissions by electronic mail to the following e-mail address: FR0074@ustr.gov. Persons making submissions by e-mail should use the

following subject line: "CAFTA TCB Assistance." Documents should be submitted as either WordPerfect, MSWord, or text (.TXT) files. SUPPLEMENTARY INFORMATION:

1. Background Information

On November 4, 2002, in accordance with section 2104(a)(1) of the Trade Act of 2002, the United States Trade Representative, Ambassador Robert B. Zoellick, notified Congress of the President's intent to enter into trade negotiations with the member nations of the Southern African Customs Union (SACU): Botswana, Lesotho, Namibia, South Africa, and Swaziland. Ambassador Zoellick outlined specific

U.S. objectives for these negotiations in the notification letters to Congress. Copies of the letters are available at <http://www.ustr.gov/releases/2002/11/2002-11-04-SACU-byrd.PDF> and <http://www.ustr.gov/releases/2002/11/2002-11-04-SACU-hastert.PDF>.

The TPSC invited the public to provide written comments and/or oral testimony at a public hearing that took place on December 16, 2002, to assist USTR in amplifying and clarifying negotiating objectives for the proposed FTA and to provide advice on how specific goods and services and other matters should be treated under the proposed agreement (67 FR 69295).

A free trade agreement with SACU would deepen economic and political ties to sub-Saharan Africa and lend momentum to development efforts for the region. SACU is the largest U.S. export market in sub-Saharan Africa, accounting for approximately \$3.1 billion in exports in 2001. Total two-way trade in goods between the United States and the member countries of SACU totaled \$7.9 billion in 2001. Leading U.S. exports to SACU include machinery and equipment, aircraft, vehicles, chemicals, plastics and agricultural products. Leading U.S. imports from SACU include vehicles, minerals, precious stones and metals, iron and steel products, and apparel.

2. Employment Impact Review

Section 2102(c)(5) of the Bipartisan Trade Promotion Authority Act of 2002, 19 U.S.C. 3802(c)(5), directs the President to "review the impact of future trade agreements on United States employment, including labor markets, modeled after Executive Order 13141 to the extent appropriate in establishing procedures and criteria, report to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate on such review, and make that report available to the public." USTR and the Department of Labor will conduct the employment reviews through the TPSC.

The employment impact review will be based on the following elements, which are modeled to the extent appropriate after those in EO 13141. The review will be: (1) Written; (2) initiated through a **Federal Register** notice soliciting public comment and information on the employment impact of the FTA in the United States; (3) made available to the public in draft form for public comment, to the extent practicable; and (4) made available to the public in final form.

Comments may be submitted on potentially significant sectoral or
