

(SF 269) should be simultaneously entered into the Sponsor Support System, so as to notify the Division of Older Workers Program staff of a closeout package submission at the same time as the Grant Officer's staff.

Upon receipt of all required closeout documents, the Department will notify the grantees of any financial discrepancies, and make appropriate adjustment to the available allotment. If there is a difference between payments received by the grantee from the Payment Management System (PMS) and costs incurred by the grantee, the grantee must refund to the Department the difference immediately upon completion of closeout documents. After Department/agency financial reconciliation, the PMS account will be closed accordingly. After the grant has been officially closed, later disallowances and adjustments, as authorized at 29 CFR 97.51 (for States) and 29 CFR 95.51 (for non-profits) may occur.

Grantee cooperation in expediting the completion and submittal of PY 2001 grant closeout packages is of critical import since recaptured PY 2001 funds will enable the Department to increase amounts for incentive grants, technical assistance or for other SCSEP programs.

5. **EFFECTIVE DATE:** Immediately.
6. **INQUIRIES:** Questions should be directed to your Federal Representative.
