**Certain Carbon Steel Butt-Weld Pipe Fittings From Thailand: Preliminary Notice of Intent To Rescind Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce

**ACTION:** Preliminary notice of intent to rescind administrative review.

**SUMMARY:** On August 27, 2002, we published the notice of initiation of this antidumping duty review with respect to Thai Benkan Corporation, Ltd., (TBC). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Parr*, 67 FR 55000 (August 27, 2002) (*Notice of Initiation*). We have preliminarily determined that the review of TBC should be rescinded.

**EFFECTIVE DATE:** March 24, 2003.

**FOR FURTHER INFORMATION CONTACT:** Zev Primor or Tom Futtner, Antidumping/Countervailing Duty Enforcement, Office 4, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4114 or 482-3814, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On July 6, 1992, the Department of Commerce (the Department) published in the **Federal Register** an antidumping duty order on certain carbon steel butt-weld pipe fittings from Thailand (57 FR 29702). On July 1, 2002, the Department published a "Notice of Opportunity to Request an Administrative Review" on pipe fittings from Thailand (67 FR 44172). On July 31, 2002, the petitioner in this proceeding, Trinity Fitting Group, requested, in accordance with section 351.213(b) of the Department's regulations, an administrative review of the antidumping duty order on pipe fittings from Thailand covering the period July 1, 2001, through June 30,

2002. On August 15, 2002, TBC submitted a letter certifying that neither it nor its U.S. affiliate, Benkan America, Inc., sold, exported or shipped for entry and/or consumption in the United States subject merchandise during the period of review (POR). We published a notice of initiation of the review with respect to TBC on August 27, 2002. See *Notice of Initiation*.

**Scope of the Review**

The product covered by this order is certain carbon steel butt-weld pipe fittings, having an inside diameter of less than 14 inches, imported in either finished or unfinished form. These formed or forged pipe fittings are used to join sections in piping systems where conditions require permanent, welded connections, as distinguished from fittings based on other fastening methods (*e.g.*, threaded, grooved, or bolted fittings). Carbon steel pipe fittings are currently classified under subheading 7307.93.30 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

**Rescission of Administrative Review**

As stated above, TBC submitted a letter certifying that neither it nor its U.S. affiliate Benkan America, Inc., sold, exported, or shipped for entry and/or consumption in the United States during the POR. Based on the Department's shipment data query, we are preliminarily treating TBC as a non-shipper for the purpose of this review. See *Data Query* (September 10, 2002). Therefore, in accordance with section 351.213(d)(3) of the Department's regulations, and consistent with our practice, we preliminarily determine to rescind this review. Interested parties may submit comments on these preliminary results. See *e.g.*, *Certain Large Diameter Carbon and Alloy Seamless Standard, Line and Pressure Pipe from Mexico: Preliminary Notice of Intent to Rescind Administrative Review*, (67 FR 56531) (September 4, 2002); *Stainless Steel Bar from India: Preliminary Results of Antidumping Duty Administrative Review and New Shipper Review, and Partial Rescission of Administrative Review*, (65 FR 12209) (March 8, 2000).

Any interested party may request a hearing within 30 days of the date of publication of this preliminary notice. See 19 CFR 351.309. Any hearing, if requested, will be held 44 days after the date of publication, or the first working day thereafter. Interested parties may

submit briefs no later than 30 days after the date of publication of this preliminary notice. Rebuttal briefs, limited to issues raised in such briefs, may be filed no later than 37 days after the date of publication. Parties who submit arguments in this proceeding are requested to submit with each argument: (1) A statement of the issue; and (2) a brief summary of the argument. Further, parties submitting written comments should provide the Department with an additional copy of the public version of any such comments on diskette.

The Department will publish a notice of the final results of this administrative review, which will include the results of its analysis of the issues raised in any written comments or at the hearing, within 120 days from the publication of these preliminary results.

This notice is in accordance with sections 751(a)(1) of the Tariff Act of 1930, as amended, and section 351.213(d) of the Department's regulations.

Dated: March 14, 2003.

#### Fresh Atlantic Salmon from Chile: Amended Final Results of 2000-2001 Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** March 24, 2003.

**SUMMARY:** On February 11, 2003, the Department of Commerce (the Department) published in the **Federal Register** the Final Results of the administrative review of the antidumping duty order on fresh Atlantic salmon from Chile for the period July 1, 2000, through June 30, 2001. See *Notice of Final Results of Antidumping Duty Administrative Review, Final Determination to Revoke the Order in Part, and Partial Rescission of Antidumping Duty Administrative Review: Fresh Atlantic Salmon From Chile*, 68 FR 6878 (February 11, 2003) (Final Results). Based on the correction of a ministerial error, we have made a change to the margin calculation for respondents Cultivadora de Salmones Linao Ltda. and Salmones Tecmar S.A.

(collectively, Linao and Tecmar). However, the margin for Linao and Tecmar continues to be *de minimis*.

**FOR FURTHER INFORMATION CONTACT:** Daniel O'Brien or Constance Handley, at (202) 482-1376 or (202) 482-0631, respectively, AD/CVD Enforcement Office V, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On February 11, 2003, the Department published in the **Federal Register** the Final Results of this administrative review.<sup>1</sup> In the Final Results, Linao and Tecmar received a *de minimis* margin of 0.29 percent. On February 11, 2003, L.R. Enterprises made a timely allegation that the Department had made an error in the calculation of the final margin for Linao and Tecmar. Specifically, L.R. Enterprises alleged that the Department incorrectly calculated the constructed export price (CEP) profit ratio in the margin program for the second sub-period.<sup>2</sup> See Memorandum from Daniel O'Brien, Case Analyst, to Holly Kuga, Acting Deputy Assistant Secretary, Group 2 concerning the ministerial error allegation, dated March 12, 2003 (*Ministerial Error Memo*).

##### **Amended Final Results**

After analyzing the ministerial error comment submitted by L.R. Enterprises, we have determined, in accordance with section 771(h) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.224, that a ministerial error in the margin calculation for Linao and Tecmar was made.

After correcting the ministerial error the revised weighted-average margin is 0.31 percent, which is *de minimis*. The importer specific assessment rates are unchanged.

##### **Assessment Rates**

Absent an injunction from the U.S. Court of International Trade, the

<sup>1</sup> On March 7, 2003, the Department published in the **Federal Register** an Amended Final Results of 2000-2001 Administrative Review. In this amended final, the effective date of revocation was established for the companies which were granted revocation from the order.

<sup>2</sup> We note that Linao and Tecmar were affiliated for only part of the period of review (POR). For the period November 15, 2000 through June 30, 2001 we collapsed Linao and Tecmar for purposes of our analysis. The final cash deposit rate was based on a weighted-average of the margins calculated for the two separate companies prior to November 15, 2000 (sub-period 1) and the margin calculated for the combined entity after that date (sub-period 2). L.R. Enterprises' allegation relates to the margin program for the combined entity.

Department will issue appropriate assessment instructions directly to Customs within fifteen days of publication of these amended final results of review.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: March 17, 2003.
