

submit briefs no later than 30 days after the date of publication of this preliminary notice. Rebuttal briefs, limited to issues raised in such briefs, may be filed no later than 37 days after the date of publication. Parties who submit arguments in this proceeding are requested to submit with each argument: (1) A statement of the issue; and (2) a brief summary of the argument. Further, parties submitting written comments should provide the Department with an additional copy of the public version of any such comments on diskette.

The Department will publish a notice of the final results of this administrative review, which will include the results of its analysis of the issues raised in any written comments or at the hearing, within 120 days from the publication of these preliminary results.

This notice is in accordance with sections 751(a)(1) of the Tariff Act of 1930, as amended, and section 351.213(d) of the Department's regulations.

Dated: March 14, 2003.

Holly A. Kuga,

Acting Deputy Assistant Secretary for Import Administration.

Fresh Atlantic Salmon from Chile: Amended Final Results of 2000-2001 Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 24, 2003.

SUMMARY: On February 11, 2003, the Department of Commerce (the Department) published in the **Federal Register** the Final Results of the administrative review of the antidumping duty order on fresh Atlantic salmon from Chile for the period July 1, 2000, through June 30, 2001. See *Notice of Final Results of Antidumping Duty Administrative Review, Final Determination to Revoke the Order in Part, and Partial Rescission of Antidumping Duty Administrative Review: Fresh Atlantic Salmon From Chile*, 68 FR 6878 (February 11, 2003) (Final Results). Based on the correction of a ministerial error, we have made a change to the margin calculation for respondents Cultivadora de Salmones Linao Ltda. and Salmones Tecmar S.A.

(collectively, Linao and Tecmar). However, the margin for Linao and Tecmar continues to be *de minimis*.

FOR FURTHER INFORMATION CONTACT: Daniel O'Brien or Constance Handley, at (202) 482-1376 or (202) 482-0631, respectively, AD/CVD Enforcement Office V, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On February 11, 2003, the Department published in the **Federal Register** the Final Results of this administrative review.¹ In the Final Results, Linao and Tecmar received a *de minimis* margin of 0.29 percent. On February 11, 2003, L.R. Enterprises made a timely allegation that the Department had made an error in the calculation of the final margin for Linao and Tecmar. Specifically, L.R. Enterprises alleged that the Department incorrectly calculated the constructed export price (CEP) profit ratio in the margin program for the second sub-period.² See Memorandum from Daniel O'Brien, Case Analyst, to Holly Kuga, Acting Deputy Assistant Secretary, Group 2 concerning the ministerial error allegation, dated March 12, 2003 (*Ministerial Error Memo*).

Amended Final Results

After analyzing the ministerial error comment submitted by L.R. Enterprises, we have determined, in accordance with section 771(h) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.224, that a ministerial error in the margin calculation for Linao and Tecmar was made.

After correcting the ministerial error the revised weighted-average margin is 0.31 percent, which is *de minimis*. The importer specific assessment rates are unchanged.

Assessment Rates

Absent an injunction from the U.S. Court of International Trade, the

¹ On March 7, 2003, the Department published in the **Federal Register** an Amended Final Results of 2000-2001 Administrative Review. In this amended final, the effective date of revocation was established for the companies which were granted revocation from the order.

² We note that Linao and Tecmar were affiliated for only part of the period of review (POR). For the period November 15, 2000 through June 30, 2001 we collapsed Linao and Tecmar for purposes of our analysis. The final cash deposit rate was based on a weighted-average of the margins calculated for the two separate companies prior to November 15, 2000 (sub-period 1) and the margin calculated for the combined entity after that date (sub-period 2). L.R. Enterprises' allegation relates to the margin program for the combined entity.

Department will issue appropriate assessment instructions directly to Customs within fifteen days of publication of these amended final results of review.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: March 17, 2003.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.

Notice of Amended Final Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Germany

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Amended Final Results of Antidumping Duty Administrative Review of Stainless Steel Sheet and Strip in Coils from Germany.

EFFECTIVE DATE: March 24, 2003.

SUMMARY: On February 10, 2003, the Department of Commerce published the final results for its review of the antidumping duty order on stainless steel sheet and strip in coils from Germany for the period July 1, 2000, through June 30, 2001. See *Notice of Final Results of Antidumping Duty Administrative Review: Stainless Steel Sheet and Strip in Coils from Germany*, (Final Results) 68 FR 6716 (February 10, 2003). We are amending our final results to correct ministerial errors alleged by respondent.

FOR FURTHER INFORMATION CONTACT: Patricia Tran or Robert James, AD/CVD Enforcement Group III, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230, at 202-482-1121 or 202-482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Scope of the Review

For purposes of this order, the products covered are certain stainless steel sheet and strip in coils. Stainless steel is an alloy steel containing, by weight, 1.2 percent or less of carbon and
