Withdrawal of Food Additive Petitions Subsequently Converted to Food Contact Notifications

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the withdrawal, without prejudice to a future filing, of 12 food additive petitions (FAPs) proposing that the food additive regulations be amended to provide for the safe use of certain new food additives. The petitioners subsequently requested that their petitions be converted to food contact notifications for review under the agency's new food contact notification (FCN) program for food contact substances. The requested uses are now the subjects of effective notifications.

FOR FURTHER INFORMATION CONTACT: Sylvia Dodson, Center for Food Safety and Applied Nutrition (HFS–275), Food and Drug Administration, 5100 Paint Branch Pkwy., College Park, MD 20740, 202–418–3087.

SUPPLEMENTARY INFORMATION: In notices published in the **Federal Register**, on the dates indicated in table 1 of this document, FDA announced the filing of 12 FAPs. These petitions proposed to amend the food additive regulations in the sections listed in the table to provide for the safe use of the listed substances intended for use in food contact articles. Since publication of these filing notices, the petitioners have requested that their respective petitions be converted to FCNs for review under the agency's new FCN process for food contact substances and that their petitions be withdrawn when the corresponding notifications become effective. These petitions were converted to notifications and subsequently reviewed under the FCN process. The requested uses are now the subjects of effective notifications. The corresponding FAPs are now withdrawn
